ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

ITEM 3.02. UNREGISTERED SALES OF EQUITY SECURITIES.

On March 31, 2005, Ion Networks, Inc. ("Ion") entered into a purchase agreement with the New York based institutional investment firm Special Situations Fund III, LP and several related funds (the "SSF Funds"), pursuant to which Ion completed a private placement of 4,411,765 shares of common stock and warrants to purchase an additional 2,205,882 shares of common stock. Certain of the SSF Funds beneficially owned approximately 11% of Ion common stock prior to the transaction. The total offering price was \$750,000. The shares of common stock were issued at \$0.17 cents per share and the warrants are exercisable at a price of \$0.23 per share subject to certain anti-dilution adjustments. The warrants will expire on March 30, 2010. Ion has the right to call the warrants in the event that its common stock trades at a price exceeding \$0.69 per share for twenty (20) consecutive trading sessions. Ion also agreed to file a registration statement, registering for resale the shares of common stock as well as the shares issued upon exercise of the warrants, within 45 days from March 31, 2005, and thereafter to use commercially reasonable efforts to cause such registration statement to become effective as soon as practicable. Further terms relating to this investment are described in the purchase agreement, form of warrant and registration rights agreement set forth in the exhibits filed with this Form 8-K.

## Edgar Filing: ION NETWORKS INC - Form 8-K

The securities in this private placement were issued without registration in reliance on Section 4(2) of the Securities Act of 1933, as amended ("1933 Act"), as amended, and Rule 506 promulgated thereunder. The exemption was established by the representation of each purchaser as to its status as an accredited investor, that it was purchasing the securities for its own account and not with a view to the resale or distribution of any part thereof in violation of the 1933 Act and the acknowledgment by each purchaser that resale of the securities may not be made unless registered under the 1933 Act, or another exemption is available. In addition, the securities bear a legend indicating such restrictions on transferability.

On April 5, 2005, Ion issued a press release announcing the completion of the private placement. The press release is attached to this filing as Exhibit 99.1.

The information contained in this Form 8-K does not constitute an offer of any securities for sale. In addition, the securities issued or issuable in the transactions described above have not been registered under the 1933 Act and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.
