Item 2.02. Results of Operations and Financial Condition.

On November 3, 2005, Revlon, Inc. issued a press release announcing its results of operations for the fiscal quarter ended September 30, 2005 and disclosing certain related business information.

The press release included certain of management's beliefs, expectations, estimates, projections, forecasts, plans, anticipations, targets, outlooks, initiatives, destinations, visions, objectives, strategies, opportunities, drivers and intents regarding the Company, including in connection with its brand initiatives and were prepared by the Company based upon, among other things, the anticipated future results of operation of the Company after giving effect to the implementation of the brand initiatives. The Company does not generally publish its strategic plans or make external projections of its anticipated financial position or results of operations or the type of forward-looking information regarding its strategic plans included in this Current Report on Form 8-K, including anticipated changes in retail merchandising space, growth opportunities, Adjusted EBITDA, net sales, provisions for incremental returns and allowances, and projected launch costs. Accordingly, except for the Company's ongoing obligations under the U.S. federal securities laws, the Company does not intend to update or otherwise revise the forward-looking information regarding its strategic plans to reflect actual results of operations, changes in financial condition, changes in estimates, expectations or assumptions or other circumstances arising and/or existing since the preparation of this press release or to reflect the occurrence of any unanticipated events. Further, the Company does not intend to update or revise the forward-looking information regarding its strategic plans to reflect changes in general economic, industry or cosmetics category conditions.

Statements made in this Current Report on Form 8-K that are not historical are forward looking statements which are based on the beliefs, expectations, estimates, projections, forecasts, plans, anticipations, targets, outlooks, initiatives, destinations, visions, objectives, strategies, opportunities, drivers and intents of the Company's management and involve risks and uncertainties. Such forward-looking statements are subject to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. The Company's actual results may differ materially from such forward looking statements for a number of reasons, including, without limitation, those set forth in the Company's filings with the Securities and Exchange Commission, including its Annual Report on Form 10-K for the year ended December 31, 2004, its Quarterly Reports on Form 10-Q for the periods ending March 31, 2005, June 30, 2005 and September 30, 2005 (the latter of which the Company will be filing with the SEC by November 9, 2005) and its Current Reports on Form 8-K filed with the SEC during 2005.
