Dialog Semiconductor Announces Appointment of New Chief Financial Officer

KIRCHHEIM/TECK & NABERN, Germany--(BUSINESS WIRE)--Sept. 22, 2006--Dialog Semiconductor Plc (FWB: DLG, Nasdaq: DLGS) announces the appointment of Jean-Michel Richard as its new Chief Financial Officer (CFO).

Mr Richard joins us after a successful career in key finance and treasury positions at Motorola and ON Semiconductor both in Europe and the USA. His most recent assignment was Finance Director for the Global Manufacturing and Technology division of ON Semiconductor located at Phoenix, Arizona. In addition he has been involved in M&A, LBO and IPO activities at these companies.

Announcing the appointment, Jalal Bagherli, Dialog CEO remarked: 'I am delighted to welcome Jean-Michel. In line with our stated strategy of repositioning the company for growth in 2007 and beyond, we are continuing to strengthen the board and the management team by adding experienced contributors who can accelerate and support our corporate initiatives. Jean-Michel's unrivalled experience of semiconductor operational finance and his understanding of international reporting standards will help position Dialog Semiconductor as a strong partner in the global business community.'

Mr Richard will join Dialog Semiconductor on Monday 25th September 2006 and he will assume immediate responsibility for the 2007 budgetary process and corporate development projects.

The outgoing VP Finance & Controlling, Martin Kloble, is leaving the company to assume a new role as CFO in a privately held real estate company. Martin will remain with the company until the end of 2006 and he will present Dialog's Q3 results on 25th October 2006 before handing over to Jean-Michel who will take up the position of Vice President and CFO on that date.

Thanking Martin for his contribution to Dialog's development, Jalal Bagherli commented: 'Martin has led Dialog's finance team since 1999. He has successfully managed our IPO on the Frankfurt and Nasdaq stock exchanges and all our international financial reporting. In addition he has initiated and secured the many operational achievements our company has made to date. I am personally very grateful to Martin for his commitment and support for me since I have joined the company. On behalf of the board and the management team, I would like to wish Martin every success in his new endeavour.'

Information about Dialog Semiconductor

Dialog Semiconductor develops and supplies power management, audio and display driver technology, targeting the wireless, automotive and industrial markets. The company's expertise in mixed signal design, with products manufactured entirely in CMOS technology, enhances the performance and features of wireless, hand-held and portable electronic products. Its technology is also used in intelligent control circuits in automotive and industrial applications. Dialog Semiconductor Plc is headquartered near Stuttgart, Germany with operating facilities in the UK, the USA, Austria, Japan and Taiwan. The company is listed on the Frankfurt (FWB: DLG) and NASDAQ (DLGS) stock exchanges.
