**ITEM 5.06 Change in Shell Company Status**

On October 11, 2011, the Company launched its website. The website will be used initially to build brand recognition by providing the healthcare practitioners with education and support. We intend to accomplish this education and support process providing regular and frequent access to educational tools, such as webinars and live seminars. The website will continue to be developed to be used to directly market and sell nutraceutical supplement products to health practitioners. We intend to entrust the manufacturing to a nutraceutical contractor to private label all of our intended products and to sell them under our brand. We have not yet selected our our intended products or the manufacturer.

Based upon the above events, the Company is no longer a shell company (as defined in Rule 12b-2 of the Exchange Act) effective October 11, 2011.
