## INFORMATION STATEMENT

Dear Stockholder:

This Information Statement (the "Information Statement") is furnished by the Board of Directors of Marketing Acquisition Corporation, a Nevada corporation (the "Company", or "us"), to the stockholders of record of the Company at the close of business on April 23, 2007 (the "Record Date") to provide information with respect to certain corporate actions taken by written consent of Halter Financial Investments, L.P., the holder of a majority of the outstanding shares of the Company's common stock on the Record Date (the "Majority Stockholder").

The written consent, executed by the Majority Stockholder on the Record Date, approved an amendment to our Articles of Incorporation to effect a 1-for-48 reverse split in our issued and outstanding shares common stock so that stockholders of record on the effective date for such split on or about May 17, 2007 shall receive one (1) share of our common stock for each forty-eight (48) shares now held by them. The reverse stock split shall have the effect of reducing the number of our issued and outstanding shares from 84,033,600 to approximately 1,750,700. No stockholder shall receive less than one round lot, or 100 shares of our common stock, as a result of such reverse stock split and any fractional shares issuable to any stockholder as a result of such reverse stock split shall be rounded up to the nearest whole share. The reverse stock split will be effected by filing an amendment to our articles of incorporation in substantially the same form as that attached hereto as Exhibit A.

The Majority Stockholder, holding approximately 71.4% of the outstanding shares of the Company's common stock, has approved, by written consent, the above-described actions. Therefore, all required corporate approvals for these actions have been obtained. This Information Statement is furnished solely for the purpose of informing stockholders of these corporate actions in the manner required by Rule 14c-2 under the Securities Exchange Act of 1934.

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

THIS IS NOT A NOTICE OF A MEETING OF STOCKHOLDERS AND NO STOCKHOLDER'S MEETING WILL BE HELD TO CONSIDER ANY MATTER DESCRIBED HEREIN.

## PURPOSE OF INFORMATION STATEMENT

This Information Statement (the "Information Statement") is being mailed on or about April 24, 2007 to the stockholders of record of Marketing Acquisition Corporation, a Nevada corporation (the "Company", or "us"), at the close of business on April 23, 2007 (the "Record Date"). This Information Statement is being sent to you for information purposes only. No action is requested on your part.

This Information Statement is being furnished by our Board of Directors to provide stockholders with information concerning a 1-for-48 reverse split of our issued and outstanding shares of common stock approved by Halter Financial Investments L.P., the holder of a majority of our voting stock (the "Majority Stockholder"), on the Record Date.

## RECORD DATE AND VOTING SECURITIES

Only stockholders of record at the close of business on the Record Date were entitled to notice of the information disclosed in this Information Statement. As of the Record Date, the Company had one class of common stock, par value \$0.001 per share, outstanding. On the Record Date, 84,033,600 shares of our common stock were issued and outstanding.

## NO STOCKHOLDER VOTES SOLICITED

Each share of common stock entitles its holder to one vote on each matter submitted to the stockholders. However, because stockholders holding at least a majority of the outstanding shares of our voting stock as at the Record Date have voted in favor of the reverse stock split by written consent dated April 23, 2007, no other stockholder consents will be solicited in connection with this Information Statement.

Pursuant to Rule 14c-2 under the Securities Exchange Act of 1934, as amended, the reverse stock split will not become effective until a date at least 20 days after the date on which this Information Statement has been mailed to the stockholders. We anticipate that the actions contemplated herein will be effected on or about the close of business on May 17, 2007.

## DISSENTERS' RIGHTS

The Nevada Revised Statutes ("NRS") do not provide for dissenters' rights in connection with the actions described in this Information Statement, and we will not provide stockholders with any such right independently.

## EXPENSES

The costs of preparing, printing and mailing this Information Statement will be borne by the Company.

## INTEREST OF PERSONS ON MATTERS TO BE ACTED ON

None of the officers or directors or their associates have a direct or indirect substantial interest, by their security holdings or otherwise, in the authorization and approval of the Amendment.

## STOCKHOLDERS SHARING AN ADDRESS

We will deliver only one Information Statement to multiple stockholders sharing an address unless we have received contrary instructions from one or

more of the stockholders. We undertake to deliver promptly, upon written or oral request, a separate copy of the Information Statement to a stockholder at a shared address to which a single copy of the Information Statement is delivered. A stockholder can notify us that the stockholder wishes to receive a separate copy of the Information Statement by contacting us at the address or phone number set forth above. Conversely, if multiple stockholders sharing an address receive multiple Information Statements and wish to receive only one, such stockholders can notify us at the address or phone number set forth above.

### IMPLEMENTATION OF REVERSE STOCK SPLIT OF OUR ISSUED AND OUTSTANDING SHARES OF COMMON STOCK AT A RATIO OF 1-FOR-48

#### GENERAL

On April 23, 2007, the Record Date, our Board of Directors unanimously approved and recommended that the stockholders approve, and on the Record Date the Majority Stockholder approved, an amendment to our Articles of Incorporation to effect a reverse stock split of our issued and outstanding shares of common stock. The Board of Directors determined that by reducing the number of shares of our common stock from 84,033,600 to approximately 1,750,700 shares, the Company will be better positioned to effect our business strategy of entering into a business combination with a private entity that has current business operations.

The reverse stock split, when implemented, will not change the par value of our common stock nor change the number of authorized shares of our common stock. Except for any changes as a result of the treatment of fractional shares, following the reverse split, each stockholder who owns 48 or more shares will hold the same percentage of common stock outstanding immediately following the reverse stock split as such stockholder did immediately prior to the reverse stock split.

The Company may be referred to as a "shell corporation." The Company's current principal business activity is to seek a suitable reverse acquisition candidate through acquisition, merger or other suitable business combination method.

The Company has very limited capital, and it is unlikely that we will be able to take advantage of more than one such business opportunity. We intend to seek opportunities demonstrating the potential of long-term growth. At the present time, we have not identified any business opportunity that we plan to pursue, nor have we reached any agreement or definitive understanding with any person concerning an acquisition.

No assurance can be given that we will be successful in finding or acquiring a desirable business opportunity, given the limited funds that are expected to be available for acquisitions. Furthermore, no assurance can be

2

given that any acquisition, which does occur, will be on terms that are favorable to the Company or its current stockholders.

#### CONSENT REQUIRED

Approval of the reverse stock split and the amendment to our articles of incorporation required the consent of the holders of a majority of the outstanding shares of our common stock, as of the Record Date. The Majority Stockholder, who owned approximately 71.4% of the outstanding shares of our common stock as of the Record Date, has given its consent to the amendment, and, accordingly, the requisite stockholder approval for this action was obtained by the execution of the Majority Stockholder's written consent in favor of the

## Edgar Filing: Marketing Acquisition Corp - Form DEF 14C

action. We do not intend to seek additional stockholder approval prior to the effectiveness of this action. This Information Statement is being mailed to you solely for your information. We are not providing you with a proxy and you are not requested to send a proxy.

### AMENDMENT TO ARTICLES OF INCORPORATION

Our Articles of Incorporation will be amended to effect the 1-for-48 reverse stock split on May 17, 2007 or as soon thereafter as practicable. The amendment to our articles of incorporation will be in substantially the same form as that attached hereto as Exhibit "A."

### CERTAIN RISKS ASSOCIATED WITH THE REVERSE STOCK SPLIT

There is no assurance that once the reverse stock split is effected we will be able to consummate a business combination.

Although our common stock is currently quoted on the OTC Bulletin Board under the symbol "MKAQ," there is no active or liquid trading market for our common stock and there can be no assurance that an active or liquid trading market will develop in the future. As such, we are not able to predict what, if any, impact the reverse stock split will have on the market or market price for our common stock. The bid quotation per new share of our common stock after the reverse stock split (the "New Shares") may not rise or remain constant in proportion to the reduction in the number of old shares of our common stock outstanding before the reverse stock split ("Old Shares"). Accordingly, the total market capitalization of our common stock after the reverse stock split may be lower than the total market capitalization before the reverse stock split. In the future, the bid price of our common stock following the reverse stock split may not equal or exceed the bid price prior to the reverse stock split. In many cases, the total market capitalization of a company following a reverse stock split is lower than the total market capitalization before the reverse stock split.

### PRINCIPAL EFFECTS OF THE REVERSE STOCK SPLIT

#### CORPORATE MATTERS.

The reverse stock split will be effected simultaneously for all of our common stock and the exchange ratio will be the same for all of our common stock. No stockholder shall receive fewer than one round lot, or 100 shares as a result of the reverse stock split and any fractional shares shall be rounded to the nearest whole share. Except for any changes as a result of the treatment of fractional shares, following the reverse split, each stockholder who owns 48 or more shares will hold the same percentage of common stock outstanding immediately following the reverse stock split as such stockholder did immediately prior to the reverse stock split.

### 3

The reverse stock split will affect all stockholders uniformly and will not affect materially such stockholders' percentage ownership interests in the Company except for immaterial adjustments resulting from the minimum round lot requirement and the treatment of fractional shares. Common stock issued pursuant to the reverse stock split will remain fully paid and non-assessable. Following the reverse stock split, we will continue to be subject to the periodic reporting requirements of the Securities Exchange Act of 1934, as amended.

#### FRACTIONAL SHARES.

No scrip or fractional certificates will be issued in connection with the reverse stock split. Instead, any fractional share that results from the reverse

## Edgar Filing: Marketing Acquisition Corp - Form DEF 14C

stock split will be rounded up to the next whole share. This is being done to avoid the expense and inconvenience of issuing and transferring fractional shares of our common stock as a result of the reverse stock split.

### AUTHORIZED SHARES.

As of the Record Date, we had 100,000,000 shares of common stock authorized and 84,033,600 shares of common stock outstanding. Although the number of shares of common stock we are authorized to issue will not change as a result of the reverse stock split, the number of shares of our common stock issued and outstanding will be reduced to a number that will be approximately equal to the number of shares of common stock issued and outstanding immediately prior to the effectiveness of the reverse stock split divided by 48. Authorized but unissued shares will be available for issuance, and we may issue such shares in financings or otherwise. If we issue additional shares, the ownership interest of holders of common stock may also be diluted.

### ACCOUNTING MATTERS.

The reverse stock split will not affect the par value of our common stock. As a result, as of the effective time of the reverse stock split, the stated capital on our balance sheet attributable to our common stock will be reduced proportionately based on the reverse stock split ratio and the additional paid-in capital account will be credited with the amount by which the stated capital is reduced. The per share net income or loss and net book value of our common stock will also change because there will be fewer shares of our common stock outstanding.

### POTENTIAL ANTI-TAKEOVER EFFECT.

Although, the increased proportion of unissued authorized shares to issued shares could, under certain circumstances, have an anti-takeover effect (for example, by permitting issuances that would dilute the stock ownership of a person seeking to effect a change in the composition of our Board of Directors or contemplating a tender offer or other transaction for the combination of us with another company), the reverse stock split is not a response to any effort of which we are aware to accumulate our shares of common stock or obtain control of the Company, nor is it part of a plan by our management to recommend a series of similar amendments to our Board of Directors and stockholders.

### PROCEDURE FOR EFFECTING REVERSE STOCK SPLIT AND EXCHANGE OF STOCK CERTIFICATES

Approximately 20 days after this Information Statement has first been sent or given to stockholders, we will file an amendment to our Articles of Incorporation in the form approved by our Majority Stockholder with the Secretary of State of the State of Nevada. The reverse stock split is estimated

4

to become effective on May 17, 2007, which is referred to below as the "effective time." Beginning at the effective time, each certificate representing Old Shares will be deemed for all corporate purposes to evidence ownership of New Shares.

Our transfer agent, Securities Transfer Corporation, 2591 Dallas Parkway, Suite 102, Frisco, Texas 75034, Telephone: (469) 633-0101, is acting as exchange agent for purposes of implementing the exchange of stock certificates. Holders of Old Shares may surrender certificates representing Old Shares for certificates representing New Shares in accordance with the procedures set forth in the letter of transmittal accompanying this Information Statement. No new certificates will be issued to a stockholder until such stockholder has surrendered such stockholder's outstanding certificate(s), together with the

## Edgar Filing: Marketing Acquisition Corp - Form DEF 14C

properly completed and executed letter of transmittal, to the exchange agent. The Company will pay all fees, including the transfer agent's fee, associated with certificate exchange and delivery.

STOCKHOLDERS SHOULD NOT DESTROY ANY STOCK CERTIFICATE(S).

### FEDERAL INCOME TAX CONSEQUENCES OF THE REVERSE STOCK SPLIT

EACH STOCKHOLDER SHOULD CONSULT WITH HIS OR HER OWN TAX ADVISOR WITH RESPECT TO ALL OF THE POTENTIAL TAX CONSEQUENCES TO HIM OR HER OF THE REVERSE STOCK SPLIT.

### STOCK OWNERSHIP

The following table sets forth information as of the Record Date, and as adjusted to give effect to the reverse stock split, regarding the beneficial ownership of our common stock (i) by each person or group known by our management to own more than 5% of the outstanding shares of our common stock, (ii) by our sole director and executive officer, and (iii) by all our directors and executive officers as a group.
