ITEM 1.01 ENTRY INTO MATERIAL DEFINITIVE AGREEMENT

Effective August 15, 2014, we entered into an asset purchase agreement (the "Agreement") with Pathion, Inc., a Delaware corporation and Pathion Mining Inc., a Nevada corporation. Pursuant to the Agreement, we have agreed to sell to Pathion, Inc. and Pathion Mining, our rights, interests and assets relating to our Fish Lake Valley, San Emidio and BC Sugar properties. The Agreement was set to close at the end of September 2014, but was extended to September 17, 2014 by mutual agreement, and was further extended by mutual agreement on October 24, 2014 until January 17, 2015.

Pathion, Inc. and Pathion Mining, Inc. have been in default of their obligations under the Agreement and on December 10, 2014, we amended certain terms of the Agreement such that Pathion Mining waives its right to require no negotiation during the pre-closing period and any related penalties for default and its right to require a non-competition agreement.

## Edgar Filing: Lithium Corp - Form 8-K

As consideration for these amendments our company shall forebear our right to terminate the Agreement without first providing further written notice to Pathion Mining; for any subsequent default our company shall issue notice to Pathion Mining; and in the event that Pathion Mining cures its current default and then is in default of the Agreement again, our company will then issue 10 days written notice to cure the default before we can terminate the Agreement.
