PROXY STATEMENT

This proxy statement contains information related to the Annual Meeting of stockholders of Alfacell Corporation to be held on Wednesday, January 14, 2004, beginning at 2:00 p.m., at the Newark Liberty International Airport Marriott Hotel, Newark International Airport, Newark, New Jersey 07114 and at any postponements or adjournments thereof. The approximate date of mailing for this proxy statement and card as well as a copy of Alfacell's 2003 Annual Report is December 11, 2003.

ABOUT THE MEETING

What is the purpose of the Annual Meeting?

At Alfacell's Annual Meeting, stockholders will act upon the matters outlined in the accompanying notice of meeting, including:

- o the election of directors;
- o the approval of an amendment to the Certificate of Incorporation increasing the number of authorized shares;
- o the ratification of our independent auditors; and
- o the approval of the Company's 2004 Stock Incentive Plan.

In addition, management will report on our performance during 2003 and respond to questions from stockholders.

Who is entitled to vote?

Only stockholders of record at the close of business on the record date, November 24, 2003, are entitled to receive notice of the Annual Meeting and to vote the shares of Common Stock that they held on that date at the meeting, or any postponement or adjournment of the meeting. Each outstanding share entitles its holder to cast one vote on each matter to be voted upon. There are no cumulative voting rights.

Who can attend the meeting?

Edgar Filing: ALFACELL CORP - Form DEFR14A

All stockholders as of the record date, or their duly appointed proxies, may attend the meeting. Cameras, recording devices and other electronic devices will not be permitted at the meeting. Please note that if you hold your shares in "street name" (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date and check in at the registration desk at the meeting. Onsite parking is available at the hotel for US\$20.00 per day or US\$6.00 per hour. Shuttle bus is also available from the airport if arriving by plane.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock issued and outstanding and entitled to vote on the record date, will constitute a quorum, permitting the meeting to conduct its business. As of November 24, 2003, the record date, 28,248,658 shares of Alfacell's

3

Common Stock were outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered present at the meeting.

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to us, it will be voted as you direct. If you are a registered stockholder as of the record date and attend the meeting, you may deliver your completed proxy card in person. "Street name" stockholders who wish to vote at the meeting will need to obtain a proxy card from the institution that holds their shares.

Can I vote by telephone or electronically?

No. We have not instituted any mechanism for telephone or electronic voting. However, "street name" stockholders may be able to vote electronically through their brokers. If so, instructions regarding electronic voting will be provided by the broker as part of the package which includes this proxy statement.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with Alfacell's Secretary either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board's recommendation is set forth together with the description of each item in this proxy statement. In summary, the Board recommends a vote:

- o FOR election of the nominated slate of directors (see page 7);
- o FOR approval of an amendment to the Certificate of Incorporation (see page 18);

Edgar Filing: ALFACELL CORP - Form DEFR14A

- o FOR ratification of the appointment of J.H. Cohn LLP as Alfacell's independent auditors (see page 20);
- o FOR approval of the Company's 2004 Stock Incentive Plan (see page 21).

Pursuant to the provisions of Rule 14a-4(c) promulgated under the Securities Exchange Act of 1934, with respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

What vote is required to approve each item?

Election of directors. The affirmative vote of a plurality of the votes cast at the meeting, represented in person or by proxy and entitled to vote, is required for the election of directors.

Amendment to Certificate of Incorporation to increase the authorized shares. The affirmative vote of at least a majority of the outstanding shares of Common Stock, as of the record date, November 24, 2003, is required to amend the Certificate of Incorporation and increase the number of authorized shares.

Other proposals. For each other proposal, the affirmative vote of the holders of at least a majority of the shares represented in person or by proxy at the meeting and entitled to vote on the proposal will be required for approval.

4

Votes cast "FOR" a proposal constitute affirmative votes. A properly executed proxy card marked "WITHHOLD" or "ABSTAIN" with respect to any such matter will not be voted on such matter, although it will be counted for purposes of determining whether there is a quorum and in determining the number of shares necessary for approval of such matter. Accordingly, a "WITHHOLD" or "ABSTAIN" will have the effect of a negative vote.

Broker non-votes. Where brokers are prohibited from exercising discretionary authority for beneficial owners who have not provided voting instructions (commonly referred to as "broker non-votes"), such broker non-votes will be treated as shares that are present for purposes of determining the presence of a quorum; however, with respect to proposals which require the affirmative vote of a percentage of shares present at the Annual Meeting and entitled to vote on such proposal for approval, such broker non-votes will be treated as not present for purposes of determining the outcome of any such matter. With respect to proposals which require the affirmative vote of a percentage of the outstanding shares for approval, since such broker non-votes are not cast "FOR" a particular matter, they will have the same effect as negative votes or votes cast "AGAINST" such proposals.

Section 16(a) beneficial ownership reporting compliance

Based upon a review of filings with the Securities and Exchange Commission and written representations that no other reports were required, we believe that all of our directors and executive officers complied during 2003 with the reporting requirements of Section 16(a) of the Securities Exchange Act of 1934, as amended, with the exception of one set of transactions involving the grant of options to our Independent Directors in December 2002 and one grant of options to our CEO in October 2002. All such grants were reported one day late, except for the report of one of the Independent Directors, which was reported one week late. These late filings resulted from the new two day reporting requirement promulgated by the Securities and Exchange Commission pursuant to the Sarbanes-Oxley Act of 2002, and pursuant to which the Company has adopted a set of procedures which has enabled the Company to be able to comply with this new two day reporting requirement since January 2003.

PROPOSAL NO. 1 -- ELECTION OF DIRECTORS

Under Alfacell's By-laws, all directors elected by stockholders are elected for a one-year term. Each of the nominees has consented to serve a one-year term. If any of them should become unavailable to serve as a director, the Board may designate a substitute nominee. In that case, the persons named as proxies will vote for the substitute nominee designated by the Board.

Mr. Martin F. Stadler will not be standing for re-election to the Board of Directors. However, because of our desire to have a Board of Directors that exceeds even the most stringent corporate governance standards, our current Board has decided to increase the number of directors from five to seven. Mr. John P. Brancaccio, C.P.A., Mr. James J. Loughlin, C.P.A. and Mr. Andrew P. Savadelis, MBA, have each been nominated by the Board based on their belief that they possess the requisite expertise to replace Mr. Stadler and fill the two new seats. The Board has adopted resolutions stating that upon our stockholders' election of Mr. Brancaccio, Mr. Loughlin and Mr. Savadelis, as directors of Alfacell, the number of directors will automatically be increased to seven. Accordingly, the Board has nominated seven persons to fill such positions.

How are directors compensated?

Directors receive no cash compensation in consideration for their serving on the Board of Directors.

In May 1997 and in December 1997, the Board of Directors and the stockholders, respectively, approved our 1997 Stock Option Plan, which, among other things, provides for automatic grants of options under a formula to non-employee directors or independent directors on an annual basis. The formula provides that (i) on each December 31st each independent director receives automatically an option to purchase 15,000 shares of our Common Stock, or the regular grant; and (ii) on the date of each independent director's initial election to the Board of Directors, the newly elected independent director automatically receives an option to purchase the independent director's pro rata share of the regular grant which equals the product of 1,250 multiplied by the number of whole months remaining in the calendar year, or the pro rata grant. Each option granted pursuant to a regular grant and a pro rata grant vests and becomes exercisable on December 30th following the date of grant. An option will not become exercisable as to any shares unless the independent director has served continuously on the Board during the year preceding the date on which such options are scheduled to vest and become exercisable, or from the date the independent director joined the Board until the date on which the options are scheduled to vest and become exercisable. However, if an independent director does not fulfill such continuous service requirement due to the independent director's death or disability all options held by the independent director

Edgar Filing: ALFACELL CORP - Form DEFR14A

nonetheless vest and become exercisable as described herein. An option granted pursuant to the formula remains exercisable for a period of five years after the date the option first becomes exercisable. The per share exercise price of an option granted under the formula is equal to the average of the high and low trade prices of our Common Stock for the twenty (20) trading days preceding the date of grant.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

As of July 31, 2003, the Audit Committee of Alfacell's Board of Directors was composed of Martin F. Stadler and Donald R. Conklin, both of whom were non-employee directors. Both members of the Audit Committee were independent as independence is defined in Rule 4200(a)(15) of the NASD listing standards. Mr. Stadler qualifies as an audit committee financial expert as defined by Item 401(h) of Regulation S-K of the Exchange Act, however, Mr. Stadler is not standing for re-election to the Board of Directors. In Mr. Stadler's place, the Board has nominated two new directors, Mr. John P. Brancaccio, C.P.A. and Mr. James J. Loughlin, C.P.A., both of whom (i) will be independent as defined by Rule 4200(a)(15) of the NASD listing standards and Rule 10A(m)(3) of the Exchange Act, (ii) have not participated in the preparation of the financial statements of the Company at any time during the past three years and (iii) qualify as audit committee financial experts as defined by Item 401(h) of Regulation S-K of the Exchange Act. Thus, effective as of January 14, 2004, upon the election of Mr. Brancaccio and Mr. Loughlin to our Board of Directors, both will serve as audit committee financial experts. In addition, Dr. Paul M. Weiss was appointed to our Audit Committee on November 9, 2003. We are confident that the new directors who have been and will be appointed to our Audit Committee, possess the requisite financial expertise to handle the responsibilities set forth in our Audit Committee Charter.

On November 9, 2003, the Board of Directors adopted a written charter, which is attached hereto as Exhibit A. Such charter requires the Company to meet the rules and regulations of the Securities and Exchange Commission and the Sarbanes-Oxley Act of 2002. The members of the Audit Committee meet current audit committee requirements, and with the election of Mr. Brancaccio and Mr. Loughlin to our Board of Directors on January 14, 2004, we will have two audit committee financial experts to replace Mr. Stadler. Alfacell will endeavor to continue to meet all current audit committee requirements. The Audit Committee is charged with the responsibility of selecting and appointing the independent accountants and has chosen to have the selection ratified by stockholders.

Management is responsible for Alfacell's internal controls and the financial reporting process. Alfacell's independent accountants are responsible for performing an independent audit of Alfacell's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report on Alfacell's financial statements. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. Management represented to the Audit Committee that Alfacell's consolidated financial statements were prepared in accordance with generally accepted accounting principles generally accepted in the United States. The Audit Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61, Communications with Audit Committees, as amended.

Alfacell's independent accountants also provided and discussed with the

Edgar Filing: ALFACELL CORP - Form DEFR14A

Audit Committee the written disclosure required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee also reviewed and discussed with the independent accountants the accounting firm's independence. The Audit Committee found that the non-audit services, as described on page [13] under "Audit-Related Fees," "Tax Fees," and "All Other Fees" provided by the independent accountants during the year ended July 31, 2003 were compatible with maintaining the independent accountants' independence.

Based upon the Audit Committee's discussion with management and the independent accountants and the Audit Committee's review of the representation of management and the report of the independent accountants to the Audit Committee, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in Alfacell's Annual Report on Form 10-K for the year ended July 31, 2003 filed with the Securities and Exchange Commission on October 29, 2003.

 - (2) Consist of Alfacell's annual contributions to a 401(k) plan.
 - (3) Includes \$80,780 of unpaid gross salary for Ms. Shogen.
 - (4) Of these options, 23,000 were exercised in March 2001 and the balance remains outstanding.
 - (5) Stanislaw Mikulski resigned as the Company's Executive Vice President, Medical Director and as a member of the Board of Directors effective as of January 7, 2003. His unpaid gross salary for calendar year 2002 has been paid in full as of September 30, 2003.

The following table contains information concerning the grant of stock options to the Named Officers during the fiscal year ended July 31, 2003:

Name	Individual Grants				Potent Assu Price App 0%(\$)
	Number of Securities Underlying Options Granted (#)	% of Total Options Granted to Employees in Fiscal Year	Exercise or Base Price (\$/Share) (1)	Expiration Date	
Kuslima Shogen	115,000 (3)	31.08%	\$.26	(3)	--
Stanislaw Mikulski	50,000 (3) (4)	13.51%	\$.26	(3)	--

- (1) The exercise price of these options was based on the average of the high and low trade prices of our Common Stock for the twenty trading days preceding the date of grant.
- (2) The amounts set forth in the three columns represent hypothetical gains that might be achieved by the optionees if the respective options are exercised at the end of their terms. These gains are based on assumed rates of stock price appreciation of 0%, 5% and 10%. The 0% appreciation column is included because the exercise prices of the options equal the market price of the underlying Common Stock on the date the options were granted, and thus the options will have no value unless our stock price increases above the exercise prices.
- (3) These options vest and become exercisable as to 20% of the shares on the date of grant and as to an additional 20% of the shares each year thereafter until these options are fully vested and will expire five years after the date they become exercisable.
- (4) Of these options, 10,000 were exercised in June 2003 and the balance were canceled.

COMPENSATION COMMITTEE INTERLOCKS
AND INSIDER PARTICIPATION

During the fiscal year ended July 31, 2003, the members of the Board of Directors who served on the Compensation Committee were Donald R. Conklin, Stephen K. Carter and Martin F. Stadler, all of whom are non-employee directors and have never been an officer of Alfacell. During the fiscal year ended July 31, 2003, no executive officer of Alfacell served on the Compensation Committee or Board of Directors of any other entity which had any executive officer who also served on the Compensation Committee or Board of Directors of Alfacell.

REPORT OF THE COMPENSATION COMMITTEE
OF THE BOARD OF DIRECTORS

Decisions on compensation of the Company's executive officers are made by the Compensation Committee of the Board of Directors. During the fiscal year ended July 31, 2003, the Compensation Committee consisted of three non-employee directors. As with many other biotechnology companies, Alfacell's current level of development and the highly volatile nature of biotechnology stocks in general makes executive compensation which is based on sales and earnings goals, or strictly based on stock performance, impracticable. In determining compensation, the Compensation Committee generally reviews the progress made by the individual officer in attaining his or her individual goals and the progress made by the Company in its drug development programs. In addition, the Compensation Committee keeps the Company's stock performance in mind when making compensation decisions. Finally, the Compensation Committee generally reviews and takes into account, competitive factors regarding compensation. The compensation of the Company's executive officers consists of three principal components: (i) base salary and benefits, (ii) a bonus based on individual contributions evaluated against annual goals and (iii) long-term incentives in the form of stock option grants.

Kuslima Shogen and Stanislaw M. Mikulski did not receive any salary increases or bonuses during fiscal 2003. Considering the fact that the Company's stock had not performed in a manner which they considered to be satisfactory given general market conditions and the financial situation of the Company, the Compensation Committee awarded these executive officers long-term incentives in the form of stock option grants.

Chief Executive Officer's Compensation

The compensation paid in the fiscal year ended July 31, 2003, to the Company's Chief Executive Officer and the other executive officer named in the Summary Compensation Table above consisted of base salary and stock options. The compensation level for each of these executives in the fiscal year ended July 31, 2003, was based on the Compensation Committee's evaluation of a number of factors, including the executive's position and responsibilities, service and

Edgar Filing: ALFACELL CORP - Form DEF14A

accomplishments and present and future value to the Company.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

At July 31, 2002, the Company owed \$139,794 to the Company's CEO which was repaid during the fiscal year 2003. The Company also owed approximately \$81,000 of gross salary to its CEO as of July 31, 2003. Also, at fiscal year ended July 31, 2003, \$142,287 was due from the Company's CEO, from which the Company earned approximately \$9,500 interest. PROPOSAL NO. 2 -- APPROVAL OF AN AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO INCREASE AUTHORIZED COMMON STOCK

Summary

The Board of Directors has authorized an amendment to Alfacell's

Edgar Filing: ALFACELL CORP - Form DEFR14A

Certificate of Incorporation, as amended, subject to stockholder approval, to increase the number of authorized shares of Common Stock by 60,000,000 shares so that the total number of shares of Common Stock authorized for issuance will be 100,000,000 shares. Currently, Alfacell's Certificate of Incorporation authorizes the issuance of 40,000,000 shares of Common Stock, \$.001 par value per share, and 1,000,000 shares of preferred stock, \$.001 par value per share ("Preferred Stock").

As of November 24, 2003, 105,666 shares of Series A Preferred Stock were reserved for issuance upon conversion of certain outstanding notes and warrants. As of November 24, 2003, Alfacell's capital structure included 39,706,460 shares of Common Stock issued and outstanding, consisting of:

- o 28,248,658 shares of Common Stock issued and outstanding; and
- o 11,457,802 shares of Common Stock reserved for issuance pursuant to options, warrants, contractual commitments and other arrangements.

The Board of Directors has determined that the amendment is in the best interests of Alfacell, and unanimously recommends approval by the stockholders.

Purpose of the proposed amendment

Alfacell proposes an increase in the number of shares of Common Stock in order to (i) reserve shares for issuance in the future for appropriate corporate purposes without the need to further amend the Certificate of Incorporation, (ii) reserve shares of Common Stock for issuance upon the conversion of certain warrants described below and (iii) reserve shares of Common Stock for issuance upon the conversion of certain outstanding notes described below. Other than as described herein, Alfacell does not have any other oral or written understandings, agreements or arrangements in place with identified third parties to issue shares of Common Stock in connection with the proposed amendment.

Certain financing transactions

In September 2003, Alfacell entered into a two-part financing agreement with SF Capital Partners, Ltd. for the initial sale of 1,704,546 shares of Common Stock and warrants to purchase 852,273 shares of Common Stock, at an exercise price of \$1.50 per share. As consideration, Alfacell received \$1,500,000. In addition, the Company has agreed to grant SF Capital Partners, Ltd. a warrant to invest an additional \$1,500,000 to purchase the Company's Common Stock ("Additional Warrants"). At the time of the transaction, Alfacell did not have sufficient shares of Common Stock authorized to issue the Additional Warrants, thus the agreement provides for the issuance of the Additional Warrants one business day after stockholder approval of an amendment to the Certificate of Incorporation to increase the authorized shares of Common Stock of the Company. Therefore, if the stockholders approve an increase in the number of authorized shares, a sufficient number of shares of Common Stock will be

reserved for issuance upon conversion of the Additional Warrants. For example, using November 7, 2003, for calculation purposes, approximately 679,758 shares of the Company's Common Stock would be reserved for issuance upon exercise of the Additional Warrants.

Alfacell used the proceeds from the transaction with SF Capital Partners,

Edgar Filing: ALFACELL CORP - Form DEFR14A

Ltd. first to pay the accrued and unpaid salary of Stanislaw Mikulski, accrued payroll taxes, legal fees and fees associated with clinical data management. Remaining proceeds will be used for working capital purposes only.

During the fiscal years 2002 and 2003, Alfacell also entered into a series of convertible debt transactions with unrelated parties. The unrelated parties were issued various convertible notes and were guaranteed certain warrants upon the maturity dates of the notes (the "Convertible Debt"). As consideration, the Company received \$1,215,000. In September 2003, the Company amended the terms of the Convertible Debt such that (i) the notes are convertible into shares of Series A Preferred Stock rather than Common Stock, and (ii) the warrants to be issued upon the due date of the notes are warrants to purchase shares of Series A preferred stock rather than Common Stock. In September 2003, the Board of Directors also designated 200,000 of the 1,000,000 shares of Preferred Stock as Series A Preferred Stock. 105,666 shares of the Series A Preferred Stock were reserved for issuance upon the conversion of the Convertible Debt.

The September 2003 amendments, however, also contain a provision allowing for reversion to the original terms of the Convertible Debt in the event Alfacell's stockholders approve an increase in the number of shares of Common Stock authorized before January 31, 2004. To the extent the notes have not yet been converted, then the holders of the notes will receive Common Stock upon conversion, rather than Preferred Stock. As of November 24, 2003, no notes had been converted. Thus, if the stockholders approve an increase in the number of authorized shares, an aggregate of 10,566,612 shares of Common Stock will be reserved for issuance upon conversion of the Convertible Debt.

Alfacell did not receive any consideration for the September 2003 amendments.

Finally, Alfacell proposes an increase in the number of shares of Common Stock in order to reserve shares for issuance in the future without the need to further amend its Certificate of Incorporation. The Company may need to issue additional Common Stock to consummate strategic acquisitions, technology or product licensing agreements, implement additional management or employee incentive programs or obtain additional financing.

Effect of amendment

The additional authorized shares of Common Stock resulting from this proposal will be the same as the existing shares of Common Stock. All outstanding Common Stock would continue to have one vote per share. Stockholders of Alfacell do not presently have preemptive rights nor will they as a result of this proposal.

If the authorized shares are increased as proposed, the shares would be available for issuance from time to time upon such terms and for such purposes as the Board of Directors may deem advisable without further action by our stockholders, except as may be required by law or the rules of any stock exchange on which Common Stock may be listed. Such an issuance may decrease or increase the book value per share of the Common Stock presently issued and outstanding. The issuance of additional shares could also dilute the voting power and equity of the holders of outstanding Common Stock.

Authorized shares of Common Stock in excess of those shares outstanding (including, if authorized, the additional Common Stock provided for in this proposal) will remain available for general corporate purposes, may be privately placed and can be used to make a change in control of the Company more difficult. Under certain circumstances, the Board of Directors could create impediments to, or frustrate persons seeking to effect a takeover or transfer in control of the Company by causing such shares to be issued to a holder or holders who might side with the Board of Directors in opposing a takeover bid

Edgar Filing: ALFACELL CORP - Form DEFR14A

that the Board of Directors determines is not in the best interests of the Company and its stockholders, but in which unaffiliated stockholders may wish to participate. Furthermore, the existence of such shares might have the effect of discouraging any attempt by a person, through the acquisition of a substantial number of shares of Common Stock, to acquire control of the Company, since the issuance of such

19

shares could dilute the Company's book value per share and the Common Stock ownership of such person. One of the effects of the Proposal, if approved, might be to render the accomplishment of a tender offer more difficult. This may be beneficial to management in a hostile tender offer, thus having an adverse impact on stockholders who may want to participate in such tender offer.

It should be noted that subject to the limitations discussed above, all of the types of Board action described in the preceding paragraph can currently be taken and that the power of the Board of Directors to take such actions would not be enhanced by this proposal, although this proposal would increase the number of shares of Common Stock that are subject to such action.

This proposal and the Company's authorized but unissued Preferred Stock, may generally be classified as "anti-takeover" measures and may each, or in conjunction with each other, discourage attempted takeovers of the Company which are not approved by the Board of Directors. The Company does not believe that any other provision of its current Certificate of Incorporation or By-Laws are intended or would have the effect of discouraging or making more difficult the acquisition of control of the Company.

If the proposal is approved and the amendment becomes effective, the first sentence of Article 4 of the Company's Certificate of Incorporation, which sets forth the Company's presently, authorized capital stock, will be amended to read in its entirety as follows:

"4. The total number of shares of capital stock which the Corporation shall have authority to issue is 101,000,000 shares, of which 100,000,000 shares shall be Common Stock, par value \$.001 per share, and 1,000,000 shares shall be Preferred Stock, par value \$.001 per share."

Board recommendation and stockholder vote required

The Board of Directors recommends a vote FOR the amendment to the Certificate of Incorporation as proposed. (Proposal No. 2 on the proxy card). The affirmative vote of a majority of the shares outstanding will be required for approval.

PROPOSAL NO. 3 -- RATIFICATION OF AUDITORS

On December 6, 2002, KPMG LLP resigned as our independent accountants and was replaced by J.H. Cohn LLP as our independent accountants for fiscal 2003. The engagement of J.H. Cohn LLP was approved by our Audit Committee. The reports of KPMG on the financial statements for the past two fiscal years contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle except that the report on our financial statements for the fiscal years ended July 31, 2002 and 2001 contained a separate paragraph stating that "the Company has suffered recurring losses from operations, has a working capital deficit and has limited liquid resources which raise substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matters are also described in

Edgar Filing: ALFACELL CORP - Form DEFR14A

Note 2. The financial statements do not include any adjustments that might result from the outcome of this uncertainty." During our two most recent fiscal years through December 6, 2002, there were no disagreements between us and KPMG on any matter of accounting principles or practices, financial statement disclosures or auditing scope or procedures, which disagreements if not resolved to the satisfaction of KPMG would have caused them to make reference thereto in their report on the financial statements for such years.

The Audit Committee of the Board of Directors approved the retention of J.H. Cohn LLP as Alfacell's independent auditors for the year ending July 31, 2004. Representatives of J.H. Cohn LLP will be available to answer appropriate questions at the Annual Meeting.

20

Board recommendation and stockholder vote required

The Board of Directors recommends a vote FOR ratification of the appointment of J.H. Cohn LLP as Alfacell's independent auditors for the year ending July 31, 2004 (Proposal No. 3 on the proxy card). relate to options and warrants we issued to third parties in connection with services rendered.

On October 1, 1998, we issued options to purchase 200,000 shares of Common Stock at an exercise price of \$1.00 per share to Sage Partners as payment for services to be rendered. 150,000 of such options were cancelled in November 1999 upon the cancellation of the contract with Sage Partners. The remaining options vested as to 2,500 shares per month from October 31, 1998 through September 30, 1999 and as to 20,000 shares on October 1, 1999. The options expire five years from the respective vesting date. As of July 31, 2003, options to purchase 50,000 shares remained outstanding. On September 10, 2003, the option to purchase these remaining 50,000 shares was exercised.

In August 2001, we converted \$50,000 of our accounts payable owed to DZS Computer Solutions, Inc., into 55,556 shares of Common Stock. In addition, we issued to DZS Computer Solutions, Inc. 55,556 five-year warrants to purchase 55,556 shares of Common Stock at an exercise price of \$1.50 per share.

In February 2002, we issued 1,500,000 five-year warrants to purchase an aggregate of 1,500,000 shares of Common Stock in connection with the engagement of a consultant. We received \$1,500 for the issuance of the warrants. Of such warrants 500,000 are exercisable immediately, 250,000 at an exercise price of \$0.50 and 250,000 at an exercise price of \$1.00. The remaining 1,000,000 warrants will become exercisable if the consultant is successful in helping us raise capital. For each \$1 million in capital financing raised with the assistance of the consultant, 200,000 warrants will become exercisable up to 1,000,000 warrants in the aggregate. Of these 1,000,000

21

warrants, 400,000 are exercisable at \$1.00 per share and 600,000 are exercisable at \$1.50 per share. During the fiscal year 2003, the vesting of the 600,000 warrants was amended to vest immediately and the exercise price was amended from \$1.50 to \$.50 per share. As of July 31, 2003, warrants to purchase 826,000 shares of Common Stock had been exercised and warrants to purchase 674,000 shares of Common Stock remained outstanding.

THE 2004 STOCK INCENTIVE PLAN

General

On November 13, 2003, the Board of Directors adopted the 2004 Stock Incentive Plan (the "Stock Plan"), subject to stockholder approval. The Stock Plan provides for the grant of stock options and other stock-based awards to employees, officers, consultants, independent contractors and Directors providing services to Alfacell and its subsidiaries as determined by the Board of Directors or by a committee of Directors designated by the Board of Directors to administer the Stock Plan. Alfacell intends to file a registration statement on Form S-8 covering the securities to be issued under the Stock Plan.

The following summary of the Stock Plan is qualified in its entirety by reference to the full text of the Stock Plan, which is attached to this Proxy Statement as Exhibit B.

Summary of Current Stock Plan

Purpose

The purpose of the Stock Plan is to promote the interests of Alfacell and its stockholders by aiding Alfacell in attracting and retaining employees, officers, consultants, independent contractors, non-employee Directors and other persons or entities capable of contributing to the future success of Alfacell, to offer such persons incentives to put forth maximum efforts for the success of Alfacell's business and to afford such persons an opportunity to acquire

22

a proprietary interest in Alfacell. The Stock Plan is also designed to align the interests of Alfacell's employees with those of its stockholders by providing the participants with appropriate incentives to build stockholder value.

Administration

The Compensation Committee has been designated by the Board of Directors to administer the Stock Plan. The Compensation Committee has full power and authority to determine when and to whom awards will be granted and the type, amount, form of payment and other terms and conditions of each award, consistent with the provisions of the Stock Plan. Subject to the provisions of the Stock Plan, the Compensation Committee may amend or waive the terms and conditions of an outstanding award. The Compensation Committee has full authority to interpret the Stock Plan and establish rules and regulations for the administration of the Stock Plan. The Compensation Committee may delegate to one or more Directors or a committee of Directors], or the Board of Directors may exercise, the Compensation Committee's powers and duties under the Stock Plan.

Edgar Filing: ALFACELL CORP - Form DEFR14A

Eligibility

Any employee, officer, consultant, independent contractor, non-employee Director or any other person or entity that the Compensation Committee deems eligible, providing services to Alfacell and its subsidiaries are eligible to be selected by the Compensation Committee to receive awards under the Stock Plan. As of November 24, 2003, there were approximately 28 persons who were eligible as a class to be selected by the Compensation Committee to receive awards under the Stock Plan.

Number of Shares

The Stock Plan provides for the issuance of up to 8,500,000 shares of Common Stock, subject to adjustment in the event of a stock dividend or other distribution, recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of shares or other securities of Alfacell, to all holders of Common Stock pro rata whether as a dividend or otherwise. Shares of Common Stock subject to awards under the Stock Plan which are not used or are forfeited because the terms and conditions of the awards are not met, or because the award terminates without delivery of any shares, may again be used for awards under the Stock Plan. Shares of Common Stock used by a participant as full or partial payment to Alfacell of the purchase price relating to an award, or in connection with the satisfaction of tax obligations relating to an award, will also be available for awards under the Stock Plan. The shares of Common Stock issued under the Stock Plan may be authorized but unissued shares, shares re-acquired and held in treasury, shares acquired on the open market or otherwise. The closing price of Alfacell's Common Stock on November 24, 2003 was \$4.05.

No participant may be granted stock options and any other award, the value of which is based solely on an increase in the price of the Common Stock, of more than 1,000,000 shares in the aggregate in any calendar year.

Types of Awards and Certain Terms and Conditions

The types of awards that may be granted under the Stock Plan are stock options, stock appreciation rights, restricted stock, restricted stock units, performance awards, dividend equivalents, other stock grants, other stock-based awards and any combination thereof. The Stock Plan provides that all awards are to be evidenced by written agreements containing the terms and conditions of the awards. The Compensation Committee may not amend or discontinue any outstanding award without the consent of the holder of the award if such action would adversely affect the rights of the holder. Except as provided by the Stock Plan, awards will not be transferable other than to family members (as defined in the stock option agreement) through a gift or domestic relations order or by will or by the laws of descent and distribution. During the lifetime of a participant, an award may be exercised only by the participant to whom such award is granted or a permitted assignee. Awards may be granted for no cash consideration or for such minimal cash consideration as may be required by law. Generally, the consideration to be received by Alfacell for the grant of awards under the Stock Plan will be the participant's past, present or expected future contributions to Alfacell.

Stock Options

Incentive stock options meeting the requirements of Section 422 of the Internal Revenue Code ("Incentive Stock Options") and non-qualified options may

Edgar Filing: ALFACELL CORP - Form DEFR14A

be granted under the Stock Plan. The Compensation Committee determines the exercise price of any option granted under the Stock Plan, provided however that the exercise price of any option will not be less than the fair market value of the Common Shares on the date of grant. Stock options will be exercisable at such times as the Compensation Committee determines. Stock options may be exercised in whole or in part by payment in full of the exercise price in cash or such other form of consideration as the Compensation Committee may specify, including delivery of shares of Common Stock having a fair market value on the date of exercise equal to the exercise price. The Compensation Committee may grant reload options when a participant pays the exercise price or tax withholding upon exercise of an option by using shares of Common Stock. The reload option would be for that number of shares surrendered or withheld.

Stock Appreciation Rights

The Compensation Committee may grant stock appreciation rights exercisable at such times and subject to such conditions or restrictions as the Compensation Committee may determine. Upon exercise of a stock appreciation right by a holder, the holder is entitled to receive the excess of the fair market value of one share of Common Stock on the date of exercise over the grant price of the stock appreciation rights as determined by the Compensation Committee, which grant price shall not be less than the fair market value of one share of Common Stock on the date of grant. The payment may be made in cash or shares of Common Stock, or other form of payment, as determined by the Compensation Committee.

Restricted Stock and Restricted Stock Units

The Compensation Committee may grant shares of restricted stock and restricted stock units subject to such restrictions and terms and conditions as the Compensation Committee may impose. Shares of restricted stock granted under the Stock Plan will be evidenced by stock certificates, which will be held by Alfacell, and the Compensation Committee may, in its discretion, grant voting and dividend rights with respect to such shares. No shares of stock will be issued at the time of award of restricted stock units. A restricted stock unit will have a value equal to the fair market value of one share of Common Stock and may include, if so determined by the Compensation Committee, the value of any dividends or other rights or property received by stockholders after the date of grant of the restricted stock unit. The Compensation Committee has the right to waive any vesting requirements or to accelerate the vesting of restricted stock or restricted stock units.

Performance Awards

A performance award will entitle the holder to receive payments upon the achievement of specified performance goals. The Compensation Committee determines the terms and conditions of a performance award, including the performance goals to be achieved during the performance period, the length of the performance period and the amount and form of payment of the performance award. A performance award may be denominated or payable in cash, shares of stock or other securities, or other awards or property.

Dividend Equivalents

Dividend equivalents will entitle certain recipients to receive payments equal to cash dividends paid by the Company. The Compensation Committee determines the terms and conditions of dividend equivalents. A dividend equivalent may be denominated or payable in cash, shares of stock or other securities, or other awards or property.

Other Stock Grants

The Compensation Committee may otherwise grant shares of Common Stock as

Edgar Filing: ALFACELL CORP - Form DEFR14A

are deemed by the Compensation Committee to be consistent with the purpose of the Stock Plan. The Compensation Committee determines the terms and conditions of such other stock grant.

Other Stock-Based Awards

24

The Compensation Committee may grant other awards denominated or payable in, valued by reference to, or otherwise based on or related to shares of Common Stock as are deemed by the Compensation Committee to be consistent with the purpose of the Stock Plan. The Compensation Committee will determine the terms and conditions of such other stock-based award, including the consideration to be paid for shares of Common Stock or other securities delivered pursuant to a purchase right granted under such award. The value of such consideration shall not be less than the fair market value of such shares or other securities as of the date such purchase right is granted.

Duration, Termination and Amendment

Unless earlier discontinued or terminated by the Board of Directors, no awards may be granted under the Stock Plan after November 13, 2013. The Stock Plan permits the Board of Directors to amend, alter, suspend, discontinue or terminate the Stock Plan at any time, except that prior stockholder approval will be required for any amendment to the Stock Plan that requires stockholder approval under the rules or regulations of the Nasdaq Stock Market or any securities exchange that are applicable to Alfacell or that would cause Alfacell to be unable, under the Internal Revenue Code, to grant Incentive Stock Options under the Stock Plan.

Federal Tax Consequences

The following is a summary of the principal federal income tax consequences generally applicable to awards under the Stock Plan.

Stock Options and Stock Appreciation Rights

The grant of an option or stock appreciation right is not expected to result in any taxable income for the recipient. The holder of an Incentive Stock Option generally will have no taxable income upon exercising the Incentive Stock Option (except that a liability may arise pursuant to the alternative minimum tax), and Alfacell will not be entitled to a tax deduction when an Incentive Stock Option is exercised. Upon exercising a non-qualified stock option, the optionee must recognize ordinary income equal to the excess of the fair market value of the shares of Common Stock acquired on the date of exercise over the exercise price, and Alfacell will be entitled at that time to a tax deduction for the same amount. Upon exercising a stock appreciation right, the amount of any cash received and the fair market value on the exercise date of any shares of Common Stock received are taxable to the recipient as ordinary income and deductible by Alfacell. The tax consequence to an optionee upon a disposition of shares acquired through the exercise of an option will depend on how long the shares have been held and whether such shares were acquired by exercising an Incentive Stock Option or by exercising a non-qualified stock option or stock appreciation right. Generally, there will be no tax consequence to Alfacell in connection with disposition of shares acquired under an option, except that Alfacell may be entitled to a tax deduction in the case of a disposition of shares acquired under an Incentive Stock Option before the applicable Incentive Stock Option holding periods set forth in the Internal Revenue Code have been satisfied.

Other Awards

With respect to other awards granted under the Stock Plan that are payable either in cash or shares of Common Stock that are either transferable or not subject to substantial risk of forfeiture, the holder of such an award will recognize ordinary income at the time of receipt of such award, in an amount equal to the excess of (a) the cash or the fair market value of the shares of Common Stock received (determined as of the date of such receipt) over (b) the amount (if any) paid for such shares of Common Stock by the holder of the award, and Alfacell will be entitled at that time to a deduction for the same amount. With respect to an award that is payable in shares of Common Stock that are restricted as to transferability and subject to substantial risk of forfeiture, unless a special election is made pursuant to the Internal Revenue Code, the holder of the award must recognize ordinary income at the time the restrictions lapse equal to the excess of (i) the fair market value of the shares of Common Stock received (determined as of the first time the shares become transferable or not subject to substantial risk of forfeiture, whichever occurs earlier) over (ii) the amount (if any) paid for such shares of Common Stock by the holder, and Alfacell will be entitled at that time to a tax deduction for the same amount.

25

Satisfaction of Tax Obligations

Under the Stock Plan, the Compensation Committee may permit participants receiving or exercising awards, subject to the discretion of the Compensation Committee and upon such terms and conditions as it may impose, to surrender shares of Common Stock (either shares received upon the receipt or exercise of the award or shares previously owned by the participant) to Alfacell to satisfy federal and state tax obligations. In addition, pursuant to its general authority outside of the 2004 Stock Plan, the Compensation Committee may grant, subject to its discretion, a cash bonus to a participant in order to provide funds to pay all or a portion of federal and state taxes due as a result of the exercise or receipt of (or lapse of restrictions relating to) an award. The amount of any such bonus will be taxable to the participant as ordinary income, and Alfacell will have a corresponding deduction equal to such amount (subject to the usual rules concerning reasonable compensation).

Section 162(m) Requirements

The Stock Plan has been designed to meet the requirements of Section 162(m) of the Internal Revenue Code regarding the deductibility of executive compensation.

Board recommendation and stockholder vote required

The Board of Directors recommends a vote FOR the Stock Plan as proposed. (Proposal No. 4 on the proxy card). The affirmative vote of a majority of the shares represented in person or by proxy at the meeting and entitled to vote on the proposal will be required for approval.

3

determinations, interpretations and other decisions under or with respect to the Plan or any Award shall be within the sole discretion of the Committee, may be made at any time and shall be final, conclusive and binding upon any Eligible Person and any holder or beneficiary of any Award.

(b) Power and Authority of the Board. Notwithstanding anything to the contrary contained herein, the Board may, at any time and from time to time, without any further action of the Committee, exercise the powers and duties of the Committee under the Plan.

Section 4. Shares Available for Awards

(a) Shares Available. Subject to adjustment as provided in Section 4(c) of the Plan, the aggregate number of Shares that may be issued under the Plan shall be 8,500,000. Shares to be issued under the Plan may be either authorized but unissued Shares or Shares re-acquired and held in treasury. For purposes of this Section 4, if an Award entitles the holder thereof to receive or purchase Shares, the number of Shares covered by such Award or to which such Award relates shall be counted on the date of grant of such Award against the aggregate number of Shares available for granting Awards under the Plan. Any Shares that are used by a Participant as full or partial payment to the Company of the purchase price relating to an Award, including Shares tendered in connection with the grant of a Reload Option, or in connection with the satisfaction of tax obligations relating to an Award, shall again be available for granting Awards (other than Incentive Stock Options) under the Plan. In addition, if any Shares covered by an Award or to which an Award relates are not purchased or are forfeited, or if an Award otherwise terminates without delivery of any Shares, then the number of Shares counted against the aggregate number of Shares available under the Plan with respect to such Award, to the extent of any such forfeiture or termination, shall again be available for granting Awards under the Plan.

4

however, that the number of Shares covered by any Award or to which such Award relates shall always be a whole number.

Notwithstanding the above, in the event (i) of any reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company or any other similar corporate transaction or event or (ii) the Company shall enter into a written agreement to undergo such a transaction or event, the Committee may, in its sole discretion, cancel any or all outstanding Awards and pay to the holders of any such Awards that are otherwise vested, in cash, the value of such Awards based upon the price per share of capital stock received or to be received by other stockholders of the Company in such event.

(d) Award Limitations Under the Plan. No Eligible Person may be granted any Award or Awards under the Plan, the value of which Award or Awards is based solely on an increase in the value of the Shares after the date of grant of such Award or Awards, for more than 1,000,000 Shares (subject to adjustment as provided for in Section 4(c) of the Plan), in the aggregate in any taxable year. The foregoing annual limitation specifically includes the grant of any Award or Awards representing "qualified performance-based compensation" within the meaning of Section 162(m) of the Code.

Section 5. Eligibility

Edgar Filing: ALFACELL CORP - Form DEFR14A

Notwithstanding the foregoing, an Incentive Stock Option may only be granted to full-time or part-time employees (which term as used herein includes, without limitation, officers and directors who are also employees), and an Incentive Stock Option shall not be granted to an employee of an Affiliate unless such Affiliate is also a "subsidiary corporation" of the Company within the meaning of Section 424(f) of the Code or any successor provision.

6

(v) Reload Options. The Committee may grant Reload Options, separately or together with another Option and subject to the terms and conditions established by the Committee, pursuant to which the Participant would be granted a new Non-Qualified Stock Option when the payment of the exercise price of a previously granted option for common stock is made by the delivery of Shares owned by the Participant pursuant to Section 6(a)(iii) hereof or the relevant provisions of another plan of the Company, when Shares are tendered or withheld as payment of the amount to be withheld under applicable income tax laws in connection with the exercise of an Option, which new Non-Qualified Stock Option would be a Non-Qualified Stock Option to purchase the number of Shares not exceeding the sum of (A) the number of Shares so provided as consideration upon the exercise of the previously granted option to which such Reload Option relates and (B) the number of Shares, if any, tendered or withheld as payment of the amount to be withheld under applicable tax laws in connection with the exercise of the option to which such Reload Option relates pursuant to the relevant provisions of the plan or agreement relating to such option. (iv) permits the award of Options or Stock Appreciation Rights at a price less than 100% of the Fair Market Value of a Share on the date of grant of such Option or Stock Appreciation Right, as prohibited by Sections 6(a) (i) and 6(b) (ii) of the Plan or the repricing of Options or Stock Appreciation Rights, as prohibited by Section 6(h) (vii) of the Plan; or

The terms and conditions of Awards need not be the same with respect to any Participant or with respect to different Participants.

(b) Award Agreements. No Participant will have rights under an Award granted to such Participant unless and until an Award Agreement shall have been duly executed on behalf of the Company and, if requested by the Company, signed by the Participant.

(c) Plan Provisions Control. In the event that any provision of an Award Agreement conflicts with or is inconsistent in any respect with the terms of the Plan as set forth herein or subsequently amended, the terms of the Plan shall control.

(d) No Rights of Stockholders. Except with respect to Shares of Restricted Stock as to which the Participant has been granted the right to vote, neither a Participant nor the Participant's legal representative shall be, or have any of the rights and privileges of, a stockholder of the Company with respect to any Shares issuable to such Participant upon the exercise or payment of any Award, in whole or in part, unless and until such Shares have been issued in the name of such Participant or such Participant's legal representative without restrictions thereto.

(e) No Limit on Other Compensation Arrangements. Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other or additional compensation arrangements, and such arrangements may be either generally applicable or applicable only in specific cases.

(f) No Right to Employment. The grant of an Award shall not be construed as giving a Participant the right to be retained in the employ, or as giving a director of the Company or an Affiliate the right to continue as a director or an Affiliate of the Company or any Affiliate, nor will it affect in any way the right of the Company or an Affiliate to terminate such employment at any time, with or without cause. In addition, the Company or an Affiliate may at any time dismiss a Participant from employment, or terminate the term of a director of the Company or an Affiliate, free from any liability or any claim under the Plan or any Award, unless otherwise expressly provided in the Plan or in any Award Agreement. Nothing in this Plan shall confer on any person any legal or equitable right against the Company or any Affiliate, directly or indirectly, or

give rise to any cause of action at law or in equity against the Company or an Affiliate. The Awards granted hereunder shall not form any part of the wages or salary of any Eligible Person for purposes of severance pay or termination indemnities, irrespective of the reason for termination of employment. Under no circumstances shall any person ceasing to be an employee of the Company or any Affiliate be entitled to any compensation for any loss of any right or benefit under the Plan which such employee might otherwise have enjoyed but for termination of employment, whether such compensation is claimed by way of damages for wrongful or unfair dismissal, breach of contract or otherwise. By participating in the Plan, each Participant shall be deemed to have accepted all the conditions of the Plan and the terms and

conditions of any rules and regulations adopted by the Committee and shall be fully bound thereby.

(g) Governing Law. The validity, construction and effect of the Plan or any Award, and any rules and regulations relating to the Plan or any Award, shall be determined in accordance with the internal laws, and not the law of conflicts, of the State of Delaware.

(h) Severability. If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Committee, materially altering the purpose or intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction or Award, and the remainder of the Plan or any such Award shall remain in full force and effect.

(i) No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate and an Eligible Person or any other Person. To the extent that any Person acquires a right to receive payments from the Company or any Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or any Affiliate.

(j) Other Benefits. No compensation or benefit awarded to or realized by any Participant under the Plan shall be included for the purpose of computing such Participant's compensation under any compensation-based retirement, disability, or similar plan of the Company unless required by law or otherwise provided by such other plan.

(k) No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash shall be paid in lieu of any fractional Shares or whether such fractional Shares or any rights thereto shall be canceled, terminated or otherwise eliminated.

(l) Headings. Headings are given to the Sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

(m) Section 16 Compliance; Section 162(m) Administration. The Plan is intended to comply in all respects with Rule 16b-3 or any successor provision, as in effect from time to time, and in all events the Plan shall be construed in

accordance with the requirements of Rule 16b-3. If any Plan provision does not comply with Rule 16b-3 as hereafter amended or interpreted, the provision shall be deemed inoperative. The Board of Directors, in its absolute discretion, may bifurcate the Plan so as to restrict, limit or condition the use of any provision of the Plan with respect to persons who are officers or directors subject to Section 16 of the Exchange Act without so restricting, limiting or conditioning the Plan with respect to other Eligible Persons. With respect to Options and Stock Appreciation Rights, the Company intends to have the Plan administered in accordance with the requirements for the award of "qualified performance-based compensation" within the meaning of Section 162(m) of the Code.

(n) Conditions Precedent to Issuance of Shares. Shares shall not be issued pursuant to the exercise or payment of the purchase price relating to an Award unless such exercise or payment and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act, the Exchange Act, the rules and regulations promulgated thereunder, the requirements of any applicable Stock Exchange and the Delaware General Corporation Law. As a condition to the exercise or payment of the purchase price relating to such Award, the Company may require that the person exercising or paying the purchase price represent and warrant that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation and warranty is required by law.

Section 10. Effective Date of the Plan

The Plan shall be effective upon its adoption by the Board, provided, however, that in the event the Plan is not approved by the stockholders of the Company within one year thereafter, the Plan will be terminated and all Awards granted under the Plan will be terminated and deemed null and void, provided, however, that with respect to any Shares (including Shares of Restricted Stock) issued under the Plan prior to such termination, the Plan shall be deemed to be effective.

Section 11. Term of the Plan

No Award shall be granted under the Plan after November 12, 2013 or any earlier date of discontinuation or termination established pursuant to Section 7(a) of the Plan. However, unless otherwise expressly provided in the Plan or in an applicable Award Agreement, any Award theretofore granted may extend beyond such date, and the authority of the Committee provided for hereunder with respect to the Plan and any Awards, and the authority of the Board to amend the Plan, shall extend beyond the termination of the Plan.
