The Company is filing this Amended Annual Report in response to comments received from the SEC. The following Items amend the Original Annual Report, as permitted by the rules and regulations of the SEC. ### PART I

#### ITEM 9A. CONTROLS AND PROCEDURES.

We maintain disclosure controls and procedures, which we have designed to ensure that information required to be disclosed in our reports under the Securities Exchange Act of 1934 is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms, and that such information is accumulated and communicated to management, including our Chief Executive Officer and Chief Financial Officer, to allow timely decisions regarding disclosure. In response to recent legislation and proposed regulations, we reviewed our internal control structure and our disclosure controls and procedures.

In the course of conducting its audit of our financial statements for the fiscal year ended December 31, 2004, our independent auditors, BDO Seidman LLP informed members of our senior management and the Audit Committee of our Board of Directors that they had discovered significant deficiencies in our internal control over financial reporting that alone and in the aggregate constituted a "material weakness", which is defined under standards established by the Public Company Accounting Oversight Board as a deficiency that could result in more than a remote likelihood that a material misstatement of the annual or interim financial statements will not be prevented or detected. The deficiencies identified consisted of the following:

## Edgar Filing: TAG IT PACIFIC INC - Form 10-K/A

- o A deficiency related to the identification of approximately \$1.0 million of our inventory located in a third party warehouse. We have taken steps and will continue to take additional steps to remedy this deficiency and believe that this deficiency was limited to the third party warehouse at which the inventory was located.
- o We recorded post-closing adjustments in our financial statements for the year ended December 31, 2004 related to the allowance for doubtful accounts and deferred tax asset, which were identified by BDO Seidman LLP in connection with their audit of the financial statements. In order to address this deficiency, we will implement additional review procedures over the selection and monitoring of appropriate assumptions and estimates affecting these accounting practices.

Members of management, including the Company's Chief Executive Officer, Colin Dyne, and Chief Financial Officer, Ronda Ferguson, have evaluated the effectiveness of the design and operation of the Company's disclosure controls and procedures as of December 31, 2004, the end of the period covered by this report. Based upon that evaluation, because of the material weakness described above, Mr. Dyne and Ms. Ferguson were unable to conclude that the Company's disclosure controls and procedures were effective as of December 31, 2004. Management has identified the steps necessary to address the material weakness as described above, and has begun to implement remediation plans. We believe these corrective actions, taken as a whole, have mitigated the control deficiencies with respect to our preparation of this Annual Report and that these measures have been effective to ensure that the information required to be disclosed in this Annual Report has been recorded, processed, summarized and reported correctly.

### CHANGES IN INTERNAL CONTROLS OVER FINANCIAL REPORTING

There were no significant changes in our internal controls over financial reporting that occurred during the fourth quarter that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.
