PROXY STATEMENT

For  
2016 Annual Meeting of Stockholders  
To Be Held on May 3, 2016

This document will give you the information you need to vote on the matters listed on the accompanying Notice of Annual Meeting of Stockholders (“Notice of Annual Meeting”). Much of the information in this proxy statement (“Proxy Statement”) is required under rules of the Securities and Exchange Commission (“SEC”), and some of it is technical in nature. If there is anything you do not understand, please contact us at (212) 372-9590.

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board”) of Garrison Capital Inc. (the “Company,” “Garrison Capital,” “we,” “us” or “our”) for use at our 2016 Annual Meeting of Stockholders (the “Annual Meeting”) to be held on Tuesday, May 3, 2016 at 10:00 a.m., Eastern Time, at the offices of Garrison Investment Group LP (“Garrison Investment Group”), located at 1290 Avenue of the Americas, Suite 914, New York, New York, and at any postponements or adjournments thereof. This Proxy Statement and the Company’s Annual Report on Form 10-K for the year ended December 31, 2015 (the “Annual Report”) are being provided to stockholders (“Stockholders”) of the Company of record as of March 8, 2016 (the “Record Date”) via the Internet on or about March 21, 2016. In addition, a Notice of Annual Meeting and a Notice of Internet Availability of Proxy Materials are being sent to Stockholders of record as of the Record Date.

Stockholders may provide their voting instructions through the Internet, by telephone or by mail by following the instructions on the Notice of Internet Availability of Proxy Materials. These options require Stockholders to input the control number, which is provided with the Notice of Internet Availability of Proxy Materials. If you vote using the Internet, after visiting [www.proxyvote.com](http://www.proxyvote.com) and inputting your control number, you will be prompted to provide your voting instructions. Stockholders will have an opportunity to review their voting instructions and make any necessary changes before submitting their voting instructions and terminating their Internet link. Stockholders that vote via the Internet, in addition to confirming their voting instructions prior to submission, will, upon request, receive an e-mail confirming their instructions.

If a Stockholder wishes to participate in the Annual Meeting but does not wish to give a proxy by the Internet, the Stockholder may (1) attend the Annual Meeting in person or (2) request and submit a proxy card or vote by telephone by following the instructions on the Notice of Internet Availability of Proxy Materials.

Any proxy authorized pursuant to this solicitation may be revoked by the person giving the proxy at any time before it is exercised (1) by submitting new voting instructions via the Internet voting site, by telephone, by obtaining and

properly completing another proxy card that is dated later than the original proxy card and returning it, by mail, in time to be received before the Annual Meeting, (2) by attending the Annual Meeting and voting in person or (3) by a notice, provided in writing and signed by the Stockholder, delivered to the Company's Secretary on any business day before the date of the Annual Meeting.

***Purpose of the Annual Meeting***

At the Annual Meeting, you will be asked to vote on the following proposals:

1. To elect two Class I directors of the Company who will each serve until the 2019 annual meeting of stockholders or until his successor is duly elected and qualifies ("Proposal 1"); and
2. To ratify the selection of RSM US LLP (formerly McGladrey LLP) ("RSM") to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016 ("Proposal 2").

### ***Voting Securities***

You may vote your shares at the Annual Meeting only if you were a Stockholder of record at the close of business on the Record Date. There were 16,249,418 shares of the Company's common stock (the "Common Stock") outstanding on the Record Date. Each share of Common Stock is entitled to one vote.

### ***Quorum Required***

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding on the Record Date will constitute a quorum. Abstentions and shares held by a broker or other nominee for which the nominee has not received voting instructions from the beneficial owner and does not have discretionary authority to vote the shares on non-routine proposals (which are considered "broker non-votes" with respect to such proposals) will be treated as shares present for purposes of determining whether a quorum is present. If there are not enough votes present for a quorum, the chairman of the Annual Meeting will, or a majority of the Stockholders present in person or by proxy and entitled to vote may, adjourn the Annual Meeting to permit the further solicitation of proxies.

### ***Votes Required***

#### **Election of Directors**

The election of a director requires the vote of a majority of the shares of Common Stock cast at the Annual Meeting in person or by proxy. Stockholders may not cumulate their votes.

#### **Ratification of Independent Registered Public Accounting Firm**

The affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy is required to ratify the appointment of RSM US LLP to serve as the Company's independent registered public accounting firm.

#### **Abstentions**

Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on either proposal.

#### Broker Non-Votes

Broker non-votes are votes cast for shares held by a broker or other nominee for which the nominee has not received voting instructions from the beneficial owner and does not have discretionary authority to vote the shares on non-routine proposals. Proposal 1 is a non-routine matter. As a result, if you hold shares in “street name” through a broker, bank or other nominee, your broker, bank or nominee will **not** be permitted to exercise voting discretion with respect to Proposal 1, the election of two Class I directors. Therefore, if you do not vote and you do not give your broker or other nominee specific instructions on how to vote for you, then your shares will have no effect on Proposal 1.

Proposal 2, the ratification of the selection of RSM to serve as the Company’s independent registered public accounting firm, is a routine matter. As a result, if you beneficially own your shares and you do not provide your broker or nominee with voting instructions, then your broker, bank or nominee will be able to vote your shares for you on Proposal 2.

## **Adjournment and Additional Solicitation**

If there appears not to be enough votes to approve the proposals at the Annual Meeting, then Joseph Tansey and Brian Chase, the persons named as proxies, will vote proxies held by either of them for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

A Stockholder vote may be taken on Proposal 1 or 2 prior to any such adjournment if there are sufficient votes for approval of such proposal.

## ***Information Regarding This Solicitation***

The Company will bear the expense of the solicitation of proxies for the Annual Meeting, including the cost of preparing and posting this Proxy Statement and the Annual Report to the Internet and the cost of mailing the Notice of Annual Meeting, the Notice of Internet Availability of Proxy Materials and any requested proxy materials to Stockholders. The Company intends to use the services of Broadridge Financial Solutions, Inc., a leading provider of investor communications solutions, to aid in the distribution and collection of proxy votes. The Company expects to pay market rates for such services. The Company reimburses brokers, trustees, fiduciaries and other institutions for their reasonable expenses in forwarding proxy materials to the beneficial owners and soliciting them to execute proxies.

In addition to the solicitation of proxies by use of the Internet, proxies may be solicited in person and/or by telephone, mail or facsimile transmission by directors or officers of the Company, officers or employees of Garrison Capital Advisers LLC, the Company's investment adviser ("Garrison Capital Advisers"), Garrison Capital Administrator LLC, the Company's administrator ("Garrison Capital Administrator"), and/or by a retained solicitor. No additional compensation will be paid to such directors, officers or regular employees for such services. If the Company retains a solicitor, the Company has estimated that it would pay approximately \$10,000 for such services. If the Company engages a solicitor, you could be contacted by telephone on behalf of the Company and urged to vote. The solicitor will not attempt to influence how you vote your shares but will ask that you take the time to cast a vote. You may also be asked if you would like to vote over the telephone and to have your vote transmitted to our proxy tabulation firm.

Specific due dates for those reports have been established, and the Company is required to report in this Proxy Statement any failure to file such reports by those due dates. Based on a review of Forms 3, 4 and 5 filed by directors, other executive officers and any person holding more than 10% of the Common Stock and other information provided to the Company, the Company believes that during the year ended December 31, 2015, with the exception of one Form 4 filed one day late by Rafael Astruc due to an administrative oversight, no such person failed to file such reports by their specific due dates.

**Dollar Range of Equity Securities Beneficially Owned by Directors**

***PROPOSAL 1: ELECTION OF DIRECTORS***

In accordance with the Company’s bylaws, the Board currently has seven members. Three of these members are interested directors and four are independent directors. An interested director is an “interested person” of the Company, as defined in the 1940 Act, and independent directors are all other directors (the “Independent Directors”). Messrs. Cecil Martin, Joseph Morea, Bruce Shewmaker and Matthew Westwood qualify as Independent Directors.

Directors are divided into three classes and are elected for staggered terms, with a term of office of one of the three classes of directors expiring each year. After this election, the terms of Class I, II and III will expire in 2019, 2017 and 2018, respectively. Each director will hold office for the term to which he is elected or until his successor is duly elected and qualifies.

A Stockholder can vote for or against, or abstain from voting with respect to, any nominee. In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of each nominee named below. If a nominee should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person as is nominated by the Board as a replacement. The Board has no reason to believe that either Mr. Tansey or Mr. Martin will be unable or unwilling to serve.

**THE BOARD, INCLUDING EACH OF ITS INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH OF THE NOMINEES NAMED IN THIS PROXY STATEMENT.**

***Information about the Nominees and Directors***

Certain information with respect to the Class I nominees for election at the Annual Meeting, as well as each of the other directors, is set forth below, including their names, ages, a brief description of their recent business experience, including present occupations and employment, certain directorships that each person holds and the year in which each person became a director of the Company. The nominees for Class I directors currently serve as directors of the Company.

Messrs. Tansey and Martin have each been nominated for election as a Class I director for a term expiring at the 2019 annual meeting of stockholders. Messrs. Tansey and Martin are not being proposed for election pursuant to any agreement or understanding between either Mr. Tansey or Mr. Martin and the Company.

### ***Corporate Governance***

We believe that maintaining the highest standards of corporate governance is a crucial part of our business, and we are committed to having in place the necessary controls and procedures designed to ensure compliance with applicable laws, rules and regulations.

### ***Director Independence***

The NASDAQ Global Select Market (“NASDAQ”) corporate governance requirements require listed companies to have a board of directors with at least a majority of Independent Directors. Under NASDAQ corporate governance requirements, in order for a director to be deemed independent, the Board must determine that the individual does not have a relationship that would interfere with the director’s exercise of independent judgment in carrying out his responsibilities. On an annual basis, each of our directors is required to complete a questionnaire designed to provide information to assist the Board in determining whether the director is independent under NASDAQ corporate governance requirements, the 1940 Act and our corporate governance guidelines. The Board has determined that each of Messrs. Martin, Morea, Shewmaker and Westwood is independent under the NASDAQ corporate governance requirements and the 1940 Act. Our corporate governance guidelines require any director who has previously been determined to be independent to inform the Chairman of the Board, the Chairman of the Nominating and Corporate Governance Committee and our Secretary of any change in circumstance that may cause his status as an Independent Director to change. The Board limits membership on the Audit Committee, the Nominating and Corporate Governance Committee, the Compensation Committee and the Valuation Committee to Independent Directors.

### ***The Board’s Oversight Role in Management***

The Board’s role in management of the Company is one of oversight. Oversight of the Company’s investment activities extends to oversight of the risk management processes employed by Garrison Capital Advisers as part of its day-to-day management of our investment activities. The Board reviews risk management processes at both regular and special Board meetings throughout the year, consulting with appropriate representatives of Garrison Capital Advisers as necessary and periodically requesting the production of risk management reports or presentations. The goal of the Board’s risk oversight function is to ensure that the risks associated with our investment activities are accurately identified, thoroughly investigated and responsibly addressed. Stockholders should note, however, that the Board’s oversight function cannot eliminate all risks or ensure that particular events do not adversely affect the value of the Company’s investments.

### ***The Board's Composition and Leadership Structure***

The 1940 Act requires that at least a majority of the Company's directors not be "interested persons" (as defined in the 1940 Act) of the Company. Currently, four of the Company's seven directors are Independent Directors (and are not "interested persons"). Joseph Tansey, President of Garrison Investment Group, Chairman of the Board and our Chief Executive Officer is an interested person of the Company. The Board believes that it is in the best interests of our investors for Mr. Tansey to lead the Board because of his familiarity with our portfolio companies, his broad experience with the day-to-day management and operation of other investment funds and his significant background in the financial services industry, as described below.

The Board does not have a lead Independent Director. However, Mr. Martin, the Chairman of the Audit Committee, and Mr. Shewmaker, the Chairman of the Nominating and Corporate Governance Committee and the Valuation Committee, are Independent Directors and act as liaisons between the Independent Directors and management between meetings of the Board. The Board believes that its leadership structure is appropriate because the structure allocates areas of responsibility among the individual directors and the committees in a manner that enhances effective oversight. The Board also believes that its small size creates an efficient corporate governance structure that provides opportunity for direct communication and interaction between Garrison Capital Advisers and the Board.

### ***Information About Each Director's Experience, Qualifications, Attributes or Skills***

Below is additional information about each director (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes and/or skills that each director possesses and which the Board believes has prepared each director to be an effective member of the Board. The Board believes that the significance of each director's experience, qualifications, attributes and/or skills is an individual matter (meaning that experience or a factor that is important for one director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single director, or particular factor, being indicative of Board effectiveness. However, the Board believes that directors need to have the ability to review, evaluate, question and discuss critical information provided to them and to interact effectively with Company management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties. The Board believes that its members satisfy this standard. Experience relevant to having this ability may be achieved through a director's professional experience, education and/or other personal experiences. The Company's counsel has significant experience advising funds and fund board members. The Board and its committees have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

### ***Experience, Qualifications, Attributes and/or Skills that Led to the Board's Conclusion that such Members Should Serve as Directors of the Company***

The Board believes that, collectively, the directors have balanced and diverse experience, qualifications, attributes and skills, which allow the Board to operate effectively in governing the Company and protecting the interests of the Stockholders. Below is a description of the various experiences, qualifications, attributes and/or skills with respect to

each director considered by the Board.

### ***Certain Relationships and Related Party Transactions***

We have entered into agreements with Garrison Capital Advisers, in which our senior management and members of our investment committee have ownership and financial interests. Members of our senior management and members of the investment committee also serve as principals of other investment managers affiliated with Garrison Capital Advisers that do and may in the future manage investment funds, accounts or other investment vehicles with investment objectives similar to ours. In addition, our executive officers and directors and the members of Garrison Capital Advisers and members of the investment committee serve or may serve as officers, directors or principals of entities that operate in the same, or related, line of business as we do or of investment funds, accounts or other investment vehicles managed by our affiliates. These investment funds, accounts or other investment vehicles may have investment objectives similar to our investment objective. As a result, we may not be given the opportunity to participate in certain investments made by investment funds, accounts or other investment vehicles managed by Garrison Capital Advisers or its affiliates or by members of the investment committee. However, in order to fulfill its fiduciary duties to each of its clients, Garrison Capital Advisers intends to allocate investment opportunities in a manner that is fair and equitable over time and is consistent with the written allocation policy of Garrison Investment Group and its affiliated investment advisers, including Garrison Capital Advisers, investment objective and strategies so that we are not disadvantaged in relation to any other client.

### **Policies and Procedures for Managing Conflicts**

Garrison Capital Advisers and its affiliates have both subjective and objective procedures and policies in place and designed to manage the potential conflicts of interest between Garrison Capital Advisers' fiduciary obligations to us and the similar fiduciary obligations of its affiliates to other clients. For example, such policies and procedures are designed to ensure that investment opportunities are allocated in a fair and equitable manner among clients of Garrison Capital Advisers and its affiliates. An investment opportunity that is suitable for multiple clients of Garrison Capital Advisers and its affiliates may not be capable of being shared among some or all of such clients and affiliates due to the limited scale of the opportunity or other factors, including regulatory restrictions imposed by the 1940 Act. There can be no assurance that Garrison Capital Advisers' or its affiliates' efforts to allocate any particular investment opportunity fairly among all clients for whom such opportunity is appropriate will result in an allocation of all or part of such opportunity to us. Not all conflicts of interest can be expected to be resolved in our favor.

Garrison Capital Advisers may manage investment vehicles with similar or overlapping investment strategies with us and has put in place a conflict-resolution policy that addresses the co-investment restrictions set forth under the 1940 Act and seeks to ensure the equitable allocation of investment opportunities when we are able to invest alongside other accounts managed by Garrison Capital Advisers and its affiliates. When we invest alongside such other accounts as permitted, such investments are made consistent with the written allocation policy of Garrison Investment Group and its affiliated advisers, including Garrison Capital Advisers. Under this allocation policy, a fixed calculation, based on the type of investment, will be applied to determine the amount of each opportunity to be allocated to us. This allocation policy will be periodically approved by Garrison Capital Advisers and reviewed by our independent directors. We expect that these determinations will be made similarly for other accounts sponsored or managed by Garrison Capital Advisers and its affiliates. Where we are able to co-invest consistent with the requirements of the 1940 Act, if sufficient securities or loan amounts are available to satisfy our and each such account's proposed demand, we expect that the opportunity will be allocated in accordance with Garrison Capital Advisers' pre-transaction determination. If there is an insufficient amount of an investment opportunity to satisfy us and other accounts sponsored or managed by Garrison Capital Advisers or its affiliates, the allocation policy further provides that allocations among us and such other accounts will generally be made pro rata based on each account's available capital in the asset class being allocated, up to the amount proposed to be invested by each account. However, we cannot assure you that investment opportunities will be allocated to us fairly or equitably in the short-term or over time. We

expect that these determinations will be made similarly for other accounts sponsored or managed by Garrison Investment Group and its affiliates. In situations where co-investment with other accounts managed by Garrison Capital Advisers or its affiliates is not permitted or appropriate, Garrison Investment Group and Garrison Capital Advisers will need to decide which client will proceed with the investment. Garrison Capital Advisers' allocation policy provides, in such circumstances, for investments to be allocated on a rotational basis to assure that all clients have fair and equitable access to such investment opportunities.

### **Co-Investment Opportunities**

We have in the past and expect in the future to co-invest on a concurrent basis with other affiliates, unless doing so is impermissible with existing regulatory guidance, applicable regulations and our allocation procedures. We, Garrison Investment Group and Garrison Capital Advisers obtained exemptive relief from the SEC on January 12, 2015 to permit greater flexibility to negotiate the terms of co-investments if the Board determines that it would be advantageous for us to co-invest with other accounts managed by Garrison Capital Advisers or its affiliates in a manner consistent with our investment objectives, positions, policies, strategies and restrictions as well as regulatory requirements and other pertinent factors.

### **Material Non-Public Information**

Our senior management, members of our investment committee and other investment professionals from Garrison Capital Advisers may serve as directors of, or in a similar capacity with, companies in which we invest or in which we are considering making an investment. Through these and other relationships with a company, these individuals may obtain material non-public information that might restrict our ability to buy or sell the securities of such company under the policies of the company or applicable law.

### **Investment Advisory Agreement**

We originally entered into an investment advisory agreement (as amended, the “Original Investment Advisory Agreement”) with Garrison Capital Advisers on October 9, 2012, pursuant to which we pay Garrison Capital Advisers a fee for investment management services consisting of a base management fee and an incentive fee.

The management fee and incentive fee paid to Garrison Capital Advisers are based on the value of our investments, and there may be a conflict of interest when personnel of Garrison Capital Advisers are involved in the valuation process for our portfolio investments in addition to the incentives the incentive fee structure may create for Garrison Capital Advisers to make speculative investments. Garrison Capital Advisers earned management fees and incentive fees under the Original Investment Advisory Agreement for the fiscal year ended December 31, 2015 in the amount of \$7.8 million and \$1.1 million, respectively, and for the fiscal year ended December 31, 2014 in the amount of \$8.1 million and \$8.4 million, respectively. The address of Garrison Capital Advisers is 1290 Avenue of the Americas, Suite 914, New York, New York 10104.

A new investment advisory agreement, which has the same terms as the Original Investment Advisory Agreement, was approved by our Stockholders and the Board, including a majority of the Independent Directors, in anticipation of a deemed assignment of the Original Investment Advisory Agreement for purposes of the 1940 Act in connection with pending changes in the indirect ownership of voting securities of Garrison Capital Advisers.

### **Administration Agreement**

We have entered into an administration agreement (the “Administration Agreement”) pursuant to which Garrison Capital Administrator furnishes us with office facilities, equipment and clerical, bookkeeping, recordkeeping and other administrative services. Under the Administration Agreement, Garrison Capital Administrator performs, or oversees the performance of, our required administrative services, which include being responsible for the financial records which we are required to maintain and preparing reports to our Stockholders and reports filed with the SEC. Garrison Investment Group is the sole member of and controls Garrison Capital Administrator. For the fiscal years ended December 31, 2015 and 2014, the Company reimbursed Garrison Capital Administrator in the amount of \$1.1 million and \$0.7 million, respectively, for services provided under the Administration Agreement. The address of Garrison Capital Administrator is 1290 Avenue of the Americas, Suite 914, New York, New York 10104.

### **License Agreement**

We have entered into a license agreement (the “License Agreement”) with Garrison Investment Group pursuant to which Garrison Investment Group has granted us a non-exclusive, royalty-free license to use the name “Garrison.” Under the License Agreement, we have a right to use the Garrison name for so long as Garrison Capital Advisers or one of its affiliates remains our investment adviser. Other than with respect to this limited license, we have no legal right to the “Garrison” name.

### **Staffing Agreement**

Garrison Capital Advisers has entered into a staffing agreement (the “Staffing Agreement”) with Garrison Investment Group. Under the Staffing Agreement, Garrison Investment Group makes available to Garrison Capital Advisers experienced investment professionals and access to the senior investment personnel and other resources of Garrison Investment Group and its affiliates. The Staffing Agreement provides Garrison Capital Advisers with access to deal flow generated by the professionals of Garrison Investment Group and commits the members of Garrison Capital Advisers’ investment committee to serve in that capacity. Garrison Capital Advisers capitalizes on what we believe to be the significant deal origination, credit underwriting, due diligence, investment structuring, execution, portfolio management and monitoring experience of Garrison Investment Group’s investment professionals.

### **Related Party Transactions Policy**

The Audit Committee, in consultation with the Company’s Chief Executive Officer, Chief Compliance Officer and legal counsel, has established a written policy to govern the review of potential related party transactions. The Audit Committee conducts quarterly reviews of any potential related party transactions and, during these reviews, it also considers any conflicts of interest brought to its attention pursuant to the Company’s Code of Conduct or Joint Code of Ethics.

**PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Upon the recommendation of the Audit Committee, the Board engaged RSM as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016 at its February 23, 2016 meeting. We do not know of any direct or indirect financial interest of RSM in the Company. Representative(s) of RSM will attend the Annual Meeting and will have the opportunity to make a statement if they desire to do so and will be available to answer questions.

RSM served as the Company's independent registered public accounting firm for the fiscal years ended December 31, 2014 and 2015. The audit reports of RSM on the Company's financial statements as of and for the years ended December 31, 2014 and 2015 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

The following table sets forth RSM's fees pertaining to the fiscal years ended December 31, 2014 and 2015, respectively (dollars in thousands):

	Fiscal Year Ended December 31, 2014	Fiscal Year Ended December 31, 2015
Audit Fees	\$ 406	\$ 513
Audit-Related Fees	14	-
Tax Fees	12	16
All Other Fees	17	-
Total Fees	\$ 449	\$ 529

*Audit Fees:* Audit fees consist of fees billed for professional services rendered for the audit of our year-end financial statements and services that are normally provided in connection with statutory and regulatory filings.

*Audit-Related Fees:* Audit-related fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under "Audit Fees." These services include attestation services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards.

*Tax Fees:* Tax fees consist of fees billed for professional services for tax compliance. These services include assistance regarding federal, state and local tax compliance.

*All Other Fees:* Other fees include fees billed for products and services, other than the services described above, related to the Company's registration statement on Form N-2.

***Pre-approval Policy***

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by RSM. The policy requires that the Audit Committee pre-approve the audit and permissible non-audit services performed by the independent auditor in order to assure that the provision of such services does not impair the auditor's independence. All audit, audit-related, tax and other services provided by RSM to the Company during the fiscal year ended December 31, 2015 were approved by the Audit Committee in accordance with such policy. Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

*Dismissal of Ernst & Young LLP*

Effective March 17, 2014, the Board dismissed Ernst & Young LLP from service as the Company's independent registered public accounting firm and engaged RSM as the Company's independent registered public accounting firm. The Board's decision to dismiss Ernst & Young LLP and to engage RSM was recommended by the Audit Committee.

In connection with the audits of the Company's consolidated financial statements for the fiscal years ended December 31, 2012 and 2013 and in the subsequent period through March 17, 2014, there were no disagreements with Ernst & Young LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of Ernst & Young LLP would have caused it to make reference to the subject matter of the disagreements in connection with its audit report.

During the fiscal years ended December 31, 2012 and 2013 and through March 17, 2014, the date of the engagement of RSM, neither the Company nor any person on its behalf consulted with RSM with respect to either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements or (ii) any matter that was either the subject of a "disagreement" or a "reportable event" as such terms are described in Items 304(a)(1)(iv) or 304(a)(1)(v), respectively, of Regulation S-K.

**THE BOARD, INCLUDING EACH OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF RSM US LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM TO THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2016.**

***Audit Committee Report***<sup>(1)</sup>

The following is the report of the Audit Committee of Garrison Capital Inc. (the “Company”) with respect to the Company’s consolidated audited financial statements for the fiscal year ended December 31, 2015 (the “Audited Financial Statements”).

The Audit Committee has reviewed and discussed the Company’s Audited Financial Statements with management and RSM US LLP (“RSM”), the Company’s independent registered public accounting firm, with and without management present. The Audit Committee included in its review results of RSM’s examinations, the Company’s internal controls and the quality of the Company’s financial reporting. The Audit Committee also reviewed the Company’s procedures and internal control processes designed to ensure full, fair and adequate financial reporting and disclosures, including procedures for certifications by the Company’s chief executive officer and chief financial officer that are required in periodic reports filed by the Company with the Securities and Exchange Commission (the “SEC”). The Audit Committee is satisfied that the Company’s internal control system is adequate and that the Company employs appropriate accounting and auditing procedures.

The Audit Committee also has discussed with RSM matters relating to RSM’s judgments about the quality, as well as the acceptability, of the Company’s accounting principles as applied in its financial reporting as required by Statement of Auditing Standards No. 61 (Auditor’s Communication With Those Charged With Governance). In addition, the Audit Committee has discussed with RSM their independence from management and the Company, as well as the matters in the written disclosures received from RSM and required by Public Company Accounting Oversight Board Rule 3526 (Communication with Audit Committee Concerning Independence). The Audit Committee received a letter from RSM confirming their independence and discussed it with them. The Audit Committee discussed and reviewed with RSM the Company’s critical accounting policies and practices, internal controls, other material written communications to management and the scope of RSM’s audit and all fees paid to RSM during the fiscal year. The Audit Committee adopted guidelines requiring review and pre-approval by the Audit Committee of audit and audit-related services performed by RSM for the Company. The Audit Committee has reviewed and considered the compatibility of RSM’s performance of audit-related services with the maintenance of RSM’s independence as the Company’s independent registered public accounting firm.

Based on the Audit Committee’s review and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board of Directors approved) that the Board of Directors approve the Audited Financial Statements and recommended to the Board of Directors that the Audited Financial Statements be included in the Company’s Annual Report on Form 10-K for the last fiscal year for filing with the SEC.
