The Board of Directors recommends reelecting both for an additional three year term, commencing on November 14, 2005 and on February 18, 2006, respectively, and has determined that they meet the requirements of an external director. Both have advised the Board of Directors that they intend to continue serving as an external director if elected.

At the meeting, the Board of Directors will propose that the following resolution be adopted:

"RESOLVED to reappoint Dr. Yael Ilan as an external director of the Company, to hold office for an additional three year term commencing November 14, 2005, and to reappoint Prof. Adi Raveh as an external director of the Company, to hold office for an additional three year term commencing February 18, 2006 ".

According to the Companies Law, the affirmative vote of a majority of the Ordinary Shares represented at the meeting in person or by proxy and voting thereon is required to elect an external director, including at least one-third of the shares voted at the meeting by Non-Controlling Shareholders (unless the total shares of the Non-Controlling Shareholders voted against the resolution do not represent more than one percent of the voting rights in the Company). For this purpose, abstentions are not counted as Non-Controlling Shareholder votes. No shareholder of the Company currently meets the definition of a "Controlling Shareholder".

Upon the receipt of a properly signed and dated proxy and unless otherwise instructed on the proxy, the persons named in the enclosed proxy will vote the shares represented thereby FOR the above-mentioned proposal.

3. APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors recommends that the shareholders reappoint Kost, Forer, Gabbay & Kasierer, a member of Ernst & Young International, Ltd., as the independent auditors of the Company, until the next annual general meeting of shareholders. Kost, Forer, Gabbay & Kasierer have served as the Company's independent auditors since the first quarter of 2002.

8

At the Meeting, the Board of Directors will propose that the following resolution be adopted:

"RESOLVED, that Kost, Forer, Gabbay & Kasierer be, and they hereby are, reappointed as independent auditors of the Company, until the next annual general meeting of shareholders."

Upon the receipt of a properly signed and dated proxy and unless otherwise instructed in the proxy, the persons named in the enclosed proxy will vote the shares represented thereby FOR the above-mentioned proposal.

4. PRIVATE PLACEMENT TRANSACTION

On May 24, 2005, the Company entered into a Share Purchase Agreement (the "Purchase Agreement"), under which the Company shall issue and sell to certain

Edgar Filing: BOS BETTER ONLINE SOLUTIONS LTD - Form 6-K

investors (as described below) in a private placement offering in Israel and Europe (i) up to approximately 1,087,000 Ordinary Shares at a price of \$2.30 per share (reflecting an aggregate investment of up to \$2,500,000); and (ii) warrants to purchase up to approximately 652,200 Ordinary Shares (the "Warrants"), reflecting a 60% warrant coverage, exercisable for three years from their date of issuance (the "Issue Date"). The exercise price under the Warrants is \$2.50 per Ordinary Share during for the first year from the Issue Date, and increasing to \$2.75 per Ordinary Share and \$3.03 per Ordinary Share, on the first and second anniversaries of the Issue Date, respectively. The net proceeds from the offering will be used to strengthen the Company's balance sheet and for general corporate purposes.

The initial investor is Catalyst Fund L.P. ("Catalyst"), which is currently the Company's largest shareholder, with share holdings amounting to approximately 19.58%. Catalyst has committed to an investment of \$800,000, provided that its holdings (shares and warrants) after the transaction shall not exceed 24.99% of the Company's then outstanding share capital. In the event that the aggregate investment amount in the Company will be lower than \$2,500,000, Catalyst's investment shall be reduced, in order not to exceed the abovementioned 24.99% limit. Additional investors may be added to the transaction (on the same terms and conditions) within 30 days from the signing of the Purchase Agreement, provided that the total investment in the Company shall not exceed \$2,500,000 and that no additional investor shall be issued shares amounting to more than 5% of the Company's total outstanding share capital post-transaction.

The closing of the transaction is subject to certain closing conditions, including the approval of the Israeli Ministry of Industry, Trade and Labor and, due to the possible scope of the transaction, the approval of the shareholders of the Company.

The Company also entered into a Registration Rights Agreement pursuant to which the Company agreed to prepare and file with the Securities and Exchange Commission within 90 days from closing, a registration statement covering the resale of the Ordinary Shares issued to the investors (including the shares that are issuable upon exercise of the Warrants). The Company undertook to have the registration statement declared effective within 365 days from the date of the Purchase Agreement.

The Audit Committee and the Board of Directors have approved the transaction, subject to Shareholder approval (Mr. Edouard Cukierman and Mr. Avishai Gluck, who are both executive officers of Catalyst, did not participate in the decision. Mr. Cukierman is also (indirectly) a controlling shareholder of Cukierman & Co. Investment House Ltd., that served as the investment banker for this transaction).

The average closing price of the Company's shares on the Nasdaq National Market, for the 30 days prior to the Board approval of the transaction, was approximately \$2.39 per share. The Audit Committee and Board of Directors considered, INTER ALIA, a fairness opinion prepared by BDO Ziv Haft. The price of \$2.30 per share approved by the Audit Committee and the Board of Directors is, according to the fairness opinion, at the lower end of the price range, at which the transaction is fair to the Company. After considering the cost, timing and availability of various alternative sources of funds, the Board of Directors believes that the proposed transaction is in the best interests of the Company.

At the meeting the Board of Directors will propose that the following

Edgar Filing: BOS BETTER ONLINE SOLUTIONS LTD - Form 6-K

resolution be adopted:

"RESOLVED, to ratify and approve the private placement transaction according to the parameters set forth above, as recommended by the Board of Directors."

Upon the receipt of a properly signed and dated proxy and unless otherwise instructed in the proxy, the persons named in the enclosed proxy will vote the shares represented thereby FOR the above-mentioned proposal.

5. INCREASE OF 2003 ISRAELI SHARE OPTION PLAN

Under the 2003 Israeli Share Option Plan, employees, directors, consultants and service providers of the Company or its subsidiaries may be offered an opportunity to acquire Ordinary Shares of the Company. The Board of Directors has approved (subject to Shareholder approval) to increase the number of options available for issuance under the Company's 2003 Israeli Share Option Plan, from 625,000 to 1 million, as the current option pool has nearly been depleted. This 2003 Plan is currently the only active Plan from which options are being granted.

At the Meeting, the Board of Directors will propose that the following resolution be adopted:

"RESOLVED, to approve an increase of the number of options available for issuance under the Company's 2003 Israeli Share Option Plan, from 625,000 to 1 million."

Upon the receipt of a properly signed and dated proxy and unless otherwise instructed in the proxy, the persons named in the enclosed proxy will vote the shares represented thereby FOR the above-mentioned proposal.

6. CONSULTING AGREEMENT BETWEEN BOSCOM LTD. AND XORCOM LTD.

The Audit Committee and the Board of Directors have approved (subject to Shareholder approval) a consulting service agreement, effective January 1, 2005 through June 30, 2005, between BOScom Ltd, the Company's wholly-owned subsidiary, and Xorcom Ltd., a company wholly-owned by Mr. Israel Gal, who was a director of the Company until May 10, 2005. Until December 31, 2004, Mr. Israel Gal was employed by BOSom Ltd. The services are rendered exclusively through Mr. Israel Gal, and include consultancy services and aid in the preparation of the Chief Scientist proposal and outsourcing of hardware. The monthly fee is 60,580 NIS (approximately \$14,000), plus the use of car leased by the Company and internet access from home at the expense of the Company, consideration equal to the costs borne by the Company in respect of Mr. Gal's compensation as of December 31, 2004. The agreement may be terminated at any time by either party by giving one month prior written notice.

For the avoidance of doubt, as BOScom Ltd. is a wholly-owned subsidiary of the Company, and since at the time of the execution of the agreement Mr. Gal was a director of the Company, and according to the Israeli Companies Law 1999 the remuneration of directors (including remuneration for other positions they hold in the Company), must be approved by the shareholders of the company, the Company is seeking shareholder approval of the consulting agreement. Therefore, at the meeting, the Board of Directors will propose that the following resolution (which has been approved by the Audit Committee and the Board of Directors - excluding Israel Gal who has a personal interest in the decision) be adopted:

"RESOLVED, to approve the consultancy agreement between BOScom Ltd. and Xorcom Ltd."

Upon the receipt of a properly signed and dated proxy and unless otherwise instructed in the proxy, the persons named in the enclosed proxy will vote the

Edgar Filing: BOS BETTER ONLINE SOLUTIONS LTD - Form 6-K

shares represented thereby FOR the above-mentioned proposal.

7. ACCELERATED VESTING OF OPTIONS GRANTED TO MR. ISRAEL GAL AND EXTENSION OF THEIR EXERCISE PERIOD

Mr. Israel Gal was a Company director until May 10, 2005. He served as the Company's Chief Executive Officer and President from its inception in 1990 until January 2002, and then again from September 2002 until December 2003. He also served as the CEO of one of the Company's subsidiaries, BOScom Ltd., until June 2004, and from June until December 2004 he was the CTO of VOIP products in BOScom. Since January 1, 2005 he has been providing consultancy services to BOScom. 90 days after the termination of his employment by BOScom, the 12,805 options he had received under the 2003 Israeli Share Option Plan (approved in conjunction with an 18% salary cut), were due to expire. The terms of the 12,805 option grant (as approved by the shareholders on August 5, 2004) were as follows: 50% vesting on August 31 2004, and 50% on August 31 2005; Exercise price - \$2; Maximum exercise period - August 31, 2013.

10

In March 2005, the Audit Committee and the Board of Directors approved, that despite the termination of his employment and subject to shareholder approval, all of Mr. Gal's options granted under the 2003 Israeli Share Option Plan will vest immediately, and the maximum exercise period of these options shall be August 31, 2005.

As Mr. Gal was at the time a director of the Company, and since, under the Israeli Companies Law, 1999, the conditions of a director's service with the company, including the issuance of share options, must be approved by the shareholders of the Company, at the Meeting, the Board of Directors will propose that the following resolution (which has been approved by the Audit Committee and the Board of Directors - excluding Israel Gal who has a personal interest in the decision), be adopted:

"RESOLVED, to approve the accelerated vesting of options granted to Mr. Israel Gal, and the extension of their exercise period, as recommended by the Board of Directors."

Upon the receipt of a properly signed and dated proxy and unless otherwise instructed in the proxy, the persons named in the enclosed proxy will vote the shares represented thereby FOR the above-mentioned proposal.

8. GRANT OF OPTIONS TO SIGNUM LTD.

The Audit Committee and the Board of Directors have approved (subject to Shareholder approval), the grant of options to Signum Ltd. ("Signum"), a company that provides management services to the Company, exclusively through Mr. Adiv Baruch. Mr. Adiv Baruch is one of the controlling shareholders of Signum Ltd. and serves, pursuant to the management agreement in the capacity of President and Chief Executive Officer of the Company and also, since February 2004, serves as a director.

The management agreement signed between the Company, Signum Ltd. and Mr. Adiv Baruch, provides that in connection with the preparation by the Board of Directors of the annual work plan and budget of the Company, the Board of Directors shall annually establish an annual bonus to be paid to Signum provided that Signum shall have satisfied or exceeded the goals or milestones established by the Board of Directors for the respective year.

Edgar Filing: BOS BETTER ONLINE SOLUTIONS LTD - Form 6-K

As a bonus for the year 2004, the Audit Committee and Board have approved, subject to Shareholder approval, the grant of 20,000 options under the 2003 Israeli Share Option Plan, at an exercise price of \$3.08 per share, with a date of grant as of the date shareholder approval is received, vesting over 24 months from date of grant in 24 equal parts, 1/24 per month, exercisable until five years from date of grant.

As a bonus for the year 2005, , the Audit Committee and Board have approved, subject to Shareholder approval and subject to the Company achieving profitability in the financial statements as of December 31, 2005, 20,000 options under the 2003 Israeli Share Option Plan, at an exercise price of \$3.08 per share, with a date of grant as of the date the Board approves profitable financial statements for the year 2005, vesting over 12 months from date of grant in 12 equal parts, 1/12 per month, exercisable until five years from date of grant.

As Mr. Adiv Baruch is a director of the Company, and since, under the Israeli Companies Law, 1999, his conditions of service with the Company (including remuneration for other positions he holds in the Company), including the issuance of options, must be approved by the shareholders of the Company, at the Meeting, the Board of Directors will propose that the following resolution (which has been approved by the Audit Committee and the Board of Directors - excluding Adiv Baruch who has a personal interest in the decision), be adopted:

"RESOLVED, to approve the grant of options to Signum Ltd., under the above-mentioned terms and conditions."

11

Upon the receipt of a properly signed and dated proxy and unless otherwise instructed in the proxy, the persons named in the enclosed proxy will vote the shares represented thereby FOR the above-mentioned proposal.

9. REMUNERATION AND GRANT OF OPTIONS TO COMPANY DIRECTORS

On February 18, 2003, the Company's shareholders approved remuneration to all directors of the Company (including directors appointed in the future) who are not employees or paid consultants of the Company in accordance with the rates paid to the Company's external directors¹. Additionally, the Company's shareholders approved the issuance of 7,500 options to purchase Ordinary Shares of the Company (the "Options") to each director of the Company (including the external directors) and any future first-time director, who is not an employee or paid consultant of the Company², subject to the following terms and conditions (as amended on August 5, 2004):

OPTION TERMS- The Options will vest and become exercisable over a period of three years, in three equal parts as follows: 33.33% after one year from the date of grant, with an additional 33.33% becoming exercisable upon the expiration of each of the two years thereafter.

Edgar Filing: BOS BETTER ONLINE SOLUTIONS LTD - Form 6-K

being acquired upon exercise of an Option, or by any combination of the foregoing.

RESTRICTIONS ON TRANSFER OF PLAN SHARES - Options are exercisable in whole or in part at such times after the date of grant as set forth above. Options are exercisable during the lifetime of the Option holder only by such Option holder, and may not be assigned or transferred except by an advance approval of the Company's Audit Committee, by will or by the laws of descent and distribution. Options shall be exercisable during the term the Option holder holds office as a director of the Company or within 60 days after leaving this position, with certain exceptions in the case of the Option holder's death or disability.

With respect to this prior resolution, the Board of Directors recommends adopting the following resolutions:

A. ANNUAL FEE

On June 26, 2003, the Board of Directors resolved to reduce the annual fee for all directors by 18%, effective July 1, 2003, as part of a cost-reduction plan. Recently, the Audit Committee and the Board of Directors resolved (subject to Shareholder approval), as of January 1, 2005, to cancel the 18% reduction in the directors' annual fee, and to reinstate the annual fee at the rate it was prior to the reduction (equal to the maximum rate permitted by Israeli law and regulations for external directors, as amended from time to time).

At the Meeting, the Board of Directors will propose that the following resolution be adopted:

(1) At the Annual General Meeting held March 13, 2002 the Shareholders resolved to remunerate the external directors according to the maximum rate permitted (now and in the future) by Israeli law and regulations. The current rates for companies the size of the Company, are an annual fee of approximately \$6,000, and a participation fee in meetings of approximately \$310 per meeting.

(2) On August 5, 2004 the Shareholders approved an exception according to which Mr. Edouard Cukierman will receive remuneration and options as a Board member, under the same terms as all other directors, despite his being (indirectly) a controlling shareholder and senior executive of Cukierman & Co. Investment House Ltd. (a service provider to the Company), and therefore not eligible for remuneration and options according to the shareholder resolution adopted on February 18, 2003.

12

"RESOLVED, as of January 1, 2005, to cancel the 18% reduction in the directors' annual fee (as resolved in mid-2003), and to reinstate the annual fee at the rate it was prior to the reduction."

Upon the receipt of a properly signed and dated proxy and unless otherwise instructed in the proxy, the persons named in the enclosed proxy will vote the shares represented thereby FOR the above-mentioned proposal.

been granted options similar to all directors despite their employment and/or services), an additional 7,500 options to purchase Ordinary Shares of the Company on the third anniversary of their service as directors, under the same terms approved by the Shareholders on February 18, 2003 and as amended on August 5, 2004. However, the exercise price shall be equal to the average closing price of the shares on the Nasdaq National Market on the 20 trading days preceding the director's third anniversary as a director). None of the incumbent directors have been serving for three years.

At the Meeting, the Board of Directors will propose that the following resolution (which has been approved by the Audit Committee and the Board of Directors), be adopted:

"RESOLVED, to approve the grant of additional options to directors, under the above-mentioned terms and conditions."

Upon the receipt of a properly signed and dated proxy and unless otherwise instructed in the proxy, the persons named in the enclosed proxy will vote the shares represented thereby FOR the above-mentioned proposal.
