Edgar Filing: Pointer Telocation Ltd - Form 6-K

Cellocator's founder and CEO, Mr. Amnon Duchovne-Nave has been nominated as Pointer's Chief Technological Officer. Pointer will maintain the Cellocator brand name for its fleet, security and M2M telematics technology and will continue to support Cellocator's existing partners/clients.

Following the completion of the transaction, the issued share capital of Pointer will be 4,612,875 ordinary shares, par value NIS 3.00 each.

Commenting on the acquisition, Danny Stern, Pointer's CEO said: "We are proud to complete the acquisition of Cellocator and look forward to servicing its high quality customers. Cellocator's highly professional team enhances ours and the merger is expected to position us as a leading Telematics Technology provider."

With Cellocator's supreme quality technology and excellent customer relationships, Pointer is a much stronger company. Cellocator introduces us into Europe where we expect to become a leader in our field. As previously announced, we are now looking forward to significant international growth. Adding Cellocator's product platform to our offering enables us to provide our customers with additional capabilities such as remote diagnostics, driver behavior, PAYD (Pay as You Drive), along with SVR (Stolen Vehicle Recovery) and Fleet Management services, concluded Mr. Stern.
