Nova Measuring Instruments Ltd. Prices Follow-On Public Offering

Rehovot, Israel – February 4, 2010 - Nova Measuring Instruments Ltd. (Nasdaq: NVMI), a provider of leading edge stand alone metrology and a market leader of integrated metrology solutions to the semiconductor process control market, today announced that it has priced a follow-on public offering of 3,850,000 ordinary shares at a price of \$4.15 per ordinary share for gross proceeds of approximately \$16.0 million. Nova expects net proceeds, after underwriting discounts and commissions and estimated offering expenses payable by Nova, of approximately \$14.7 million. Nova has also granted to Needham & Company, LLC, the sole book running manager and Roth Capital Partners, LLC, the co-manager, in connection with the offering, a 30-day over-allotment option to purchase up to an additional 577,500 of its ordinary shares to cover over-allotments, if any, which would result in additional net proceeds of approximately \$2.2 million if exercised in full. Nova intends to use the net proceeds of the offering for working capital and for other general corporate purposes. The closing is expected to take place on or about February 9, 2009, subject to the satisfaction of customary closing conditions.

The ordinary shares will be issued under Nova's shelf registration statement on Form F-3, as amended, which was declared effective by the Securities and Exchange Commission on January 4, 2010.

This press release does not constitute an offer to sell or a solicitation of an offer to buy the securities referred to herein, nor shall there be any sale of these securities in any state or jurisdiction, foreign or domestic, in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

When available, copies of the final prospectus supplement and the accompanying base prospectus may be obtained from the Securities and Exchange Commission's web site at <http://www.sec.gov>, or from Needham & Company, LLC, 445 Park Avenue, New York, NY 10022, at (212) 371-8300. The offering may be made only by means of a prospectus and a related prospectus supplement.

About Nova Measuring Instruments Ltd.

Nova Measuring Instruments Ltd. develops, produces and markets advanced integrated and stand alone metrology solutions for the semiconductor manufacturing industry. Nova Measuring Instruments Ltd. is traded on the NASDAQ & TASE under the symbol NVMI. Detailed information about Nova Measuring Instruments Ltd., can be found on its website at www.nova.co.il. The information contained on our website does not form a part of this press release or the offering described above.

This press release contains forward-looking statements that are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements include statements concerning the Company's expectations regarding completion, timing and size of the proposed financing and other statements which are other than statements of historical facts. In some cases, you can identify forward-looking statements by terminology such as "may," "will," "should," "expects," "intends," "plans," "anticipates," "believes," "estimates," "predicts," "potential," "continue," and other similar terminology or the negative of these terms, but their absence does not mean that a particular statement is not forward-looking. Such forward-looking statements are not guarantees of future performance and are subject to risks and uncertainties that may cause actual results to differ materially from those anticipated by the forward-looking statements. These risks and uncertainties include, among others: the risk that the financing may be delayed or may not occur due to market or other conditions and the satisfaction of customary closing conditions related to the proposed public offering. Additional information concerning these and other factors that may cause actual results to differ materially from those anticipated in the forward-looking statements is contained in the "Risk Factors" section of the Company's Annual Report on Form 20-F for the fiscal year ended December 31, 2008, and in the Company's other filings with the Securities and Exchange Commission and the prospectus supplement related to the offering. The Company cautions investors not to place undue reliance on the forward-looking statements contained in this press release. All forward-looking statements are based on information currently available to the Company on the date hereof, and the Company undertakes no obligation to revise or update these forward-looking statements to reflect events or circumstances after the date of this presentation, except as required by law.
