Enclosure: Partner Communications considers potential debt offering in Israel aimed to refinance its existing debt

PARTNER COMMUNICATIONS CONSIDERS
POTENTIAL DEBT OFFERING IN ISRAEL AIMED TO
REFINANCE ITS EXISTING DEBT

ROSH HA'AYIN, Israel, April 8, 2010 - Partner Communications Company Ltd. ("Partner" or "the Company") (NASDAQ and TASE: PTNR), a leading Israeli communications operator, announces that it is currently considering the issuance of debt securities in Israel of approximately NIS 500 Million pursuant to the shelf prospectus dated September 3, 2009 for the purposes of the refinancing of its current debt. Accordingly, the Company is taking steps to prepare for a potential uniform public offering in Israel, all as will be further detailed in a shelf offering report that may or may not be published by the Company pursuant to the Israeli Securities Law of 1968.

In connection with such debt offering, the Company is considering the offering of 3 series of notes which will mature during the period 2013-2021: (1) debt bearing a fixed interest rate and linked to the Israeli Consumer Price Index; (2) debt bearing a fixed interest rate not linked to the Israeli Consumer Price Index; and (3) debt bearing a floating interest rate which is based on the interest rate of short term debt issued by the State of Israel. The Company has not yet made any definite decision as to the offering of any securities, nor as to its scope, terms or timing, nor is there any certainty that such an offering will be made, in part or as a whole, or that the shelf offering report will be published.

A public offering, if made, will be made in Israel to residents of Israel only. Securities, if offered, will not be registered under the U.S. Securities Act of 1933, as amended, and will not be offered or sold in the United States absent registration or applicable exemption from the registration requirements.

In addition, on April 8, 2010, Standard & Poor's Maalot announced that "it assigned its 'ilAA-' rating to new straight bonds of up to NIS 1 billion, to be issued by Partner Communications Company Ltd. (ilAA-/Stable). The proceeds from the issue will be used to replace existing debt. The rating reflects our assessment that the debt refinancing by the issue of the new bonds will not significantly affect Partner's financial risk profile".

This press release shall not constitute an offer to sell or the solicitation of an offer to buy any securities.
