## CONTENTS

On November 30, 2015, Radware Ltd. (the "Company" or "Radware") filed a motion with the Israeli District Court in Tel Aviv (the "Court"), to approve a potential share repurchase program of up to \$50 million (the "Repurchase Program") pursuant to Section 303 of the Israeli Companies Law (the "Motion").

The approval of the Court for the Repurchase Program is required because the Company does not currently satisfy the "profit test", as defined in Section 302 of the Israeli Companies Law, that is one of the tests for making the distribution contemplated by the Repurchase Program.

It is emphasized that the Repurchase Program is subject to the satisfaction of certain additional conditions, including the approval of the Board of Directors regarding the scope and terms thereof, if any. As such, there can be no assurance if and when such conditions will be satisfied, including the amount, if any, allocated by the Board of Directors for the Repurchase Program.

In connection with the Motion, the Company (i) published in newspapers in Israel a Notice on Filing of a Motion with the Court to Approve a Distribution Pursuant to Section 303 of the Israeli Companies Law (the "Newspaper Notice") and (ii) filed with the Court, among other things, its unaudited financial statements for the period ended September 30, 2015, which included its unaudited consolidated statement of cash flows for the period.

A translation to English of the Newspaper Notice is attached to this Form 6-K as Exhibit 99.1. A copy of the unaudited financial statements filed with the Court is attached to this Form 6-K as Exhibit 99.2.
