The agenda for the Meeting is set forth in the accompanying Notice of 2016 Annual Meeting of Shareholders and Proxy Statement.

For the reasons set forth in the accompanying Proxy Statement, our board of directors recommends that you vote "FOR" all the proposals on the agenda.

We look forward to greeting personally those of you who are able to be present at the Meeting. However, whether or not you plan to attend the Meeting, it is important that your shares be represented. Accordingly, you are kindly requested to sign, date and mail the enclosed proxy card at your earliest convenience so that it will be received no later than 24 hours before the Meeting to be validly included in the tally of ordinary shares voted at the Meeting. Detailed proxy voting instructions are provided both in the Proxy Statement and on the proxy card.

If your ordinary shares are held in "street name", that is, in a brokerage account or by a trustee or nominee, you should complete the voting instruction card that will be sent to you in order to direct your broker, trustee or nominee how to vote your shares. You may also be able to provide such voting instructions via the Internet.

Thank you for your continued cooperation.

Very truly yours,

Jeff Dykan

NOTICE OF ANNUAL MEETING OF SHAREHOLDERS
OF

REWALK ROBOTICS LTD.

3 Hatnufa Street, Floor 6, Yokneam Ilit 2069203, Israel

Tel: (+972-4) 959-0123

To the shareholders of ReWalk Robotics Ltd.:

Notice is hereby given that the 2016 Annual Meeting of Shareholders (the "Meeting") of ReWalk Robotics Ltd. (the "Company") will be held at 4:00 p.m. (Israel time) on Tuesday, May 24, 2016, at the law offices of Goldfarb Seligman & Co., Ampa Tower, 98 Yigal Alon Street, 36th floor, Tel Aviv, Israel.

The agenda of the Meeting will be as follows:

1. To reelect the directors named in the attached Proxy Statement, each as a Class II director of the board of directors of the Company (the "Board"), to serve until the 2019 annual meeting of shareholders and until his or her successor has been duly elected and qualified, or until his or her office is vacated in accordance with the Company's Articles of Association or the Israeli Companies Law, 5759-1999.
2. To approve an amendment to the Company's Compensation Policy involving determination of the annual bonus of the Company's Chief Executive Officer (the "CEO").
3. To approve a grant of equity awards to Larry Jasinski, the Company's CEO.
4. To approve the base annual compensation to be paid to the Company's CEO for the year ending December 31, 2016.
5. To authorize the Company to make contributions to any tax-qualified, defined-contribution pension plan on behalf of the CEO.
6. To approve the reappointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as the Company's independent registered public accounting firm for the year ending December 31, 2016 and until the next annual meeting of shareholders, and to authorize the Board, upon recommendation of the audit committee, to fix the remuneration of said independent registered public accounting firm.
7. To report on the business of the Company for the year ended December 31, 2015 and review the 2015 financial statements.
8. To act upon any other matters that may properly come before the Meeting or any adjournment or postponement thereof.

These proposals are described more fully in the enclosed Proxy Statement, which we urge you to read in its entirety.

Only shareholders of record at the close of business on the record date of April 14, 2016 are entitled to notice of, and to vote at, the Meeting and any adjournment or postponement thereof. You are cordially invited to attend the Meeting in person.

If you are unable to attend the Meeting in person you are requested to complete, date and sign the enclosed proxy card and return it promptly in the pre-addressed envelope provided so that it is received by us at least 24 hours before the Meeting or vote by telephone or over the Internet if your voting instruction form describes such voting methods. Your proxy may be revoked at any time before it is voted if you return a later-dated proxy card or if you vote your shares in person at the Meeting if you are the record holder of the shares and can provide a copy of a certificate(s) evidencing your shares. If your shares are held in "street name," meaning in the name of a bank, broker or other record holder, you must either direct the record holder of your shares on how to vote your shares or obtain a legal proxy from the record holder to vote the shares at the Meeting on behalf of the record holder as well as a statement from such record holder that it did not vote such shares on your behalf. Further, if you are a beneficial owner whose shares are held of record by a broker, your broker has discretionary voting authority to vote your shares only on routine matters, which at our upcoming meeting will only be the reappointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as the Company's independent registered public accounting firm for the year ending December 31, 2016 (Proposal Six), even if the broker does not receive voting instructions from you. Your broker does not have discretionary authority to vote on non-routine matters without instructions from you, in which case a "broker non-vote" will occur and your shares will not be voted on these matters.

Joint holders of shares should note that, pursuant to our Articles of Association, the vote of the senior of joint holders of any share who votes such share, whether in person or by proxy, will be accepted to the exclusion of the vote(s) of the other registered holder(s) of such share, with seniority determined by the order in which the names of the joint holders appear in our Register of Shareholders. For the appointment of a proxy to vote shares held by joint holders to be valid, the signature of the senior of the joint holders must appear on the proxy card.

By Order of the Board of Directors,

Jeff Dykan
Chairman of the Board of Directors

You are urged to mark, date, sign and promptly return the proxy card in the envelope provided to you so that if you are unable to attend the Meeting your shares can be voted. The Notice and Proxy Statement and the 2015 Annual Report are available at <http://ir.rewalk.com/>.

EXPLANATORY NOTE

We are an “emerging growth company,” as defined in the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”). As an emerging growth company, we provide in this proxy statement the scaled disclosure permitted under the JOBS Act. In addition, as an emerging growth company, we are not required to conduct votes seeking shareholder approval on an advisory basis of (1) the compensation of our named executive officers or the frequency with which such votes must be conducted or (2) compensation arrangements and understandings in connection with merger transactions, known as “golden parachute” arrangements.

Under the JOBS Act, we will remain an “emerging growth company” until the earliest of: (i) the last day of the fiscal year during which we have total annual gross revenues of \$1 billion or more (as adjusted every five years for inflation); (ii) the last day of the fiscal year following the fifth anniversary of the completion of our initial public offering on September 12, 2014; (iii) the date on which we have, during the previous three-year period, issued more than \$1 billion in non-convertible debt; and (iv) the date on which we are deemed to be a “large accelerated filer” under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). We will qualify as a large accelerated filer as of the first day of the first fiscal year after (1) we have at least \$700 million in outstanding voting and non-voting common equity held by our non-affiliates, as measured as of the last business day of the second quarter of the fiscal year, (2) we have been subject to the requirements of Sections 13(a) or 15(d) of the Exchange Act for a period of at least 12 calendar months and (3) we are not eligible to use the requirements for smaller reporting companies in our annual and quarterly reports.

Further, prior to January 1, 2016, we were a foreign private issuer and therefore were not required to comply with the rules and regulations under the Exchange Act related to the furnishing and content of proxy statements, including the requirement applicable to emerging growth companies to disclose the compensation of our named executive officers on an individual, rather than an aggregate, basis.

QUESTIONS AND ANSWERS ABOUT THE MEETING

GENERAL

Q: When and where is the Annual General Meeting of Shareholders being held?

A: The Meeting will be held on Tuesday, May 24, 2016, at 4:00 p.m. (Israel time), at the law offices of Goldfarb Seligman & Co., Ampa Tower, 98 Yigal Alon Street, 36th floor, Tel Aviv, Israel.

Q: Who can attend the Meeting?

A: Any shareholder may attend. Please note that space limitations make it necessary to limit attendance to shareholders and one guest. Admission will be on a first-come, first-served basis. Current proof of ownership of ReWalk's shares as of the Record Date (as defined below), as well as a form of personal photo identification, must be presented in order to be admitted to the Meeting. If your shares are held in the name of a bank, broker or other holder of record, you must bring a current brokerage statement or other form of proof reflecting ownership as of the Record Date (as defined below) with you to the Meeting. No cameras, recording equipment, electronic devices, use of cell phones or other mobile devices, large bags or packages will be permitted at the Meeting.

Q: Who is entitled to vote?

A: Only holders of record of ordinary shares at the close of business on April 14, 2016 (the "Record Date") are entitled to notice of, and to vote at, the Meeting and any adjournment or postponement thereof. Each shareholder is entitled to one vote for each ordinary share owned as of the Record Date. Ordinary shares held in our treasury, which are not considered outstanding, will not be voted.

Joint holders of shares should note that, pursuant to our Articles of Association, the vote of the senior of joint holders of any share who votes such share, whether in person or by proxy, will be accepted to the exclusion of the vote(s) of the other registered holder(s) of such share, with seniority determined by the order in which the names of the joint holders appear in our Register of Shareholders. For the appointment of a proxy to vote shares held by joint holders to be valid, the signature of the senior of the joint holders must appear on the proxy card.

HOW TO VOTE YOUR SHARES

Q: How do I vote?

A: You may vote by mail. You can do this by completing your proxy card or voting instruction card and returning it in the enclosed, prepaid and addressed envelope. If you return a signed card but do not provide voting instructions, your shares will be voted as recommended by the Board.

You may vote in person. Ballots will be passed out at the Meeting to anyone who wants to vote at the Meeting. If you choose to do so, please bring the enclosed proxy card or proof of identification. If your shares are held directly in your name, you may vote in person at the Meeting. However, if your shares are held in "street name" (that is, through a bank, broker or other nominee), you must first obtain a signed proxy from the record holder (that is, your bank, broker or other nominee) and vote.

"Street name" holders may also vote by phone or through an Internet website. If you hold your shares in "street name" (e.g., through a broker, bank or other nominee), then you received this Proxy Statement from the nominee, along with the nominee's proxy card, which includes voting instructions (including voting by phone or through an Internet website) and instructions on how to change your vote and the voting process will be based on your instructions to the

bank, broker or other nominee on how to vote the ordinary shares. Because a beneficial owner is not a shareholder of record, you may not vote those shares directly at the Meeting unless you obtain a “legal proxy” from the bank, broker or other nominee that holds your shares directly, giving you the right to vote the shares at the Meeting.

Q: What is the difference between holding shares as a shareholder of record and holding shares in “street name”? Will my shares be voted if I do not provide my proxy?

A: Many ReWalk shareholders hold their shares through a bank, broker or other nominee rather than directly in their own name. As explained in this Proxy Statement, there are some distinctions between shares held of record and shares owned in “street name.”

Shareholders of Record

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC of New York, New York, you are considered, with respect to those shares, the shareholder of record. In such case, these proxy materials are being sent directly to you. As the shareholder of record, you have the right to grant your voting proxy directly to ReWalk or to vote in person at the Meeting. If you hold your shares directly in your own name and do not provide a proxy, your shares will not be voted.

Beneficial Owners

If your shares are held through a bank, broker or other nominee, they are considered to be held in “street name” and you are the beneficial owner. If your shares are held in street name, these proxy materials are being forwarded to you by your bank, broker or nominee which is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct the bank, broker or nominee how to vote your shares for the Meeting. You also may attend the Meeting. However, because you are not the shareholder of record, you may not vote these shares in person at the Meeting, unless you first obtain a signed proxy from the record holder (your bank, broker or other nominee) giving you the right to vote the shares. Your bank, broker or nominee has enclosed a voting instruction card for you to use in directing the bank, broker or nominee regarding how to vote your shares.

If you are a beneficial owner whose shares are held of record by a broker, your broker has discretionary voting authority to vote your shares without your instructions only on routine matters, which at our upcoming Meeting will only be the reappointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as the Company’s independent registered public accounting firm for the year ending December 31, 2016 (Proposal Six). Your broker does not have discretionary authority to vote on non-routine matters without instructions from you, in which case a “broker non-vote” will occur and your shares will not be voted on these matters. In that circumstance, the shares held by you will be included in determining the presence of a quorum at the Meeting, but are not considered “present” for purposes of voting on the proposals. It is important for a shareholder that holds ordinary shares through a bank, broker or other nominee to instruct its bank, broker or other nominee regarding how to vote its shares if the shareholder wants its shares to count towards the vote tally for a given proposal.

Q: Does ReWalk recommend I vote in advance of the Meeting?

A: Yes. Even if you plan to attend the Meeting, we recommend that you vote your shares in advance so that your vote will be counted if you later decide not to attend the Meeting.

Q: If I vote by proxy, can I change my vote or revoke my proxy?

A: Yes. You may change your proxy instructions at any time prior to the vote at the Meeting. If you are a shareholder of record, you may do this by:

- filing a written notice of revocation with our CFO, delivered to our address above;
- delivering a timely later-dated proxy card or voting instruction form; or
- attending the Meeting and voting in person (attendance at the Meeting will not cause your previously granted proxy to be revoked unless you specifically so request).

If you hold shares through a bank, broker or other nominee, you may revoke any prior voting instructions by contacting that firm or by voting in person via “legal proxy” at the Meeting.

Q: How are my votes cast when I submit a proxy vote?

A: When you submit a proxy vote, you appoint Jeff Dykan, Larry Jasinski, Kevin Hershberger and Ami Kraft, or any of them, as your representative(s) at the Meeting. Your shares will be voted at the Meeting as you have instructed.

Upon the receipt of a properly submitted proxy card, which is received by 4:00 p.m. (Israel time), on Monday, May 23, 2016, which is 24 hours prior to the Meeting, and not revoked prior to the Meeting, or which is presented to the chairperson at the Meeting, the persons named as proxies will vote the ordinary shares represented thereby at the Meeting in accordance with the Board’s recommendations as indicated in the instructions outlined on the proxy card.

Q: What does it mean if I receive more than one proxy card?

A: It means that you have multiple accounts at the transfer agent or with brokers. Please sign and return all proxy cards to ensure that all of your shares are voted.

ABOUT THE VOTING PROCEDURES AT THE MEETING

Q: What constitutes a quorum?

A: In order for us to conduct business at the Meeting, two or more shareholders must be present, in person or by proxy, representing at least 33-1/3% of the ordinary shares outstanding as of the Record Date. This is referred to as a quorum.

Ordinary shares represented in person or by proxy (including broker non-votes and shares that abstain or do not vote with respect to one or more of the matters to be voted upon) will be counted for purposes of determining whether a quorum exists. As discussed further above, a “broker non-vote” occurs when a bank, broker or other holder of record holding shares for a beneficial owner attends the Meeting but does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Abstentions and broker non-votes will be counted as present in determining if a quorum is present.

Q: What happens if a quorum is not present?

A: If a quorum is not present, the Meeting will be adjourned to the same day at the same time the following week, or to such day and at such time and place as the Chairman of the meeting may determine with the consent of the holders of a majority of the shares present in person or by proxy and voting on the question of adjournment.

Q: How will votes be counted?

A: Each outstanding ordinary share is entitled to one vote. Our Articles of Association do not provide for cumulative voting.

Each of the proposed resolutions requires the affirmative vote of a simple majority of our ordinary shares voted in person or by proxy at the Meeting on the proposal. In addition, under Israeli law, each of the proposed resolutions under Proposals Two, Three, Four and Five requires either a separate majority that excludes the votes of certain shareholders (for example, in certain cases controlling shareholders and shareholders who have a personal benefit or other interest in the approval of the resolution), or that the total number of shares voted against the proposal by shareholders (other than the shareholders who are excluded in the calculation of the separate majority) does not exceed 2% of our outstanding voting power. The approval requirements for each proposed resolution are specified under the relevant proposal; the term “controlling shareholder” is defined under Proposals Two, Three, Four and Five, and the term “personal benefit or other interest” is defined under Proposal Two.

Abstentions and broker non-votes will not be treated as either a vote “FOR” or “AGAINST” the matter for any proposal. Broker non-votes will not be counted as present and are not entitled to vote on Proposals One, Two, Three, Four and Five. Because brokers have discretionary authority to vote on Proposal Six, broker non-votes will be counted as present and are entitled to vote on Proposal Six.

Q: How will my shares be voted if I do not provide instructions on the proxy card?

A: If you are the record holder of your shares and do not specify on your proxy card how you want to vote your shares, your shares will be voted in favor of the proposals in accordance with the recommendation of the Board:

1.a. “FOR” the reelection of Mr. Larry Jasinski as a Class II director of the Board, to serve until the 2019 annual meeting of shareholders and until his successor has been duly elected and qualified, or until his office is vacated in accordance with the Company’s Articles of Association or the Israeli Companies Law.

1.b. “FOR” the reelection of Ms. Deborah DiSanzo as a Class II director of the Board, to serve until the 2019 annual meeting of shareholders and until her successor has been duly elected and qualified, or until her office is vacated in accordance with the Company’s Articles of Association or the Israeli Companies Law.

2. “FOR” the approval of an amendment to the Company’s Compensation Policy involving determination of the annual bonus to be paid to the Company’s CEO.

3. "FOR" the approval of a grant of equity awards to Larry Jasinski, the Company's CEO.
4. "FOR" the approval of the base annual compensation to be paid to our CEO for the year ending December 31, 2016.
5. "FOR" the authorization of Company to make contributions to any tax-qualified, defined-contribution plan on behalf of the CEO.
6. "FOR" the approval of the reappointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as ReWalk's independent registered public accounting firm for the year ending December 31, 2016 and until the next annual meeting of shareholders, and to authorize the Board, upon recommendation of the audit committee, to fix the remuneration of said independent registered public accounting firm.

The named proxies will act in accordance with the best judgment of the named proxies on any other matters properly brought before the annual meeting and any postponement(s) or adjournment(s) thereof.

HOW TO FIND VOTING RESULTS

Q: Where do I find the voting results of the Meeting?

A: We plan to announce preliminary voting results at the Meeting. The final voting results will be reported following the Meeting on the "Investors" portion on our website at www.rewalk.com and in a Current Report on Form 8-K that will be filed with the U.S. Securities and Exchange Commission (the "SEC") within four business days after the Meeting.

SOLICITATION OF PROXIES

Q: Who will bear the costs of solicitation of proxies for the Meeting?

A: ReWalk will bear the costs of solicitation of proxies for the Meeting. In addition to solicitation by mail, directors, officers and employees of ReWalk may solicit proxies from shareholders by telephone, in person or otherwise. Such directors, officers and employees will not receive additional compensation, but may be reimbursed for reasonable out-of-pocket expenses in connection with such solicitation. Brokers, nominees, fiduciaries and other custodians have been requested to forward soliciting material to the beneficial owners of ordinary shares held of record by them, and such custodians will be reimbursed by ReWalk for their reasonable out-of-pocket expenses. ReWalk may also retain an independent contractor to assist in the solicitation of proxies. If retained for such services, the costs will be paid by us.

POSITION STATEMENTS

Q: Can a shareholder express an opinion on a proposal prior to the Meeting?

A: In accordance with the Israeli Companies Law and regulations promulgated thereunder, any ReWalk shareholder may submit a position statement on its behalf, expressing its position on an agenda item for the Meeting, to ReWalk Robotics Ltd., 3 Hatnufa Street, Floor 6, Yokneam Ilit 2069203, Israel, Attention: Chief Financial Officer, or by facsimile to +972-4-9590125, no later than April 21, 2016. Position statements must be in English and otherwise must comply with applicable law. We will make publicly available any valid position statement that we receive.

PROPOSAL ONE

ELECTION OF CLASS II DIRECTORS

Our Board currently consists of nine directors. Our Articles of Association provide that our Board may consist of not less than five and not more than thirteen directors.

Class I currently consists of three directors, Class II currently consists of two directors and Class III currently consists of two directors. At each annual meeting of our shareholders, directors are elected or reelected for a term of office that expires at the third annual meeting following such election or reelection, such that, each year, the term of office of one class of directors expires. Each director serves throughout the term of his or her class, except in the event of his or her earlier death, resignation, removal or termination otherwise.

The term of each of our Class II directors, Mr. Larry Jasinski and Ms. Deborah DiSanzo, expires at the Meeting. Our Class III directors, Mr. Wayne B. Weisman and Mr. Arik Dan, will hold office until the annual meeting of our shareholders in 2017. Our Class I directors, Mr. Jeff Dykan, Mr. Yasushi Ichiki and Mr. Peter Wehrly, will hold office until the annual meeting of our shareholders in 2018. In addition, following the Meeting, we will have two external directors, Mr. Glenn Muir and Dr. John William Poduska, who serve on the Board for fixed three-year periods in accordance with the Israeli Companies Law, except in the event of their earlier death, resignation, removal or termination otherwise.

Except as indicated herein, there are no arrangements or understandings between any director or nominee for directorship and any other person pursuant to which such director or nominee was selected as director or nominee.

Upon recommendation of our nominating and corporate governance committee, our Board has nominated Mr. Larry Jasinski and Ms. Deborah DiSanzo as Class II directors to serve until the 2019 annual general meeting of shareholders. Each nominee has consented to being named in this Proxy Statement and to serve if elected and has advised the Company that he or she has the qualifications and time required for the performance of his or her duties as a director, and that there are no legal restrictions preventing him or her from assuming such office.

Poduska's varied director experience, both in private and public companies, his expertise in computer engineering and his familiarity with developing companies equip him with the qualifications and skills to serve as a member of our Board.

CORPORATE GOVERNANCE

Director Independence

Our Board has determined that all of our directors, other than Larry Jasinski, our Chief Executive Officer, and Aryeh (Arik) Dan and Yasushi Ichiki, the Yaskawa appointees, are independent. As described below, under the Israeli Companies Law we are required to have at least two “external directors.” The definition of independent director under the NASDAQ rules and external director under the Israeli Companies Law overlap to some extent, so that we would generally expect the two directors serving as external directors to satisfy the requirements to be independent under the NASDAQ rules. Furthermore, our Board also determined that each of our audit committee, compensation committee, and nominating and governance committee of the Board is comprised of independent directors under the applicable NASDAQ listing standards and rules and regulations of the SEC. In making its determinations regarding independence, the Board carefully reviewed the categorical tests enumerated in the NASDAQ independence definition and the standards imposed by Israeli law, as well as the individual circumstances of each director with regard to each director’s business and personal activities as they may relate to the Company and our management.

Israeli Companies Law Requirements

The definition of external director includes a set of statutory criteria that must be satisfied, including criteria whose aim is to ensure that there be no factor which would impair the ability of the external director to exercise independent judgment. The definition of independent director specifies similar, although less stringent, requirements in addition to the requirement that the board consider any factor which would impair the ability of the independent director to exercise independent judgment. In addition, both external directors and independent directors serve for a period of three years; external directors serve pursuant to the requirements of the Israeli Companies Law and independent directors serve pursuant to the staggered board provisions of our Articles of Association. However, external directors must be elected by a Special Majority of shareholders (as defined elsewhere in this Proxy Statement) while independent directors may be elected by an ordinary majority.

Under the Israeli Companies Law, we are required to have at least two external directors. External directors must meet stringent standards of independence from us, from our management and from any controlling shareholder (defined for this purpose as any shareholder who holds 50% or more of our outstanding shares, or who has the right to appoint the majority of our directors or our general manager). In addition, no person may serve as an external director if that person’s position or professional or other activities create, or may create, a conflict of interest with that person’s responsibilities as a director or otherwise interfere with that person’s ability to serve as an external director or if the person is an employee of the Israel Securities Authority or of an Israeli stock exchange. These independence standards are applicable beginning two years before the external director’s election and continuing for two years after the external director’s term of service. In addition to election by the normal majority vote, external directors must generally be elected by a majority vote of the shares held by shareholders other than controlling shareholders. Glenn Muir and Dr. John William Poduska serve as our external directors.

Nasdaq Listing Requirements

The NASDAQ definition of independent director includes a series of objective tests. Specifically, a director is deemed independent under the NASDAQ rules if such director is not an executive officer or employee of the Company or any other individual having a relationship which, in the opinion of the Company’s Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Generally, the following persons are not considered independent:

- a director who is, or at any time during the past three years was, employed by the company; and

- a director who accepted or who has a family member who accepted any compensation from the company in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence, other than compensation for board or board committee service, compensation paid to a family member who is an employee (other than an executive officer) of the company, or benefits under a tax-qualified retirement plan, or non-discretionary compensation.

Audit Committee

We have a separately designated standing audit committee. Our audit committee consists of Mr. Peter Wehrly, along with our two external directors, Mr. Glenn Muir and Dr. John William Poduska. Mr. Glenn Muir serves as the chair of the audit committee. The audit committee holds a minimum of four meetings per year, and will meet more frequently as circumstances require. The audit committee met five times during the year ended December 31, 2015.

Israeli Companies Law Requirements

Under the Israeli Companies Law, we are required to appoint an audit committee. The audit committee must be comprised of at least three directors, including all of the external directors (one of whom must serve as chair of the committee). The audit committee may not include the chairman of the board; a controlling shareholder of the company or a relative of a controlling shareholder; a director employed by or providing services on a regular basis to the company, to a controlling shareholder or to an entity controlled by a controlling shareholder; or a director who derives most of his or her income from a controlling shareholder.

In addition, under the Israeli Companies Law, a majority of the members of the audit committee of a publicly-traded company must be unaffiliated directors. In general, an “unaffiliated director” under the Israeli Companies Law is defined as either (i) an external director, or (ii) an individual who has not served as a director of the company for a period exceeding nine consecutive years and who meets the qualifications for being appointed as an external director, except that he or she need not meet the requirement for accounting and financial expertise or professional qualifications.

Nasdaq Listing and SEC Requirements

Under the NASDAQ corporate governance rules, we are required to maintain an audit committee consisting of at least three independent directors, each of whom is financially literate and one of whom has accounting or related financial management expertise. Additionally, we must state whether any members of our audit committee qualifies as an “audit committee financial expert” under Item 407(d) of Regulation S-K as promulgated by the SEC.

All members of our audit committee meet the requirements for financial literacy under the applicable rules and regulations of the SEC and the NASDAQ corporate governance rules. Our board of directors has determined that Glenn Muir is an audit committee financial expert as defined by the SEC rules and has the requisite financial experience as defined by the NASDAQ corporate governance rules.

Each of the members of our audit committee is “independent” as such term is defined under the NASDAQ corporate governance rules and under Rule 10A-3(b)(1) promulgated under the Exchange Act, which is different from the general test for independence of board members and members of other committees.

Audit Committee Role

Our Board has adopted an audit committee charter that sets forth the responsibilities of the audit committee consistent with the rules of the SEC and the NASDAQ corporate governance rules, as well as the requirements for such committee under the Israeli Companies Law, including the following:

- overseeing our independent registered public accounting firm and recommending the engagement, compensation or termination of engagement of our independent registered public accounting firm to the board of directors in accordance with Israeli law;
- reviewing regularly the senior members of the independent auditor's team, including the lead audit partner and reviewing partner;
- pre-approving the terms of audit, audit-related and permitted non-audit services provided by the independent registered public accounting firm for pre-approval by our Board;
 - recommending the engagement or termination of the person filling the office of our internal auditor;
- reviewing periodically with management, the internal audit and the independent registered public accounting firm the adequacy and effectiveness of the Company's internal control over financial reporting; and
- reviewing with management and the independent registered public accounting firm the annual and quarterly financial statements of the Company prior to filing with the SEC.

The charter of the audit committee is available at <http://ir.rewalk.com/>. Information contained on, or that can be accessed through, our website does not constitute a part of this Proxy Statement and is not incorporated by reference herein.

Our audit committee provides assistance to our Board in fulfilling its legal and fiduciary obligations in matters involving our accounting, auditing, financial reporting, internal control over financial reporting and legal compliance by pre-approving the services performed by our independent accountants and reviewing their reports regarding our accounting practices and systems of internal control over financial reporting. Our audit committee also oversees the audit efforts of our independent accountants and takes those actions that it deems necessary to satisfy itself that the accountants are independent of management.

Under the Israeli Companies Law, our audit committee is responsible for:

- determining whether there are deficiencies in the business management practices of our company and making recommendations to the board of directors to improve such practices;
- determining whether to approve certain related party transactions, and classifying transactions in which a controlling shareholder has a personal benefit or other interest as significant or insignificant (which affects the required approvals) (see “—Approval of Related Party Transactions under Israeli Law”);
- examining our internal controls and internal auditor's performance, including whether the internal auditor has sufficient resources and tools to dispose of its responsibilities, and in certain cases approving the annual work plan of our internal auditor;
- examining the scope of our auditor's work and compensation and submitting a recommendation with respect thereto to our board of directors or shareholders, depending on which of them is considering the appointment of our auditor; and
- establishing procedures for the handling of employees' complaints as to the deficiencies in the management of our business and the protection to be provided to such employees.

Our audit committee may not approve any actions requiring its approval, unless at the time of the approval a majority of the committee's members are present, including at least one external director. See “—Approval of Related Party Transactions under Israeli Law.”

Compensation Committee

We have a separately designated standing compensation committee. Our compensation committee consists of Dr. John William Poduska, Mr. Glenn Muir and Mr. Aryeh (Arik) Dan. Dr. John William Poduska serves as the chair of the compensation committee. The compensation committee meets as circumstances require, and held five meetings in 2015. Under its charter, the compensation committee may ask members of management to attend meetings and provide pertinent information as needed. However, any person forbidden to serve as a member of the committee under the Israeli Companies Law may not attend committee meetings unless to present on a particular topic as determined by the committee. The CEO may not be present during voting or deliberation on his compensation.

Israeli Companies Law Requirements

Under the Israeli Companies Law, the board of directors of a public company must appoint a compensation committee. The compensation committee must be comprised of at least three directors, including all of the external directors, one of whom must be the chair of the compensation committee. The external directors must constitute a majority of the members of the compensation committee; however, so long as our securities are traded on the Nasdaq Global Market, we do not have a controlling shareholder, the compensation committee meets other Israeli Companies Law composition requirements and our composition committees meets the requirements of U.S. law and the NASDAQ, we will generally not have to meet this majority requirement. The compensation committee may not include the chairman of the board; a controlling shareholder of the company or a relative of a controlling shareholder; a director employed by or providing services on a regular basis to the company, to a controlling shareholder or to an entity controlled by a controlling shareholder; or a director who derives most of his or her income from a controlling shareholder.

The duties of the compensation committee include the recommendation to the company's board of directors of a policy regarding the terms of engagement of directors and of specified members of senior management, which we refer to as a compensation policy. That compensation policy must be adopted by the company's board of directors, after considering the recommendations of the compensation committee, and must then be approved by the company's shareholders, which approval requires a Special Approval for Compensation (as defined below under “—Approval of Related Party Transactions under Israeli Law—Fiduciary Duties of Directors and Executive Officers”). Our board of directors adopted a compensation policy, which our shareholders subsequently approved at the extraordinary general meeting of our shareholders held on December 15, 2014. Our shareholders approved amendments to our compensation policy at the annual general meeting of our shareholders held on December 3, 2015 (as amended, the “Compensation Policy”).

The compensation policy must serve as the basis for decisions concerning the financial terms of employment or engagement of office holders, including compensation, benefits, exculpation, insurance and indemnification. The compensation policy must take into account certain factors, including advancement of the company's objectives, the company's business plan and its long-term strategy, and creation of appropriate incentives. It must also consider, among other things, the company's risk management, size and the nature of its operations. The compensation policy must include certain principles, such as: a link between variable compensation and long-term performance and measurable criteria; the relationship between variable and fixed compensation; and the minimum holding or vesting period for variable, equity-based compensation. We believe that our Compensation Policy satisfies these requirements.

The compensation committee is responsible for (a) recommending the compensation policy to our board of directors for its approval (and subsequent approval by our shareholders) and (b) duties related to the Compensation Policy and to the compensation of our directors and senior management, including:

- reviewing and making recommendations regarding our Compensation Policy at least every three years;
 - recommending to the board of directors periodic updates to the Compensation Policy;
 - assessing implementation of the Compensation Policy;
- approving compensation terms of executive officers, directors and employees affiliated with controlling shareholders; and
- exempting certain compensation arrangements from the requirement to obtain shareholder approval under the Israeli Companies Law.

Nasdaq Listing Requirements

Under the NASDAQ corporate governance rules, we are required to maintain a compensation committee consisting of at least two independent directors. Each of the members of the compensation committee is required to be independent under the NASDAQ rules relating to compensation committee members, which are different from the general test for independence of board and members of other committees. In assessing independence, the Board considered all factors specifically relevant to determining whether a director has a relationship to the Company which is material to that director's ability to be independent from management in connection with the duties of a compensation committee member and determined that each of the members of our compensation committee satisfies those requirements.

Compensation Committee Role

Our Board has adopted a compensation committee charter setting forth the responsibilities of the committee, which include:

- reviewing and approving the granting of options and other incentive awards under the Company's equity compensation plans to the extent such authority is delegated by our board of directors;
- recommending the Company's compensation policy and reviewing that policy from time to time both with respect to the CEO and other office holders and generally, including to assess the need for periodic updates;
- reviewing and approving corporate goals relevant to the compensation of the CEO and other officers and evaluating the performance of the CEO and other officers; and
- reviewing, evaluating and making recommendations regarding the compensation and benefits for our non-employee directors.

The charter of the compensation committee is available at <http://ir.rewalk.com/>. Information contained on, or that can be accessed through, our website does not constitute a part of this Proxy Statement and is not incorporated by reference herein.

Subject to applicable law, the committee may delegate its authority to subcommittees established from time to time by the committee. Such subcommittees shall consist of one or more members of the committee or the board and shall report to the committee. The compensation committee is authorized to retain and terminate compensation consultants, legal counsel or other advisors to the committee and to approve the engagement of any such consultant, counsel or advisor, to the extent it deems necessary or appropriate after specifically analyzing the independence of any such consultant retained by the committee.

Compensation Consultant

The compensation committee has authority to retain compensation consulting firms to assist it in the evaluation of executive officer and employee compensation and benefit programs. The compensation committee has retained Radford Surveys and Consulting (“Radford”) as its independent compensation advisor. Radford provides an objective perspective as to the reasonableness of our executive compensation programs and practices and their effectiveness in supporting our business and compensation objectives. During 2015, Radford regularly participated in compensation committee meetings and advised the compensation committee with respect to compensation trends and best practices, competitive pay levels, and individual pay decisions with respect to our executive officers.

While Radford regularly consults with management in performing work requested by the compensation committee, it did not perform any separate additional services for management. The compensation committee has assessed the independence of Radford pursuant to applicable SEC rules and concluded that no conflict of interests exists that would prevent Radford from independently representing the compensation committee.

Nominating and Governance Committee

Our nominating and governance committee consists of Mr. Jeff Dykan and Mr. Glenn Muir. Mr. Jeff Dykan serves as the chair of the nominating and governance committee. The nominating and governance committee meets as circumstances require, and held one meeting by unanimous written consent in 2015. Our Board has adopted a nominating and governance committee charter that sets forth the responsibilities of the nominating and governance committee, which include:

- overseeing and assisting our board in reviewing and recommending nominees for election as directors;
 - reviewing and evaluating recommendations regarding management succession;
 - assessing the performance of the members of our board; and
- establishing and maintaining effective corporate governance policies and practices, including, but not limited to, developing and recommending to our Board a code of conduct.

The nominating and governance committee considers proposals from a number of sources, including recommendations for nominees from shareholders submitted upon written notice to the chairman of the nominating and governance committee, c/o ReWalk Robotics Ltd., 3 Hatnufa Street, Floor 6, Yokneam Ilit, Israel 2069203. When considering a person to be recommended for nomination as a director, the nomination and governance committee evaluates, among other factors, experience, accomplishments, education, skills, personal and professional integrity, diversity of the Board and the candidate’s ability to devote the necessary time for service as a director (including directorships and other positions held at other corporations and organizations).

The nominating and corporate governance committee has no specific policy on director diversity. However, the Board reviews diversity of viewpoints, background, experience, accomplishments, education and skills when evaluating nominees. The Board believes that such diversity is important because it provides varied perspectives and promotes active and constructive discussion among Board members and between the Board and management, resulting in more effective oversight of management’s formulation and implementation of strategic initiatives. The Board believes this diversity is demonstrated in the range of experiences, qualifications and skills of the current members of the Board. Additionally, we comply with the Israeli law requirement that, if at the time of election of an external director all of the members of the board of directors (excluding controlling shareholders or relatives of controlling shareholders) are of the same gender, the external director to be elected must be of the other gender. In the Board’s executive sessions and in annual performance evaluations conducted by the Board and its committees, the Board from time to time considers whether the Board’s composition promotes a constructive and collegial environment. In determining whether an incumbent director should stand for reelection, the nominating and corporate governance committee considers the above factors, as well as that director’s personal and professional integrity, attendance, preparedness, participation and

candor and other relevant factors as determined by the Board.

The charter of the nominating and governance committee is available at <http://ir.rewalk.com/>. Information contained on, or that can be accessed through, our website does not constitute a part of this Proxy Statement and is not incorporated by reference herein.

Compensation Committee Interlocks and Insider Participation

None of the members of the compensation committee is, or has ever been, an officer or employee of the Company or any of its subsidiaries. In addition, during the last fiscal year, no executive officer of the Company served as a member of the board of directors or the compensation committee of another entity that has one or more executive officers serving on the Company's compensation committee or the Board.

Shareholder Communications with the Board

The Board recommends that shareholders initiate any communications with the Board in writing and send them care of our Chief Financial Officer at the following address: 3 Hatnufa Street, Floor 6, Yokneam Ilit 2069203, Israel. This centralized process will assist the Board in reviewing and responding to shareholder communications in an appropriate manner. The name of any specific intended Board recipient should be noted in the communication. Our Chief Financial Officer will forward such correspondence only to the intended recipients, however prior to forwarding any correspondence our Chief Financial Officer will review such correspondence and, in his or her discretion, not forward certain items if they are deemed of a commercial or frivolous nature or otherwise inappropriate for the Board's consideration. In such cases, some of that correspondence may be forwarded elsewhere in the Company for review and possible response.

Any employee may make confidential, anonymous submissions of concerns regarding questionable accounting or auditing matters and may communicate directly with the chairman of the audit committee by letter to the above address, marked for the attention of the chairman. Any written communication received from any interested party, including employees, regarding accounting, internal accounting controls or auditing matters are processed in accordance with procedures adopted by the audit committee.

Approval of Related Party Transactions Under Israeli Law

Disclosure of Personal Benefits or Other Interests of an Office Holder and Approval of Certain Transactions

The Israeli Companies Law requires that an office holder promptly disclose to the board of directors any personal benefit or other interest that he or she may have, and all related material information or documents, concerning any existing or proposed transaction with the company. A personal benefit or other interest includes the individual's own benefit or other interest and, in some cases, a personal benefit or other interest of such person's relative or an entity in which such individual, or his or her relative, is a 5% or greater shareholder, director or general manager, or in which he or she has the right to appoint at least one director or the general manager, but does not include a personal benefit or other interest stemming only from ownership of our shares.

If an office holder has a personal benefit or other interest in a transaction, approval by the board of directors is required for the transaction. Once an office holder has disclosed his or her personal benefit or other interest in a transaction, the board of directors may approve an action by the office holder that would otherwise be deemed a breach of duty of loyalty. A company may not, however, approve a transaction or action unless it is in the best interests of the company, or if the office holder is not acting in good faith.

Special approval is required for an extraordinary transaction, which under the Israeli Companies Law is defined as any of the following:

- a transaction other than in the ordinary course of business;
- a transaction that is not on market terms; or
- a transaction that may have a material impact on a company's profitability, assets or liabilities.

An extraordinary transaction in which an office holder has a personal benefit or other interest requires approval first by the company's audit committee and subsequently by the board of directors. The compensation of, or an undertaking to indemnify or insure, an office holder who is not a director requires approval first by the company's compensation committee, then by the company's board of directors and, if such compensation arrangement or an undertaking to indemnify or insure is inconsistent with the company's compensation policy or if the office holder is the Chief Executive Officer (apart from a number of specific exceptions), then such arrangement is subject to shareholder approval by a simple majority, which must also include at least a majority of the shares voted by all shareholders who are neither controlling shareholders nor have a personal benefit or other interest in such compensation arrangement (alternatively, in addition to a simple majority, the total number of shares voted against the compensation arrangement by non-controlling shareholders and shareholders who do not have a personal benefit or other interest in the arrangement may not exceed 2% of our outstanding shares). We refer to this as the Special Approval for Compensation. Arrangements regarding the compensation, indemnification or insurance of a director require the approval of our compensation committee, board of directors and shareholders by a simple majority, in that order, and under certain circumstances, a Special Approval for Compensation.

Generally, a person who has a personal benefit or other interest in a matter that is considered at a meeting of the board of directors or the audit committee may not be present at such a meeting or vote on that matter unless the chairman of the board of directors or the audit committee (as applicable) determines that he or she should be present in order to present the transaction that is subject to approval. If a majority of the members of the board of directors or the audit committee (as applicable) have a personal benefit or other interest in the approval of a transaction, then all directors may participate in discussions of the board of directors or the audit committee (as applicable) on such transaction and in the voting, but shareholder approval is also required for such transaction.

Disclosure of Personal Benefits or Other Interests of Controlling Shareholders and Approval of Certain Transactions

Pursuant to the Israeli Companies Law, the disclosure requirements regarding personal benefits or other interests that apply to directors and executive officers also apply to a controlling shareholder of a public company. In this context, a controlling shareholder includes a shareholder who holds 25% or more of our outstanding shares if no other shareholder holds more than 50% of our outstanding shares. For this purpose, the holdings of all shareholders who have a personal benefit or other interest in the same transaction will be aggregated. The approval of the audit committee, the board of directors and the shareholders of the company, in that order, is required for (a) extraordinary transactions with a controlling shareholder or in which a controlling shareholder has a personal benefit or other interest, (b) our engagement with a controlling shareholder or his or her relative, directly or indirectly, for the provision of services to us, (c) the terms of engagement and compensation of a controlling shareholder or his or her relative who is not an office holder or (d) our employment of a controlling shareholder or his or her relative, other than as an office holder. In addition to shareholder approval by a simple majority, the transaction must be approved by a simple majority, which must also include at least a majority of the shares voted by all shareholders who do not have

a personal benefit or other interest in the transaction (alternatively, in addition to a simple majority, the total number of shares voted against the transaction by shareholders who do not have a personal benefit or other interest in it may not exceed 2% of our outstanding shares), which we refer to as a Special Majority.

18

To the extent that any such transaction with a controlling shareholder is for a period extending beyond three years, approval is required once every three years, unless, with respect to certain transactions, the audit committee determines that the duration of the transaction is reasonable under the circumstances.

Arrangements regarding the compensation, indemnification or insurance of a controlling shareholder in his or her capacity as an office holder require the approval of the compensation committee, board of directors and shareholders, in that order, by a Special Majority, and the terms must be consistent with our Compensation Policy.

Pursuant to regulations promulgated under the Israeli Companies Law, certain transactions with a controlling shareholder or his or her relative, or with directors, that would otherwise require approval of our shareholders may be exempt from shareholder approval upon certain determinations of our audit committee and board of directors. Under these regulations, we must publish these determinations, and a shareholder holding at least 1% of our outstanding shares may, within 14 days of after publication, demand shareholder approval despite such determinations.

Board Leadership Structure

The Board has no policy regarding the need to separate or combine the offices of Chairman of the Board and Chief Executive Officer and remains free to make this determination from time to time in a manner that the Board deems most appropriate for our Company. Currently, we have separated the positions of CEO and Chairman of the Board in recognition of the differences between the two roles. The CEO is responsible for the day-to-day leadership and performance of the Company, while the Chairman of the Board (in collaboration with other members of the Board) sets the strategic direction of the Company, provides guidance to the management, sets the agenda for the Board meetings (in collaboration with the other members of the Board) and presides over meetings of the Board. We believe that separating these positions allows the Chairman of the Board to lead the board in its fundamental role of providing direction and guidance to management, while allowing our CEO to focus on our day-to-day operations. In addition, we believe that the current separation provides a more effective monitoring and objective evaluation of the performance of the CEO. The Board believes it is important that the Company retain organizational flexibility to determine whether the roles of CEO and Chairman of the Board should be separated or combined.

Risk Management

The Board is actively involved in the oversight and management of risks that could affect the Company. This oversight and management is conducted primarily through committees of the Board, as disclosed in the descriptions of each of the committees above and in the charters of each of the committees, but the full Board has retained responsibility for general oversight of risks. The Board regularly receives reports from members of senior management on areas of material risk to the Company, including operational, financial, regulatory and legal. The audit committee oversees management of financial risks (including liquidity and credit), approves all transactions with related persons and is primarily responsible for oversight of the Company's financial reporting process and internal control over financial reporting. The compensation committee is responsible for overseeing the management of risks relating to the Company's executive compensation plans and arrangements. The nominating and governance committee oversees the Company's corporate governance programs, including the administration of the Code of Business Conduct and Ethics. The Board satisfies its oversight responsibility through full reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within the Company.

Meetings Attended by Directors

During the fiscal year ended December 31, 2015, the Board held a total of nine meetings, and except for Yasuchi Ichiki and Deborah DiSanzo, each of our incumbent directors attended at least 75% of the aggregate of the total number of meetings of the Board and the total number of meetings held by the committees of the Board on which he or she served during the period in which he or she served. Mr. Ichiki was unable to attend six out of the nine meetings held by the Board in 2015 due to work conflicts, and Ms. DiSanzo, who joined the Board effective September 16, 2015, was unable to attend two out of the three meetings held by the Board during the time she served in 2015 due to medical reasons. The Board regularly holds executive sessions in which only its independent directors meet, without management present.

Although we do not maintain a formal policy regarding director attendance at the annual general meeting of shareholders, in 2015 two of our directors, Jeff Dykan and Larry Jasinski, attended the annual general meeting of shareholders.

Code of Conduct and Ethics

We adopted a Code of Business Conduct and Ethics applicable to all of our directors and employees, including our Chief Executive Officer, Chief Financial Officer, controller or principal accounting officer, or other persons performing similar functions, which fulfills applicable guidelines issued by the SEC. The full text of the Code of Business Conduct and Ethics is posted at <http://ir.rewalk.com/>. Information contained on, or that can be accessed through, our website does not constitute a part of this Proxy Statement and is not incorporated by reference herein. We will also provide a hard copy of our Code of Business Conduct and Ethics free of charge upon written request to ReWalk Robotics, Ltd., 3 Hatnufa Street, Floor 6, Yokneam Ilit, 2026903, Israel. If we make any amendment to the Code of Business Conduct and Ethics or grant any waivers, including any implicit waiver, from a provision of the code, we will disclose the nature of such amendment or waiver on our website within four business days to the extent required by the rules and regulations of the SEC. We granted no waiver under our Code of Business Conduct and Ethics in 2015.

AUDIT COMMITTEE REPORT

On behalf of the Board of Directors of ReWalk Robotics Ltd. (the “Company”), the audit committee oversees the operation of the Company’s system of internal controls in respect of the integrity of its financial statements and reports, compliance with laws, regulations and corporate policies, and the qualifications, performance and independence of its independent registered public accounting firm. Management has the primary responsibility for the Company’s financial statements and financial reporting process, and the Company’s independent registered public accounting firm is responsible for auditing those financial statements.

Consistent with its oversight responsibility, the audit committee has reviewed and discussed with management and its independent registered public accounting firm the audited consolidated financial statements of the Company for the year ended December 31, 2015, and the results of management’s assessment of the effectiveness of the Company’s internal control over financial reporting as of December 31, 2015.

The audit committee has also discussed with the Company’s independent registered public accounting firm the matters required to be discussed under applicable Public Company Accounting Oversight Board (“PCAOB”) rules, including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of the disclosures in the financial statements. The Company’s independent registered public accounting firm also provided to the Audit Committee the written disclosures and letter regarding their independence required by the applicable requirements of the PCAOB regarding the independent registered public accounting firm’s communications with the audit committee concerning independence. The audit committee also discussed with the independent registered public accounting firm their independence from the Company and its management, and considered whether the non-audit services provided by the independent registered public accounting firm to the Company are compatible with maintaining the firm’s independence.

The audit committee discussed with the Company’s independent registered public accounting firm the overall scope and plans for its audit. The audit committee met with the independent registered public accounting firm to discuss the results of its examinations and the overall quality of the Company’s financial reporting.

Based on the audit committee’s review of the audited financial statements and the review and discussions described in the foregoing paragraph, the audit committee recommended to the Board that the audited financial statements for the fiscal year ended December 31, 2015, be included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2015, for filing with the Securities and Exchange Commission. The audit committee has selected Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2016, and has asked the shareholders to ratify the selection.

However, such shares are not deemed to be outstanding and to be beneficially owned for the purpose of computing the percentage ownership of any other person. All information with respect to the beneficial ownership of any principal shareholder has been furnished by such shareholder or is based on our filings with the SEC and, unless otherwise indicated below, we believe that persons named in the table have sole voting and sole investment power with respect to all the ordinary shares shown as beneficially owned, subject to community property laws, where applicable. Compensation for our independent, non-employee directors’ services is governed by regulations promulgated under the Companies Law (the “Compensation Regulations”). In accordance with the Compensation Regulations, we pay our independent, non-employee directors the maximum annual fee and the maximum per meeting attendance fee set forth in the Compensation Regulations for experts. The amounts payable by a company to external directors under the Compensation Regulations are based on the amount of the company’s shareholders’ equity as of the end of the previous year. Accordingly, we pay our external directors NIS 83,480 (approximately \$21,050 based on current exchange rates) per year and NIS 4,390 (approximately \$1,130 based on current exchange rates) per meeting attended in person, and 60% of such amount (approximately \$678 based on current exchange rates) for attending any meeting by telephone and 50% of such amount (approximately \$565 based on current exchange rates) for any action by written consent, as such amounts may be adjusted from time to time pursuant to changes in the Israeli Consumer Price Index, in accordance with applicable law.

Each new independent, non-employee director who is appointed also receives upon his or her appointment options to purchase 12,546 ordinary shares and annual awards of options to purchase 4,176 ordinary shares, all of which vest ratably in quarterly installments over a period of one year. In addition, each director is reimbursed for out-of-pocket expenses in connection with attending meetings of the Board or committees. Directors are also indemnified and insured by us for actions associated with being a director to the extent permitted under Israeli law. For further discussion, see “Certain Relationships and Related Transactions—Agreements with Directors and Officers.” Further, none of our non-employee directors receive any benefits upon termination of their directorship positions. Our non-employee directors are eligible to receive awards under certain of our equity compensation plans described below under “Executive Compensation—Equity Compensation Plans.” Our compensation committee reviews director compensation annually and makes recommendations to the Board with respect to compensation and benefits provided to the members of the Board.

External directors are entitled to remuneration subject to guidelines set forth in the regulations promulgated under the Israeli Companies Law.
