Item 2. Identity and Background

a. Name

This Schedule 13D/A is filed by St Andrew Goldfields Ltd., a corporation incorporated pursuant to the laws of the Province of Ontario, Canada. St. Andrew is a gold mining and exploration company.

- **Whether or not, during the last five years, such person has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) and, if so, give the dates, nature of conviction, name and location of court, any penalty imposed, or other disposition of the case.**

- 
- **Whether or not, during the last five years, such person was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws; and, if so, identify and describe such proceedings and summarize the terms of such judgment, decree or final order.**

Other than as described below, neither the Company nor any executive officer, director or person owning more than 10% of the outstanding shares of St Andrew, during the last five years, was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction nor is any one of them subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

By letter dated September 20, 2007, St Andrew was advised by the United States Securities and Exchange Commission (the "SEC") that Heritage American Resource Corp. ("Heritage American") was in default of its reporting obligations under Section 13(a) of the Exchange Act. Heritage American was a predecessor company of Heritage Exploration Ltd. ("Heritage"), which St Andrew acquired in 2005 and amalgamated with effective January 1, 2006. As a result of the acquisition and amalgamation, St Andrew qualified as a "successor issuer" to Heritage American under the Exchange Act. As such, it was determined that St Andrew would have been required to bring all delinquent filings of Heritage American, Heritage and St Andrew current with the SEC or, alternatively, consent to the issuance of an order by the SEC pursuant to which the common shares of St Andrew (as successor issuer to Heritage American) would be deregistered under the Exchange Act. St Andrew determined that the appropriate course of action would be to consent to a deregistration order under Section 12(j) of the Exchange Act. As such, on May 12, 2008, St Andrew executed an offer of settlement agreement, voluntarily consenting to a deregistration order by the SEC, and on August 18, 2008, the SEC issued an order revoking registration of St Andrew's securities pursuant to Section 12(j) of the Exchange Act.

• **Citizenship.**

The transactions reported by St Andrew herein relate to the disposition of shares of Apollo Gold. No funds were utilized by the Company in connection with the transactions described herein.

Item 4. Purpose of Transaction

On November 24, 2008, St Andrew sold 2,000,000 shares of Apollo Gold (the "Second Tranche Shares") to a third party pursuant to an agreement (the "Agreement") between St Andrew and the purchaser (the "Purchaser") dated October 28, 2008 for an aggregate purchase price of CDN\$500,000 (approximately US\$408,297 based on the Federal Reserve Bank of New York's noon buying rate on November 24, 2008 of US\$1.00 = CDN\$1.2246). St. Andrew had sold a first tranche of 2,000,000 shares (the "First Tranche Shares") to the Purchaser on November 7, 2008 but these Shares were held in escrow pending closing of the sale of the Second Tranche Shares. As a result of the closing of the Second Tranche Shares, the First Tranche Shares have been released from escrow. Pursuant to the terms of the Agreement, as a result of the Purchaser purchasing the Second Tranche Shares, the Purchaser has an option to purchase up to an additional 23,000,000 shares of Apollo Gold from St Andrew. On December 8, 2008, the Purchaser gave notice to St Andrew that it does not intend to exercise the option.

In addition, St Andrew has sold an aggregate of 3,808,568 shares of Apollo Gold in ordinary broker transactions subsequent to the sale of the Second Tranche Shares pursuant to its Rule 10b5-1 share trading plan dated September 19, 2008 (the "Sales Plan") with GMP Securities L.P. as agent. The Sales Plan provides for the orderly sale of up to 28,675,000 shares of common stock Apollo Gold in compliance with the requirements of Rule 10b5-1(c)(1) under the Exchange Act. These shares have been registered for resale under a registration statement filed by Apollo Gold under the Securities Act of 1933, as amended, on Form S-3 (the "Registration Statement") on April 24, 2008 (SEC file no. 333-150431), and declared effective by the SEC on May 7, 2008.

St Andrew determined to sell the shares as part of its overall investment strategy. In particular, given the recent weakening of the commodities markets and the global economy in general, St Andrew determined that it would be in its best interests and the best interests of its Shareholders to sell the Apollo Gold shares held by it for cash.

The following table sets out sales of shares of Apollo Gold by the Company pursuant to the Sales Plan between November 13, 2008 (the date of St Andrew's previously filed Schedule 13D/A) and the date hereof (other than the sale of the Second Tranche Shares reported above):
