QUESTIONS AND ANSWERS

WHO MAY ATTEND THE ANNUAL MEETING?

All shareholders who held shares of our common stock on June 10, 2011 may attend. If your stock is held in the name of a broker, bank, or other holder of record, often referred to as “in street name,” just bring a copy of your brokerage account statement or a proxy card which you can get from your broker, bank, or other holder of record of your stock.

WHAT IS A PROXY?

A proxy is your legal designation of another person to vote the stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. Randall W. White and Marilyn R. Pinney have been designated by the Company as proxies for the 2011 Annual Meeting of Shareholders.

WHO CAN VOTE AT THE MEETING?

The record date for the 2011 Annual Meeting of Shareholders is June 10, 2011. The record date was established by our Board of Directors. Shareholders of record at the close of business on the record date are entitled to:

- (a) receive notice of the meeting; and
- (b) vote at the meeting and any adjournments or postponements of the meeting.

On the record date, 3,888,871 shares of our common stock were outstanding. Each shareholder is entitled to one vote for each share of common stock held on the record date, except that cumulative voting is authorized with respect to the election of directors, as further described under “Voting Securities,” in this Proxy Statement.

HOW DO I VOTE?

You may vote in person at the meeting or you may appoint a proxy, by mail, to vote your shares. If you return a signed card but do not provide voting instructions, your shares will be voted FOR the proposal to be voted on at the meeting.

WHAT ARE THE DIFFERENT METHODS THAT I CAN USE TO VOTE MY SHARES OF COMMON STOCK?

- (a) By Written Proxy: Shareholders of record can vote by marking, signing, and timely returning the enclosed proxy card. Street name or beneficial holders must follow the directions provided by their broker, bank, or other nominee in order to direct such broker, bank, or nominee how to vote.
- (b) In Person: All shareholders may vote in person at the meeting. Street names or beneficial holders must obtain a legal proxy from their broker, bank, or nominee prior to the meeting in order to vote in person.

HOW MANY VOTES MUST BE PRESENT TO HOLD THE MEETING?

A majority of our outstanding shares of common stock, as of the record date, must be present at the annual meeting in order to hold the annual meeting and conduct business. This is called a quorum. Shares of our common stock are counted as present at the annual meeting if the holder of such shares:

- (a) is present and votes in person at the annual meeting; or
- (b) has properly submitted a proxy card.

HOW ARE ABSTENTIONS COUNTED?

Abstentions are counted as present for the purpose of determining the presence of a quorum.

Table of Contents

HOW DO I REVOKE MY PROXY?

You have the right to revoke your proxy at any time before the meeting by:

- (1) notifying our corporate secretary in writing;
- (2) returning a later-dated proxy card; or
- (3) voting in person.

WILL MY STOCK BE VOTED IF I DO NOT PROVIDE MY PROXY?

Your stock may be voted if it is held in the name of a brokerage firm, even if you do not provide the brokerage firm with voting instructions. Brokerage firms have the authority under the rules of The NASDAQ Stock Market, Inc., or NASDAQ, to vote stock for which their customers do not provide voting instructions on certain “routine” matters. We believe that the ratification of our independent accounting firm is a routine matter for which brokerage firms may vote stock that is held in the name of brokerage firms but do not have voting instructions from you.

WHAT IF A SHAREHOLDER DOES NOT SPECIFY A CHOICE FOR A MATTER WHEN RETURNING A PROXY?

Shareholders should specify their choice for each matter on the enclosed proxy. If no specific instructions are given, proxies that are signed and returned will be voted FOR the election of all director nominees.

WHAT HAPPENS IF I DON'T VOTE?

If you do not return your proxy, or vote in person or through a firm, your non-vote will have no effect on the outcome.

WILL ADDITIONAL PROPOSALS BE PRESENTED, OTHER THAN THOSE INCLUDED IN THIS PROXY STATEMENT?

We know of no matters to be presented at the annual meeting other than those included in this notice. By signing the proxy card you are also giving authority to the persons named on the proxy card to take action on additional matters that may properly come before the annual meeting. Should any other matter requiring a vote of shareholders arise, the persons named in the accompanying proxy card will vote according to their best judgment.

HOW MANY VOTES ARE NEEDED TO APPROVE OUR PROPOSALS?

The affirmative vote of a plurality of the shares of common stock present in person or by proxy and entitled to vote is required for the election of a director. However, other matters that may properly come before the annual meeting may require a majority or more than a majority vote under our By-laws, the laws of the state of Delaware, our Amended and Restated Certificate of Incorporation, or other applicable laws.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

If your shares are registered differently and are in more than one account, you will receive more than one proxy card and proxy statement. Please sign and return all proxy cards to ensure that all your shares of common stock are voted. We encourage you to have all accounts registered in the same name and address whenever possible.

WHAT IF ONLY ONE COPY OF THESE PROXY MATERIALS WAS DELIVERED TO MULTIPLE SHAREHOLDERS WHO SHARE A SINGLE ADDRESS?

In some cases, only one copy of this Proxy Statement is being delivered to multiple shareholders sharing an address unless we have received contrary instructions from one or more of the shareholders. We will deliver promptly, upon written or oral request, a separate copy of this Proxy Statement and the accompanying 2009 Annual Report to a shareholder at a shared address to which a single copy of the document was delivered. To request a separate delivery of these materials now or in the future, a shareholder may submit a written request to Corporate Secretary, Educational Development Corporation, 10302 E. 55th Place, Tulsa, OK 74146 or an oral request by telephone at (918) 622-4522. Additionally, any shareholders who are presently sharing an address and receiving multiple copies of either the Proxy Statement or the 2011 Annual Report and who would rather receive a single copy of such materials may instruct us accordingly by directing their request to us in the manner provided above.

WHO BEARS THE COST OF THIS SOLICITATION?

This accompanying proxy is being solicited by and on behalf of our Board of Directors. We will pay the entire cost of preparing, assembling, printing, mailing, and distributing these proxy materials. In addition, we may reimburse banks, brokerage firms, and other custodians, nominees, and fiduciaries representing beneficial owners of shares of our common stock for their expenses in forwarding solicitation materials to such beneficial owners. In addition to sending you these materials, some of our directors, officers and employees may contact you personally or by mail, telephone, facsimile, email or other means of communication (electronic or otherwise). No additional compensation will be paid for such services but out-of-pocket expenses may be reimbursed.

WHAT IS THE DIFFERENCE BETWEEN HOLDING STOCK AS A “SHAREHOLDER OF RECORD” AND HOLDING STOCK AS “BENEFICIAL OWNER” (OR “IN STREET NAME”)?

Most shareholders are considered the “beneficial owners” of their stock, that is, they hold their stock through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between stock held of record and stock owned beneficially or in “street name.”

(a) Shareholder of Record: If your stock is registered directly in your name with our transfer agent, you are considered the shareholder of record with respect to that stock and proxy materials are sent directly to you by us. As our shareholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the annual meeting. We have enclosed a proxy card for your vote.

(b) Beneficial Owner: If your stock is held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank, or nominee (who is considered the shareholder of record with respect to those shares). As the beneficial owner, you have the right to direct your broker, bank, or nominee on how to vote if you follow the instructions you receive from your broker, bank, or nominee. You are also invited to attend the annual meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the annual meeting, unless you request, complete, and deliver the proper documentation provided by your broker, bank or nominee and bring it with you to the meeting.

VOTING SECURITIES

Our \$.20 par value common stock is the only class of capital stock authorized by its Amended and Restated Certificate of Incorporation. The number of shares of our common stock which may be voted at the meeting or any adjournment thereof is 3,888,871 shares [see comment above about the number of outstanding shares], which was the number of shares outstanding as of June 10, 2011, the record date. Each shareholder is entitled to one vote for each share of our common stock held, except that cumulative voting is authorized with respect to the election of directors. In other

words, solely for the purpose of electing directors, each share of our common stock will entitle the holder thereof to a number of votes equal to the number of directors being elected and each shareholder may cast all of his votes for a single nominee, or may distribute them among any two or more nominees. Votes will be tabulated by an inspector of election appointed by our Board of Directors.

Table of Contents

PROPOSAL FOR ACTION AT THE ANNUAL MEETING

Proposal One:
Election of Directors

Our Amended and Restated Certificate of Incorporation and By-laws provide that the Board of Directors shall consist of three to fifteen directors, the exact number of which is determined by resolution of the Board of Directors or by the shareholders at the annual meeting. The Board of Directors has adopted a resolution establishing five (5) as the number of directors of the Company.

Our Amended and Restated Certificate of Incorporation and By-laws provide that the Board of Directors shall be divided into three classes, each consisting of as close to one-third of the total directors as possible. Each class of directors serves a three-year term expiring at the Annual Meeting of Shareholders in the year listed in the table below:

Class I (2011)	Class II (2012)	Class III (2013)
James F. Lewis	Ron McDaniel	John A. Clerico
	Kara Gae Neal	Randall W. White

Based on the recommendation of the Nominating and Corporate Governance Committee, the Board of Directors has nominated James F. Lewis for election as Class I director, to serve a three-year term to expire at the Annual Meeting of Shareholders in 2014, or until a successor is duly elected and qualified. Mr. Lewis is currently serving as a director and has consented to serve for a new term.

Directors in Class II and Class III are not being re-elected this year and will continue in office for the remainder of their terms, as described above, unless such directors resign or their service as directors otherwise ceases in accordance with our Amended and Restated Certificate of Incorporation and By-laws.

The persons named in the accompanying proxy card intend to vote such proxy in favor of the election of the nominee named below, who is currently a director, unless authority to vote for the director is withheld in the proxy. Although the Board of Directors has no reason to believe that the nominee will be unable to serve as a director, if a nominee withdraws or otherwise becomes unavailable to serve, the persons named as proxies will vote for any substitute nominee designated by the Board of Directors, unless contrary instructions are given on the proxy.

The affirmative vote of a plurality of the shares of our common stock present in person or by proxy at the meeting and entitled to vote is required for the election of directors. Proxies for which authority to vote for the nominee is withheld and broker non-votes will be tabulated for the purpose of computing the number of shares of our common stock present for purposes of determining the presence of a quorum for the meeting. They will have no effect on the outcome of the election of the directors.

Set forth below is certain information with respect to the nominee for election as a director and each continuing director. Our Board of Directors unanimously recommends a vote FOR the nominee.

MEETINGS OF THE BOARD OF DIRECTORS

Our Board of Directors held eight meetings during fiscal year 2011. Each director attended at least 50% of the meetings of the Board of Directors and the Board committees on which he served in fiscal year 2011. Under our Corporate Governance Guidelines, directors are expected to be active and engaged in discharging their duties and to keep themselves informed about the business and operations of the Company. Although we have no formal policy, directors are expected to make every effort to attend the annual meeting of shareholders. Last year, two of our directors attended our annual meeting.

CODE OF BUSINESS CONDUCT AND ETHICS

We have a Code of Conduct and Ethics that applies to all of our directors, officers and employees, including our chief executive officer and principal accounting officer. NOMINATION PROCESS

The members of the Nominating and Corporate Governance Committee (the “Committee”), other than incumbent director nominees, discuss the qualifications of the director nominees and the needs of the Company. The Committee will consider nominees recommended by our directors, officers and shareholders. In evaluating director candidates, the Committee considers factors that are in the best interests of the Company and its shareholders, including, but not limited to, the knowledge, experience, integrity and judgment of possible candidates for nomination as directors; the potential contribution of each candidate to the diversity of backgrounds, experience and competencies which the Committee desires to have represented on the Board of Directors, including familiarity with and experience in our specific industry; the NASDAQ’s requirements for directors, including any applicable independence standards and other qualifications and experience; each candidate’s ability to devote sufficient time and effort to his or her duties as a

director of the Company and, where applicable, prior service as a director of the Company. There are, however, no stated minimum criteria for director nominees. The Committee recommends candidates to the Board of Directors for election at the annual meeting of shareholders.

Each director who is not also an officer of the Company and who is a member of and who attends a meeting of one of the Committees of the Board of Directors is paid \$150 for such attendance. Directors are not paid for directors meetings or Committee meetings held by means of conference calls.

We do not have any formal policies or procedures relating to granting options to the members of our Board of Directors as a part of compensating such members for their service on our Board of Directors. However, from time to time in the past, we have granted options to the members of our Board of Directors, under our 1992 Incentive Stock Option Plan, as compensation for serving on the Board of Directors.

COMPENSATION COMMITTEE REPORT

The fundamental philosophy of our compensation program is to offer competitive compensation opportunities for our executive officers, based primarily on the individual executive's personal performance relative to his or her area of responsibility and the contribution to our short-term and long-term strategic objectives. This philosophy is further driven by the concept of rewarding the executive officers through a cash bonus program and a stock option program when the Company is profitable.

Each compensation package for an executive officer of the Company drawing over \$100,000 per year is reviewed annually by the Compensation Committee and submitted to the Board of Directors for their approval.

The foundation of our executive compensation program is based upon the promotion of our short-term and long-term business objectives, the creation of a performance-oriented environment, and the enhancement of shareholder value through the greatest achievable profitability. The elements of our executive compensation program are: base salary compensation, cash bonus compensation and stock options.

Base salary compensation is intended to compensate the executive officers at a level commensurate with their responsibilities and contribution to the short- and long-term objectives of the Company. The Committee further takes

into account the local and general economic conditions, future business prospects, and length of employment with the Company. Both the cash bonus compensation program and the stock option program are based upon the profitability of the Company and other considerations including sales levels, earnings per share levels and return on equity.

White, in light of the Company's overall performance for fiscal 2011 and the performance of the CEO relative to the long-term objectives of the Company.
