Item 3.02

Unregistered Sales of Equity Securities

- (a) On October 9, 2013, the Company issued 1,086,956 shares of its Class A Common stock at an applicable conversion price of \$0.0138. Asher Enterprises converted \$15,000 of its note convertible dated February 11, 2013. The agreement with Asher allows them to convert their debt after six (6) months at a conversion price equal to 55% of the average of the three (3) lowest closing bid prices ten (10) trading days prior to the conversion date. This draw is against the note dated February 11, 2013 in the amount of \$78,500. There is \$55,500 remaining on the note.

The Company previously requested its legal counsel to provide a legal opinion regarding the possible affiliate status of Asher. The Company's counsel issued an opinion that Asher was an affiliate in the past 90 days and which status would terminate in the middle of December 2013. This opinion was sent to Asher and our transfer agent. Asher's counsel provided a legal opinion that Asher was not an affiliate in the past 90 days. The Company's transfer agent sought a 3rd opinion from its own legal counsel which stated that Asher was not an affiliate in the past 90 days. As a result, the transfer agent unilaterally issued the shares to Asher pursuant to contracts between Asher and the Company.

The issuance; however, is below the 1% of the total outstanding share count that has been issued to Asher in the past 90 days.
