---

CUSIP No. 50105X106

Pursuant to the Funding Agreement, the Issuer has agreed to take all actions necessary to ensure that AirWorks and RS Properties have the right to designate a majority of the members of the board of directors of the Issuer, including increasing the number of members of the issuer's board of directors.

The Issuer's obligations under the Notes are secured by substantially all of the assets of the Issuer and its subsidiary Kronos Air Technologies, Inc., pursuant to a Security Agreement dated June 19, 2007.

In connection with the Funding Agreement, the Lenders entered into an Intercreditor Agreement with certain existing creditors of the Issuer (the "Existing Creditors") whereby the Existing Creditors agreed to subordinate their security interest to that of the Lenders. In addition, the Lenders also entered into an Intercreditor Agreement whereby AirWorks and RS Properties agreed to subordinate their security interest to that of the Critical Capital Entities.

#### ***Voting and Support Agreements***

On June 19, 2007, the Issuer, AirWorks, the Critical Capital Entities and RS Properties entered into a Voting and Support Agreement (the "Lender Voting Agreement") pursuant to which the Lenders agreed to vote the shares of Common Stock entitled to vote on the following matters in the following manner: (1) in favor of a slate of directors to serve on the Company's board of directors as proposed by AirWorks and RS Properties, (2) in favor of adjusting the size of the Issuer's board of directors such that upon the election of the slate of directors proposed by AirWorks and RS Properties, such directors hold a majority of the seats on the Issuer's board of directors, (3) in favor of approving an amendment to the Issuer's articles of incorporation to increase the Issuer's authorized common stock to a number of shares necessary to allow the Lenders to convert the entire principal amount of the Notes into share of common stock of the Company, (4) in favor of approving the reincorporation of the Company in Delaware, (5) in favor of a reverse stock split proposed by AirWorks or the Issuer's board of directors and (6) against any action or transaction that may reasonably be expected to impede, interfere with, delay, postpone or attempt to discourage the consummation of any of the foregoing. The expiration of the Lender Voting Agreement is the earlier of (a) the date on which the matters set forth in (1)-(5) above have been approved by the stockholders of the Issuer and (b) August 1, 2008.

Additionally, on June 19, 2007, the Issuer entered into Voting and Support Agreements (the "Securityholder Voting Agreements") with Messrs. Dwight, McDermott, Segal, Tusing, Krichtafovitch, Poster, Sun and Gumbinner (collectively, the "Securityholders") pursuant to which the Securityholders agreed to vote the Issuer's securities owned by them on certain specified matters in accordance with the Securityholder Voting Agreement. The terms and expiration date of the Securityholder Voting Agreements are substantially similar to those of the Lender Voting Agreement. In addition, on June 19, 2007, each of the Securityholders granted Mr. Perlman, the President of Compass Partners, L.L.P., the general partner of AirWorks, a proxy to vote the Issuer's securities owned by each of them in accordance with the Securityholder Voting Agreements.

CUSIP No. 50105X106

***Letter Agreement***

On June 19, 2007, AirWorks and RS Properties entered into a letter agreement (the "Letter Agreement") pursuant to which the parties agreed (1) that any advances made to the Issuer pursuant to the Funding Agreement and the AirWorks Note and RS Note, respectively, at a subsequent closing, will be made 60% by AirWorks and 40% by RS Properties, (2) that following the closing of the Funding Agreement, AirWorks and RS Properties will secure more than 50% of the voting control of the Issuer with AirWorks converting such portion of the AirWorks Note as is necessary to represent 60% of such controlling position and RS Properties converting such portion of the RS Note as is necessary to represent 40% of such controlling position, (3) to enter into the Lender Voting Agreement and (4) to make certain adjustments to the percentage of additional advances required to be made by AirWorks and RS Note if certain specified events occurred. This Schedule 13D has been prepared taking into account that, pursuant to the terms of the Letter Agreement, AirWorks and RS Properties, will have voting control of the Issuer once the above actions have been taken and will vote their respective shares of Common Stock in accordance with the terms of the Lender Voting Agreement.

***Registration Rights Agreement***

In connection with the Funding Agreement, the Issuer and the Lenders entered into a Registration Rights Agreement dated June 19, 2007. Pursuant to the Registration Rights Agreement, the Issuer agreed to file a registration statement registering the Common Stock owned by the Lenders, the Common Stock underlying the Notes and any other securities issued or issuable with respect to such securities upon any classification, share combination, share division, share dividend, merger consolidation or similar event (the "Registrable Securities"), upon demand of the holders of at least 20% of the Registrable Securities. The Issuer is required to file such registration statement within 45 days (or 90 days if the registration statement is on a form other than Form S-3) after notice is give and to use its reasonable best efforts to cause the registration statement to become effective as promptly as practicable. The Issuer is required to keep such registration statement effective until the earlier of (1) the date all Registrable Securities covered by such registration statement have been sold or (2) the date on which all of the Registrable Securities may be sold without restriction pursuant to subsection (k) of Rule 144 of the Securities Act of 1933, as amended. The Registration Rights Agreement also provides the Lenders with piggy back registration rights with respect to certain offerings of the Issuer's securities.

The foregoing summaries of the Funding Agreement, the Notes, the Security Agreement, the Intercreditor Agreements, the Lender Voting Agreement, the Securityholder Voting Agreements, the Proxy, the Letter Agreement and the Registration Rights Agreement are qualified in their entirety by reference to the copies of such agreements which are attached hereto as Exhibits 2 through 14, respectively, and which are hereby incorporated by this reference.

Except as set forth herein, the Reporting Person has no present plan or proposal that relates to or would result in any other action specified in clauses (a) through (j) of Item 4 of Schedule 13D.

CUSIP No. 50105X106

**Item 5. Interest in Securities of the Issuer.**

(a) and (b) See Items 7 through 11 and 13 of the cover sheet for each Reporting Person.

If the Critical Capital Note becomes convertible into Common Stock, each of the Reporting Persons may be deemed to beneficially own 306,785,714 shares of Common Stock, representing 56% of the outstanding shares of Common Stock (based upon 242,342,803 shares of Common Stock as of May 18, 2007, as reported in the Issuer's quarterly report on Form 10-QSB for the quarter ended March 31, 2007).

In addition, by virtue of any of the Lender Voting Agreement and the Letter Agreement, a "group," within the meaning of Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or Rule 13d-5(b)(1) thereunder, may have been formed that includes, AirWorks, RS Properties and the Critical Capital Entities. Such a group including AirWorks, RS Properties and the Critical Capital Entities would be deemed to beneficially own, in the aggregate, 1,214,285,713 shares of Common Stock, representing 83% of the Common Stock outstanding (based upon 242,342,803 shares of Common Stock outstanding as of May 18, 2007). Such shares of Common Stock which would be deemed beneficially owned by such a group includes (1) 328,571,428 shares of Common Stock issuable upon conversion of the funded portion of the RS Note and (2) 885,714,285 shares of Common Stock issuable upon conversion of the funded portion of the AirWorks Note, but excludes (1) 1,985,714,285 shares of Common Stock which may become issuable if the RS Note is funded in full, (2) 2,978,571,428 shares of Common Stock which may become issuable if the AirWorks Note is funded in full and (3) 306,785,714 shares of Common Stock underlying the Critical Capital Note which is not presently convertible. The Reporting Persons expressly disclaim beneficial ownership of Common Stock beneficially owned by RS Properties and AirWorks.

Since the Issuer currently is only authorized to issue 500 million shares of Common Stock and as of May 18, 2007, 242,342,803 shares of Common Stock were issued and outstanding (according to filings made by the Issuer with the Securities and Exchange Commission), the Lenders will not be able to convert the entire current outstanding principal amount of the Notes until such time as the Issuer increases its authorized share capital to authorize additional shares of Common Stock. As described above, pursuant to the Lender Voting Agreement and the Letter Agreement, AirWorks and RS Properties have agreed to convert a sufficient principal amount of the their respective Notes to secure voting control of the Issuer and will subsequently vote to approve an amendment to the Issuer's articles of incorporation to increase the authorized share capital of the Issuer to allow the Lenders to convert the entire principal amounts advanced under the Notes into shares of Common Stock of the Issuer.

(c) Except as set forth in Items 3 and 4 above, no transactions in the Common Stock were effected by the Reporting Persons in the last 60 days.

(d) and (e) Not applicable.

CUSIP No. 50105X106

**Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of Issuer.**

See Items 3, 4 and 5 above. Except as set forth in this Schedule 13D, to the best knowledge of the Reporting Persons, no contracts, arrangements, understandings or relationships (legal or otherwise) exist among the Reporting Persons and between the Reporting Persons and any other person with respect to the securities of the Issuer.
