AIR FRANCE FAVOURS HIGHER FARES... NOT COMPETITION

Ryanair Europe's No.1 low fares airline, today (21st Nov'03) responded to Air France's false press release of 20th November. This statement by Air France was untruthful because Air France have never favoured competition and the lowest fare quoted by Ryanair for an Air France midweek return from Strasbourg to London at over EUR780 is correct.

Ryanair confirmed to the Financial Times that Air France's lowest midweek return fare from Strasbourg to London is GBP780 return, a fare that is 40 times higher than Ryanair's lowest midweek return fare on the route of EUR19. Midweek return is defined as passengers who comply with the Saturday night stay rule.

1. Attached is a copy of this lowest midweek return fare quote (amounting to EUR794.23) taken from the Air France internet booking site this morning
