**to be held on June 5, 2003**

**To Stockholders of Silgan Holdings Inc.:**

This Proxy Statement and the accompanying proxy card are furnished in connection with the solicitation of proxies by the Board of Directors of Silgan Holdings Inc., or Silgan Holdings or the Company, for use at our annual meeting of stockholders, or the Meeting, to be held at the Sheraton Stamford Hotel, 2701 Summer Street, Stamford, Connecticut 06905 on Thursday, June 5, 2003, at 9:00 a.m., and at any postponements or adjournments of the Meeting. This Proxy Statement and the accompanying proxy card are first being mailed to stockholders on or about April 30, 2003.

Only holders of record of our Common Stock as of the close of business on April 17, 2003, the Record Date, will be entitled to notice of and to vote at the Meeting. As of the Record Date, we had 18,239,242 shares of our Common Stock outstanding, and each share is entitled to one vote. We have no other class of voting securities issued and outstanding. The presence in person or by proxy of the holders of a majority of the outstanding shares of our Common Stock will be necessary to constitute a quorum for the transaction of business at the Meeting.

All shares of our Common Stock represented by properly executed proxies will be voted in accordance with the instructions indicated on such proxies unless such proxies previously have been revoked. If any proxies do not contain voting instructions, the shares of our Common Stock represented by such proxies will be voted **FOR** the election of the nominees for director listed below to serve until our annual meeting of stockholders in 2006 and until their successors are duly elected and qualified, **FOR** the approval of the adoption of the Silgan Holdings Inc. Senior Executive Performance Plan and **FOR** the ratification of the appointment of Ernst & Young LLP as our independent auditors for the fiscal year ending December 31, 2003. We do not anticipate that any other matters will be brought before the Meeting. If any other matters properly come before the Meeting, the shares of our Common Stock represented by all properly executed proxies will be voted in accordance with the judgment of the persons named on such proxies. Shares of our Common Stock abstaining, and shares of our Common Stock held in street name as to which a broker has not voted on some matters but has voted on other matters, or Broker Shares, will be included in determining whether a quorum exists at the Meeting. Approval of each matter specified in the Notice of Meeting requires the affirmative vote of a majority of shares of our Common Stock present in person or by proxy at the Meeting, assuming that a quorum exists at the Meeting. Stockholders may not cumulate their votes. Abstentions and Broker Shares that have not been voted with respect to a particular proposal will not be counted in determining the total number of votes cast or in determining whether such proposal has received the requisite number of affirmative votes.

## Edgar Filing: SILGAN HOLDINGS INC - Form DEF 14A

You may revoke your proxy at any time before it is exercised at the Meeting by (1) delivering to the Secretary of the Company a duly executed proxy bearing a later date; (2) filing a written notice of revocation with the Secretary of the Company; or (3) appearing at the Meeting and voting in person.

In addition to solicitations by mail, some of our directors, officers and employees may solicit proxies for the Meeting personally or by telephone without extra remuneration. **REPORT OF THE AUDIT COMMITTEE**

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors of the Company. Management of the Company has the primary responsibility for the financial statements and the reporting process of the Company, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed with management the audited consolidated financial statements included in the Company's Annual Report on Form 10-K for the year ended December 31, 2002, including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the consolidated financial statements.

The Audit Committee reviewed with Ernst & Young LLP, the Company's independent auditors responsible for expressing an opinion on the conformity of those audited consolidated financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and other matters as are required to be discussed with the Audit Committee under auditing standards generally accepted in the United States. The Audit Committee also discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures and the letter required by the Independence Standards Board, and considered the compatibility of nonaudit services with the auditors' independence. Additionally, the Audit Committee reviewed the amount of fees paid to Ernst & Young LLP for audit and nonaudit services.

The Audit Committee discussed with the Company's management and independent auditors the overall scope and plans for the Company's annual audits. The Audit Committee met with the independent auditors, with and without management present, to discuss the results of their examinations along with management's responses to significant matters. Also, the Audit Committee discussed with management and the independent auditors of the Company the integrity, adequacy and effectiveness of the Company's financial reporting processes and accounting and financial controls. The Audit Committee held five meetings during 2002.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors of the Company that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission. The Audit Committee has also approved, subject to stockholder ratification, the selection of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2003.

The Audit Committee is governed by a written charter approved by the Company's Board of Directors. In accordance with the written charter of the Audit Committee and currently applicable listing standards of the National Association of Securities Dealers, all members of the Audit Committee are independent. The Audit Committee anticipates that changes will be made to its written charter in 2003 in respect of new and proposed rules and regulations of the Securities and Exchange Commission and Nasdaq.

The Management Agreements may be terminated (i) at the option of each of the Company, Silgan Containers and Silgan Plastics upon the failure or refusal of S&H to perform its obligations under the Management Agreements, if such failure or refusal continues unremedied for more than 60 days after written notice of its existence is given; (ii) at the option of S&H upon the failure or refusal of any of the Company, Silgan Containers and Silgan Plastics to perform its obligations under the Management Agreements, if such failure or refusal continues unremedied for more than 60 days after written notice of its existence is given; (iii) at the option of S&H or the Company, Silgan Containers and Silgan Plastics (a) if S&H or one of the Company, Silgan Containers and Silgan Plastics is declared insolvent or bankrupt or a voluntary bankruptcy petition is filed by any of them, (b) upon the occurrence of any of the following events with respect to S&H or one of the Company, Silgan Containers and Silgan Plastics if not cured, dismissed or stayed within 45 days: the filing of an involuntary petition in bankruptcy, the appointment of a trustee or receiver or the institution of a proceeding

seeking a reorganization, arrangement, liquidation or dissolution, (c) if S&H or one of the Company, Silgan Containers and Silgan Plastics voluntarily seeks a reorganization or arrangement or makes an assignment for the benefit of creditors or (d) upon the death or permanent disability of both of Messrs. Silver and Horrigan; (iv) upon at least 180 days prior written notice at the option of each of the Company, Silgan Containers and Silgan Plastics for any reason; (v) upon at least 180 days prior written notice at the option of S&H for any reason other than Cause or a Change of Control (each as defined in the Management Agreements); (vi) at the option of S&H after a Change of Control; (vii) at the option of the Company, Silgan Containers and Silgan Plastics in the event of criminal conduct or gross negligence by S&H in the performance of the Services; or (viii) at the option of S&H or the Company, Silgan Containers and Silgan Plastics upon the termination of any of the Management Agreements for Cause. The Management Agreements prohibit S&H from competing with the Company and its subsidiaries during the term and, only if S&H terminates the Management Agreements pursuant to clause (v) above, for a period of one year after termination. The Management Agreements provide that, in the event that they are terminated pursuant to clause (iv) above, each of the Company, Silgan Containers and Silgan Plastics will be required to pay to S&H the present value of the amount of the payments that would have been payable to S&H under the Management Agreements through the end of the then current term of the Management Agreements.

We believe that it is difficult to determine whether the Management Agreements are on terms no less favorable than those available from unaffiliated parties because of the personal nature of the services provided under the Management Agreements and the expertise and skills of the individuals providing the services. We believe that the arrangements under the Management Agreements are fair to both parties.

Unless the Management Agreements are terminated as described below, the term of the Management Agreements currently continues until June 30, 2004. Thereafter, the term of the Management Agreements will be automatically renewed for successive one year periods unless either party gives written notice at least 180 days prior to the end of the then current term of its election not to renew the term. Pursuant to the Management Agreements, the Compensation Committee of our Board of Directors determines on behalf of the Company and its subsidiaries whether to give such written notice not to renew the term.

At the Meeting, the Board of Directors is seeking the approval of the stockholders of the Company for the Silgan Holdings Inc. Senior Executive Performance Plan, or the Senior Executive Performance Plan. If the Senior Executive Performance Plan is approved by the stockholders of the Company at the Meeting, then the parties to the Management Agreements have agreed to terminate the Management Agreements effective January 1, 2003. In such case, Messrs. Silver and Horrigan would become employees of the Company effective January 1, 2003, and neither the Company nor its subsidiaries would make any payment in 2003 under the Management Agreements. If the Senior Executive Performance Plan is not approved by the stockholders of the Company at the Meeting, then the Management Agreements will continue in effect in accordance with their terms, and Messrs. Silver and Horrigan would not become employees of the Company. For more information regarding the Senior Executive Performance Plan, you should read the sections in this Proxy Statement titled **Report on Executive Compensation** and **Adoption of the Silgan Holdings Inc. Senior Executive Performance Plan**.

### **Stockholders Agreements**

In November 2001, Messrs. Silver and Horrigan and the Company entered into the Stockholders Agreement. The Stockholders Agreement replaced in its entirety the Stockholders Agreement dated as of February 14, 1997, or the 1997 Stockholders Agreement, among Messrs. Silver and Horrigan and The Morgan Stanley Leveraged Equity Fund II, L.P., or MSLEF II, a former stockholder of the Company and an affiliate of Morgan Stanley.

Under the Stockholders Agreement, the Group (as defined in the Stockholders Agreement) has the right to nominate for election all directors of the Company until the Group holds less than one-half of the number of shares of our Common Stock held by it in the aggregate on February 14, 1997. The Group generally includes Messrs. Silver and Horrigan and their affiliates and related family transferees and estates. At least one of the

Group's nominees must be either Mr. Silver or Mr. Horrigan. On February 14, 1997, the Group held 7,153,090 shares of our Common Stock in the aggregate. Additionally, the Group has the right to nominate for election either Mr. Silver or Mr. Horrigan as a member of our Board of Directors when the Group no longer holds at least one-half of the number of shares of our Common Stock held by it in the aggregate on February 14, 1997 but beneficially owns 5% of our Common Stock.

If either Mr. Silver or Mr. Horrigan notifies our Board of Directors that the Group cannot agree on an individual for any of its nominees under the Stockholders Agreement or if at least 45 days prior to our annual meeting of stockholders the Group fails to nominate for election at such annual meeting the requisite number of individuals to stand for election to our Board of Directors at such annual meeting, then our Board of Directors has the right to nominate for election to our Board of Directors the number of individuals that Messrs. Silver and Horrigan could not agree on as nominees or that the Group failed to nominate timely.

The Stockholders Agreement continues until the death or disability of both of Messrs. Silver and Horrigan.

The provisions of the Stockholders Agreement could have the effect of delaying, deferring or preventing a change of control of the Company and preventing our stockholders from receiving a premium for their shares of our Common Stock in any proposed acquisition of the Company.

Additionally, in November 2001, the Company entered into an agreement with MSLEF II pursuant to which MSLEF II was granted the right to nominate one individual for election as a Class I Director of the Company for so long as MSLEF II beneficially owned at least 5% of our Common Stock. Mr. Abramson, who is currently serving as a Class I Director of the Company, was deemed to be the initial nominee of MSLEF II under this agreement. In February 2002, this agreement terminated once MSLEF II no longer beneficially owned at least 5% of our Common Stock.

Messrs. Silver and Horrigan, MSLEF II, Bankers Trust New York Corporation and the Company are also parties to a Stockholders Agreement dated as of December 21, 1993, or the 1993 Stockholders Agreement. Under the 1993 Stockholders Agreement, if at any time until February 2005 the Company determines to register additional shares of our Common Stock (other than in connection with certain non-underwritten offerings), the Company must offer to the other parties to the 1993 Stockholders Agreement the opportunity to include shares of our Common Stock held by them in such registration. Additionally, the 1993 Stockholders Agreement provided MSLEF II with the right, until February 2005, to demand two separate registrations of the shares of our Common Stock held by it until MSLEF II held less than 5% of our Common Stock. In November 2001, MSLEF II exercised one of its demand registration rights under the 1993 Stockholders Agreement and sold 4,592,000 shares of our Common Stock held by it under a registration statement filed by the Company. In February 2002, any further demand registration rights of MSLEF II expired once MSLEF II no longer owned at least 5% of our Common Stock.

#### **Other**

In 2002, Morgan Stanley was one of the placement agents for our \$200 million add-on issuance of our 9% Senior Subordinated Debentures due 2009, or the 9% Debentures, and received \$2.0 million in selling commissions in connection with this issuance. Morgan Stanley Senior Funding, Inc., or MSSF, an affiliate of Morgan Stanley, was a lender under our previous senior secured credit facility and is a lender under our new senior secured credit facility. In 2002, MSSF received a portion of the commitment fees paid by us under our previous senior secured credit facility and under our new senior secured credit facility with respect to its lending commitments under such facilities. Additionally, in 2002 MSSF received a portion of the fees we paid to the agents and lenders under our new senior secured credit facility in connection with the refinancing of our previous senior secured credit facility, amounting to \$2.9 million. We also entered into natural gas swap agreements with Morgan Stanley Capital Group, Inc., or MSCG, an affiliate of Morgan Stanley, in 2002 for an aggregate notional principal amount of 0.8 million MMBtu of natural gas. During 2002, natural gas swap agreements that we

entered into with MSCG for an aggregate notional principal amount of 0.9 million MMBtu of natural gas were settled under which we received an insignificant amount from MSCG. We expect that MSSF will continue to receive fees from us in 2003 with respect to its commitments under our new senior secured credit facility. We also expect that various natural gas swap agreements that we have entered into with MSCG will settle in 2003 and 2004. We believe that the services and products provided by Morgan Stanley and its affiliates to us in 2002 were provided on terms no less favorable to us than provided generally to other customers of Morgan Stanley and its affiliates. Mr. Leigh J. Abramson, a director of the Company, is a Managing Director of Morgan Stanley.

In 2002, Landstar provided transportation services to our subsidiaries. We expect that Landstar will continue to provide transportation services to our subsidiaries in 2003. We believe that these transportation services were provided on terms no less favorable to us than provided generally to Landstar's other customers. We paid Landstar approximately \$0.4 million in 2002 for such transportation services. Mr. Jeffrey C. Crowe, a Director of the Company, is the Chairman of the Board, President and Chief Executive Officer of Landstar.

### Pension Plans

The Company has established pension plans covering substantially all salaried employees. These pension plans are defined benefit plans intended to be qualified pension plans under Section 401(a) of the Internal Revenue Code of 1986, as amended, or the Code, under which pension costs are determined annually on an actuarial basis with contributions made accordingly.

The table below illustrates the estimated annual normal retirement benefits that are payable under the pension plan, or the Containers Pension Plan, covering salaried employees of Silgan Holdings (with the exception of Messrs. Silver, Horrigan and Allott) and salaried employees of Silgan Containers (also taking into account benefits payable under the Containers Supplemental Plan described below). The benefit levels assume retirement at age 65, the years of service shown, continued existence of the Containers Pension Plan without substantial change and payment in the form of a single life annuity.

**Containers Pension Plan Table**

Final Average Earnings	Years of Service					
	10	15	20	25	30	35
\$100,000	\$13,260	\$ 21,270	\$ 29,270	\$ 37,280	\$ 45,290	\$ 53,290

400,000	57,510	91,770	126,020	160,280	194,540	228,790
450,000	64,890	103,520	142,150	180,780	219,410	258,040

Benefits under the Containers Pension Plan are based on the participant's average base pay (the Salary column in the Summary Compensation Table) over the final three years of employment. The amount of average base pay taken into account for any year is limited by Section 401(a)(17) of the Code, which imposes a cap of \$200,000 (to be indexed for inflation) on compensation taken into account for 2002 and later years. Benefits under the Containers Pension Plan are not subject to any deduction for social security or other offset amounts.

As of December 31, 2002, Messrs. Beam and Hughes, the only Named Executive Officers who are eligible participants under the Containers Pension Plan, had fifteen and twelve years of credited service, respectively, under the Containers Pension Plan. Messrs. Beam and Hughes also participate in the Containers Supplemental Plan, which is designed, among other things, to make up for benefits not payable under the Containers Pension Plan due to Code limitations. Amounts contributed by Silgan Containers for Messrs. Beam and Hughes under the Containers Supplemental Plan are included in the All Other Compensation column of the Summary Compensation Table.

The table below illustrates the estimated annual normal retirement benefits that are payable under the pension plan, or the Plastics Pension Plan, covering substantially all of the salaried employees of Silgan Plastics (also taking into account benefits payable under the Plastics Supplemental Plan described below). The benefit levels assume retirement age at 65, the years of service shown, continued existence of the Plastics Pension Plan without substantial change and payment in the form of a single life annuity.

**Plastics Pension Plan Table**

Final Average Earnings	Years of Service					
	10	15	20	25	30	35
\$100,000	\$11,000	\$16,500	\$22,000	\$ 27,500	\$ 33,000	\$ 38,500
150,000	16,500	24,750	33,000	41,250	49,500	57,750
200,000	22,000	33,000	44,000	55,000	66,000	77,000
250,000	27,500	41,250	55,000	68,750	82,500	96,250
300,000	33,000	49,500	66,000	82,500	99,000	115,500
350,000	38,500	57,750	77,000	96,250	115,500	134,750
400,000	44,000	66,000	88,000	110,000	132,000	154,000
450,000	49,500	74,250	99,000	123,750	148,500	173,250

Benefits under the Plastics Pension Plan are based on the participant's average total cash compensation (the Salary and Bonus columns in the Summary Compensation Table) over the final 36 months of employment or over the highest three of the final five calendar years of employment, whichever produces the greater average compensation. In computing this average, compensation for any year cannot exceed 125% of base pay. Compensation used in determining benefits is also limited by Section 401(a)(17) of the Code, which imposes the cap indicated above.

Benefits under the Plastics Pension Plan are determined based on two methods. Under the first method, the Plastics Pension Plan provides for benefits based on a formula without any offset for social security. Most of Silgan Plastics' officers are eligible participants under the Plastics Pension Plan based on this first method and the above table is based on this first method. Under the second method, benefits under the Plastics Pension Plan are based on one of three formulas, one of which provides for an offset for social security. Additionally, officers of Silgan Plastics are eligible to participate in the Plastics Supplemental Plan, which is designed, among other things, to make up for benefits not payable under the Plastics Pension Plan due to Code limitations.

As of December 31, 2002, Mr. Gervais, the only Named Executive Officer who is an eligible participant under the Plastics Pension Plan, had thirteen years of credited service under the Plastics Pension Plan. Mr. Gervais also participates in the Plastics Supplemental Plan. Amounts contributed by Silgan Plastics for Mr. Gervais under the Plastics Supplemental Plan are included in the All Other Compensation column of the Summary Compensation Table.

### Employment Agreements

James D. Beam, President of Silgan Containers, has entered into an employment agreement with Silgan Containers. The initial term of his employment agreement was three years from its effective date, and the term has been, and will continue to be, automatically extended for successive one year periods unless terminated pursuant to the terms of his employment agreement. Mr. Beam's employment agreement provides

Edgar Filing: SILGAN HOLDINGS INC - Form DEF 14A

for, among other things, a minimum severance benefit equal to his then current base salary and benefits for a period of up to one year following termination if (i) Mr. Beam is terminated by Silgan Containers for any reason other than death, disability or for cause as specified in his employment agreement or (ii) Mr. Beam voluntarily terminates his employment due to a demotion, all as specified in his employment agreement.

Russell F. Gervais, President of Silgan Plastics, has entered into an employment agreement with Silgan Plastics. The initial term of his employment agreement was five years, commencing September 1, 1989, and the term has been, and will continue to be, automatically extended for successive one year periods unless terminated pursuant to the terms of his employment agreement. Mr. Gervais' employment agreement provides for, among other things, a severance benefit equal to his then current base salary and benefits for a period of one year following termination if (i) Mr. Gervais is terminated by Silgan Plastics for any reason other than death, disability or for cause as specified in his employment agreement or (ii) Mr. Gervais voluntarily terminates his employment due to a demotion, all as specified in his employment agreement.

## REPORT ON EXECUTIVE COMPENSATION

### General

The goals of the Company's executive compensation program are as follows: (i) to attract and retain executives and to provide fair compensation to them taking into account the responsibilities undertaken by them; (ii) to motivate the Company's executives to achieve the Company's business strategy; and (iii) to align the interests of the Company's executives and stockholders through the granting of options under the Stock Option Plan. The principal components of the Company's executive officer compensation program are base salary, annual cash bonuses and stock options. Certain of the Company's executive officers also receive additional forms of compensation as described in the Summary Compensation Table of this Proxy Statement and footnote (c) to the Summary Compensation Table and in the section in this Proxy Statement titled "Executive Compensation - Pension Plans."

For 2002, the Compensation Committee approved the compensation of executive officers of the Company, including all Named Executive Officers but excluding executive officers compensated by S&H. The compensation of officers of the Company's subsidiaries who are not Named Executive Officers is determined by the board of directors of Silgan Containers or Silgan Plastics, as the case may be, which boards of directors are comprised of Messrs. Silver and Horrigan.

### Compensation of Co-Chief Executive Officers and Certain Other Executive Officers

In 2002, 2001 and 2000, Messrs. Silver, Horrigan and Rankin received no direct compensation from the Company or its subsidiaries, except that Mr. Rankin received stock options from the Company under the Stock Option Plan. They were compensated by S&H, which is paid by the Company for management services provided by it to the Company pursuant to the Management Agreements. The amounts paid by the Company to S&H under the Management Agreements are based upon fixed financial formulas related to the Company's operating results. Unless the Management Agreements are terminated as described below, the term of the Management Agreements currently continues through June 30, 2004, and Messrs. Silver and Horrigan, as well as Mr. Allott, will be compensated in 2003 by S&H rather than the Company. The Management Agreements are automatically renewed for successive one year terms unless either party gives written notice at least 180 days prior to the end of the then current term of its election not to renew. The Compensation Committee of the Board of Directors of the Company determines on behalf of the Company and its subsidiaries whether to give such written notice not to renew such term. You should also read the section in this Proxy Statement titled "Certain Relationships and Related Transactions - Management Agreements."

Beginning in 2003, subject to approval by the stockholders of the Company at the Meeting of the Senior Executive Performance Plan, Messrs. Silver and Horrigan will become employees of the Company. The Compensation Committee has approved salaries for each of Messrs. Silver and Horrigan for 2003 of \$750,000, which salaries will be increased annually by 3%. The Compensation Committee has also approved the Senior Executive Performance Plan for each of Messrs. Silver and Horrigan, subject to approval by the stockholders of

the Company. If the Senior Executive Performance Plan is approved by the stockholders of the Company at the Meeting, then the parties to the Management Agreements have agreed to terminate the Management Agreements effective January 1, 2003. In such case, Messrs. Silver and Horrigan would become employees of the Company effective January 1, 2003, and neither the Company nor its subsidiaries would make any payments in 2003 under the Management Agreements. If the Senior Executive Performance Plan is not approved by the stockholders of the Company at the Meeting, then the Management Agreements will continue in effect in accordance with their terms. In such case, Messrs. Silver and Horrigan would not become employees of the Company, and they would not receive any direct compensation from the Company or its subsidiaries. Instead, Messrs. Silver and Horrigan would continue to be compensated by S&H.

### **Base Salary**

Base salaries for the Company's executive officers (other than for those compensated by S&H) are determined, in part, through general geographic market conditions and comparisons with companies in the packaging industry and other companies with which the Company competes for personnel. Additionally, other factors are considered such as individual experience and performance and the overall performance of the Company. Each executive's base salary is reviewed on an annual basis and may be adjusted, consistent with the terms of any applicable employment agreement, based on (i) the individual's contribution to the Company over the preceding year; (ii) a change in the individual's responsibilities over the preceding year; (iii) any change in median competitive pay levels; or (iv) a general increase in the cost of living.

### **Annual Cash Bonuses**

Annual cash bonuses are paid to certain executive officers of the Company and to officers of the Company's business units based upon the Company or such business unit, as the case may be, achieving certain assigned financial targets and, in some cases, meeting certain organizational goals. The financial target levels and, if applicable, organizational goals of each of the Company and its business units for a given year are established at the beginning of such year as part of the operating budgets of the Company and its subsidiaries, which operating budgets are approved by the boards of directors of the Company and its subsidiaries. The amount of the bonus of each such officer is determined by a formula which calculates such bonus based on the percentage that the actual applicable financial target represents of the applicable financial target level and, if applicable, based on whether such organizational goal was met. In the case of officers of Silgan Containers, a portion of their annual cash bonuses for 2002 was payable to them if Silgan Containers met certain organizational goals as established by its board of directors at the beginning of the year, including quarterly forecasting of certain financial information, cost management and working capital management goals. For 2003, a significant portion of the annual cash bonuses for officers of Silgan Containers will be payable to them if Silgan Containers meets certain organizational goals as established by the board of directors of Silgan Containers at the beginning of the year, such as quarterly forecasting of certain financial information, cost management, working capital management, management development, market related and safety goals. Annual cash bonuses are paid in the beginning of the year following the year in which they are earned.

Beginning in 2003, subject to the approval by stockholders of the Company at the Meeting of the Senior Executive Performance Plan, Messrs. Silver and Horrigan will be eligible to receive cash bonuses under the Senior Executive Performance Plan based on targets established by the Compensation Committee. The Compensation Committee has established a target, based on the Company's earnings before interest expense, provision for income taxes, depreciation and amortization expenses for 2002, to determine cash bonuses for 2003 under the Senior Executive Performance Plan for Messrs. Silver and Horrigan. If Messrs. Silver and Horrigan receive the maximum cash bonus payable in 2003 under the Senior Executive Performance Plan, then their total compensation for 2003, including their salaries, would be 3% higher than their total compensation for 2002. You should read the section in this Proxy Statement titled "Adoption of the Silgan Holdings Inc. Senior Executive Performance Plan" for a description of the material terms of the Senior Executive Performance Plan.

### **Stock Option Plan**

The Stock Option Committee of the Board of Directors administers the Stock Option Plan and recommends to the Compensation Committee officers and key employees of the Company and its subsidiaries to whom stock options should be granted. The Compensation Committee has the power to, among other things, choose participants and fix the type of grant of stock options and all the terms and conditions of such grants, including the number of shares of Common Stock covered by a grant and the exercise price, in accordance with the provisions of the Stock Option Plan. The Stock Option Plan forms the basis of the Company's long-term incentive compensation plan. The Compensation Committee believes that placing a portion of compensation in the form of stock options achieves certain objectives: it aligns the interest of the Company's executive officers and key employees directly with those of the Company's stockholders; it gives executive officers and key employees a significant long-term interest in the Company's success; and it helps the Company retain executive officers and key employees. In determining to whom stock options shall be granted, the terms of the stock options and the number of stock options to grant to an executive officer or key employee, the Compensation Committee primarily considers past performance and the prospective value of the stock options to be granted as a performance incentive. Stock options were granted to seven executive officers and key employees of the Company and its subsidiaries under the Stock Option Plan in 2002 with respect to 145,440 underlying shares of Common Stock. No stock options were granted in 2002 to any of the Named Executive Officers listed in the Summary Compensation Table.

### **Tax Deductibility**

Section 162(m) of the Code disallows a federal income tax deduction to any publicly held corporation for compensation paid in excess of \$1 million in any taxable year to an individual who is the chief executive officer or any of the four most highly compensated executive officers (other than the chief executive officer) employed by such corporation (or a member of its affiliated group) on the last day of such taxable year, but does allow a deduction for performance-based compensation in excess of \$1 million the material terms of which are disclosed to and approved by stockholders. The Company's intention is to maximize the tax deductibility of its compensation programs. However, because the Company believes that the use of prudent judgment in determining compensation levels is in the best interests of the Company and its stockholders, under some circumstances it may determine to pay amounts of compensation that may not be fully deductible. The Company reserves the right to use prudent judgment in establishing compensation policies to attract and retain qualified executives to manage the Company and to reward such executives for outstanding performance, while taking into consideration the financial impact of such actions on the Company.

**ADOPTION OF THE SILGAN HOLDINGS INC.**

**SENIOR EXECUTIVE PERFORMANCE PLAN**

You are being asked to approve the adoption of the Silgan Holdings Inc. Senior Executive Performance Plan. This plan was adopted by the Board of Directors and the Compensation Committee of the Board of Directors on February 27, 2003, subject to stockholder approval, and is intended to attract and retain certain senior executives and motivate these senior executives to promote the profitability and growth of the Company. The plan provides for payments of annual cash bonuses to these senior executives based on the attainment of pre-established performance goals for each fiscal year, beginning with the Company's 2003 fiscal year. The purpose of the plan is not to increase the compensation payable to these senior executives, but rather to maximize the deductibility for tax purposes of compensation payable to these senior executives.

A copy of the Senior Executive Performance Plan is set forth in Exhibit A to this Proxy Statement.

Stockholder approval of the Senior Executive Performance Plan is required under Internal Revenue Service regulations in order to preserve the Company's federal income tax deduction of payments made under the plan to these senior executives. Stockholder approval requires the favorable vote of a majority of shares of our Common Stock present in person or by proxy at the Meeting.

**Purpose of the Proposal**

Section 162(m) of the Code sets limits on the Company's federal income tax deduction for compensation paid in a taxable year to an individual who, on the last day of the taxable year, was (i) the Chief Executive Officer of the Company or (ii) among the four other most highly compensated executive officers of the Company whose compensation is reported in the Summary Compensation Table. Qualified performance-based compensation, which can include cash bonuses payable upon attainment of pre-established performance goals, is not subject to this tax deduction limit if certain conditions are met. One of the conditions is stockholder approval of the material terms of the performance goals under which the compensation will be paid. If stockholders approve the adoption of the Senior Executive Performance Plan at the Meeting, including the material terms of the performance goals described in the plan, then Messrs. Silver and Horrigan will become employees of and be compensated by the Company effective January 1, 2003 and compensation payable to them should be deductible for tax purposes. In such event, the Management Agreements will be terminated effective January 1, 2003, and neither the Company nor its subsidiaries will make any payment in 2003 under the Management Agreements.

If stockholders do not approve the adoption of the Senior Executive Performance Plan at the Meeting, then the plan will not be implemented. In such event, Messrs. Silver and Horrigan would not become employees of the Company and would receive no direct compensation from the Company. Instead, the Management Agreements would continue in effect in accordance with their terms, and Messrs. Silver and Horrigan would continue to be compensated by S&H. Additionally, in accordance with Code Section 162(m) the Company may not be able to deduct for tax purposes all amounts received by Messrs. Silver and Horrigan in connection with the Management Agreements. For a description of the material terms of the Management Agreements, you should read the section in this Proxy Statement titled "Certain Relationships and Related Transactions - Management Agreements."

**Material Terms of the Performance Goals under the Plan**

## Edgar Filing: SILGAN HOLDINGS INC - Form DEF 14A

The material terms of the performance goals used to determine compensation payable under the plan consist of (i) the class of employees eligible to receive these cash bonuses; (ii) the types of business criteria on which the payments of cash bonuses are based; and (iii) the maximum amounts of cash bonuses that can be paid during a specified period to any senior executive under the plan.

*Eligible Class:* Cash bonuses under the plan may only be paid to R. Philip Silver and D. Greg Horrigan, the current Co-Chief Executive Officers of the Company.

*Business Criteria:* To determine whether cash bonuses will be paid under the plan and the amount of such cash bonuses, the Compensation Committee will set performance goals for each fiscal year of the Company, beginning with the 2003 fiscal year. The performance goals will be based on the attainment by the Company of specified levels of various measures, which shall include one or more of the following: (i) net income; (ii) earnings per share; (iii) income from operations; (iv) earnings before interest expense and provision for income taxes (EBIT); (v) earnings before interest expense, provision for income taxes, depreciation and amortization expenses (EBITDA); (vi) economic value added; (vii) return on net assets; (viii) return on total assets; (ix) free cash flow from operations; (x) return on invested capital; (xi) return on stockholders' equity; (xii) expense reduction; (xiii) working capital; (xiv) total shareholder return; and (xv) stock price performance of the Company's Common Stock.

The Compensation Committee may elect to exclude in measuring performance under any of these business criteria (i) unusual gains and unusual losses, (ii) the amount of all charges and expenses incurred or income earned in connection with any refinancing, restructuring, rationalization, recapitalization or reorganization involving the Company and its subsidiaries, (iii) the cumulative effects of accounting changes, (iv) discontinued operations, and (v) businesses, units, divisions, subsidiaries or other entities sold or acquired.

*Maximum Amounts:* For the fiscal year beginning January 1, 2003, the maximum cash bonus payable to each senior executive under the plan is \$1,621,060. Accordingly, if Messrs. Silver and Horrigan receive the maximum cash bonus payable in 2003 under the Senior Executive Performance Plan, then their total compensation for 2003, including their salaries, would be 3% higher than their total compensation for 2002. For each fiscal year thereafter, the maximum cash bonus shall be 103% of maximum cash bonus for the immediately preceding fiscal year.

#### **Other Features of the Senior Executive Performance Plan**

The plan is administered by the Compensation Committee, which is comprised solely of outside directors meeting the requirements of the regulations under Code Section 162(m). Not later than 90 days after the beginning of each fiscal year, the Compensation Committee will establish in writing the business criteria that will be used to measure performance for such fiscal year, the specific target levels of performance required to achieve payment of cash bonuses and the method by which achievement of those targets will be measured. Following the end of each fiscal year, the Compensation Committee will certify in writing the extent to which those targets have been attained, and, if the targets have been attained, cash bonuses will be paid as soon as practicable after the Compensation Committee makes its written certification. Participants can elect to defer payment of cash bonuses payable under the plan.

The Compensation Committee has full authority to interpret the plan, establish rules and regulations relating to the operation of the plan, determine the amount of any cash bonuses under the plan and make all determinations and take all other actions necessary or appropriate for the proper administration of the plan.

The plan may be terminated, amended or modified at any time by the unanimous vote of the members of the Compensation Committee. No amendment requiring stockholder approval under Code Section 162(m) or the Securities Exchange Act of 1934, as amended, or the Exchange Act, will be implemented without such approval, and no amendment adversely affecting a person's rights to cash bonuses previously granted under the plan can be implemented without the agreement of such person. Termination of the plan cannot adversely affect a person's rights to deferred amounts previously awarded under the plan. In the event that a person has deferred payment of any cash bonuses previously awarded under the plan, the Compensation Committee can accelerate the payment of deferred amounts upon termination of the plan.
