**Item 5. Other Events and Required FD Disclosure.**

On April 24, 2003, the Company replaced its existing credit facility with a new facility from an asset based lender. The new credit agreement provides for a revolving line of credit in an amount of up to \$20.0 million, including a \$5.0 million sublimit for the issuance of letters of credit, with a maturity date of April 18, 2006. Borrowing availability is determined based upon the value of qualifying eligible inventory. The lender holds a security interest in all of the assets of the Company's operating subsidiary, Shoe Pavilion Corporation, including its inventory, equipment and general intangibles. The Company has guaranteed the obligations of the subsidiary to the lender and has pledged to the lender all of the capital stock of its subsidiary as security for its guarantee. The agreement places limitations on the power of the operating subsidiary to make distributions of cash or other property (other than Common Stock) to the Company.
