SOLICITATION AND REVOCATION OF PROXIES

The accompanying proxy, being mailed to shareholders on or about November 26, 2003, is solicited by the Board of Directors of Vail Resorts, Inc. (the Company) for use at the Annual Meeting of Shareholders (the Meeting) to be held on Thursday, January 8, 2004. In case the Meeting is adjourned, the proxy will be used at any adjournments thereof. If a proxy is received before the Meeting, the shares represented by it will be voted unless the proxy is revoked by written notice to the Secretary of the Company prior to the Meeting or by voting in person by ballot at the Meeting. If matters other than those specifically set forth in the accompanying Notice of Annual Meeting are presented at the Meeting for action, which is not currently anticipated, the proxy holders will vote the proxies in accordance with their best judgment.

Holders of record of Common Stock and Class A Common Stock of the Company as of the close of business on November 12, 2003 will be entitled to vote at the Meeting. On such date there were outstanding and entitled to vote 27,835,042 shares of Common Stock of the Company and 7,439,834 shares of Class A Common Stock of the Company, each of which is entitled to one vote with respect to each matter to be voted on at the Meeting. Pursuant to the Company's Restated Certificate of Incorporation (the Charter), Class 1 directors of the Company are elected by a majority vote of the holders of Class A Common Stock and Class 2 directors are elected by a majority vote of the holders of Common Stock. All other items to be voted on at the Meeting require the affirmative vote of the holders of a majority of the shares of Common Stock and Class A Common Stock taken together represented in person or by proxy and entitled to vote on the item for approval. The presence at the Meeting in person or by proxy of the holders of a majority of the outstanding shares of Common Stock and Class A Common Stock entitled to vote shall constitute a quorum for the transaction of business. Abstentions (including proxies containing broker non-votes) on any matter to be acted upon by shareholders will be treated as present at the meeting for purposes of determining a quorum but will not be counted as votes cast on such matters and will have the effect of a negative vote.

The cost of soliciting proxies in the form enclosed will be borne by the Company. PROPOSAL 1. ELECTION OF DIRECTORS

The Charter and the bylaws of the Company provide that two-thirds of the Board of Directors of the Company shall be comprised of Class 1 directors and one-third shall be comprised of Class 2 directors, with each director serving a one-year term. Pursuant to the Company's Charter, Class 1 directors will be elected by the affirmative vote of a majority of the shares of Class A Common Stock and Class 2 directors will be elected by the affirmative vote of a majority of the shares of Common Stock. Apollo Ski Partners, L.P. (Apollo Ski Partners) owns substantially all of the Class A Common Stock of the Company and, consequently, Apollo Ski Partners has the ability to elect all of the Class 1 directors. Historically, the nominees for Class 1 directors have been selected by Apollo Ski Partners and many of such directors have been affiliated with Apollo Ski Partners. The New York Stock Exchange has recently adopted new Corporate Governance Rules that will be effective for the Company on October 31, 2004. These new rules require, among other things, that (i) the Board of Directors consist of a majority of independent directors, (ii) the Compensation Committee must be comprised solely of independent directors, (iii) the Company must have a Nominating/Corporate Governance Committee comprised solely of independent directors and (iv) the Audit Committee must be comprised of at least three directors, whom must all meet heightened independence standards. The Company intends to be in compliance with all these requirements before they are in effect in October 2004. In order to assist the Company in complying with the new rules of the New York Stock Exchange regarding director independence, Apollo Ski Partners has agreed that the Class 1 directors may include as many independent directors as necessary so that the Company can comply with the new New York Stock Exchange independence rules when those rules go into effect and consequently any Class 1 directors that are independent will not be affiliated with Apollo Ski Partners.

At the Meeting, five Class 1 directors will be elected by the Class A Common Stockholders and seven Class 2 directors will be elected by the Common Stockholders. Apollo Ski Partners, as holder of substantially all of the Class A Common Stock has agreed that the ratio of Class 1 directors to Class 2 directors can be less than the two-thirds/one-third representation, but Apollo Ski Partners has reserved the right to ask the Company in the future to re-allocate the Board of Directors such that the respective two-thirds and one-third representation is preserved.

The persons named as proxies in the accompanying proxy, who have been designated by the Board of Directors, intend to vote, unless otherwise instructed in such proxy, FOR the election of Messrs. Hauge, Hernandez, Katz, Mack and Rowan as Class 1 directors and FOR the election of Messrs. Aron, Biondi, Lee, Micheletto, Sorte, Stiritz and Tisch as Class 2 directors.

BOARD OF DIRECTORS MEETINGS, COMMITTEES AND FEES

The Board of Directors of the Company held a total of four meetings during the fiscal year ended July 31, 2003 (Fiscal 2003). The Board of Directors has an Executive Committee, an Audit Committee and a Compensation Committee. The Board of Directors does not have a nominating committee at the present time.

The New York Stock Exchange has recently adopted new Corporate Governance Rules that will be effective for the Company on October 31, 2004. These new rules require, among other things, that (i) the Board of Directors consist of a majority of independent directors, (ii) the Compensation Committee must be comprised solely of independent directors, (iii) the Company must have a Nominating/Corporate Governance Committee comprised solely of independent directors and (iv) the Audit Committee must be comprised of at least three directors, whom must all meet heightened independence standards. The Company intends to be in compliance with all these requirements before they are in effect in October 2004.

The Executive Committee has all powers and rights necessary to exercise the full authority of the Board of Directors in the management of the business and affairs of the Company. The members of the Executive Committee for Fiscal 2003 were Messrs. Aron, Katz and Rowan. Mr. Katz has been designated by the Board of Directors as Lead Director of the Company. The Lead Director helps the Chairman of the Board develop the agenda for Board meetings and reviews the Board's governance procedures and policies. The Lead Director also chairs meetings of non-management directors, and is elected by the Board of Directors annually. The Executive Committee regularly meets to discuss Company issues and had eight official meetings during Fiscal 2003, including actions taken by unanimous written consent and telephonic meetings.

The Audit Committee is primarily concerned with the effectiveness of the Company's independent auditors, accounting policies and practices, financial reporting and internal controls. The Audit Committee acts pursuant to its Charter, a copy of which is attached to this Proxy Statement as Appendix A. The Audit Committee is authorized, among other things, to (i) appoint, retain, compensate, evaluate and terminate, as appropriate, the Company's independent auditors, (ii) approve all audit engagement fees and terms, as well as all significant non-audit engagements with the independent auditors, (iii) discuss with management and the independent auditors the Company's annual audited financial statements and quarterly financial statements and (iv) review reports by the independent auditor describing the Company's internal quality control procedures and all relationships between the Company and the independent auditor. The members of the Audit Committee for Fiscal 2003 were Messrs. Hauge, Hernandez and Micheletto, with Mr. Micheletto serving as Chairman of the Committee. The Board of Directors has determined that Mr. Micheletto is a financial expert as defined in the federal securities laws. All members of the Audit Committee are independent as defined by the Corporate Governance Rules of the New York Stock Exchange, as currently in effect. The Audit Committee held five meetings, including meetings by telephone, during Fiscal 2003.

The Compensation Committee is authorized and directed to (i) review and approve the compensation and benefits of the executive officers, (ii) review and advise management regarding the benefits, including bonuses, and other terms and conditions of employment of other employees, (iii) review and approve the Company's annual compensation plans, (iv) review management organization and development as it relates to compensation and (v) administer any stock option plans which may be adopted and the granting of options under such plans. The members of the Compensation Committee for Fiscal 2003 were Messrs. Biondi, Lee, Tisch and Katz, with Mr. Katz serving as Chairman of the Committee. The Compensation Committee had four meetings, including actions taken by unanimous consent, in Fiscal 2003. Matters that relate to the administration of the Company's 1999 Long Term Incentive and Share Award Plan, the Company's 2002 Long Term Incentive and Share Award Plan or otherwise to the grant of options to purchase the Company's stock or any performance-based executive compensation to the Company's executives are considered and acted upon by a subcommittee of the Compensation Committee which consists of non-employee directors, within the meaning of Rule 16b-3 promulgated under the Securities and Exchange Act of 1934, and outside directors, within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended. Members of the subcommittee of the Compensation Committee include Messrs. Biondi, Lee and Tisch.

During Fiscal 2003 all of the directors of the Company attended 75% or more of the meetings of the Board of Directors and of committees of the Board of Directors on which they served either in person or telephonically.

Non-employee directors receive an annual retainer of \$25,000 and meeting fees of \$1,000 for each Board or committee meeting attended (either in person or telephonically). Effective August 1, 2003, the Chairman of the Audit Committee receives an additional \$25,000 per year, each other Audit Committee member receives an additional \$15,000 per year and each member receives \$2,000 per Audit Committee meeting. Directors are also reimbursed for their reasonable travel expenses. The Company provides its directors with stock options as well as certain skiing, golf and lodging privileges. The Company pays a management fee of \$500,000 per year to Apollo Advisors. Messrs. Katz, Mack and Rowan are associated with Apollo Advisors and are currently directors of the Company.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires the Company's officers and directors and persons who own more than ten percent of a registered class of the Company's equity securities to file initial reports of ownership and changes in ownership with the Securities and Exchange Commission (SEC) and the New York Stock Exchange. Such officers, directors and shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely on a review of the copies of such forms furnished to the Company, the Company believes that all persons subject to the reporting requirements of Section 16(a) filed the required reports on a timely basis for Fiscal 2003.

CERTAIN RELATIONSHIPS AND OTHER TRANSACTIONS

Messrs. Aron, Donohue and Mace are party to agreements with the Company, as described in Employment Agreements.

The Company pays a fee of \$500,000 per year to Apollo Advisors for management services and expenses related thereto. This fee has been incurred each year since 1993 and is paid partly in cash and partly in services rendered by the Company to Apollo Advisors and its affiliates. In fiscal 2003 and 2002, the total amount of cash and services provided exceeded the management fee, and as such the Company's balance sheets reflected net receivables from Apollo Advisors of \$4,000 and \$136,000 as of July 31, 2003 and 2002, respectively. This arrangement was approved by the Board of Directors of the Company in March 1993.

In 1995, Mr. Thompson and his spouse received financial terms more favorable than those available to the general public in connection with their purchase of a homesite at Bachelor Gulch Village. Rather than payment of an earnest money deposit with the entire balance due in cash at closing, the contract provided for no earnest money deposit with the entire purchase price (which was below fair market value) to be paid under a promissory note of \$350,000. In 1999, the note agreement was amended to provide that the note, which continues to accrue interest at a rate of 8% per annum, will be payable in full in the form of one lump sum payment. The lump sum payment is due on the earlier of (i) the date the property is sold, (ii) two years from the date Mr. Thompson's employment with the Company is terminated for any reason, or (iii) September 1, 2009.

In connection with Mr. Thompson's employment, the Company agreed to provide Mr. Thompson a one-time cash bonus of \$600,000, to vest on July 1, 2003, provided that Mr. Thompson is still employed by the Company on that date, for the purchase of a selected lot in the Red Sky Ranch golf community with a purchase price of \$600,000. The Company also agreed to provide Mr. Thompson a membership in the Red Sky Ranch golf club in connection with such lot purchase. The Company provided Mr. Thompson such one-time bonus on October 29, 2003 and Mr. Thompson took title to the property and the related membership on October 29, 2003. Based on the average of several appraisals, the Company

estimates that the fair market value of the lot at the time of purchase was \$716,000.

In order to facilitate the Company's requirement that Mr. Jensen reside in the Town of Vail in connection with his appointment as the Chief Operating Officer of Vail Mountain, the Company entered into an agreement with Mr. Jensen in 1999 to invest in the purchase of a primary residence for Mr. and Mrs. Jensen in Vail, Colorado. The Company contributed \$1,000,000 toward the purchase price of the residence and thereby obtained an approximate 49% undivided ownership interest in such residence. The Company is entitled to receive its proportionate share of the resale price of the residence, less certain deductions, upon the resale of the residence or within approximately eighteen (18) months after Mr. Jensen's termination of employment from the Company, whichever occurs first.

In connection with the employment of Roger D. McCarthy as Senior Vice President and Chief Operating Officer for Breckenridge, the Company agreed to invest up to \$400,000, but not to exceed 50% of the purchase price, for the purchase of a primary residence for Mr. McCarthy and his family in Breckenridge, Colorado. The Company contributed \$400,000 toward the purchase price of the residence and thereby obtained an approximate 41% undivided ownership interest in such residence. The Company is entitled to receive its proportionate share of the resale price of the residence, less certain deductions, upon the resale of the residence or within approximately eighteen (18) months after Mr. McCarthy's termination of employment from the Company, whichever occurs first.

In connection with the employment of Blaise Carrig as Chief Operating Officer of Heavenly Ski Resort, Heavenly Valley Limited Partnership (Heavenly LP) agreed to invest up to \$600,000, but not to exceed 50% of the purchase price, for the purchase of a residence for Mr. Carrig and his family in the greater Lake Tahoe area of California. The Company contributed \$449,500 toward the purchase price of the residence and thereby obtained an approximate 50% undivided ownership interest in such residence. Upon the resale of the residence, or within approximately eighteen (18) months of the termination of Mr. Carrig's employment with Heavenly LP, whichever is earlier, Heavenly LP is entitled to receive its proportionate share of the resale price of the residence, less certain deductions.

In connection with the employment of Jeffrey W. Jones as Chief Financial Officer of Vail Resorts Development Company (VRDC), the Company agreed to invest up to \$650,000, but not to exceed 50% of the purchase price, for the purchase of a residence for Mr. Jones and his family in Eagle County, Colorado. The Company contributed \$650,000 toward the purchase price of the residence and thereby obtained an approximate 46.1% undivided ownership interest in such residence. Upon the resale of the residence, or within approximately eighteen (18) months of the termination of Mr. Jones' employment with the Company, whichever is earlier, the Company is entitled to receive its proportionate share of the resale price of the residence, less certain deductions.

In February 2003, Marc J. Rowan, a director of the Company and a founding principal of Apollo Advisors, and Michael Gross (also a founding principal of Apollo Advisors), each purchased a homesite at Bachelor Gulch Village. The purchases occurred pursuant to the September 1999 contracts between the Company and the purchasers, as previously disclosed in the Company's annual proxy statements since 1999. The purchase price for each site was \$378,000, which the Company believed at the time to be the approximate fair market value of the sites at the time of the original contracts, less a credit of \$132,300 for certain infrastructure costs, such as architectural plans, necessary to develop the sites. The Company determined the sales price at the time of discussions with Mr. Rowan about a possible purchase more than a year prior to the September 1999 execution of the contracts based on a formula used by the Company's real estate subsidiary for establishing the base land price of a development parcel for multiple homesites under contract at the time to a third party developer, and the assumed square footage of the residence expected to be built on the sites as indicated by Messrs. Rowan and Gross. Also, as previously stated in the Company's proxy statements, the contracts were amended to extend the original closing dates on each property from January 2001 to January 2003. As previously disclosed in the Company's Form 10-Q for the third quarter of 2003, the Company believes that, at the time of the closing of the purchases by Messrs. Rowan and Gross in February 2003, the fair market value of each site was approximately \$1.6-\$1.7 million, based generally on the Company's familiarity with appreciated values of Bachelor Gulch real estate. Additionally, the Company has been advised by Mr. Rowan and Mr. Gross that each has sold or

contracted to sell the properties for approximately that amount. Upon further review of the transactions, the Company has determined that, due to differences between the expected sizes of the residences to be built on the properties contracted to be sold to Mr. Rowan and Mr. Gross, as compared to properties under contract with the third party developer, and in light of the actual sales prices of homesites in excess of the base land prices as sold by the third party developer, the market value of the two sites at the time of execution of the contracts with Mr. Rowan and Mr. Gross should have been approximately \$601,000 each. The infrastructure credit corresponded to an estimate by the Company's real estate subsidiary of the amount the Company would have had to spend on infrastructure had the properties been sold to the third party developer. Mr. Rowan and Mr. Gross have each agreed to make a supplemental payment of \$223,000 (reflecting the difference between \$601,000 and the stated purchase price), an additional payment equal to the amount of the infrastructure credit and any additional amounts that the Company paid for infrastructure in connection with the lots, plus interest on these amounts from the date of closing of the properties to receipt of the payments.

Ralcorp, Apollo Ski Partners and the Company are parties to a Shareholder Agreement, dated January 3, 1997 and amended as of November 1, 1999 (the "Shareholder Agreement"), pursuant to which they have agreed to cause the Board of Directors of the Company to consist of no more than twenty directors, with Ralcorp having the ability to nominate two directors for so long as it owns at least ten percent of the Company's outstanding voting securities. Messrs. Micheletto and Stirtz presently are Ralcorp's two nominees for directors. Pursuant to the Shareholder Agreement, Apollo Ski Partners has agreed to vote in favor of the election of the two directors nominated by Ralcorp.

The Shareholder Agreement subjects Ralcorp to a voting agreement with respect to actions taken by the Company's Board of Directors. Among other things, Ralcorp agrees to vote (i) for all the nominees recommended by the Board of Directors, (ii) in accordance with the Board of Directors on all shareholder proposals and (iii) in the same proportion as all other shareholders (*i.e.*, for, against and abstain) on all other matters, except that Ralcorp has full discretion on extraordinary events such as mergers or consolidations, sales of assets, creation of new stock with voting rights and changes in the Company's Charter or bylaws.

Under the terms of the Shareholder Agreement, Ralcorp has agreed to certain restrictions on the resale of its Common Stock. Ralcorp has agreed not to transfer or sell its shares of Common Stock without the prior approval of a majority of the Board of Directors, other than (i) to affiliates or Ralcorp stockholders, or (ii) pursuant to a demand or piggyback registration as allowed under the Shareholder Agreement or (iii) to a transferee, provided the transferee will not own more than ten percent of the outstanding voting securities of the Company and agrees to be bound by the Shareholder Agreement.

The Shareholder Agreement will terminate (i) upon agreement of each of Apollo Ski Partners and Ralcorp; (ii) upon the dissolution of the Company or a sale of substantially all of its assets; or (iii) when either Apollo Ski Partners or Ralcorp owns less than ten percent of the Company's outstanding voting securities. Pursuant to the Shareholder Agreement, the Company has granted to each of Apollo Ski Partners and Ralcorp certain demand and piggyback registration rights with respect to the Common Stock owned by them.

The Company and BAMCO, Inc. ("BAMCO"), an affiliate of Ronald Baron, the Company's largest shareholder, have entered into a Standstill and Registration Rights Agreement. Pursuant to such agreement, the Company has granted BAMCO certain registration rights in connection with unregistered shares of the Company held by BAMCO and BAMCO has agreed not to acquire additional shares of Common Stock of the Company other than as a result of (i) a stock split, stock dividend or similar recapitalization or (ii) the purchase of an additional 445,350 shares of Common Stock provided that the aggregate number of shares of Common Stock of the Company beneficially owned by BAMCO and its affiliates does not exceed 12,034,200 shares (as adjusted for any stock split, stock dividend or recapitalization) at any time.

- (2) The Value of Unexercised In-the-Money Options at July 31, 2003 was calculated by determining the difference between the closing price on the New York Stock Exchange of the underlying Common Stock at July 31, 2003 of \$13.52 per share and the exercise price of the option. An option is In-the-Money when the fair market value of the underlying Common Stock exceeds the exercise price of the option.

EMPLOYMENT AGREEMENTS

The Company has an employment agreement, as amended from time to time, with Adam M. Aron (the "Employment Agreement"), pursuant to which Mr. Aron serves as the Chief Executive Officer of the Company. Pursuant to the employment agreement, the initial term of Mr. Aron's employment was July 29, 1996 through September 30, 1999, with automatic renewals thereafter in two-year terms, subject to notice of termination by either Mr. Aron or the Company. The Employment Agreement provides additional incentives to Mr. Aron provided he remains in the employ of the Company through the Vesting Date, as that term is defined in the Employment Agreement. The Vesting Date was August 3, 2003. Pursuant to the Employment Agreement, Mr. Aron's minimum base salary is \$675,000 per year, subject to annual increases, as determined by the Compensation Committee of the Board of Directors. Mr. Aron is, and has been since October 1, 1997, eligible to participate in the Company's bonus plan. Under the terms of the Employment Agreement, Mr. Aron's minimum Target Bonus is 80% of his then current salary, which minimum Target Bonus shall be paid if the Company's budget is fully achieved.

Pursuant to the Employment Agreement, Mr. Aron was originally granted 37,500 restricted shares of Common Stock and options to purchase 260,000 shares of Common Stock, all of which restricted shares and options have vested. Pursuant to an amendment to the Employment Agreement, Mr. Aron was granted an additional 15,000 shares of restricted stock, all of which have vested. Mr. Aron is subject to a 12-month non-compete clause upon termination. In the event of a change of control of the Company, all of Mr. Aron's rights with respect to the options and the restricted shares of Common Stock will vest immediately if (1) he remains employed with the Company for at least six months after the change of control occurs, or (2) following the change of control, his employment is terminated as a result of death or disability, or is terminated without cause. In addition, in the event of a change of control, Mr. Aron is entitled to receive certain benefits if the Company terminates his employment without cause or if Mr. Aron terminates his employment agreement. Such benefits include payment of Mr. Aron's then current base salary through the date his employment ends and for a twenty-four month period thereafter and a prorated bonus (assuming performance targets are met) for the portion of the year in which the termination occurs. A "change in control" of the Company occurs when a person other than Apollo Ski Partners or its affiliates owns a majority of the Company's outstanding common stock or a majority of the combined voting power of all outstanding voting securities.

The Company provides Mr. Aron a life insurance policy of \$5 million and \$500,000 of annual disability income protection. The Company purchased, for approximately \$1.5 million, a home in the Vail Valley for Mr. Aron's use while employed by the Company (the "Residence"). Under the terms of the Employment Agreement, Mr. Aron is entitled to purchase the Residence from the Company on or after the Vesting Date and, in turn, receive from the Company a one-time bonus in the exact amount owed to the Company for the purchase of the Residence. Likewise, since Mr. Aron remained in the employ of the Company through the Vesting Date, Mr. Aron was entitled to purchase a lot in the Red Sky Ranch golf community for a purchase price of \$600,000 and, in turn, receive a one-time cash bonus from the Company in the amount of \$600,000. Mr. Aron closed the purchase of the Red Sky Ranch lot on August 29, 2003, and the Company paid him such one-time bonus on August 3, 2003. Based on the average of several appraisals, the fair market value of the Red Sky Ranch lot at the time of purchase was \$850,000. The Company agreed to pay all costs (with the exception of any personal income tax liability) associated with the purchase of the Residence and the Red Sky Ranch lot. In addition, under the terms of the Employment Agreement, Mr. Aron is entitled to a full membership in the Red Sky Ranch golf club, with no initiation fee and with no monthly dues payable by Mr. Aron so long as he remains employed by the Company. Under the terms of a Purchase and Sale Agreement, Mr. Aron was entitled to purchase Lot 99 in the Company's Bachelor Gulch development for a purchase price of \$646,750. Under the terms of Mr. Aron's Employment Agreement, since he remained in the employ of the Company through the Vesting Date, Mr. Aron was paid a one-time bonus of \$659,750 on August 3, 2003 for the purchase price of Lot 99 plus certain closing costs. Mr. Aron closed the purchase of Lot 99 on August 29, 2003, and the Company paid him such one-time bonus on August 3, 2003. Based on the average of several appraisals, the fair market value of Lot 99 at the time of purchase was \$2,900,000.

The Company entered into an employment agreement with James P. Donohue effective October 1, 1996 to serve as the Company's Chief Financial Officer. Currently, Mr. Donohue serves as Senior Vice President and Chief Information Officer. The initial term of his employment was three years, with automatic renewals for successive one-year periods thereafter, subject to notice of termination by either Mr. Donohue or the Company. Mr. Donohue's initial base salary was \$300,000 per year, subject to annual increases, as determined by the Compensation Committee of the Board of Directors and the Chief Executive Officer, and Mr. Donohue participates in the Company's bonus plan. In addition, pursuant to such agreement, Mr. Donohue was granted 12,000 restricted shares of Common Stock and options to purchase 60,000 shares of Common Stock, which restricted stock and options have fully vested. Mr. Donohue is subject to a 12-month non-compete clause upon termination. In the event of a change in control, Mr. Donohue is entitled to receive certain benefits if the Company terminates his employment without cause, Mr. Donohue terminates his employment for good reason, or the Company gives notice of non-renewal of his employment agreement. Such benefits include payment of Mr. Donohue's then current base salary through the date his employment ends and for an eighteen-month period thereafter and a prorated bonus (assuming performance targets are met) for the portion of the year in which the termination occurs.

RockResorts International, LLC (RockResorts), a subsidiary of the Company, entered into an employment agreement (the Agreement) with Edward Mace effective October 25, 2001 for a two-year term with automatic renewals for successive one year periods thereafter to engage his services as President of RockResorts. Pursuant to the terms of the Agreement, Mr. Mace's base salary is \$375,000 per year, subject to annual increases by the Chairman of the Board. However, without Mr. Mace's prior written consent, no decreases may be made below the initial amount paid of \$375,000 per year. Mr. Mace participates in the Company's bonus plan.

Pursuant to the Agreement, Mr. Mace was granted the option to buy 100,000 shares of common stock through the Vail Resorts, Inc. 1999 Long Term Incentive and Share Award Plan, which options vest over three (3) years and have an exercise price of \$16.10, and with all such options vesting automatically upon a change of control, as defined in the stock option agreement. Mr. Mace is also permitted to participate in annual option grants. Further, he receives customary health, disability and insurance benefits pursuant to the Agreement and is entitled to a family membership at Beaver Creek and Red Sky Ranch clubs at no cost to him other than incidental personal charges. RockResorts also agreed to pay Mr. Mace his reasonable relocation costs, and paid his commute costs to Denver through March 2002. Mr. Mace is subject to a 1-year covenant not to compete and a permanent covenant to maintain confidentiality with respect to information or trade secrets that Mr. Mace learns in the course of his employment. In addition, Mr. Mace is entitled to certain benefits upon termination of his agreement.

In connection with Mr. Mace's employment agreement, RockResorts agreed to invest up to \$900,000, but not to exceed 50% of the purchase price, for the purchase of a residence for him and his family in Eagle County, Colorado (the Colorado Residence). RockResorts contributed \$900,000 towards the purchase price of the Colorado Residence and thereby obtained an approximate 47% undivided ownership in such residence. Upon the resale of the Colorado Residence, or within approximately eighteen (18) months of the termination of Mr. Mace's employment with RockResorts, whichever is earlier, RockResorts shall be entitled to receive its proportionate share of the resale price of the Colorado Residence, less certain deductions.

Effective October 31, 2002, the Company and Mr. Daly entered into a Separation and Mutual General Release (the Separation Agreement) pursuant to the Employment Agreement between both parties as of October 1, 2000, ending his employment and duties as president of the Company. Pursuant to the Separation Agreement, the Company paid Mr. Daly his full base salary and provided him with certain benefits until October 31, 2003. In consideration of the salary continuation payments, Mr. Daly was subject to a non-compete covenant in the State of Colorado through October 31, 2003.

Pursuant to the terms of the Separation Agreement, Mr. Daly agreed to assist the Company so that his duties could be transferred in an orderly way; to return Company materials; and to not disclose confidential information or trade secrets that he learned during the term of his employment with the Company. Mr. Daly had an outstanding loan in the amount of \$300,000 which he has repaid in full. Mr. Daly's spouse had an outstanding loan in the amount of \$438,750 which has been repaid in full. In addition, the Company provided Mr. Daly with office space through October 31, 2003 and other privileges and benefits to Mr. Daly and his family, such as lifetime skiing privileges, hospitality preferences, and a Red Sky Golf Club membership. The privileges and benefits are subject to certain limitations. The Separation Agreement also contains a mutual release and waiver by both parties for matters pertaining to or arising out of his employment.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

General

The Compensation Committee of the Board of Directors (the Committee) for Fiscal 2003 was comprised of directors, Messrs. Biondi, Lee, Tisch and Katz. The Committee is responsible for establishing and administering the Company's executive compensation programs. Matters relating to the administration of the Company's equity incentive plans or otherwise to the grant of options to purchase the Company's stock or any performance-based executive compensation to the Company's executives are considered and acted upon by a subcommittee of non-employee directors, within the meaning of Rule 16b-3 promulgated under the Securities and Exchange Act of 1934, and outside directors, within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended. The subcommittee of the Compensation Committee for Fiscal 2003 consisted of Messrs. Biondi, Lee, and Tisch.

Compensation Philosophy

The Committee's compensation philosophy is designed to support the Company's primary objective of creating value for shareholders. The Committee believes that the following compensation strategies for the Company's executive officers, including the Chief Executive Officer (the CEO), achieve this objective:

- *Attract and retain talented executives* The Company provides core compensation in the form of base salary and benefit programs that are comparable to those of similarly sized companies in the resort/leisure/hospitality industry. The base salary target is generally based on industry survey results. For higher levels of responsibility, the base salary component is intended to be a diminishing portion of the executive's potential total compensation.
- *Emphasize pay for performance* The Company's stock based plans establish a significant relationship between current Company performance and incentive compensation, on a sliding scale basis, with substantial rewards possible for exceptional results and no reward for poor results.
- *Encourage management stock ownership* The Committee firmly believes that long-term shareholder value will be significantly enhanced by management stock ownership. As a result, the Company's stock option program strongly encourages stock ownership by executive officers.

The Internal Revenue Code imposes a limitation on the deduction for certain executive officers' compensation unless certain requirements are met. The Company and the Committee have carefully considered the impact of these tax laws and have taken certain actions intended to preserve the Company's tax deduction with respect to any affected compensation. However, notwithstanding this general policy, the Committee has authorized, and will continue to retain the authority to authorize, payments that may not be deductible if it believes that they are in the best interests of both the Company and its shareholders. The Compensation Committee will continue to consider on a case-by-case basis whether particular compensation awards and programs that do not satisfy the condition of Section 162(m) outweigh the costs to the Company of the loss of related tax deductions. In Fiscal 2003, the Company recorded compensation expense of approximately \$2.7 million, which is non-deductible by the Company, related to the Company's CEO's and another executive officer's employment agreements.

Base Salary

Edgar Filing: VAIL RESORTS INC - Form DEF 14A

The Company generally establishes base salary ranges by considering compensation levels in similarly sized companies in the resort/leisure/hospitality industry. The base salary targets are generally established based upon industry survey results in light of the Company's strategic goals compared to other publicly owned, growth-oriented companies. The Company's current philosophy is to pay base salaries sufficient to attract and retain executives with a broad, proven track record of performance.

The base salary and performance of each executive officer is reviewed periodically (at least annually) by his or her immediate supervisor (or the Committee, in the case of the CEO) resulting in salary actions as appropriate.

An executive officer's level of responsibility is the primary factor used in determining base salary. Individual performance and industry information are also considered in determining any salary adjustment. The Committee reviews and approves all executive officer salary adjustments as recommended by the CEO. The Committee reviews the performance of the CEO and establishes his base salary.

Bonus Plan

In Fiscal 2003, all Named Executive Officers were eligible for an annual bonus under the Vail Resorts, Inc. annual cash bonus plan approved by the Board. For Fiscal 2003, the performance measure selected by the Committee for cash bonuses was the meeting of certain cash flow targets. In the event the Company's cash flow for Fiscal 2003, as determined on both an aggregate and a divisional basis, met or exceeded certain predetermined target levels, the appropriate divisional executive participating in the plan could receive an incentive award for Fiscal 2003. Such awards are based upon salary level, the Committee's determination of the individual's position and level of responsibility and the Committee's assessment of the individual's impact upon the Company's financial success. The Committee has absolute discretion in reducing or eliminating the amount of an award for any individual included in the plan. The Company paid bonus compensation for Fiscal 2003 to (i) Mr. Mace whose bonus was for the first twelve months of his employment ending in October 2002, pursuant to his employment agreement with the Company and (ii) certain executive officers of Vail Resorts Development Company, the Company's real estate subsidiary, which met its divisional targets. All bonuses received by the Named Executive Officers are reflected in the Summary Compensation Table.

Stock Option and Share Award Program

The Company's existing stock option and long-term incentive and share award plans are designed to align management interests with those of shareholders. In furtherance of this objective, the level of stock option grants and restricted share awards for executive officers is determined by the Committee each year, typically in consultation with the CEO except with respect to the CEO himself. Awards for all employees (including all executive officers) are determined by giving equal consideration to base salary, level of responsibility and industry long-term compensation information. In order to encourage increased Company performance in the future, the Company's stock options vest in one-year increments over periods ranging from three to five years, except that options granted to Mr. Aron can vest up to ten years from the date of grant and are subject to certain vesting acceleration conditions. All stock option grants to the Named Executive Officers are reflected in the table entitled "Option Grants" in Fiscal 2003.

Deferred Compensation Plan

On September 15, 2000, the Company approved the adoption by The Vail Corporation, an indirect wholly owned subsidiary of the Company (the "Employer"), of a Deferred Compensation Plan (the "Plan") for the benefit of its key employees, as that term is defined in the Plan ("Key Employees"). The Plan provides that Key Employees may contribute to the Plan up to 95% of their base pay and up to 95% of any Employer-paid bonus, which contributions may be allocated among the following three accounts: retirement, education, and personal goals. The Company may, on an annual basis, elect to make matching and/or discretionary Employer contributions. Key Employee contributions and any matching or discretionary contributions made by Employer are placed in a rabbi trust which restricts management's use and access to the money. All contributions made by Key Employees are immediately 100% vested. Any matching or discretionary contribution made by Employer vest 25% each year for four years, starting from the date of Key Employee's hire. The Company may direct the Plan Administrator to accelerate the vesting on the matching and/or discretionary Employer contributions. The trustee under the Plan is Wells Fargo Bank Minnesota, N.A. The Plan is a non-qualified benefit plan. All money in the rabbi trust remains subject to the Company's general creditors in the event of bankruptcy.

CEO Compensation

Edgar Filing: VAIL RESORTS INC - Form DEF 14A

Mr. Aron's compensation for Fiscal 2003 consisted of base salary in addition to participation in the Company's benefit programs. Mr. Aron's base salary for Fiscal 2003 was paid in accordance with his

employment agreement, as described in Employment Agreements. At the time the Company entered into and amended Mr. Aron's agreement, the Committee gave consideration to chief executive officer compensation in other publicly owned, growth-oriented and similarly sized companies in comparable industries. Mr. Aron was granted 120,000 stock options in Fiscal 2003 in recognition of his performance as Chief Executive Officer and to provide incentive throughout the term of the option to strive to operate the Company in a manner that directly and positively affects both the short term and long term interests of the stockholders. As of November 12, 2003, Mr. Aron held 985,000 stock options, of which 825,000 were fully vested. All compensation received by Mr. Aron in Fiscal 2003 is reflected in the Summary Compensation Table.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors currently consists of Messrs. Hauge, Hernandez and Micheletto, who are all non-employee directors and are independent as defined by the Corporate Governance Rules of the New York Stock Exchange, as currently in effect. The New York Stock Exchange has recently adopted new Corporate Governance Rules that will be effective for the Company on October 31, 2004. These new rules require that the Audit Committee must be comprised of at least three directors, whom must all meet heightened independence standards. Not all of the members of the Audit Committee may be independent as defined by these new rules; however, the Company intends to be in compliance with these new rules before they are effective in October 2004. The Audit Committee operates under a written charter, a copy of which is attached as Appendix A.

Management is responsible for the Company's accounting practices, internal controls, the financial reporting process and preparation of the consolidated financial statements. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee further discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees).

The Company's independent auditors also provided to the Audit Committee the written disclosures and letter required by the Independence Standards Board Standard No. 1 (Independent Discussions with Audit Committees), and the Audit Committee discussed with the independent auditors, and were satisfied with, that firm's independence.

Edgar Filing: VAIL RESORTS INC - Form DEF 14A

Based upon the Audit Committee's discussion with management and the independent auditors, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements as and for the fiscal year ended July 31, 2003 be included in the Company's Annual Report on Form 10-K for the year ended July 31, 2003 for filing with the Securities and Exchange Commission.

All other Fees. Performance Graph

The following graph compares the performance of the Company's Common Stock to The Russell 2000 Stock Index, The S&P 500 Stock Index and the Company's Peer Group Indices*.

* The Company's Peer Group Indices' performances are weighted according to market capitalization. The Company included the Russell 2000 in the graph because the Company is included in such index and because there is no established industry index for the Company's business. Total shareholder return is weighted according to market capitalization so that companies with a larger market capitalization have a greater impact on the Peer Group's index results. Historical stock performance during this period may not be indicative of future stock performance.

The total return graph is presented for the period from the Company's 1998 fiscal year through the end of the Company's 2003 fiscal year. The total stockholder return assumes that \$100 is invested at the beginning of the period in the Common Stock of the Company, The Russell 2000, The S&P 500 Stock Index and the Company's Peer Group. The Company's Peer Group is comprised of: Hilton Hotels; Host Marriott; Marriott International; Six Flags, Inc.; Intrawest Corp. and American Skiing Company.

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Exchange Act that might incorporate future filings, including this Proxy Statement, in whole or in part, the above Compensation Committee Report on Executive Compensation and Performance Graph shall not be incorporated by reference into any such filings.

PROPOSAL 2. RATIFICATION OF THE APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee has appointed PricewaterhouseCoopers LLP to serve as independent public accountants for the year ended July 31, 2004. On May 10, 2002, the Company dismissed Arthur Andersen LLP, which had previously served as the Company's independent public accountants, and appointed PricewaterhouseCoopers LLP as its new independent public accountants, effective on such date. The Company engaged PricewaterhouseCoopers LLP to audit its financial statements for the fiscal year ended July 31, 2002 and to re-audit its fiscal years ended July 31, 2001, 2000 and 1999. The decision to replace Arthur Andersen LLP was made upon the recommendation of the Audit Committee and approved by the Company's Board of Directors. PricewaterhouseCoopers LLP expects to have a representative at the 2003 Annual Meeting of Shareholders who will have the opportunity to make a statement and who will be available to answer appropriate questions.

The reports of Arthur Andersen LLP on the consolidated financial statements of the Company as of and for the fiscal year ended July 31, 2001 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with its audit for the fiscal year ended July 31, 2001, and for the interim period from August 1, 2001 through May 10, 2002, there were no disagreements with Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Arthur Andersen LLP, would have caused Arthur Andersen LLP to make reference to such disagreements in its report on the consolidated financial statements for such years.

During the fiscal year ended July 31, 2001, and for the interim period from August 1, 2001 through May 10, 2002, there were no reportable events as that term is defined in Item 304 (a)(1)(v) of Regulation S-K of the Securities and Exchange Commission.

Prior to engaging PricewaterhouseCoopers LLP, during the fiscal year ended July 31, 2001, and in the interim period from August 1, 2001 through May 10, 2002, Vail Resorts had not consulted with PricewaterhouseCoopers LLP regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on Vail Resorts' financial statements, and neither a written report was provided to Vail Resorts nor oral advice was provided that PricewaterhouseCoopers LLP concluded was an important factor considered by Vail Resorts in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement, as that term is defined in Item 304 (a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K, or a reportable event as that term is defined in Item 304 (a)(1)(v) of Regulation S-K.

It is understood that even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a new independent accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interests of the Company and its shareholders.

Vote Required For Approval

The affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on this matter is required for this proposal to be adopted.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE INDEPENDENT PUBLIC ACCOUNTANTS.

FUTURE SHAREHOLDER PROPOSALS FOR 2004 ANNUAL MEETING

The deadline for shareholders to submit proposals pursuant to Rule 14a-8 of the Exchange Act for inclusion in the Company's proxy statement and proxy for the 2004 Annual Meeting of Shareholders is July 28, 2004.

Shareholders who wish to submit a shareholder proposal outside of the processes of Rule 14a-8 of the Exchange Act must give timely notice to the Company within the time limits and according to the procedures described in the Company's bylaws. You can obtain a copy of the Company's bylaws by writing the Corporate Secretary at the address shown on the cover of this proxy statement.

OTHER MATTERS

At the date of this Proxy Statement, the Board of Directors has no knowledge of any business other than that described herein which will be presented for consideration at the meeting. In the event any other business is presented at the meeting, the persons named in the enclosed proxy will vote such proxy thereon in accordance with their judgment in the best interests of the Company.
