SCHEDULE 13D

Preliminary Statement

This filing by Laitram, L.L.C. (sometimes called the "Reporting Person") amends a Schedule 13D filed by The Laitram Corporation on March 25, 1999 and an amendment thereto filed on April 28, 2003. These filings relate to equity securities of Input/Output, Inc. ("I/O"). Only the amendments to the Schedule resulting from the transaction reported in Item 5 and from events occurring after April 28, 2003 are reproduced below. For a discussion of prior acquisitions by the Reporting Person of I/O shares and related matters, please see the original Schedule 13D filed on March 25, 1999 and Amendment No. 1 to that Schedule filed on April 28, 2003.

James M. Lapeyre, Jr. is the President and chief executive officer of the Reporting Person. He is also a director of I/O and Chairman of its Board of Directors. As a director of I/O, Mr. Lapeyre may take an active role in corporate strategy and business decisions involving I/O. The Reporting Person (and its predecessor, The Laitram Corporation) have elected to file this Statement on Schedule 13D rather than Schedule 13G as a precautionary measure in case Mr. Lapeyre's actions in his capacity as an I/O director are attributed to the Reporting Person or should the Reporting Person, as a shareholder of I/O, be a participant in a transaction involving I/O. The election to file on Schedule 13D shall not be deemed an acknowledgment or admission by the Reporting Person that the actions of Mr. Lapeyre are attributable to the Reporting Person, and the Reporting Person hereby disclaims any such actions by Mr. Lapeyre. The election to file on Schedule 13D shall not be deemed an acknowledgment or admission by the Reporting Person that such a statement is required to be filed pursuant to ss. 240.13d-1(e), or otherwise, or that the Reporting Person holds securities of I/O with a purpose or effect of changing or influencing the control of I/O, or in connection with or as a participant in any transaction having that purpose or effect. The election to file on Schedule 13D shall not be deemed an acknowledgment or admission by the Reporting Person that the Reporting Person does not continue to be eligible to file a statement on Schedule 13G, pursuant to ss. 240.13d-1(c), as a person who, among other things, has not acquired such securities with any purpose of, or with the effect of, changing or influencing the control of I/O, or in connection with or as a participant in any transaction having that purpose or effect.
