Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers and directors, and persons who own more than ten percent of the Common Stock, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Based solely upon a review of Forms 3 and Forms 4 furnished to us pursuant to Rule 16a-3 under the Exchange Act during our most recent fiscal year, to Sonic

Edgar Filing: SONIC FOUNDRY INC - Form 10-K/A

Foundry's knowledge, all reporting persons complied with all applicable filing requirements of Section 16(a) of the Securities Exchange Act of 1934, as amended, with the following exceptions: Ted J. Lingard, Kenneth A. Minor and James A. Dias (executive officers) each inadvertently failed to file their respective Form 4's upon receiving employee stock option grants pursuant to the Company's Non-Qualified Stock Option Plan in May 2003; Frederick H. Kopko, Jr., Arnold B. Pollard, and David C. Kleinman (non-employee directors) each inadvertently failed to file their respective Form 4's upon receiving automatic grants of options in July 2003 pursuant to the Non-Employee Directors Stock Option Plan; and Arnold B. Pollard failed to file an additional Form 4 upon receiving an option to purchase

shares of common stock under the Company's Non-Qualified Stock Option Plan in July 2003. As of the date of this Annual Report, the foregoing reporting persons have regained compliance with Section 16(a) reporting requirements.

Audit Committee Composition

Among the committees identified above, the Company has a separately designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act). Frederick H. Kopko, Arnold B. Pollard and David C. Kleinman are members of the audit committee. The Company's Board of Directors has determined that all members of the Company's Audit Committee are independent as defined in Rules 1400(a)(14) of the NASDAQ listing standards with the exception of Mr. Kopko. Mr. Kopko has indicated he will resign his position on the Audit Committee prior to the Company's next shareholders meeting. The Company expects to recruit one or more audit committee members prior to that time in compliance with all applicable Securities Exchange Commission and NASDAQ Marketplace rules.

Audit Committee Expert

The Company's Board of Directors has determined that, due to his affiliation with the Graduate School of Business at the University of Chicago, and due to his serving as a director on numerous company boards, along with his other academic and business credentials, Mr. Kleinman has the requisite experience and applicable background to meet NASDAQ standards requiring financial sophistication of at least one member of the audit committee. The Company's Board of Directors has also determined that neither Mr. Kleinman nor any other member of the Audit Committee is an audit committee financial expert as defined by applicable SEC regulations. The Company currently has a vacancy on its Board of Directors which it may choose to fill with a director that satisfies the current requirements for an audit committee financial expert, however, the Company has not yet identified an individual satisfying those criteria as well as other criteria that the Company believes are important for an individual to make a meaningful contribution to the deliberations of the Board of Directors as a whole. There can be no assurance when, or if, the Company will identify such an individual in the foreseeable future.

Code of Ethics

The Company has adopted a Code of Ethics (as defined in Item 406 of Regulation S-K) that applies to its principal executive, financial and accounting officers. Sonic Foundry will provide a copy of its code of ethics, without charge, to any investor that requests it. Requests should be addressed in writing to Mr. Kenneth Minor, Corporate Secretary, 222 West Washington Ave, Suite 775, Madison, WI 53703.

Long-Term Incentive Plans Awards in Last Fiscal Year

The Company established a Deferred Compensation Plan effective December 7, 2001. The plan allowed any salaried employee of the Company or any of its subsidiaries to elect a one-year salary deferral of \$2,000 or more. At the end of the deferral period the employee's salary returned to the pre-deferral level, subject to employment status at that time and any performance reviews, salary adjustments and evaluations.

Edgar Filing: SONIC FOUNDRY INC - Form 10-K/A

Employees received a promissory note equal to their deferral and selected a 24, 36 or 48-month maturity for repayment. Interest rates varied based on maturity selected at 9%, 10% or 11% for the 24, 36 or 48 month terms and were accrued semi-annually. Employees could request an early withdrawal from the plan, subject to a 10% penalty and the loss of interest from the last accrual date.

Each employee that participated in the Deferred Compensation Plan was entitled to receive a non-qualified option grant equal to 20%, 30% or 40% of the principal value of the note, depending on the maturity selected. Options were granted with an exercise price equal to the market value of the stock although employees are eligible to receive a bonus equal to the cost incurred upon exercise of the options in certain circumstances. One fourth of the options became exercisable every six months.

The Company repaid the remaining balance of all notes in full and accelerated the vesting of related options upon the sale of the Desktop Software business in 2003.

Compensation Committee Interlocks and Insider Participation

The members of the Executive Compensation Committee of the Company's Board of Directors for Fiscal 2003 were those named in the Executive Compensation Committee Report. No member of the Committee was at any time during Fiscal 2003 or at any other time an officer or employee of Sonic Foundry, Inc.

No executive officer of Sonic Foundry, Inc. has served on the board of directors or compensation committee of any other entity that has or has had one or more executive officers serving as a member of the Board of Directors of Sonic Foundry, Inc. During Fiscal 2003, we retained the Chicago law firm of McBreen & Kopko to perform certain legal services. Frederick H. Kopko, Jr. is a partner in McBreen & Kopko.

Directors Compensation

Our directors, who are not also our full-time employees, receive a fee of \$1,500 for attendance at each meeting of the Board of Directors and \$850 per committee meeting attended, other than the strategy committee. The chairman of our strategy committee received \$42,000 for attendance at numerous meetings and phone conferences in fiscal 2003 and is currently receiving \$5,000 per month in fiscal 2004. The cash compensation paid to the three non-employee directors combined in Fiscal 2003 was \$86,250.

Pursuant to the Non-Employee Directors' Stock Option Plan, we grant to each non-employee director who is reelected or who is continuing as a member of the Board of Directors at each annual stockholders meeting a stock option to purchase 20,000 shares of Common Stock. The exercise price of each stock option is equal to the market price of Common Stock on the date the stock option is granted. Stock options issued under the Non-Employee Directors' Stock Option Plan generally will vest fully on the first anniversary of the date of grant and expire after ten years. An aggregate of 600,000 shares are reserved for issuance under the Non-Employee Directors' Stock Option Plan, with 240,000 shares available for grant. In addition, Mr. Pollard was granted an option to purchase 80,000 shares of Common Stock under the Company's Non-Qualified Stock Option Plan for service in his capacity as chairman of the strategy committee in fiscal 2003.
