PROXY STATEMENT FOR 2004 ANNUAL MEETING OF STOCKHOLDERS

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Criticare Systems, Inc. (the Company), to be voted at the Annual Meeting of Stockholders to be held at the Company's headquarters, 20925 Crossroads Circle, Suite 100, Waukesha, Wisconsin 53186, at 4:00 p.m., local time, on Friday, December 3, 2004, and at any adjournments thereof, for the purposes set forth in the accompanying Notice of Meeting. The mailing of this Proxy Statement and accompanying form of proxy is being made on or about October 28, 2004.

GENERAL INFORMATION

The Board of Directors knows of no business which will be presented to the meeting other than the matters referred to in the accompanying Notice of Annual Meeting. However, if any other matters are properly presented to the meeting, it is intended that the persons named in the proxy will vote on such matters in accordance with their judgment. If the enclosed form of proxy is executed and returned, it nevertheless may be revoked at any time before it has been voted by a later dated proxy or a vote in person at the Annual Meeting. Shares represented by properly executed proxies received on behalf of the Company will be voted at the Annual Meeting (unless revoked prior to their vote) in the manner specified therein. If no instructions are specified in a signed proxy returned to the Company, the shares represented thereby will be voted (1) in **FAVOR** of the election of the nominee listed in the enclosed proxy as a director of the Company; and (2) in **FAVOR** of the ratification of BDO Seidman, LLP as the Company's independent registered auditors for the 2005 fiscal year.

Only holders of the Company's common stock, par value \$0.04 per share (the Common Stock), whose names appear of record on the books of the Company at the close of business on October 19, 2004 (the Record Date) are entitled to vote at the Annual Meeting. On that date, the only outstanding shares of capital stock of the Company were 11,453,498 shares of Common Stock. Each share of Common Stock is entitled to one vote on each matter to be presented at the meeting. The election of the director requires the affirmative vote of the holders of a plurality of the shares represented, in person or by proxy, at the meeting and the ratification of the Company's independent registered auditors requires the affirmative vote of the holders of a majority of the shares represented, in person or by proxy, at the meeting. Abstentions and broker non-votes (*i.e.*, shares held by brokers in street name, voting on certain matters due to discretionary authority or instructions from the beneficial owners but not voting on other matters due to lack of authority to vote on such matters without instructions from the beneficial owner) will count toward the quorum requirement and will not count toward the determination of whether the director is elected or the appointment of independent registered auditors is ratified.

ELECTION OF DIRECTORS

Pursuant to the authority contained in the By-Laws of the Company, the Board of Directors has established the number of directors of the Company at five. The Company's By-Laws provide that the Board of Directors will be divided into three classes as nearly equal in number as possible, with the term of one class expiring each year. The term of one director expires at the Annual Meeting. Accordingly, the Board of

Edgar Filing: CRITICARE SYSTEMS INC /DE/ - Form DEF 14A

Directors has nominated for re-election as a director Higgins D. Bailey to serve a term of three years, until the 2007 Annual Meeting of Stockholders. Proxies cannot be voted for more than one candidate for director.

The directorship of Jeffrey T. Barnes is connected with the investment in the Company pursuant to the terms of a Purchase Agreement, dated as of October 17, 2000, among the Company, Oxford Bioscience Partners III L.P., Oxford Bioscience Partners (Bermuda) III Limited Partnership and mRNA Fund L.P.

As indicated below, the person nominated by the Board of Directors is an incumbent director. The Company anticipates that the nominee will be a candidate when the election is held. However, if for any reason the nominee is not a candidate at that time, proxies will be voted for any substitute nominee designated by the incumbent directors (except where a proxy withholds authority with respect to the election of a director).

The Board of Directors recommends that stockholders vote in FAVOR of the election of Higgins D. Bailey as a director of the Company.

The Audit Committee's report required by the rules of the Securities and Exchange Commission (SEC) appears on page 5.

CORPORATE GOVERNANCE MATTERS

Director Independence

On October 18, 2004, the Company's Board of Directors reviewed the independence of its directors under the applicable standards of the American Stock Exchange. Based on this review, the Board of Directors determined that each of Dr. Higgins D. Bailey, Dr. N.C. Joseph Lai and Stephen K. Tannenbaum is independent under those standards. These independent directors constitute a majority of the directors of the Company.

Director Nominations

The Company has a standing Nominating and Corporate Governance Committee. The Company has placed a current copy of the charter of the Nominating and Corporate Governance Committee on its web site located at www.csusa.com. Based on the review described under Director Independence, the Board of Directors has determined that each member of the Nominating and Corporate Governance Committee is independent

Edgar Filing: CRITICARE SYSTEMS INC /DE/ - Form DEF 14A

under the applicable standards of the American Stock Exchange.

The Nominating and Corporate Governance Committee will consider director nominees recommended by stockholders. A stockholder who wishes to recommend a person or persons for consideration as a nominee for

election to the Board of Directors must send a written notice by mail, c/o Secretary, Criticare Systems, Inc., 20925 Crossroads Circle, Suite 100, Waukesha, Wisconsin 53186, that sets forth: (1) the name, address (business and residence), date of birth and principal occupation or employment (present and for the past five years) of each person whom the stockholder proposes to be considered as a nominee; (2) the number of shares of the Company's Common Stock beneficially owned (as defined by section 13(d) of the Securities Exchange Act of 1934) by each such proposed nominee; (3) any other information regarding such proposed nominee that would be required to be disclosed in a definitive proxy statement to stockholders prepared in connection with an election of directors pursuant to section 14(a) of the Securities Exchange Act of 1934; and (4) the name and address (business and residential) of the stockholder making the recommendation and the number of shares of the Common Stock beneficially owned (as defined by section 13(d) of the Securities Exchange Act of 1934) by the stockholder making the recommendation. The Company may require any proposed nominee to furnish additional information as may be reasonably required to determine the qualifications of such proposed nominee to serve as a director of the Company. Stockholder recommendations will be considered only if received no less than 120 days nor more than 150 days before the date of the proxy statement sent to stockholders in connection with the previous year's annual meeting of stockholders.

The Nominating and Corporate Governance Committee will consider any nominee recommended by a stockholder in accordance with the preceding paragraph under the same criteria as any other potential nominee. The Nominating and Corporate Governance Committee believes that a nominee recommended for a position on the Company's Board of Directors must have an appropriate mix of director characteristics, experience, diverse perspectives and skills. Qualifications of a prospective nominee that may be considered by the Nominating and Corporate Governance Committee include:

personal integrity and high ethical character;

professional excellence;

accountability and responsiveness;

absence of conflicts of interest;

fresh intellectual perspectives and ideas; and

relevant expertise and experience and the ability to offer advice and guidance to management based on that expertise and experience.

The Company has placed on its web site located at www.csiusa.com a description of the procedures for stockholders to communicate with the Board of Directors, a description of the Company's policy for its directors and nominee directors to attend the Annual Meeting and the number of directors who attended last year's annual meeting of stockholders.

Code of Business Ethics

The Company has adopted a Code of Business Ethics that applies to all of the Company's employees, including the Company's principal executive officer, principal financial officer and principal accounting officer. A copy of the Code of Business Ethics is available on the Company's corporate web site which is located at www.csiusa.com. The Company also intends to disclose any amendments to, or waivers from,

the Code of Business Ethics on its corporate web site.

AUDIT COMMITTEE MATTERS

Report of the Audit Committee

The Audit Committee is comprised of three members of the Company's Board of Directors. Based upon the review described above under Corporate Governance Matters Director Independence, the Board of Directors has determined that each member of the Audit Committee is independent as defined in the listing standards of the American Stock Exchange and the rules of the SEC. The duties and responsibilities of the Company's Audit Committee are set forth in the Audit Committee Charter, which has previously been adopted by the Board of Directors and which is attached hereto as Appendix A.

The Audit Committee has:

reviewed and discussed the Company's audited financial statements for the fiscal year ended June 30, 2004 with the Company's management and with the Company's independent registered auditors;

discussed with the Company's independent registered auditors the matters required to be discussed by SAS 61, as modified or supplemented (Codification for Statements on Auditing Standards); and

received and discussed the written disclosures and the letter from the Company's independent registered auditors required by Independence Standards Board Statement No. 1 (Independence discussions with Audit Committees) and has discussed with its independent registered auditors its independence.

Based on such review and discussions with management and the independent registered auditors, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2004, for filing with the SEC.

AUDIT COMMITTEE:

Stephen K. Tannenbaum (Chairman)

Dr. Higgins D. Bailey

Dr. N.C. Joseph Lai

- (2) Consists of fees for tax advisory services in connection with preparation of the Company's federal and state tax returns and I.R.S. audit.

The Audit Committee of the Board of Directors of the Company considered that the provision of the services and the payment of the fees described above are compatible with maintaining the independence of BDO Seidman, LLP.

The Audit Committee is responsible for reviewing and pre-approving any non-audit services to be performed by the Company's independent registered auditors. The Audit Committee has delegated certain of its pre-approval authority to the Chairman of the Audit Committee to act between meetings of the Audit Committee. Any pre-approval given by the Chairman of the Audit Committee pursuant to this delegation is presented to the full Audit Committee at its next regularly scheduled meeting. The Audit Committee or Chairman of the Audit Committee reviews and, if appropriate, approves non-audit service engagements, taking into account the proposed scope of the non-audit services, the proposed fees for the non-audit services, whether the non-audit services are permissible under applicable law or regulation and the likely impact of the non-audit services on the independence of the independent registered auditors.

Since the effective date of the SEC rules requiring pre-approval of non-audit services on May 6, 2003, each new engagement of the Company's independent registered auditors to perform non-audit services has been approved in advance by the Audit Committee or the Chairman of the Audit Committee pursuant to the foregoing procedures.

Stock Option Plans

On November 14, 2003, the Company adopted the 2003 Stock Option Plan (the "2003 Plan"). Pursuant to the adoption of the 2003 Plan, no new stock options can be granted under the stock option plans which existed prior to the approval of the 2003 Plan (collectively, the "Old Plans"), although the Company may regrant existing stock options under the Old Plans to extend the term of such stock options. The 2003 Plan provides for the grant to directors, officers and employees of the Company and to other persons who provide services to the Company options covering shares of Common Stock. The 2003 Plan is administered by the Compensation Committee of

the Board of Directors which has discretion to select optionees, designate the number of shares to be covered by each option, establish vesting schedules, specify the amount and type of consideration to be paid to the Company on exercise, and to specify certain other terms of the options. The exercise price of options granted under the 2003 Plan must be at least 100% of the fair market value of the Common Stock on the date of grant.

The Company has reserved 430,000 shares of Common Stock for issuance under the 2003 Plan, subject to adjustment for certain dilutive events. At the end of fiscal 2004, options to purchase 383,000 shares were outstanding under the 2003 Plan and options to purchase 1,046,895 shares were outstanding under the Old Plans. During fiscal 2004, options were granted to purchase 383,000 shares of Common Stock under the 2003 Plan at an average per share exercise price of \$3.16 (all options were granted at no less than the market price on the grant dates) and options to purchase 31,000 shares of Common Stock were granted or regranted under the Old Plans at an average per share exercise price of \$3.53 per share. In addition, during fiscal 2004, no options to purchase shares of Common Stock were canceled under the 2003 Plan and options to purchase 39,750 shares of Common Stock at an average per share exercise price of \$3.21 were canceled under the Old Plans and no options to purchase shares of Common Stock were exercised under the 2003 Plan and options to purchase 370,725 shares of Common Stock at an average exercise price per share of \$1.66 were exercised under the Old Plans. A total of 47,000 shares of Common Stock remain available for future grants under the 2003 Plan.

Retirement Plan

Effective April 1, 1991, the Company adopted a 401(k) plan, which covers substantially all employees who have completed three months of employment. Under the plan, eligible employees can contribute up to 15% of pre-tax compensation for investment in a trust under the plan. The Company matches 50% of the first 4% of employee contributions made, subject to annual approval by the Board of Directors. Employee contributions, within certain limitations, are considered tax deferred under the provisions of section 401(k) of the Internal Revenue Code. Withdrawals of tax deferred amounts may be made upon termination of employment or earlier in the event of certain defined hardship situations. Contributions made or accrued for named executive officers are included under the All Other Compensation column in the Summary Compensation Table.

Other than the 401(k) plan, the Company does not maintain any pension, profit sharing, retirement or similar plans.

COMPENSATION COMMITTEE REPORT

The objectives of the Company's compensation program are to attract and retain the best available executives, to motivate these executives to achieve the Company's business goals and to recognize individual contributions as well as overall business results. To achieve these objectives, the Company reviews its compensation program on a regular basis and attempts to tie a portion of each executive's potential compensation to

Company performance.

The key elements of the Company's executive compensation program consist of fixed compensation, in the form of base salary, and variable compensation, which is more directly tied to Company performance, through stock option awards, sales commissions and bonuses. In determining each element of compensation to be awarded to an executive officer, the Compensation Committee considers the executive's overall benefit package as well as the executive's responsibilities and experience. The Compensation Committee also considers the competitive marketplace for executive talent, including, to the extent possible, a comparison to compensation packages for executives with similar levels of experience and responsibility at other companies. In fixing the stock option grants, the Committee considers the current stock holdings of each eligible officer, their

responsibilities and historical and anticipated future contributions to the Company's performance. The Committee believes that selective grants of stock options promote a commonality of interest between the Company's officers and its stockholders by giving the Company's officers added incentives to maximize the Company's stock price.

During fiscal 2004, the Compensation Committee reviewed the compensation package of Mr. Soika, the Company's President and Chief Executive Officer. During fiscal 2004, Mr. Soika received a base salary of \$225,000 in accordance with a review of Mr. Soika's compensation undertaken by the Compensation Committee in fiscal 2003. Mr. Soika was awarded stock options under the 2003 Plan in fiscal 2004 based on a determination that was the same for all other participants in the 2003 Plan.
