The Company concluded discussions with the SEC on December 13, 2004, which resulted in the Company being required to change the accounting method the Company used to recognize certain revenue. This resulted in the Company having to amend its Form 10-Q for the fiscal period ending June 30, 2004. As a result of the time and effort required to file this Amendment to the Form 10-Q for the fiscal period ended June 30, 2004 and the Annual Report on Form 10-K for the fiscal year ended September 30, 2004, the Company was unable to timely file the Annual Report on Form 10-K without unreasonable effort on the part of management.
