Item 8.01. Other Events.

On April 22, 2004, we completed the acquisition of a 1.3 million net rentable square foot class AA office building (Cityplace Center) and an adjacent land parcel located in Dallas, Texas. The Cityplace Center and the adjacent land parcel were purchased from an unrelated third party for approximately \$124.0 million which was funded primarily with borrowings under our revolving credit facility.

On May 12, 2004, through our subsidiary Prentiss Office Investors, L.P., we completed the acquisition of a 69,000 net rentable square foot class A office building (Bluffs Office Property) located in San Diego, California. The Bluffs Office Property was purchased from an unrelated third party for approximately \$17.7 million which was funded primarily with borrowings under our revolving credit facility.

On May 25, 2004, we completed the acquisition of a 306,000 net rentable square foot class A three building office complex (Great America Parkway Office Properties) and an adjacent land parcel located in Santa Clara, California. The Great America Parkway Office Properties and the adjacent land parcel were purchased from an unrelated third party for approximately \$34.8 million which was funded primarily with borrowings under our revolving credit facility. The property was 100% vacant upon acquisition. Subsequent to the acquisition, we executed a lease with a third party, unrelated to the seller, for approximately 219,000 net rentable square feet, or approximately 72% of the property.

On October 8, 2004, we completed the acquisition of a 459,000 net rentable square foot class A office building (2101 Webster Office Property) located in Oakland, California. The 2101 Webster Office Property was purchased from an unrelated third party for approximately \$67.3 million which was funded primarily with borrowings under our revolving credit facility.

On October 29, 2004, through our subsidiary Prentiss Office Investors, L.P., we completed the acquisition of a 198,000 net rentable square foot class A two building office complex (the Lakeside Point Properties) located in Waukegan, Illinois. The Lakeside Point Properties were purchased from an unrelated third party for approximately \$32.7 million which was funded primarily with borrowings under our revolving credit facility.

The acquisitions of (i) the Cityplace Center; (ii) the Bluffs Office Property; (iii) the Great America Parkway Office Properties; (iv) the 2101 Webster Office Property; and (v) the Lakeside Point Properties do not individually constitute acquisitions of a significant amount of assets.

Pursuant to the requirements of Rule 3-14 of Regulation S-X, this Current Report on Form 8-K/A includes a Statement of Revenues and Certain Expenses for Prentiss Properties Trust for the nine months ended September 30, 2004 (unaudited) and for the year ended December 31, 2003, as well as pro forma financial data for Prentiss Properties Trust which includes certain of the acquisitions described above completed by us since January 1, 2004. Because changes will likely occur in occupancy, rents and expenses experienced by Prentiss Properties Trust and the acquired properties the historical financial statements and pro forma financial data presented should not be considered as a projection of future results.

This Statement is the responsibility of Prentiss Properties Trust's management. Our responsibility is to express an opinion on this Statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the Statement. We believe that our audit provides a reasonable basis for our opinion.

Notes to the Statements of Revenues and Certain Expenses

For the Year Ended December 31, 2003 and

The Three Month Period Ended March 31, 2004

1. Basis of Presentation and Summary of Significant Accounting Policies

On April 22, 2004, Prentiss Properties Trust, through its majority owned operating partnership, Prentiss Properties Acquisition Partners, L.P. (the Partnership), acquired Cityplace Center (the Property), a 42-story office building containing approximately 1.2 million square feet (unaudited) located on 8.0 acres (unaudited) located on Central Expressway and Haskell Street just north of downtown Dallas, Texas. Under the terms of the purchase agreement, 7-Eleven, Inc., the previous tenant and an affiliate of the previous owner, will enter into a lease for 504,351 square-feet of space for three years from the date of closing and continue to maintain its corporate headquarters at the building. Annual rent under the new lease will be approximately \$10.3 million. 7-Eleven, Inc. may elect to extend the term of its lease an additional seven years by notifying Prentiss not later than eighteen months from the closing of the sale. The acquisition price for the building was \$124.0 million with an obligation by the Partnership to fund an additional \$14.5 million if 7-Eleven, Inc. exercises its extension option. The Statements of Revenues and Certain Expenses present the operations of the Property for the year ended December 31, 2003 and three month period ended March 31, 2004.

The accompanying statements have been prepared on the accrual basis of accounting. The statements have been prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission and for inclusion in a current report on Form 8-K/A of Prentiss Properties Trust. The statements are not intended to be a complete presentation of the revenues and expenses of the Property for the year ended December 31, 2003 and three month period ended March 31, 2004 as certain expenses, primarily depreciation and amortization expense, interest expense, and other costs not directly related to the future operations of the Property have been excluded. The Partnership is not aware of any material factors related to the Property not otherwise disclosed that would cause the reported financial information not to be necessarily indicative of future operating results.

Revenue Recognition

The tenant lease is accounted for as an operating lease and accordingly, rental income is recognized on a straight-line basis over the term of the lease. Other income consists of recoveries of certain operating expenses, parking and other income. Additional rents from recoveries of certain operating expenses are recognized as revenues in the period the applicable costs are incurred.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions of the reported amounts of revenues and certain expenses during the reporting period. Actual results may differ from those estimates.

Table of Contents**Cityplace Center****Notes to the Statements of Revenues and Certain Expenses****For the Year Ended December 31, 2003 and****The Three Month Period Ended March 31, 2004****2. Leases**

7-Eleven, Inc. leases 100% of the Property's net rentable feet from the owner under a master lease agreement that commenced December 21, 1991 and expires December 31, 2009. Accordingly, during the year ended December 31, 2003 and the three month period ended March 31, 2004, 100% of the Property's rental revenue was from 7-Eleven, Inc.

The minimum future rentals of the tenant lease based on the noncancelable operating lease held as of December 31, 2003 are as follows:

2004	\$ 36,313,900
2005	39,842,035
2006	39,842,035
2007	39,842,035
2008	39,842,035
Thereafter	39,842,035
	<hr/>
Total	\$ 235,524,075
	<hr/>

As discussed in Note 1, concurrent with the Partnership's acquisition of the Property, 7-Eleven, Inc. entered into a three year lease for 504,351 square feet of space (approximately 42% of total square feet) for approximate annual rent of \$10.3 million. Under the previous master lease agreement, 7-Eleven, Inc. sublet approximately 42% of the Property's total square feet to unrelated tenants as of April 22, 2004. Concurrent with the acquisition of the Property, the Partnership assumed the subleases from 7-Eleven, Inc.

3. Related Parties

7-Eleven, Inc. leases the Property from Cityplace Center East Corporation, an affiliate of 7-Eleven, Inc.

The management agreement provides for the payment of management fees to Cityplace Management Corporation, an affiliate of 7-Eleven, Inc. During the year ended December 31, 2003 and the three month period ended March 31, 2004, management fees for the Property were \$500,004 and \$125,001, respectively.

4. Statement of Revenues and Certain Expenses for the Three Month Period Ended March 31, 2004.

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form 8-K/A

The statement of revenues and certain expenses for the three month period ended March 31, 2004 is unaudited. In the opinion of management of the Partnership, all significant adjustments necessary for a fair presentation of the statement for the interim period have been included. The results of operations for the interim period are not necessarily indicative of the results to be expected for a full year for the operation of the Property.

(A) Reflects the historical operations of the Company for the year ended December 31, 2003.

(B) Reflects the combined historical revenues and certain expenses of the Acquired Properties for the year ended December 31, 2003, as follows.

(C) Reflects adjustments to revenue resulting from the new lease executed with 7-Eleven, Inc. upon acquisition of Cityplace Center. As discussed in Note 2 to the Cityplace Center statements of revenues and certain expenses, Cityplace Center was 100% leased by 7-Eleven, Inc. under a master lease agreement with the previous owner. 7-Eleven, Inc. sublet approximately 42% of the building's net rentable feet. Concurrent with the acquisition of Cityplace, 7-Eleven, Inc. executed a three year lease for annual rental revenues of approximately \$10.3 million and the Company assumed the subleases. The historical revenues of Cityplace Center reflect 100% occupancy under the master lease agreement. The proforma adjustment reduces revenue by \$20.9 million. The reduction is primarily related to a lower rental rate achieved on the new lease compared to the master lease agreement which equates to a decrease of approximately \$7.0 million, lower rental rates achieved on the sublease space compared to the master lease agreement resulting in a decrease of \$7.3 million and a decrease due to the occupancy decline from 100% to approximately 84% which equated to \$6.5 million.

(D) The Great America Parkway Property was 100% vacant at the date of acquisition. This adjustment reflects the completion of a 10 ½ year lease for approximately 219,000 sf or 72% of the property. The lease was being negotiated concurrent with the acquisition.

(E) Reflects the adjustment necessary to record rental income for in-place leases on a straight-line basis beginning January 1, 2003 and the amortization of the above and below market lease values from the Acquired Properties over the remaining noncancelable term of the leases ranging from 1 to 11 years.

(F) Reflects adjustments to exclude historical property management fees as the Acquired Properties will be managed by an affiliate of the Company.

(G) Reflects adjustments to reflect depreciation and amortization related to the Acquired Properties. Purchase price allocated to buildings and improvements is amortized over their estimated useful lives of 40 years. Purchase price allocated to other real estate assets is amortized over the estimated useful lives ranging from 1 to 11 years.

(H) Reflects the additional interest costs for the year ended December 31, 2003 that would have been incurred by the Company had the properties been acquired on January 1, 2003.

(I) Reflects the 49% minority interest in pro forma net income of the Bluffs Office Property and Lakeside Point Properties.
