The Certificate of Correction corrects an error in Article Third, Section 7(a) of the Company's Articles Supplementary filed with the State of Maryland on December 20, 2004.

The last sentence in the first paragraph under Item 2.01 previously read The Series B Preferred Shares are redeemable at the Company's option with common shares at \$8.08 per common share. The sentence corrected below now reads The Series B Preferred Shares are redeemable at the Company's option with common shares or cash based on a formulation contained in the Company's Certificate of Correction filed with the State of Maryland on February 11, 2005 and attached hereto as Exhibit 3.2. The entire content of the Form 8-K incorporating the correction is set forth below.

**ITEM 1.01 Entry into a Material Definitive Agreement.**

On December 21, 2004 the Company existing credit agreement was amended and restated to accommodate the acquisition of Mississippi Chemical Corporation and the other financings referred to below.

Also on December 21, 2004, Terra Nitrogen, Limited Partnership, as borrower, and Terra Nitrogen Company, L.P., as guarantor, entered into a new credit agreement with the Lenders and the Issuers named therein and Citicorp USA, Inc., as Administrative Agent, pursuant to which Terra Nitrogen, Limited Partnership became a borrower under its own \$50 million revolving credit facility.

In connection with the Company's acquisition of Mississippi Chemical Corporation, the Term Loan, Revolving Credit, Guarantee and Security Agreement, dated as of July 1, 2004, by and among Mississippi Chemical Corporation as borrower, its domestic subsidiaries and Citicorp North America, Inc., as administrative agent for the lenders, Citigroup Global Markets Inc., and Perry Principals Investments, LLC, as joint lead arrangers (the DIP Loan) was amended and the Company and certain of its subsidiaries became guarantors under the Dip Loan.
