Item 7.01. Regulation FD Disclosure

On May 23, 2005, Steve J. Demetriou will make a presentation to certain investors. The presentation materials are substantially similar to the presentation materials used at our Annual Meeting of Stockholders on May 19, 2005, with certain non-material changes, plus six slides containing additional information. The presentation materials used at our annual meeting were furnished as Exhibit 99.1 to our Current Report on Form 8-K, filed with the Securities and Exchange Commission on May 18, 2005.

Exhibit 99.2 is a copy of the additional slides to be presented to the investors. The slides are being furnished pursuant to Item 7.01. The information contained therein shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, or otherwise subject to the liabilities under that Section. Furthermore, the information furnished in Exhibit 99.1 shall not be deemed to be incorporated by reference into any filing with the Securities and Exchange Commission under the Securities Act of 1933.

The information contained in this report and on such exhibit contains certain forward-looking statements within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Statements contained in this report and on such exhibit that are not historical in nature are considered to be forward-looking statements. They include statements regarding our expectations, hopes, beliefs, estimates, intentions or strategies regarding the future. These include statements that contain words such as believe, expect, anticipate, intend, estimate, should, and similar expressions intended to connote future events and circumstances, and include statements regarding future earnings and earnings per share, future improvements in margins, processing volumes and pricing, improvements in internal controls, future effects of derivatives accounting, anticipated continuation of strengthened U.S. and worldwide industrial activity, expected cost savings, and anticipated synergies resulting from the business combination between Commonwealth Industries, Inc. (Commonwealth) and us.

Investors are cautioned that all forward-looking statements involve risks and uncertainties, and that actual results could differ materially from those described in the forward-looking statements. These risks and uncertainties would include, without limitation, our ability to effectively integrate the business and operations of Commonwealth; slowdowns in automotive production in the U.S. and Europe; the financial condition of our customers and future bankruptcies and defaults by our major customers; the availability at favorable cost of aluminum scrap and other metal supplies that we processes; our ability to enter into effective metals, natural gas and other commodity derivatives; future natural gas and other fuel costs; a weakening in industrial demand resulting from a decline in economic conditions, including any decline caused by terrorist activities or other unanticipated events; future utilized capacity of our various facilities; future decreases in recycling outsourcing by primary producers; restrictions on and future levels and timing of capital expenditures; retention of major customers; the timing and amounts of collections; the future mix of product sales vs. tolling business; currency exchange fluctuations; future write-downs or impairment charges which may be required because of the occurrence of uncertainties listed above; and other risks listed in our filings with the Securities and Exchange Commission, including but not limited to our annual report on Form 10-K for the year ended December 31, 2004 and our quarterly report on Form 10-Q for the quarter ended March 31, 2005, particularly the sections entitled Management's Discussion and Analysis of Financial Condition and Results of Operations, Risk Factors and Management's Discussion and Analysis of Financial Condition and Results of Operations Cautionary Statement on Forward-Looking Information contained therein.

The forward-looking statements contained in this report and on such exhibit are made only as of the date hereof. We do not assume any obligation to update any of these forward-looking statements.
