### Edgar Filing: BIOLASE TECHNOLOGY INC - Form 8-K/A

Item 4.02(a). Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

As previously disclosed in its Form 8-K filed May 20, 2005, Biolase Technology, Inc. (the Company) intends to restate its historical financial statements and will file (i) its Form 10-K as of December 31, 2004 that will include restated consolidated financial statements as of December 31, 2003 and the two years then ended and (ii) Amended Forms 10-Q for the fiscal quarters ended March 31, 2004, June 30, 2004 and September 30, 2004 (the 2004 Form 10-Q/As) that will include restated financial statements for the prior comparative periods as well.

At this point in time, the Company is unable to estimate precisely when these amendments will be filed with the SEC. The Company is working diligently to complete the final stages of its audit, including management s assessment of its internal control over financial reporting. As soon as the Company has reached a determination as to when it expects to file its 2004 Form 10-K and the 2004 Form 10-Q/As, it will amend the Form 8-K to include its estimated filing dates for these reports. The Company expects that it will be able to reach such determination (and file its Form 8-K/A) in the next several weeks.
