**Item 1.01 Entry into a Material Definitive Agreement**

On December 16, 2005, Dynegy Inc. ( Dynegy ) amended the Dynegy Inc. Deferred Compensation Plan for Certain Directors, as amended and restated (the Plan ), to comply with certain provisions of Section 409A of the Internal Revenue Code. Specifically, under Section 409A and related rules and regulations, deferred compensation arrangements such as the Plan may be amended to allow some or all of the participants to terminate their plan participation and to receive a full distribution of their deferral account balance on or before December 31, 2005. Dynegy amended the Plan to terminate the Plan participation by two of its directors, Barry J. Galt and Joe J. Stewart, and to provide for each such director to receive a lump sum distribution of his account balance on or before December 31, 2005. Pursuant to this amendment, Mr. Stewart received a distribution of his total deferral account balance of \$364,668.60 in the form of 76,450 shares of Dynegy Class A common stock ( Common Stock ) and \$2.10 in cash effective as of December 16, 2005. Mr. Galt will receive a distribution of his total deferral account balance of an estimated \$406,239.91, which balance will be based upon the closing stock price on December 22, 2005, in the form of 40% Common Stock and 60% cash effective as of December 22, 2005.

The foregoing description of the Plan amendment does not purport to be complete and is qualified in its entirety by reference to the complete text of such amendment filed as Exhibit 10.1 to this Current Report on Form 8-K.

**Item 1.02 Termination of a Material Definitive Agreement.**

As previously announced, on October 31, 2005, Dynegy Holdings Inc. ( DHI ), a wholly-owned subsidiary of Dynegy, entered into a Second Amended and Restated Credit Agreement comprised of (i) a \$400 million letter of credit component and (ii) a \$600 million revolving credit component (the Revolver ). The \$600 million outstanding principal balance of the Revolver was paid in full on November 1, 2005 without a corresponding reduction in revolving credit commitments. On December 16, 2005, DHI elected to terminate the Revolver, under which no revolving credit borrowings were outstanding. The termination reflects DHI s current cash position and its current belief that the revolving credit capacity will not be necessary in the immediate future. As a result of the termination, DHI will eliminate commitment fees that would have been required under the Revolver had it remained outstanding. The Revolver, which was scheduled to mature on December 31, 2005, has an effective termination date of December 23, 2005.

The foregoing description of the Second Amended and Restated Credit Agreement is qualified in its entirety by reference to such agreement filed as Exhibit 10.5 to the Current Report on Form 8-K filed by Dynegy and DHI on November 4, 2005.
