**Section 1 Registrant's Business and Operations**

**Item 1.01 Entry into a Material Definitive Agreement**

On December 28, 2005 (the Bridge Loan Closing Date), WellPoint, Inc. (the Company or WellPoint) entered into a Loan Agreement, dated as of the Bridge Loan Closing Date, among the Company, each lender from time to time party thereto, Citigroup Global Markets Inc. and Merrill Lynch Bank USA as Co-Documentation Agents, Banc of America Securities LLC and Goldman Sachs Credit Partners, L.P., as Joint Lead Arrangers and Joint Book Managers, and Bank of America, N.A., as Administrative Agent, under which the Company incurred an aggregate principal amount equal to \$3.0 billion of term loans (the Loan Agreement). Once borrowed, loans made under the Loan Agreement (the Loans) may not be repaid and reborrowed. The Company entered into the Loan Agreement to provide short-term financing, in part, for the Merger (as hereinafter defined) and to pay fees and expenses in connection therewith. All of the obligations of the Company under the Loan Agreement are guaranteed (the Guaranty) by Anthem Holding Corp., a wholly-owned subsidiary of the Company (Anthem Holdings).

WellPoint intends to obtain permanent or long-term financing for part of the cash portion of the consideration to be paid in connection with the Merger initially provided pursuant to the Loan Agreement, through a combination of (1) the issuance of commercial paper and/or borrowings under the 5-Year Credit Agreement (which agreement was previously defined and described in the Current Report on Form 8-K filed by the Company with the Securities and Exchange Commission (the SEC) on December 2, 2005); and (2) the issuance of up to \$3.2 billion of long-term debt securities. The ultimate mix of commercial paper, bank debt and long-term debt securities will be determined based on market conditions and other financial factors.

The Loan Agreement contained certain conditions to the Company's ability to incur the Loans which were incurred on the Bridge Loan Closing Date, each of which were satisfied and/or waived in accordance with the terms of the Loan Agreement. These conditions included: (a) minimum public debt ratings of not less than BBB from Standard & Poor's and Baa2 from Moody's on the Bridge Loan Closing Date; (b) accuracy in all material respects of all information (taken as a whole) made available to the agents or lenders by or on behalf of the Company or any of its representatives in connection with the negotiation of the Loan Agreement and the commitments therefor and such information did not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein not materially misleading; (c) a minimum total debt to capital ratio of not more than 40% (determined on a pro forma basis to give effect to the Merger); (d) minimum liquidity requirements of at least \$500,000,000 (in cash and cash equivalents); (e) satisfaction by the Administrative Agent and the Arrangers of the final terms and conditions (and each material aspect) of the Merger with certain previously agreed upon exceptions; (f) since December 31, 2004, no changes, occurrences or developments shall have occurred regarding the Company, WellChoice (as hereinafter defined), any of their respective subsidiaries or the transactions contemplated by the Loan Agreement (including the Merger) that, either individually or in the aggregate, have had a material adverse effect on the business, results of operations or financial

condition of the Company and its subsidiaries (which for such purpose included WellChoice and its subsidiaries), taken as a whole (with certain previously agreed upon exceptions); (g) the representations and warranties of the Company and Anthem Holdings being true and correct in all material respects, which representations and warranties included: (1) the receipt of all government, shareholder and third party consents and approvals necessary in connection with the performance and enforceability of the Company's and Anthem Holdings' obligations under the 5-Year Credit Agreement and the Guaranty; (2) compliance by the Company and its subsidiaries with laws and material agreements; (3) delivery of financial statements when due under the 5-Year Credit Agreement; (h) the absence of any default under the 5-Year Credit Agreement at the time any loans or other extensions of credit are made thereunder or would result from the making of such loans or other extensions of credit; and (i) the satisfaction of such other conditions as are customary for transactions of this nature.

The Company may elect for Loans incurred under the Loan Agreement to bear interest at a rate per annum equal to either (i) the Eurodollar rate (as in effect from time to time for the relevant interest period) plus an applicable margin, ranging from 0.30% to 0.625%, based upon the debt rating of the Company's senior unsecured long-term debt or (ii) a base rate option. The final maturity of the Loan Agreement is 364 days from the Bridge Loan Closing Date. The Loan Agreement contains customary affirmative covenants for transactions of this nature regarding, among other things, the Company's use of proceeds, delivery of financial and other information to the lenders, maintenance of records, compliance with law, maintenance of property and insurance and conduct of business. The Loan Agreement also contains certain customary negative covenants for transactions of this nature limiting the ability of the Company and/or its subsidiaries to, among other things, enter into transactions with affiliates, incur debt, materially change its corporate structure, dispose of assets and requiring the Company to maintain a total debt to capital ratio of not more than 40%. The foregoing limitations are subject to certain customary exceptions for transactions of this nature. The Loan Agreement includes events of default (and related remedies, including acceleration of the Loans made thereunder) usual for facilities of this type, including payment default, covenant default (including breaches of the covenants described above), material inaccuracy of representations and warranties, bankruptcy and involuntary proceedings, change of control, default under other agreements and judgment default. Many of the defaults are subject to certain materiality thresholds and grace periods consistent with transactions of this nature.

The agents and the lenders under the Loan Agreement and their affiliates have provided, and future lenders under the Loan Agreement may provide, various investment banking, other commercial banking and/or financial advisory services to WellPoint for which they have received, and will in the future receive, customary fees.
