This communication is not an offering document and does not constitute an offer to sell or the solicitation of an offer to buy any securities or a solicitation of any vote or approval. Investors in American Depositary Shares (ADSs) of Telesp Celular Participações S.A. (TCP), Tele Centro Oeste Celular Participações S.A. (TCO), Tele Sudeste Celular Participações S.A. (TSD) and Tele Leste Celular Participações S.A. (TLE) and U.S. holders of ordinary shares and preferred shares of TCP, TCO, TSD, TLE and Celular CRT Participações S.A. (CRTPart and, together with TCP, TCO, TSD and TLE, the Companies) are urged to read the U.S. prospectus (which, in the case of holders of ADSs or U.S. holders of shares of TCP, serves as an information statement) because it contains important information. The U.S. prospectus prepared for holders of ADSs of TCO, TSD and TLE and for U.S. holders of ordinary shares and preferred shares of TCO, TSD, TLE and CRTPart (which also serves as an information statement for holders of ADSs of TCP and U.S. holders of shares of TCP) has been filed with the SEC as part of Registration Statement on Form F-4 of TCP, as amended, which Registration Statement has been declared effective. Investors and security holders may obtain a free copy of the U.S. prospectus and other documents filed by TCP with the SEC at the SEC s website at www.sec.gov. A copy of the U.S. prospectus may also be obtained for free from TCP.

This communication contains forward-looking statements. These statements are statements that are not historical facts, and are based on estimates of future economic circumstances, industry conditions, company performance and financial results. Statements regarding future financial results, business strategies, future synergies, future costs and future liquidity of the Companies are examples of forward-looking statements. Such statements are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
