Commission File No. 333-134438

On July 5, 2006, Discovery Partners International, Inc. (DPI) issued a press release announcing that it had completed the sale of all of its drug discovery service operations to Galapagos NV for \$5.4 million (EUR4.25 million) in cash. The text of the press release is as follows:

SAN DIEGO, Calif. July 5, 2006 /PRNewswire/ Discovery Partners International, Inc., or DPI (Nasdaq: DPII), today announced the completion of the sale of all of DPI s drug discovery service operations to Galapagos NV (Euronext & LSE: GLPG) for \$5.4 million (EUR4.25 million) in cash.

The closing of this transaction has added to DPI s Net Cash balance for purposes of determining the exchange ratio to be used in DPI s previously announced merger with Infinity Pharmaceuticals, both by increasing DPI s cash position as well as by reducing the liabilities that will be deducted from its cash position in calculating the Net Cash balance under its merger agreement with infinity.

About Discovery Partners International, Inc.

Prior to the completion of the transaction with Galapagos NV, DPI was a small molecule and natural product-based drug discovery company, offering collaborations and services complementing the internal capabilities of pharmaceutical and biopharmaceutical companies. Following the completion of this transaction, DPI no longer has any active operations. DPI is headquartered in San Diego.

Forward looking statements

This release contains certain forward-looking statements that involve risks and uncertainties that could cause actual results to be materially different from historical results or from any future results expressed or implied by such forward-looking statements. You are urged to consider statements that include the words may, will, would, could, should, believes, estimates, projects, potential, expects, plans, continues, forecast, designed, goal, or the negative of those words or other comparable words to be uncertain and forward- looking. Any forward-looking statements are made pursuant to Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Any forward-looking statements made by DPI speak only as of the date made. DPI undertakes no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

Such forward-looking statements include statements regarding the proposed merger between DPI and Infinity, including with respect to the exchange ratio to be used and DPI s ability to consummate that transaction. Factors that may cause actual results to differ materially include the risk that DPI s Net Cash at closing of the Infinity merger will be lower than currently anticipated and the risk that the Infinity merger will not close for any number of possible reasons.
