Sara Lee Corporation

Introduction to the Unaudited Pro Forma Consolidated Financial Statements

The following unaudited pro forma consolidated financial statements of Sara Lee Corporation (Sara Lee) adjust the historical financial statements for the following businesses that have been or will be disposed of:

The corporation completed the spin off of its Branded Apparel Americas / Asia business, which is known as Hanesbrands Inc. (Hanesbrands) on September 5, 2006.

The corporation has reported the following seven businesses as discontinued operations during 2006: U.S. Retail Coffee, European Branded Apparel, European Nuts and Snacks, U.K. Apparel, U.S. Meat Snacks and European Meats businesses. Each of these businesses, except for the European Meats business, was sold in fiscal year 2006. The European Meats business was sold in early fiscal year 2007.

The historical financial information of Sara Lee set forth below has been derived from the historical audited and unaudited consolidated financial statements of Sara Lee included in the Annual Report on Form 10-K for the year ended July 2, 2005 and the Quarterly Report on Form 10-Q for the quarter ended April 1, 2006. The unaudited pro forma balance sheet was prepared as if the dispositions occurred as of April 1, 2006 and the adjustments give effect to events that are directly attributable to the transaction, regardless if they have a continuing impact or are nonrecurring. The unaudited pro forma consolidated statements of income were prepared as if the dispositions occurred on June 30, 2002 and the adjustments give effect to events that are directly attributable to the transaction and have a continuing impact on the results of operations of Sara Lee. The pro forma adjustments are based on factually supportable available information and certain assumptions that management believes are reasonable.

The unaudited pro forma statements presented do not purport to represent what the results of operations or financial position of Sara Lee would actually have been had the transactions occurred on the dates noted above, or to project the results of operations or financial position of Sara Lee for any future periods. In the opinion of management, all necessary adjustments to the unaudited pro forma financial information have been made.

The unaudited pro forma consolidated financial statements should be read in conjunction with Management's Discussion and Analysis of Financial Condition and the historical financial statements and related notes thereto of Sara Lee included in the 2005 Annual Report on Form 10-K and the Quarterly Report on Form 10-Q for the quarter and nine months ended April 1, 2006.

The spin off of Hanesbrands will be accounted for as a discontinued operation under Financial Accounting Standards No. 144, Accounting for the Impairment or Disposal of Long-Lived Assets, when Sara Lee issues financial statements for the first period that ends after completing the spin. These will be the financial statements for the first quarter of fiscal 2007. The Hanesbrands business was included in the corporation's Branded Apparel segment in the corporation's historical Consolidated Financial Statements. The unaudited pro forma financial information reflects Hanesbrands as a discontinued operation and, accordingly, net assets and results of operations are excluded from the continuing operations of Sara Lee.

Edgar Filing: LEE SARA CORP - Form 8-K

- (c) - Represents the Hanesbrands Inc. results of operations for the period.
- (d) - In preparing its financial statements, the corporation recognizes an additional minimum pension obligation if the difference between the accumulated benefit obligation of a plan and its related assets exceeds the liability recognized on the balance sheet. In establishing the required additional minimum obligation, a charge is recognized in other comprehensive income. The tax effect of any charge is also recognized in other comprehensive income. However, in accordance with FAS 109, the establishment of a valuation allowance relating to a previously established deferred tax asset is reflected as a charge against earnings, even when the beginning of year deferred tax asset relates to an amount in other comprehensive income.

During the preparation of the fiscal 2006 financial statements, it was determined that the corporation had inadvertently excluded deferred tax assets related to the additional minimum pension obligation in the United Kingdom (UK) in connection with establishing a valuation allowance against its UK deferred tax assets for fiscal years 2003, 2004 and 2005. Consistent with the manner in which other deferred tax assets in the UK were evaluated in fiscal 2003, the corporation should have recognized a full valuation allowance on deferred tax assets established in fiscal 2003 and prior years. In addition, consistent with the manner in which other deferred tax assets in the UK were evaluated in fiscal 2004 and 2005, the corporation should have also recognized a full valuation allowance on the incremental deferred tax assets related to changes in the additional minimum pension obligation in those years.

The effect of understating the valuation allowance as described above had no impact on net income in fiscal 2004 or 2005, but resulted in the understatement of income tax expense and overstatement of net income in fiscal 2003 by \$47 million (\$0.06 per diluted share). In addition, deferred tax assets and shareholders' equity were each overstated by \$186 million, \$189 million and \$206 million in fiscal 2003, 2004 and 2005, respectively. Accumulated other comprehensive income was overstated by \$139 million, \$142 million and \$159 million in fiscal 2003, 2004 and 2005, respectively.

The corporation expects to file its fiscal 2006 Form 10-K on September 14, 2006. The historical financial statements included in the Form 10-K will be restated to reflect the corrections noted above.
