Science Applications International Corporation Management Stock Compensation Plan, the Science Applications International Corporation Key Executive Stock Deferral Plan and the AMSEC Employees 401(k) Profit Sharing Plan. Only shares of class A preferred stock may be issued under the Science Applications International Corporation 1999 Stock Incentive Plan. Shares of class A preferred stock are divided into series A-1, series A-2, series A-3 and series A-4 preferred stock, and are convertible into common stock subject to certain limitations set forth in Registrant's restated certificate of incorporation. In addition, this Registration Statement covers an indeterminate number of shares of common stock issuable on conversion of class A preferred stock. No separate consideration will be received for the common stock that is issuable upon conversion of the class A preferred stock.

- (2) In addition, pursuant to Rule 416(c) under the Securities Act of 1933, this Registration Statement covers an indeterminate amount of plan interests to be offered or sold pursuant to the Science Applications International Corporation Retirement Plan and the AMSEC Employees 401(k) Profit Sharing Plan. This Registration Statement also covers, pursuant to Rule 416(a) under the Securities Act of 1933, any additional shares of class A preferred stock and common stock which become issuable under the Plans by reason of any stock dividend, stock split, recapitalization or other similar transaction in accordance with the adjustment provisions of the Plans.
- (3) The class A preferred stock is not publicly traded, but each share is convertible into one share of common stock. Therefore, the registration fee for the class A preferred stock and the common stock has been determined, in accordance with Rule 457(c) and 457(h) under the Securities Act of 1933, on the basis of the average of the high and low prices of the common stock on the New York Stock Exchange on October 13, 2006.
- (4) Pursuant to Rule 457(p) under the Securities Act of 1933, Registrant hereby offsets from the registration fee required in connection with this Registration Statement an aggregate of \$147,920 in fees previously paid consisting of: (i) \$22,872 previously paid by Registrant in connection with the registration of 25,000,000 shares of class A preferred stock and common stock being offered pursuant to the Registration Statement on Form S-4 (Registration No. 333-128022) initially filed with the Securities and Exchange Commission on September 1, 2005, which shares are in excess of those to be used in connection with the merger described in the Explanatory Note, (ii) \$50,758 previously paid by Registrant in connection with the registration of 28,750,000 shares of common stock being offered pursuant to the Registration Statement on Form S-1 (Registration No. 333-128021) initially filed with the Securities and Exchange Commission on September 1, 2005, which shares are in excess of those being sold in Registrant's public offering of common stock, and (iii) \$74,290 previously paid by Science Applications International Corporation, a wholly-owned subsidiary of Registrant, in connection with the registration of its class A common stock pursuant to Registration Statements on Form S-8 (Registration No. 333-119145 filed on September 21, 2004 (which incorporated Registration Statement No. 333-108286 filed August 28, 2003 and Registration Statement No. 333-98979 filed August 30, 2002), and Registration No. 333-123095 filed on March 2, 2005 (which incorporated Registration Statement No. 333-113202 filed on March 1, 2004)), which shares remain unsold after the completion of the offerings contemplated by such Registration Statements.

**EXPLANATORY NOTE**

We entered into an Agreement and Plan of Merger, or the merger agreement, as amended and restated as of July 24, 2006, with Science Applications International Corporation ( Old SAIC ) and SAIC Merger Sub, Inc. Pursuant to the merger agreement, our newly created wholly-owned subsidiary, SAIC Merger Sub, Inc., merged with and into Old SAIC, as a result of which Old SAIC became our wholly-owned subsidiary. In the merger, each share of class A common stock of Old SAIC was converted into the right to receive two shares of our class A preferred stock and, subject to the exercise of appraisal rights, each share of class B common stock of Old SAIC was converted into the right to receive forty shares of our class A preferred stock. Our class A preferred stock is convertible on a one-for-one basis into shares of our common stock.

In connection with the merger, our board of directors and stockholder and the board of directors and stockholders of Old SAIC approved and adopted the 2006 Equity Incentive Plan and the 2006 Employee Stock Purchase Plan. The other Plans were either assumed by us or otherwise permit us to issue our class A preferred stock or common stock in lieu of the shares of class A common stock of Old SAIC previously issuable thereunder.

This Registration Statement registers shares of our class A preferred stock and common stock that may be purchased or issued upon the exercise of options or awards that have been or may be granted under the 2006 Equity Incentive Plan and the Science Applications International Corporation 1999 Stock Incentive Plan; or may be issued and delivered to a trustee or agent for the benefit of employees under the Science Applications International Corporation Retirement Plan; the Science Applications International Corporation Stock Compensation Plan; the Science Applications International Corporation Management Stock Compensation Plan; the Science Applications International Corporation Key Executive Stock Deferral Plan; the 2006 Employee Stock Purchase Plan; and the AMSEC Employees 401(k) Profit Sharing Plan.

Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

The validity of the issuance of the shares of class A preferred stock and common stock offered hereby has been passed upon for us by Douglas E. Scott, Esq., Senior Vice President, General Counsel and Secretary of the Registrant. As of October 17, 2006, Mr. Scott owned of record 128,485 shares of class A preferred stock, had the right to acquire an additional 659,989 shares pursuant to previously granted stock options and beneficially owned a total of 48,492 shares through the retirement plan and key executive stock deferral plan of the Registrant and its subsidiary.

Item 6. Indemnification of Directors and Officers

Section 145 of the General Corporation Law of the State of Delaware permits a Delaware corporation to indemnify its directors, officers, employees and agents, subject to certain limitations.

As permitted by the General Corporation Law of the State of Delaware, our restated certificate of incorporation includes a provision that eliminates the personal liability of our directors for monetary damages for breach of fiduciary duty as a director, except for liability (1) for any breach of the director's duty of loyalty to us or our stockholders, (2) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (3) under Section 174 of the General Corporation Law of the State of Delaware or (4) for any transaction from which the director derived an improper personal benefit.

As permitted by the General Corporation Law of the State of Delaware, our restated certificate of incorporation provides that (1) we shall indemnify our directors and officers to the fullest extent permitted by the General Corporation Law of the State of Delaware, subject to certain limited exceptions, (2) we may indemnify our other employees and agents as set forth in the General Corporation Law of the State of Delaware, (3) we are required to advance expenses, as incurred, to our directors and executive officers in connection with a legal proceeding to the fullest extent not prohibited by applicable law, subject to the receipt by us of an undertaking to repay such amounts to the extent required by law and (4) the rights conferred in the restated certificate of incorporation are not exclusive.

We have entered into indemnification agreements with each of our directors and executive officers to give such directors and officers additional contractual assurances regarding the scope of the indemnification set forth in our restated certificate of incorporation and to provide additional procedural protections. We also intend to enter into indemnification agreements with any new directors, executive officers and board-appointed officers in the future.

The exculpation and indemnification provisions in our restated certificate of incorporation and the indemnification provisions of indemnification agreements that have been entered into between us and each of our directors and executive officers may be sufficiently broad to permit indemnification of our directors and executive officers for liabilities arising under the Securities Act of 1933.

We also intend to maintain director and officer liability insurance, if available on reasonable terms, to insure our directors and officers against the cost of defense, the cost of settlement or payment of a judgment under certain circumstances.

Item 9. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

*Provided, however,*

Paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the Registration Statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
