Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Katherine P. Ellis, NATCO's General Counsel, will pass upon the validity of the issuance of the common stock offered by this registration statement for NATCO Group Inc. As of November 15, 2006, Ms. Ellis owned 8,274 shares of common stock (including 1,800 shares of restricted stock as to which the restrictions have not lapsed) and had the right to acquire 44,127 shares of NATCO's common stock through the exercise of options, 23,456 of which are vested currently. Ms. Ellis is eligible to receive grants and awards under the 2006 Long-Term Incentive Compensation Plan, if and as authorized by the Governance, Nominating and Compensation Committee of NATCO's Board of Directors.

Item 6. Indemnification of Directors and Officers.

Our Restated Certificate of Incorporation, as amended, provides that, to the fullest extent permitted by the Delaware General Corporation Law as the same exists or may be hereafter amended (the "DGCL"), no director of NATCO Group shall be personally liable to us or our stockholders for monetary damages for any breach of fiduciary duty by such a director as a director. Article VI of our Amended and Restated Bylaws, as amended, also provides that we may maintain insurance, at our own expense, to protect us and any director, officer, employee or agent of us or of another entity against any expense, liability, or loss, regardless of whether we would have power to indemnify such person against such

expense, liability or loss under the DGCL.

II-1

Section 145 of the DGCL authorizes, *inter alia*, a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), by reason of the fact that the person is or was an officer or director of such corporation, or is or was serving at the request of that corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. A Delaware corporation may indemnify past or present officers and directors of that corporation or of another corporation or other enterprise at the former corporation's request, in an action by or in the right of the corporation to procure a judgment in its favor under the same conditions, except that no indemnification is permitted without judicial approval if that person is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in defense of any action referred to above, or in defense of any action referred to above, or in defense of any claim, issue or matter therein, the corporation must indemnify him against the expenses (including attorneys' fees) which he actually and reasonably incurred in connection therewith. Section 145 further provides that any indemnification shall be made by the corporation only as authorized in each specific case upon a determination by (i) the stockholders, (ii) the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, (iii) a committee of such directors designated by majority vote of such directors, even though less than a quorum, or (iv) independent counsel if a quorum of disinterested directors so directs. Section 145 provides that indemnification pursuant to its provision is not exclusive of other rights of indemnification to which a person may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

Section 145 of the DGCL also empowers us to purchase and maintain insurance on behalf of any person who is or was an officer or director of NATCO Group Inc. against liability asserted against or incurred by him in any such capacity, whether or not we would have the power to indemnify such officer or director against such liability under the provisions of Section 145.

In addition, we have entered into indemnification agreements with our directors and certain of our officers. These indemnification agreements, among other things, indemnify our directors and such officers for certain expenses (including attorneys' fees), judgments, fines, and settlement payments incurred by such person in any action, including in some circumstances an action by or in the right of us, in connection with the good faith performance of their duties as a director or such officer. The indemnification agreements also provide for the advance payment by us of defense expenses incurred by the director or such officer; however, the affected director or officer must undertake to repay such amounts if it is ultimately determined that such director or officer is not entitled to be indemnified.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings

a. **Rule 415 Offering.** The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (a) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (b) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;
 - (c) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;
provided, however, that paragraphs (1)(a) and (1)(b) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

- b. **Incorporation of Subsequent Filings by Reference.** The undersigned registrant hereby undertakes that, for the purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- c. **Form S-8 Filing.** Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
