**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

On February 21, 2007, the Organization and Executive Compensation Committee (the Committee) of the Board of Directors of Northwest Natural Gas Company (the Company) approved revisions to the Company's standard form of Long-Term Incentive Award Agreement under the Long-Term Incentive Plan. The prior form of this agreement provided that upon a change in control of the Company, outstanding awards would pay out 100% of the target award. The revised form of agreement provides that upon a change in control of the Company, (i) the amounts paid will be pro-rated based on the portion of the award period completed prior to the change in control, and (ii) for the portion of the award payable based on total shareholder return relative to a peer group of companies, actual stock performance through the date of the change in control will be applied to determine a gross payout amount before applying the above pro-ratio. Also on February 21, 2007, the Committee made annual performance share awards to the executive officers for the 2007-2009 performance period on terms otherwise materially consistent with prior awards. A copy of the revised form of Long-Term Incentive Award Agreement is filed as Exhibit 10.1 hereto.
