2. Method of Exercise

Kookmin Bank may respond to a grantee's exercise of his or her stock options by choosing one of the following:

- issuing him or her new common shares,
- delivering him or her treasury shares (which will be common shares), or
- giving him or her cash or treasury shares, the value of which is equivalent to the difference between the exercise price and the market price.

3. Exercise Price

Exercise price = (Base Price) Won x (1 + TRS of the three major competitors x 0.4)

(1) Rounded up to the nearest 100 Won.

(2) (Base Price) Won is the arithmetic mean of the following three numbers: the sum

of the daily closing price multiplied by the daily trading volume divided by the daily trading volume for the common shares during each of the following periods: (i) two months prior to, but excluding, the grant date; (ii) one month prior to, but excluding, the grant date; and (iii) one week prior to, but excluding, the grant date.

Base Price

Date of Grant	(Base Price) Won
February 8, 2007	77,100
October 27, 2006	76,600
April 28, 2006	81,900

(3) TRS of the three major competitors shall mean (the sum of each of the three major competitor s Total Market Cap at the expected exercise price confirmation date *less* the sum of each of the three major competitor s Total Market Cap at the grant date) divided by the sum of each of the three major competitor s Total Market Cap at the grant date.

Total Market Cap at the expected exercise price confirmation date shall mean the expected exercise price confirmation date closing price multiplied by the number of outstanding shares as of the expected exercise price confirmation date. The expected exercise price confirmation date closing price shall be the arithmetic mean of the following three numbers: the sum of the daily closing price multiplied by the daily trading volume divided by the daily trading volume for the common shares during each of the following periods: (i) two months prior to, but excluding, the expected exercise price confirmation date; (ii) one month prior to, but excluding, the expected exercise price confirmation date; and (iii) one week prior to, but excluding, the expected exercise price confirmation date.

Total Market Cap at the grant date shall mean the grant date closing price multiplied by the number of outstanding shares as of the grant date. The grant date closing price shall be the arithmetic mean of the following three numbers: the sum of the daily closing price multiplied by the daily trading volume divided by the daily trading volume for the common shares during each of the following periods: (i) two months prior to, but excluding, the grant date; (ii) one month prior to, but excluding, the grant date; and (iii) one week prior to, but excluding, the grant date.

(4) Three major competitors shall mean the Shinhan Financial Group, Hana Financial Group and Woori Financial Group.

(5) In the event of (i) a grantee s early retirement, the day before such retirement date or (ii) the expected exercise price confirmation date falling on a holiday, the day before such holiday, each such day shall be deemed the expected exercise price confirmation date.

Table of Contents

(6) If the growth rate of the three major competitors Total Market Cap is negative, the exercise price shall be (Base Price) Won.

4. Exercise Period

Date of Grant	Exercise Period
February 8, 2007	From February 9, 2010 to February 8, 2015
October 27, 2006	From October 28, 2009 to October 27, 2014
April 28, 2006	From April 29, 2009 to April 28,2014

5. Adjustment to Exercise Price and Number of Stock Options

In the event that there is a capital increase, stock dividend, stock split, reverse stock split, merger or consolidation, or a decrease in number of outstanding shares due to capital reduction, redemption of stock using retained earnings or redemption of redeemable stock, and such event requires an adjustment in the exercise price or number of exercisable shares pursuant to these stock option grants, then such adjustment shall be made in accordance with a resolution passed by our board of directors.

6. Adjustment Following Resignation

If any grantee resigns or ceases his/her office before completing his/her term but after the conditions for exercising his/her stock options have been satisfied, such grantee may exercise his/her options, adjusted pursuant to the formula below and rounded down to the nearest whole share.

Formula

Exercisable number of shares shall mean the number of shares granted by the stock option grant multiplied by the number of days at work after the stock option grant divided by the number of days in the granting period(1 ~ 3 yrs).
