The terms of the Notes will be determined by negotiations between the Company and the purchasers of the Notes. The Notes are expected to have a maturity of up to 15 years and an interest rate of 6.33%. The Company intends to use the proceeds from this long-term financing to make capital contributions to its principal affiliates, Unitil Energy Systems, Inc. and Fitchburg Gas and Electric Light Company, to enable them to refinance existing short-term debt and for general corporate purposes of the Company and its subsidiaries.

This notice shall not constitute an offer to sell or a solicitation of an offer to buy, nor shall there be any sale of the Notes in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful.
