Section 8. Other Events

Item 8.01. Other Events.

On August 17, 2007, State Auto Financial Corporation (the *Company*) announced that its board of directors had declared a 50 percent increase in the Company's regular quarterly cash dividend from \$0.10 to \$0.15 per share. The first such dividend is payable September 28, 2007 to shareholders of record at the close of business on September 14, 2007.

At the same time, the Company announced that its board of directors had authorized the Company to repurchase, from time to time, up to 4.0 million shares, or approximately 10% of its outstanding common stock, through an open market purchase program subject to the provisions of SEC Rule 10b-18 and in privately negotiated transactions over a period extending to and through December 31, 2009. The Company will repurchase shares from State Automobile Mutual Insurance Company, which owns approximately 65 percent of the Company's stock, and other shareholders, in amounts that are proportional to the respective current ownership percentages of State Automobile Mutual and other shareholders. The Company's management will determine the timing and amount of any repurchase based upon its evaluation of market conditions, share price and other factors. It is currently management's intention that the stock repurchase program be funded from the Company's working capital. The stock repurchase program may be terminated at any time.

Attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by reference is a press release issued by the Company on August 17, 2007, announcing the dividend increase and the stock repurchase program.
