ITEM 7.01 REGULATION FD DISCLOSURE

In accordance with General Instruction B.2. to Form 8-K, the following information shall not be deemed filed for purposes of Section 18 of the Securities Act of 1934, as amended, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing.

Navistar International Corporation (the company), the nation's largest combined commercial truck, school bus and mid-range diesel engine producer, will present via live web cast its second quarter fiscal 2008 operational metrics and discuss other business affecting the company on Wednesday, May 28th. A live web cast is scheduled at approximately 10:00AM EDT. Speakers on the web cast will include Daniel C. Ustian, Chairman, President and Chief Executive Officer, Bill Caton, Executive Vice President and Chief Financial Officer, Terry Endsley, Senior Vice President and Treasurer, and other company leaders.

In addition, the company announced that Daniel C. Ustian, Chairman, President and Chief Executive Officer, will discuss business opportunities and other matters related to the company during the JPMorgan Basics and Industrials Conference at the Sheraton New York Hotel & Towers on Tuesday, June 3rd at 1:30 PM EDT.

The web casts can be accessed through a link on the investor relations page of Navistar's web site at <http://ir.navistar.com/events.cfm>. Investors are advised to log on to the website at least 15 minutes prior to the start of the web casts to allow sufficient time for downloading any necessary software. The web casts will be available for replay at the same address approximately three hours following their conclusion, and will remain available for a period of 10 days.

Navistar International Corporation (Other OTC: NAVZ) is a holding company whose wholly owned subsidiaries produce International® brand commercial and military trucks, MaxxForce brand diesel engines, IC brand school and commercial buses, and Workhorse brand chassis for motor homes and step vans. It also is a private-label designer and manufacturer of diesel engines for the pickup truck, van and SUV markets. The company also provides truck and diesel engine parts and service. Another affiliate offers financing services. Additional information is available at www.navistar.com.

Forward Looking Statements

Information provided and statements contained in this report that are not purely historical are forward-looking statements within the meaning of Section 27A of the Securities Act, Section 21E of the Exchange Act of 1934, and the Private Securities Litigation Reform Act of 1995. Such forward-looking statements only speak as of the date of this report and the company assumes no obligation to update the information included in this report. Such forward-looking statements include information concerning our possible or assumed future results of operations, including descriptions of our business strategy. These statements often include words such as believe, expect, anticipate, intend, plan, estimate or similar expressions. These statements are not guarantees of performance or results and they involve risks, uncertainties and assumptions, including the risk of continued delay in the completion of our financial statements and the consequences thereof, the availability of funds, either through cash on hand or the company's other liquidity sources, to repay any amounts due should any of the company's debt become accelerated, and decisions by suppliers and other vendors to restrict or eliminate customary trade and other credit terms for the company's future orders and other services, which would require the company to pay cash and which could have a material adverse effect on the company's liquidity position and financial condition. Although we believe that these forward-looking statements are based on reasonable assumptions, there are many factors that could affect our actual financial results or results of operations and could cause actual results to differ materially from those in the forward-looking statements. For a further description of these factors, see Item 1A. Risk Factors of our Form 10-K for the fiscal year ended October 31, 2005, which was filed on December 10, 2007.
