Forward Looking Statement

Forward Looking Statement

This presentation contains forward-looking statements, such as projected operating results, earnings and cash flows, that are subject to known and unknown risks and uncertainties that could cause actual results to differ materially from any future results, performance or achievements expressed or implied by those forward-looking statements.

You
should
understand
that
the
risks,
uncertainties,
factors
and
assumptions
listed
and
discussed
in

this prospectus, including the following important factors and assumptions, could affect the future results of Smucker following the Transactions and could cause actual results to differ materially from those expressed in the forward-looking statements: (i) volatility of commodity markets from which raw materials, particularly corn, wheat, soybean oil, milk and green coffee beans, are procured and the related impact on costs; (ii) the successful integration of the Coffee Business with Smucker's business, operations and culture and the ability to realize synergies and other potential benefits of the Transactions within the time frames currently contemplated;

(iii)
crude
oil
price
trends
and
their
impact
on
transportation,
energy,
and
packaging
costs;

(iv)
the
ability
to
successfully implement price changes; (iv) the success and cost of introducing new products and the competitive response; (v) the success and cost of marketing and sales programs and strategies intended to promote growth in Smucker's businesses, which will include the Coffee Business after the completion of the Transactions;

(vi)
general
competitive
activity
in
the
market,
including

competitors
pricing
practices
and

promotional spending levels; (vii) the concentration of certain of Smucker's businesses, which will include the Coffee Business after the completion of the Transactions, with key customers and the ability to manage and maintain key customer relationships; (viii) the loss of significant customers or a substantial reduction in orders from these customers or the bankruptcy of any such customer; (ix) changes in consumer coffee preferences, and other factors affecting the Coffee Business, which will represent a substantial portion of Smucker's business after the completion of the Transactions; (x) the ability of Smucker and Folgers to obtain any required financing; (xi) the timing and amount of Smucker's capital expenditures, restructuring, and merger and integration costs; (xii) the outcome of current and future tax examinations and other tax matters, and their related impact on Smucker's tax positions; (xiii) foreign currency and interest rate fluctuations; (xiv) other factors affecting share prices

and
capital
markets
generally;
and

(xv)
the
other
factors
described

under
Risk
Factors

in
the
registration

statements filed by Folgers and Smucker with the Securities and Exchange Commission and in the other reports

and
statements
filed

by
Smucker
with
the

Securities
and
Exchange
Commission,

including
its

most
recent

Annual Report on Form 10-K and the preliminary proxy materials prepared in connection with the Folgers transaction.

You are cautioned not to unduly rely on such forward-looking statements, which speak only as of the date made, when evaluating the information presented in this prospectus. None of Smucker, Folgers, P&G or any of their

respective advisors assumes any obligation to update or revise these forward-looking statements to reflect new events or circumstances.

Additional Information
Additional Information
Smucker and Folgers have filed registration statements with the U. S. Securities and Exchange
Commission
(SEC)
registering

the
common
shares
to
be
issued
to
P&G
shareholders
in
connection
with

the Folgers transaction but those registration statements have not become effective. Smucker has also filed a proxy statement with the SEC that will be sent to the shareholders of Smucker after it has been finalized. Shareholders are urged to read the proxy statement and the prospectus included in the registration statements and any other relevant documents when they become available, because they will contain important information about Smucker, Folgers and the proposed transaction. The proxy statement, prospectus and other documents relating to the proposed transaction (when they are available) can be obtained free of charge from the SEC's website at www.sec.gov.
