Other than as set forth above, the Reporting Persons acquired their interests in the securities described in Item 5 of this statement through the Merger Agreement (defined below) as described in more detail in Item 4.

The Reporting Persons acquired the securities of Global Ship Lease for investment purposes, except as otherwise stated herein. The information set forth in Item 4 of this Schedule 13D are hereby incorporated by reference herein.

Item 4. Purpose of Transaction.

Marathon was formed on April 27, 2006 as a blank check company for the purpose of acquiring, through a merger, stock exchange, asset acquisition, reorganization or similar business combination, one or more operating businesses (a Business Combination). Marathon Founders, which is owned and controlled by Mr. Gross, and certain individuals were the founding shareholders of Marathon (the Founders), having purchased 9,225,000 shares of Marathon's common stock and 150,000 shares of Marathon's common stock, respectively (the Founders' Common Stock) in private placements that occurred prior to Marathon's initial public offering (the IPO) on August 30, 2006, in which Marathon offered for sale 37,500,000 of its units, each unit consisting for one share of Marathon's common stock and one warrant (the Warrants). On September 27, 2006, the underwriters exercised their over-allotment option and purchased an additional 2,535,850 units, for an aggregate of 40,035,850 units sold to the public in connection with the IPO. In addition, on May 11, 2006, Marathon Investors, owned and controlled by Mr. Gross, agreed to purchase an aggregate of 5,500,000 warrants (the Founder Warrants) at a purchase price of \$1.00 per warrant in a private placement that occurred immediately prior to the consummation of Marathon's IPO pursuant to a purchase agreement (the Founder Warrant Purchase Agreement). The Warrants and the Founder Warrants were issued pursuant to a Warrant Agreement, dated as of August 30, 2006 by and between Marathon and The Bank of New York, a New York trust company (the successor thereto under the Warrant Agreement, Mellon Investor Services LLC, a New Jersey limited liability company), as Warrant Agent, (the Warrant Agreement). Each Warrant entitles the holder to purchase one share of Marathon's common stock at a price of \$6.00. Pursuant to the Warrant Agreement, the Founder Warrants held by Marathon Investors (i) were not exercisable until the consummation of a Business Combination, (ii) were not transferable or salable by Marathon Investors or its permitted transferees until Marathon completed a Business Combination and (iii) will not be redeemed by Marathon while they are held by Marathon Investors or a permitted transferee. The Warrants and the Founder Warrants will expire on August 24, 2010, unless earlier redeemed. The conditions to exercise the Founder Warrants have been satisfied and such Founder Warrants are freely transferable and salable.

On March 18, 2008, Marathon entered into a supplemental agreement (the First Supplemental Founder Warrant Purchase Agreement) to the Founder Warrant Purchase Agreement to correct an inconsistency in Exhibit B to the Founder Warrant Purchase Agreement, which sets forth the restrictive legend to be placed on the Founder Warrants.

On March 18, 2008, Marathon entered into a supplemental agreement (the First Supplemental Warrant Agreement) to correct a defective provision, consistent with the terms of the Warrant Agreement and the disclosure contained in Marathon's prospectus, dated August 24, 2006, as to that number of authorized shares underlying the Warrant Certificates (as such term is defined in the Warrant Agreement) that Marathon may execute pursuant to the Warrant Agreement.

On March 24, 2008, Marathon entered into a second supplemental agreement (the Second Supplemental Warrant Agreement) to the Warrant Agreement to alter certain rights affecting the Founder Warrants, consistent with the terms of the Warrant Agreement and having received unanimous consent from all of the holders of the Founder Warrants, to provide that (i) the Founder Warrants must be exercised on a cashless basis and (ii) the Founder Warrants would be subject to Marathon's right of Redemption (as such term is defined in the Warrant Agreement), in each case, if and only if the Merger was consummated. The Merger has been consummated, thus the amendments to the Warrant Agreement set forth in the Second Supplemental Warrant Agreement are in effect.

On August 6, 2008, Marathon entered into a third supplemental warrant agreement (the Third Supplemental Warrant Agreement) to amend the Warrant Agreement (i) by amending the definition of business combination in the Warrant Agreement to include (a) the merger of Marathon with and into another entity and (b) a merger of Marathon into or with a non-U.S. entity and the subsequent business combination with another entity and (ii) by making a conforming change to the merger provision in the Warrant Agreement to include a merger of Marathon into or with a non-U.S. entity. On August 6, 2008, Marathon had concluded its consent solicitation having received the requisite consent of at least a majority of its issued and outstanding warrants to amend the Warrant Agreement pursuant to the Third Supplemental Warrant Agreement.

On March 21, 2008, Marathon, GSL Holdings, Inc., CMA CGM S.A. (CMA CGM) and Global Ship Lease, Inc. entered into the Agreement and Plan of Merger (the Merger Agreement), pursuant to which Marathon merged with and into GSL Holdings, Inc., its newly-formed, wholly owned Marshall Islands subsidiary, and then Global Ship Lease merged with and into GSL Holdings, Inc., with GSL Holdings, Inc. continuing as the surviving company incorporated in the Republic of the Marshall Islands and renamed Global Ship Lease, Inc. (such mergers collectively, the Merger). The Merger Agreement was amended on June 2, 2008 (the Merger Amendment), July 3, 2008 (the Second Merger Amendment) and July 23, 2008 (the Third Merger Amendment). The Merger was consummated on August 14, 2008. In connection with the Merger, and pursuant to the Merger Agreement, as amended, each share of common stock of Marathon issued and outstanding immediately prior to the Effective Time (as defined in the Merger Agreement, as amended) was converted into the right to receive one Class A Common Share of Global Ship Lease, except that, of the aggregate of 9,375,000 shares received by Marathon Founders, LLC and the outside directors of Marathon, (A) 2,846,906 were Class A Common Shares and (B) in lieu of an aggregate of 6,528,094 Class A Common Shares, (x) a portion equaling 3,471,906 shares were Class B Common Shares and (y) a portion equaling 3,056,188 shares were Class A Warrants of Global Ship Lease, in each case determined on a pro rata basis based on the shareholdings of Marathon common stock held by each of Marathon Founders, LLC and the outside directors of Marathon, as of the date of the Merger Agreement, as amended. In addition, CMA CGM received the right to receive an aggregate of (w) 6,778,650 Class A Common Shares, 3,934,050 Class B Common Shares and 12,375,000 Class C Common Shares, (x) 3,131,900 Class A Warrants, (y) 1,000 Series A Preferred Shares of the Global Ship Lease and (z) \$18,570,135 in cash. Each outstanding warrant to acquire a share of Marathon common stock has become a warrant to receive one Class A Common Share of Global Ship Lease. Each outstanding unit of Marathon represents one Class A Common Share of Global Ship Lease and a warrant to acquire one Class A Common Share of Global Ship Lease.

Each of the Reporting Persons intends to review his or its investment on a regular basis and, as a result thereof, may at any time or from time to time determine, either alone or as part of a group, (a) to acquire additional securities of Global Ship Lease, through open market purchases, privately negotiated transactions or otherwise, (b) to dispose of all or a portion of the securities of Global Ship Lease owned by him or it in the open market, in privately negotiated transactions or otherwise, or (c) to take any other available course of action, which could involve one or more of the types of transactions or have one or more of the results described in clauses (a) through (j) of this Item 4.

Any such acquisition or disposition or other transaction would be made in compliance with all applicable laws and regulations. Notwithstanding anything contained herein, the Reporting Persons specifically reserve the right to change their intention with respect to any or all of such matters. In

reaching any decision as to its future courses of action (as well as to the specific elements therein), each Reporting Person currently expects that he would take into consideration a variety of factors, including, but not limited to, the following: Global Ship Lease's business and prospects; other developments concerning Global Ship Lease and its businesses generally; other business opportunities available to the Reporting Person; changes in law and government regulations; general economic conditions; and money and stock market conditions, including the market price of the securities of Global Ship Lease. Except as set forth herein (and after giving effect to the consummated Merger), the Reporting Persons have no present plans or proposals that relate to or that would result in:

- (a) The acquisition by any person of additional securities of Global Ship Lease, or the disposition of securities of Global Ship Lease;
- (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving Global Ship Lease;
- (c) a sale or transfer of a material amount of assets of Global Ship Lease;
- (d) any change in the present board of directors or management of Global Ship Lease, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;
- (e) any material change in the present capitalization or dividend policy of Global Ship Lease;
- (f) any other material change in Global Ship Lease's business or corporate structure;
- (g) changes in Global Ship Lease's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of Global Ship Lease by any person;
- (h) causing a class of securities of Global Ship Lease to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- (i) a class of securities of Global Ship Lease becoming eligible for termination of registration pursuant to Section 12(g)(5) of the Act; or
- (j) any action similar to any of those enumerated above.

Each of the Founder Warrant Purchase Agreement, the First Supplemental Founder Warrant Purchase Agreement, the Warrant Agreement, the First Supplemental Warrant Agreement, the Second Supplemental Warrant Agreement, the Third Supplemental Warrant Agreement, the Merger Agreement, the Merger Amendment, the Second Merger Amendment and the Third Merger Amendment, or forms thereof, which are filed as Exhibits 1 through 10 hereto, respectively, and the information set forth in Item 3 of this Schedule 13D is incorporated by reference herein and the descriptions of such documents in this Schedule 13D are qualified in their entirety by reference to such documents.

(a) The information required by this paragraph is set forth in rows (11) through (13) of the cover page of this Schedule 13D and is incorporated herein by reference. The information in this Item 5(a) gives effect to the consummation of the Merger. As of August 14, 2008, the Reporting Persons are the beneficial owner of an aggregate of approximately 35.08% of the issued and outstanding Class A Common Shares (based upon 41,711,129 outstanding shares, which includes the 33,203,841 Class A Common Shares of the Issuer issued and outstanding as of August 14, 2008, as reported in the Issuer's Report of Foreign Private Issuer on Form 6-K filed on August 20, 2008, as well as the 3,007,288 Class A Common Shares underlying the Class A Warrants held by Marathon Founders, LLC and the 5,500,000 Class A Common Shares underlying the Founder Warrants held by Marathon Investors). Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

Stockholders Agreement

On the effective date of the Merger, in connection with the consummation of the Merger, GSL Holdings, Inc. (to be renamed Global Ship Lease) ("GSL Holdings") entered into a stockholders agreement with CMA CGM and Marathon Founders (the "Stockholders Agreement"), pursuant to which such shareholders agreed not to transfer any common shares of GSL Holdings (excluding common shares underlying the Founder Warrants or received with respect to Marathon securities purchased after Marathon's IPO) prior to the first anniversary of the date of the Merger other than to affiliates or to the members of Marathon Founders who agree to be subject to such transfer restrictions. Notwithstanding the foregoing, CMA CGM is permitted to transfer (i) up to 4,094,600 Class A common shares after the date that is 120 days after the date of the Merger, (ii) Class A common shares to the extent necessary for CMA CGM to satisfy its obligation to return any prepaid amounts pursuant to the asset purchase agreement on or after March 31, 2009, and (iii) up to 125,000 common shares to its directors and employees.

In addition, for a period of five years from the date of the Merger, CMA CGM agreed not to:

acquire additional common shares or other equity securities of GSL Holdings;

make any tender offer or exchange offer for any common shares or other equity securities of GSL Holdings;

make, or take any action to solicit, initiate or encourage, any offer or proposal for, or any indication of interest in, a merger, other business combination or other extraordinary transaction involving GSL Holdings or any of its subsidiaries, or the acquisition of any common shares or other equity interest in, or a substantial portion of the assets of, GSL Holdings or any of its subsidiaries;

propose any changes to the size or members of the board of directors of GSL Holdings;

solicit, or become a participant in any solicitation of, any proxy from any holder of common shares in connection with any vote on the matters described in the two preceding bullet points above, or agree or announce its intention to vote with any person undertaking a solicitation or grant any proxies with respect to any common shares to any person with respect to such matters, or deposit any common shares in a voting trust or enter into any other arrangement or agreement with respect to the voting thereof; or

form, join or in any way participate in a group (within the meaning of the Securities Exchange Act of 1934, as amended) with respect to any common shares of GSL Holdings.

These standstill restrictions will be temporarily released (i) in the event GSL Holdings or its shareholders receive an unsolicited third party tender offer or exchange offer to acquire at least a majority of the outstanding common shares or there is a public announcement of a proposal or offer, or commencement of a proxy contest, to effect a change of control of GSL Holdings, until such time as the board of directors of GSL Holdings notifies CMA CGM that in the good faith determination of the board of directors such offer or proposal or proxy contest has concluded or been withdrawn, (ii) to allow CMA CGM to respond to any vote, offer or other transaction involving a tender offer or exchange offer or a merger, business combination, sale of a substantial portion of assets or other extraordinary transaction that has been approved by the board of directors and/or for which the board of directors has granted its recommendation and (iii) with the prior consent of GSL Holdings. GSL Holdings agrees to include such standstill exceptions in any shareholder rights plan it may adopt.

Registration Rights Agreement

On the effective date of the Merger, in connection with the consummation of the Merger, GSL Holdings entered into a registration rights agreement with Mr. Gross, Marathon Founders, Marathon Investors, CMA CGM and certain other holders of GSL Holdings securities (the Registration Rights Agreement). Under the Registration Rights Agreement, GSL Holdings agreed to register for resale on a registration statement under the Securities Act of 1933, as amended, and applicable state securities laws, the common shares to be issued to such shareholders pursuant to the Merger or upon exercise of the warrants held by such shareholders. CMA CGM will have the right to demand up to three registrations and the Marathon initial stockholders will have the right to demand up to two registrations. These shareholders will also have the right to request that GSL Holdings file a shelf registration statement with respect to their common shares as soon as the applicable transfer restrictions under the stockholders agreement expire.

In addition, these shareholders will also have piggyback registration rights allowing them to participate in offerings by GSL Holdings and in demand registrations of the other shareholders. GSL Holdings will be obligated to pay all expenses incidental to the registration, excluding underwriter discounts and commissions.

Class A Warrant Agreement

On the Effective Date, in connection with the consummation of the Merger, Marathon Founders, LLC and the other holders of Class A Warrants entered into a warrant agreement (the Class A Warrant Agreement) with Global Ship Lease. Under the Class A Warrant Agreement, each Class A Warrant will entitle the registered holder to purchase one Class A Common Share at a price of \$9.25 per share, subject to adjustment. The warrants will be exercisable upon issuance in the Merger and will expire on September 1, 2013. The Class A Warrants may only be exercised if a registration statement under the Securities Act of 1933 is effective and a prospectus is available for delivery by Global Ship Lease.

Class B Common Shares

It is understood that the rights of holders of Class B common shares will be identical to those of holders of Class A Common Shares subject to meeting certain tests, except that the holders of Class B common shares will not be entitled to receive any dividends with respect to any quarter prior to the fourth quarter of 2008 and their dividend rights will be subordinated to those of holders of Class A Common Shares until at least the third quarter of 2011 absent a prior change in control (as defined in Global Ship Lease's amended and restated articles of incorporation (the Articles of Incorporation). In general, during the subordination period, Global Ship Lease will pay quarterly dividends on its Class A Common Shares and subordinated Class B common shares from its operating surplus (as defined in the Articles of Incorporation) in the following manner:

first, 100% to all Class A Common Shares, pro rata, until each outstanding common share has been paid an amount equal to the applicable base dividend for that quarter;

second, 100% to all Class A Common Shares, pro rata, until they have received any unpaid arrearages in the base dividend for prior quarters during the subordination period;

third, 100% to all subordinated Class B common shares, pro rata, until each outstanding Class B common share has been paid an amount equal to the applicable base dividend for that quarter;

after that, 100% to all Class A and Class B common shares, pro rata, as if they were a single class.

Global Ship Lease expects to pay regularly quarterly dividends of \$0.23 per share on its Class A common shares beginning with respect to the third quarter of 2008. In addition to its regular dividend payments, Global Ship Lease intends to pay a starting dividend of \$0.23 per Class A common share in early September. Subject to subordination provisions, the company also expects to pay regular quarterly dividends of \$0.23 per share on its Class B common shares beginning with respect to the fourth quarter of 2008.
