**Item 2.02. Results of Operations and Financial Condition**

On November 6, 2008, Cott Corporation (the Company) issued a press release reporting financial results for the three and nine month periods ended September 27, 2008. A copy of the press release is furnished herewith as Exhibit 99.1 to this Form 8-K and is incorporated by reference into this Item 2.02 as if fully set forth herein.

**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On November 5, 2008, the Company was notified by the New York Stock Exchange (NYSE) that it is not in compliance with the NYSE's continued listing standards (the Notice). Rule 801.01C of the NYSE's Listed Company Manual requires that a company's common shares trade at a minimum average closing price of \$1.00 over a consecutive 30 trading-day period. The Notice indicated that on October 31, 2008, the Company's 30 trading-day average share price was \$0.97 (the Share Price Deficiency).

On November 5, 2008, the Company informed the NYSE that it intends to cure the Share Price Deficiency and is currently evaluating alternatives. Under applicable rules and regulations of the NYSE, the Company has six months from the date of the Notice to cure the Share Price Deficiency. At the end of the six-month cure period, the Company will be in compliance if its share price is at least \$1.00 and it has maintained a \$1.00 average share price over the preceding 30 consecutive trading days. If the Company is not compliant at the end of the cure period, its common stock will be subject to suspension and delisting by the NYSE.

The Company continues to be in compliance with the listing standards of the Toronto Stock Exchange.

**Item 9.01. Financial Statements and Exhibits**

(d) Exhibits.
