PROXY STATEMENT

FOR

2009 ANNUAL MEETING OF STOCKHOLDERS

INFORMATION CONCERNING SOLICITATION AND VOTING

General

Our Board of Directors is soliciting Proxies for the 2009 Annual Meeting of Stockholders to be held at 570 Meridian Avenue, San Jose, California 95126 on Thursday, May 14, 2009, at 10:00 a.m., Pacific Time. The address of our principal executive office is 550 Meridian Avenue, San Jose, California 95126 and our telephone number at this address is 408-938-5200. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters set forth in the attached Notice of Annual Meeting. Please read it carefully.

Beginning on April 3, 2009, we made copies of this Proxy Statement available to persons who were stockholders at the close of business on March 23, 2009, the record date for the annual meeting.

Notice of Internet Availability of Proxy Materials

Pursuant to rules recently adopted by the Securities and Exchange Commission, or the SEC, we have chosen to provide access to our proxy materials over the Internet. We are sending a Notice of Internet Availability of Proxy Materials (the "Notice of Internet Availability") to our stockholders of record and our beneficial owners. All stockholders will have the option to access the proxy materials on a website referred to in the Notice of Internet Availability or to request a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy of the proxy materials are included in the Notice of Internet Availability. You may also request to receive proxy materials in printed form by mail or electronically by e-mail on an ongoing basis.

Electronic Access to Proxy Materials

The Notice of Internet Availability will provide you with instructions on how to:

View on the Internet our proxy materials for our annual meeting; and

Instruct us to send our future proxy materials to you electronically by e-mail.

Choosing to receive future proxy materials by e-mail will save us the cost of printing and mailing the proxy materials to you and will reduce the environmental impact of our annual meeting. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year with instructions including a link to the proxy materials and a link to the proxy voting site. Your election to receive proxy materials by e-mail will remain in effect until you terminate it.

Table of Contents

Costs of Solicitation

We will pay the costs of soliciting proxies from stockholders. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners, including fees associated with:

Forwarding the Notice of Internet Availability to beneficial owners;

Forwarding printed proxy materials by mail to beneficial owners who specifically request them; and

Obtaining beneficial owners' voting instructions.

Certain of our directors, officers and employees may solicit proxies on our behalf, without additional compensation, personally or by written communication, telephone, facsimile or other electronic means.

Record Date and Shares Outstanding

Only stockholders of record at the close of business on March 23, 2009, are entitled to attend and vote at the annual meeting. On the record date, 40,591,600 shares of our common stock were outstanding and held of record. The closing price of our common stock on the Nasdaq Stock Market on the record date was \$7.50 per share.

QUESTIONS AND ANSWERS REGARDING OUR ANNUAL MEETING

Although we encourage you to read this Proxy Statement in its entirety, we include this question and answer section to provide some background information and brief answers to several questions you may have about the annual meeting or this Proxy Statement.

Q: Why am I receiving these proxy materials?

A: Our Board of Directors is providing these proxy materials for you in connection with our annual meeting of stockholders, which will take place on May 14, 2009. Stockholders are invited to attend the annual meeting and are requested to vote on the proposals described in this Proxy Statement.

Q: What is the Notice of Internet Availability?

A: In accordance with rules and regulations recently adopted by the SEC, instead of mailing a printed copy of our proxy materials to all stockholders entitled to vote at the annual meeting, we are furnishing the proxy materials to our stockholders over the Internet. If you received a Notice of Internet Availability by mail, you will not receive a printed copy of the proxy materials. Instead, the Notice of Internet Availability will instruct you as to how you may access and review the proxy materials and submit your vote via the Internet. If you received a Notice of Internet Availability by mail and would like to receive a printed copy of the proxy materials, please follow the instructions for requesting such materials included in the Notice of Internet Availability.

We expect to mail the Notice of Internet Availability on or about April 3, 2009, to all stockholders entitled to vote at the annual meeting. On the date of mailing of the Notice of Internet Availability, all stockholders and beneficial owners will have the ability to access all of our proxy materials on a website referred to in the Notice of Internet Availability. These proxy materials will be available free of charge.

Table of Contents

Q: What proposals will be voted on at the annual meeting?

A: There are three proposals scheduled to be voted on at the annual meeting:

Election of the nominees for director set forth in this Proxy Statement;

Reapproval of our Management Bonus Plan; and

Ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2009.

Q: What is Echelon's voting recommendation?

A: Our Board of Directors recommends that you vote your shares **FOR** each of the three nominees to our Board of Directors, **FOR** reapproval of our Management Bonus Plan and **FOR** ratification of the appointment of our independent registered public accounting firm.

Q: Who can vote at the meeting?

A: Our Board of Directors has set March 23, 2009 as the record date for the annual meeting. All stockholders who owned Echelon common stock at the close of business on March 23, 2009, or the record date, may attend and vote at the annual meeting. Each stockholder is entitled to one vote for each share of common stock held as of the record date on all matters to be voted on. Stockholders do not have the right to cumulate votes. On March 23, 2009, 40,591,600 shares of our common stock were outstanding. Shares held as of the record date include shares that are held directly in your name as the stockholder of record and those shares held for you as a beneficial owner through a broker, bank or other nominee.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: Most stockholders of Echelon hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholders of Record

If your shares are registered directly in your name with Echelon's transfer agent, BNY Mellon Shareowner Services, you are considered the stockholder of record with respect to those shares and the Notice of Internet Availability has been sent directly to you. As the stockholder of record, you have the right to grant your voting proxy directly to Echelon or to vote in person at the annual meeting.

Beneficial Owners

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and the Notice of Internet Availability has been forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote and are also invited to attend the annual meeting. However, since you are not the

Table of Contents

stockholder of record, you may not vote these shares in person at the annual meeting unless you request a legal proxy from the broker, bank or other nominee who holds your shares, giving you the right to vote the shares at the annual meeting.

Q: How many votes does Echelon need to hold the annual meeting?

A: A majority of Echelon's outstanding shares as of the record date must be present at the annual meeting in order to hold the meeting and conduct business. This is called a quorum. Both abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum. Broker non-votes, however, are not counted as shares present and entitled to be voted with respect to the matter on which the broker has expressly not voted. Thus, broker non-votes will not affect the outcome of any of the matters being voted on at the annual meeting. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (1) the broker has not received voting instructions from the beneficial owner and (2) the broker lacks discretionary voting power to vote such shares.

Shares are counted as present at the meeting if you:

are present and vote in person at the meeting; or

have properly submitted a proxy card or voting instruction card or voted by telephone or via the Internet.

Q: How are votes counted?

A: You may vote either FOR or WITHHOLD with respect to each Class B nominee for our Board of Directors. You may vote FOR, AGAINST or ABSTAIN on the other proposal. If you abstain from voting on the other proposal, it has the same effect as a vote against. If you just sign your proxy card with no further instructions, your shares will be counted as a vote FOR each Class B Director nominee, FOR reapproval of our Management Bonus Plan and FOR ratification of the appointment of our independent registered public accounting firm. If you do not vote and you hold your shares in a brokerage account or through a bank or other nominee, also known as street name (see description of Beneficial Ownership above), your shares will not be counted in the tally of the number of shares cast FOR, AGAINST or ABSTAIN on any proposal where your broker, bank or other nominee does not have discretionary authority to vote, and therefore will have the effect of reducing the number of shares needed to approve any of those items. However, shares held in street name and that are not voted, known as broker non-votes, may be counted for the purpose of establishing a quorum for the annual meeting as described above under the caption Beneficial Ownership. Voting results are tabulated and certified by Broadridge Financial Solutions, Inc.

Q: What is the voting requirement to approve each of the proposals?

A: With respect to Proposal One (the election of our Class B directors), directors are elected by a plurality vote, and therefore the three individuals receiving the highest number of FOR votes will be elected. Votes of WITHHOLD and broker non-votes have no legal effect on the election of directors due to the fact that such elections are by a plurality. Proposal Two (reapproval of our Management Bonus Plan) and Proposal Three (ratification of the appointment of our independent registered public accounting firm) require the affirmative FOR vote of a majority of the shares of our outstanding common stock represented, in person or by proxy, and entitled to vote.

Table of Contents

Q: How can I vote my shares in person at the annual meeting?

A: Shares held directly in your name as the stockholder of record may be voted in person at the annual meeting. If you choose to do so, please bring your proxy card or proof of identification to the annual meeting. Even if you plan to attend the annual meeting, Echelon recommends that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the annual meeting. If you hold your shares in street name, you must request a legal proxy from your broker or other holder of record in order to vote at the annual meeting.

Q: How can I vote my shares without attending the annual meeting?

A: Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the annual meeting. If you are a stockholder of record, you may vote by submitting a proxy; please refer to the voting instructions in the Notice of Internet Availability or below. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, bank or other nominee; please refer to the voting instructions provided to you by your broker, bank or other nominee.

Internet Stockholders of record with Internet access may submit proxies by following the "Vote by Internet" instructions on the Notice of Internet Availability until 11:59 p.m., Eastern Time, on May 13, 2009 or by following the instructions at www.proxyvote.com. Most of our stockholders who hold shares beneficially in street name may vote by accessing the website specified in the voting instructions provided by their brokers, banks or other nominees. A large number of banks and brokerage firms are participating in Broadridge Financial Solutions, Inc.'s (formerly ADP Investor Communication Services) online program. This program provides eligible stockholders the opportunity to vote over the Internet or by telephone. Voting forms will provide instructions for stockholders whose bank or brokerage firm is participating in Broadridge's program.

Telephone Depending on how your shares are held, you may be able to vote by telephone. If this option is available to you, you will have received information with the Notice of Internet Availability explaining this procedure.

Mail If you are a stockholder of record, you may request a proxy card from our company, and indicate your vote by completing, signing and dating the card where indicated and by returning it in the prepaid envelope that will be provided. Stockholders who hold shares beneficially in street name may request a voting instruction form from their broker, bank or other nominee.

Q: How can I change or revoke my vote?

A: Subject to any rules your broker, bank or other nominee may have, you may change your proxy instructions at any time before your proxy is voted at the annual meeting.

Stockholders of record If you are a stockholder of record, you may change your vote by (1) filing with our General Counsel, prior to your shares being voted at the annual meeting, a written notice of revocation or a duly executed proxy card, in either case dated later than the prior proxy relating to the same

Table of Contents

shares, or (2) by attending the annual meeting and voting in person (although attendance at the annual meeting will not, by itself, revoke a proxy). Any written notice of revocation or subsequent proxy card must be received by our General Counsel prior to the taking of the vote at the annual meeting. Such written notice of revocation or subsequent proxy card should be hand delivered to our General Counsel or should be sent so as to be delivered to our principal executive offices, Attention: General Counsel.

A stockholder of record who has voted via the Internet or by telephone may also change his, her or its vote by making a timely and valid later Internet or telephone vote no later than 11:59 p.m., Eastern Time, on May 13, 2009.

Beneficial owners If you are a beneficial owner of shares held in street name, you may change your vote (1) by submitting new voting instructions to your broker, bank or other nominee, or (2) if you have obtained, from the broker, bank or other nominee who holds your shares, a legal proxy giving you the right to vote the shares by attending the annual meeting and voting in person.

Q: Where can I find the voting results of the annual meeting?

A: The preliminary voting results will be announced at the annual meeting. The final results will be published in our first quarterly report on Form 10-Q filed after the date of the annual meeting.

Q: Who are the proxies and what do they do?

A: The two persons named as proxies on the proxy card, Kathleen B. Bloch, our Senior Vice President and General Counsel, and Oliver R. Stanfield, our Executive Vice president and Chief Financial Officer, were designated by our Board of Directors. All properly executed proxies will be voted (except to the extent that authority to vote has been withheld) and where a choice has been specified by the stockholder as provided in the proxy card, it will be voted in accordance with the instructions indicated on the proxy card. If you submit the proxy card, but do not indicate your voting instructions, your shares will be voted FOR Proposals One, Two and Three.

Q: What should I do if I receive more than one Notice of Internet Availability or set of proxy materials?

A: If you received more than one Notice of Internet Availability or set of proxy materials, your shares are registered in more than one name or brokerage account. Please follow the voting instructions on each Notice of Internet Availability or voting instruction card that you receive to ensure that all of your shares are voted.

Q: What happens if additional proposals are presented at the annual meeting?

A: Other than the three proposals described in this Proxy Statement, Echelon does not expect any additional matters to be presented for a vote at the annual meeting. If you grant a proxy, the persons named as proxy holders, Kathleen B. Bloch, our Senior Vice President and General Counsel, and Oliver R. Stanfield, our Executive Vice President and Chief Financial Officer, will have the discretion to vote your shares on any additional matters properly presented for a vote at the annual meeting. If for any unforeseen reason any of Echelon's Class B nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by our Board of Directors.

Table of Contents

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Echelon or to third parties except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote or (3) to facilitate a successful proxy solicitation by our Board of Directors. Occasionally, stockholders provide written comments on their proxy cards, which are then forwarded to Echelon's management.

Q: Who will bear the cost of soliciting votes for the annual meeting?

A: Echelon will bear all expenses of soliciting proxies. Echelon may reimburse brokerage firms, custodians, nominees, fiduciaries and other persons representing beneficial owners of common stock for their reasonable expenses in forwarding solicitation material to such beneficial owners. Directors, officers and employees of Echelon may also solicit proxies in person or by other means of communication. Such directors, officers and employees will not be additionally compensated but may be reimbursed for reasonable out-of-pocket expenses in connection with such solicitation. Echelon may engage the services of a professional proxy solicitation firm to aid in the solicitation of proxies from certain brokers, bank nominees and other institutional owners. Echelon's costs for such services, if retained, will not be significant.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

Our stockholders may submit proposals that they believe should be voted upon at our next year's annual meeting or nominate persons for election to our Board of Directors. Stockholders may also recommend candidates for election to our Board of Directors (See *Corporate Governance and Other Matters - Consideration of Stockholder Recommendations and Nominations of Board Members*). Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended, some stockholder proposals may be eligible for inclusion in our 2010 proxy statement and proxy. Any such stockholder proposals must be submitted in writing to the attention of Kathleen B. Bloch, Senior Vice President, General Counsel and Secretary, Echelon Corporation, 550 Meridian Avenue, San Jose, California 95126, no later than December 4, 2009, which is the date 120 calendar days prior to the one-year anniversary of the mailing date of this Proxy Statement. Stockholders interested in submitting such a proposal are advised to contact knowledgeable legal counsel with regard to the detailed requirements of applicable securities laws. The submission of a stockholder proposal does not guarantee that it will be included in our 2010 proxy statement.

Alternatively, under our Bylaws, a proposal or a nomination that the stockholder does not seek to include in our 2010 proxy statement pursuant to Rule 14a-8 may be submitted in writing to Kathleen B. Bloch, Senior Vice President, General Counsel and Secretary, Echelon Corporation, 550 Meridian Avenue, San Jose, California 95126, for the 2010 annual meeting of stockholders not less than 20 days nor more than 60 days prior to the date of such meeting. Note, however, that in the event we provide less than 30 days notice or prior public disclosure to stockholders of the date of the 2010 annual meeting, any stockholder proposal or nomination not submitted pursuant to Rule 14a-8 must be submitted to us not later than the close of business on the tenth day following the day on which notice of the date of the 2010 annual meeting was mailed or public disclosure was made. For example, if we provide notice of our 2010 annual meeting on April 4, 2010 for a 2010 annual meeting on May 18, 2010, any such proposal or nomination will be considered untimely if submitted to us after April 14, 2010. For purposes of the above, public disclosure means disclosure in a press release reported by the Dow Jones News Service, Associated Press or a

Table of Contents

comparable national news service, or in a document publicly filed by us with the SEC. As described in our Bylaws, the stockholder submission must include certain specified information concerning the proposal or nominee, as the case may be, and information as to the stockholder's ownership of our common stock. If a stockholder gives notice of such a proposal after the deadline computed in accordance with our Bylaws, or the Bylaw Deadline, the stockholder will not be permitted to present the proposal to our stockholders for a vote at the 2010 annual meeting.

The rules of the SEC also establish a different deadline for submission of stockholder proposals that are not intended to be included in our 2010 proxy statement with respect to discretionary voting, or the Discretionary Vote Deadline. The Discretionary Vote Deadline for the 2010 annual meeting is February 17, 2010, the date which is 45 calendar days prior to the one-year anniversary of the mailing date of this Proxy Statement. If a stockholder gives notice of such a proposal after the Discretionary Vote Deadline, our proxy holders will be allowed to use their discretionary voting authority to vote against the stockholder proposal when and if the proposal is raised at the 2010 annual meeting.

Because the Bylaw Deadline is not capable of being determined until we publicly announce the date of our 2010 annual meeting, it is possible that the Bylaw Deadline may occur after the Discretionary Vote Deadline. In such a case, a proposal received after the Discretionary Vote Deadline but before the Bylaw Deadline would be eligible to be presented at the 2010 annual meeting and we believe that our proxy holders at such meeting would be allowed to use the discretionary authority granted by the proxy to vote against the proposal at such meeting without including any disclosure of the proposal in the proxy statement relating to such meeting.

CORPORATE GOVERNANCE AND OTHER MATTERS

Corporate Governance

Corporate Governance Guidelines

Our Board of Directors adopted Corporate Governance Guidelines in November 2002 that outline, among other matters, the role and functions of the Board of Directors and the composition and responsibilities of various committees of the Board of Directors. The Corporate Governance Guidelines are available, along with other important corporate governance materials, at the investor relations section of our website at www.echelon.com.

The Corporate Governance Guidelines provide, among other things, that:

A majority of the directors must meet the independence criteria established by Nasdaq.

If the Chairman of the Board is not an independent director, then a Presiding Director must be appointed by the outside directors to assume the responsibility of chairing the regularly scheduled meetings of outside directors.

Our Board of Directors shall have a policy of holding separate meeting times for outside directors.

Table of Contents

All of the members of the Nominating and Governance Committee, Audit Committee and Compensation Committee must meet the criteria for independence established by Nasdaq, except that the Board may make exceptions to this policy with respect to the Nominating and Governance Committee that are consistent with regulatory requirements.

Our Board of Directors shall have responsibility over such matters as overseeing our Chief Executive Officer and other senior management in the competent and ethical operation of our company, gathering and analyzing information obtained from management, retaining counsel and expert advisors, and overseeing and monitoring the effectiveness of governance practices.

In April, 2008, our Board of Directors appointed Robert J. Finocchio, Jr. as Presiding Director. Pursuant to the Corporate Governance Guidelines, the Presiding Director was selected by our non-employee directors and assumed the responsibilities of chairing meetings of non-employee directors, serving as the liaison between our Chief Executive Officer and our independent directors, approving Board of Directors meeting agendas and schedules and information flow to our Board of Directors and such further responsibilities that the non-employee directors as a whole designate from time to time.

As the operation of the Board of Directors is a dynamic process, the Board of Directors regularly reviews changing legal and regulatory requirements, evolving best practices and other developments. Accordingly, the Board of Directors may modify the Corporate Governance Guidelines from time to time, as it deems appropriate.

Consideration of Stockholder Recommendations and Nominations of Board Members

The Nominating and Corporate Governance Committee of our Board of Directors will consider both recommendations and nominations from stockholders for candidates to our Board of Directors. A stockholder who desires to recommend a candidate for election to our Board of Directors shall direct the recommendation in writing to the Company Corporate Secretary, Echelon Corporation, 550 Meridian Avenue, San Jose, California 95126, and must include the candidate's name, home and business contact information, detailed biographical data and qualifications, information regarding any relationships between the candidate and our company within the last three years and evidence of the nominating person's ownership of our stock and amount of stock holdings. For a stockholder recommendation to be considered by the Nominating and Corporate Governance Committee as a potential candidate at an annual meeting, nominations must be received on or before the deadline for receipt of stockholder proposals.

If, instead, a stockholder desires to nominate a person directly for election to our Board of Directors, the stockholder must follow the rules set forth by the SEC (see *Deadline for Receipt of Stockholder Proposals* above) and meet the deadlines and other requirements set forth in our Bylaws, including, (1) as to each person, if any, whom the stockholder proposes to nominate for election or re-election as a director: (a) the name, age, business address and residence address of such person, (b) the principal occupation or employment of such person, (c) the class and number of shares of our company which are beneficially owned by such person, (d) any other information relating to such person that is required by law to be disclosed in solicitations of proxies for election of directors and (e) such person's written consent to being named as a nominee and to serving as a director if elected; and (2) as to the stockholder giving the notice: (a) the name and address, as they appear on our company's books, of such stockholder, (b) the class and number of shares of our company which are beneficially owned by such stockholder and (c) a description of all arrangements or understandings between such stockholder and each nominee and any other person or persons (naming such person or persons) relating to the nomination.

Identifying and Evaluating Nominees for our Board of Directors

The Nominating and Corporate Governance Committee shall use the following procedures to identify and evaluate the individuals that it selects, or recommends that our Board of Directors select, as director nominees:

The Committee shall review the qualifications of any candidates who have been properly recommended or nominated by stockholders, as well as those candidates who have been identified by management, individual members of our Board of Directors or, if the Committee determines, a search firm. Such review may, in the Committee's discretion, include a review solely of information provided to the Committee or may also include discussions with persons familiar with the candidate, an interview with the candidate or other actions that the Committee deems proper.

The Committee shall evaluate the performance and qualifications of individual members of our Board of Directors eligible for re-election at the annual meeting of stockholders.

The Committee shall consider the suitability of each candidate, including the current members of our Board of Directors, in light of the current size and composition of our Board of Directors. In evaluating the suitability of the candidates, the Committee considers many factors, including, among other things, issues of character, judgment, independence, diversity, age, expertise, diversity of experience, length of service, other commitments and the like. The Committee evaluates such factors, among others, and considers each individual candidate in the context of the current perceived needs of our Board of Directors as a whole. Except as may be required by rules promulgated by Nasdaq or the SEC, it is the current sense of the Committee that there are no specific minimum qualifications that must be met by each candidate for our Board of Directors, nor are there specific qualities or skills that are necessary for one or more of the members of our Board of Directors to possess.

After such review and consideration, the Committee selects, or recommends that our Board of Directors select, the slate of director nominees, either at a meeting of the Committee at which a quorum is present or by unanimous written consent of the Committee.

The Committee will endeavor to notify, or cause to be notified, all director candidates of its decision as to whether to nominate such individual for election to our Board of Directors.

appoint our independent registered public accounting firm; and

provide to our Board of Directors such additional information and materials as it may deem necessary to make our Board of Directors aware of significant financial matters that require the attention of our Board of Directors.

develop and recommend to our Board of Directors the governance principles applicable to our company;

oversee the evaluation of our Board of Directors and management; and

Director Independence

Our Board of Directors has affirmatively determined that each of its members, other than Robert R. Maxfield and M. Kenneth Oshman, are independent directors under the listing standards of the Marketplace Rules of the Nasdaq Stock Market and applicable SEC rules, and that all of its members, other than Dr. Maxfield, Mr. Oshman, and Ms. Denholm, who joined our Board of Directors in February 2008, were independent directors under the listing standards of the Marketplace Rules of the Nasdaq Stock Market in the three prior years.

Our Board of Directors has also determined that all directors serving as members of our Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee are independent under the Nasdaq listing standards and the rules of the SEC. Additionally, our Board of Directors has determined that all members of the Compensation Committee meet the non-employee definition of Rule 16b-3 promulgated under Section 16 of the Securities Exchange Act of 1934, as amended, and the outside director definition of Section 162(m) of the Internal Revenue Code of 1986, as amended.

Director Compensation

In November 2002, our Board of Directors determined that in consideration for service on our Board of Directors, each non-employee director shall receive a cash payment of \$20,000 per fiscal year, to be payable on or before the day of the first meeting of our Board of Directors in each fiscal year. On February 8, 2007, our Board of Directors approved changes to the cash compensation payable to the non-employee directors. Accordingly, beginning in 2007 the cash compensation payable to each non-employee director was increased to \$40,000 per fiscal year, to be paid quarterly.

In addition, in consideration for service on our Board of Directors or on one or more of our Compensation and/or Nominating and Corporate Governance Committees of our Board of Directors, each non-employee director shall receive a cash payment of \$1,000 per Board of Directors meeting or Committee meeting attended, to be payable on the date of each such meeting so attended. We also determined that in consideration of the significantly greater time commitment and potential risk exposure for serving as a member of our Audit Committee, each director shall receive a cash payment of \$2,000 per Audit Committee meeting attended, to be payable on the date of each such meeting so attended.

Furthermore, non-employee directors are eligible to participate in our 1997 Stock Plan. The Board has adopted a program, effective as of the July 27, 2008 expiration date of the 1998 Director Option Plan, for automatically granting awards of nonqualified stock options to non-employee directors under the 1997 Plan on the same terms as grants previously made under the 1998 Director Option Plan. Such program provides for the automatic grant of an option to purchase 25,000 shares of common stock on the date on which such person first becomes a non-employee director. Additionally, each non-employee director shall automatically be granted a 10,000 share option on the date of each annual meeting of stockholders, provided he or she is re-elected to our Board of Directors or otherwise remains on our Board of Directors on such date and provided that on such date he or she shall have served on our Board of Directors for at least the preceding six months. All options granted under this program are fully vested at grant. On February 15, 2008, Ms. Denholm was granted a 25,000 share option under the 1998 Director Option Plan at a per share exercise price of \$12.73. On May 27, 2008, the date of our 2008 annual meeting of stockholders, directors Finocchio, Markkula, Moley, Rafael and Sonsini were each granted a 10,000 share option under the 1998 Director Option Plan at a per share exercise price of \$13.32.

PROPOSAL TWO

REAPPROVAL OF THE MANAGEMENT BONUS PLAN

Our Board of Directors has previously adopted, and the stockholders have previously approved, the Management Bonus Plan (the Bonus Plan). The stockholders are being asked to approve the Bonus Plan again, so that our company may use the Bonus Plan to achieve its goals and continue to receive a tax deduction for certain compensation paid under the Bonus Plan. The Bonus Plan is subject to the reapproval of a majority of the shares of our common stock that are present in person or by proxy at the Annual Meeting. If our stockholders do not reapprove the Bonus Plan, the Bonus Plan will terminate and no bonuses will be awarded under the Bonus Plan for performance periods that begin on or after the date of the Annual Meeting. However, any awards earned under the Bonus Plan for a performance period that commenced prior to the date of the Annual Meeting will be paid pursuant to the terms of the Bonus Plan as they existed prior to the Annual Meeting.

The following paragraphs provide a summary of the principal features of the Bonus Plan and its operation. The Bonus Plan is set forth in its entirety as Appendix A to this Proxy Statement. The following summary is qualified in its entirety by reference to Appendix A.

Purpose

The purpose of the Bonus Plan is to motivate key members of management to perform to the best of their abilities and to achieve our objectives. The Bonus Plan accomplishes this by paying awards under the Bonus Plan only after the achievement of the specified goals.

The Bonus Plan also is designed to qualify as performance-based compensation under section 162(m) of the Internal Revenue Code. Under section 162(m), our company may not receive a federal income tax deduction for compensation paid to our Chief Executive Officer and certain other highly compensated executive officers to the extent that any of these persons receives more than \$1 million in any one year. However, if we pay compensation that is performance-based under section 162(m), our company still can receive a federal income deduction for the compensation even if it is more than \$1 million during a single year. The Bonus Plan allows us to pay incentive compensation that is performance-based and therefore fully tax deductible on our federal income tax return.

Eligibility to Participate

The Compensation Committee selects which of our employees (and employees of our affiliates) will be eligible to receive awards under the Bonus Plan. The actual number of employees who will be eligible to receive an award during any particular year cannot be determined in advance because the Compensation Committee has discretion to select the participants. However, it is expected that approximately 20 employees will participate in the Bonus Plan in any year.

Table of Contents

Target Awards and Performance Goals

For each performance period, the Compensation Committee may assign each participant a target award and performance goal or goals that must be achieved before an award actually will be paid to the participant. The participant's target award may be expressed as a percentage of his or her base salary at the end of the fiscal year, or may be designated as a dollar amount or some other fashion as the Compensation Committee may determine. The performance goals may require the achievement of objectives for one or more of:

Cash Position,

Earnings per Share,

Individual Objectives,

Net Income,

Operating Cash Flow,

Operating Income,

Return on Assets,

Return on Equity,

Return on Sales,

Revenue, or

Total Stockholder Return.

Each of these performance measures is defined in the Bonus Plan.

Actual Awards

After the performance period ends, the company may request the Compensation Committee to certify in writing whether or the extent to which the pre-established performance goals actually were achieved or exceeded. The actual award that is payable to a participant may be determined by using a formula that will increase or decrease the participant's target award based on the level of actual performance attained. However, the Bonus Plan limits actual awards to a maximum of \$5,000,000 per person in any performance period, even if the formula otherwise indicates a larger award. In addition, the Compensation Committee has discretion to reduce or eliminate the actual award payable to any participant below that which otherwise would be payable under the formula.

Edgar Filing: ECHELON CORP - Form DEF 14A

Actual awards generally are to be paid in cash within two and one-half months after the performance period ends. If a participant terminates employment before the end of the performance period in which the bonus is to be earned, the Compensation Committee will have discretion to pay out part or all of the award otherwise earned.

Administration, Amendment and Termination

The Compensation Committee administers the Bonus Plan. Members of the Compensation Committee must qualify as outside directors under section 162(m). Subject to the terms of the plan, the Compensation Committee has sole discretion to:

select the employees who will receive awards;

determine the target award for each participant;

determine the performance goals that must be achieved before any actual awards are paid;

determine a formula to increase or decrease an award to reflect actual performance versus the predetermined performance goals; and

interpret the provisions of the Bonus Plan.

The Board may amend or terminate the plan at any time and for any reason. An amendment also will be submitted for stockholder approval if necessary to maintain the Bonus Plan's compliance with Section 162(m).

Indemnification

Our Board of Directors and Compensation Committee are generally indemnified by our company for any liability arising from claims relating to the Bonus Plan.

U.S. Federal Income Tax Consequences

Under present federal income tax law, participants will recognize ordinary income equal to the amount of the award received in the year of receipt. That income will be subject to applicable income and employment tax withholding by our company. If and to the extent that the Bonus Plan payments satisfy the requirements of Section 162(m) of the Code and otherwise satisfy the requirements for deductibility under federal income tax law, we will receive a deduction for the amount constituting ordinary income to the participant.

Bonus Plan Benefits

Awards that may be issued under the Bonus Plan are determined based on actual future performance, so future actual awards cannot now be determined.

Board Recommendation

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL TWO.

PROPOSAL THREE

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

With authority granted by our Board of Directors, the Audit Committee of our Board of Directors has appointed KPMG LLP as our independent registered public accounting firm to audit our consolidated financial statements for the fiscal year ending December 31, 2009, and our Board of Directors recommends that our stockholders vote FOR ratification of such appointment.

Table of Contents

KPMG LLP was originally appointed as our independent registered public accounting firm on March 21, 2002, when we retained the firm to perform the annual audit of our financial statements for the fiscal year ended December 31, 2002. A representative of KPMG LLP is expected to be present at the annual meeting, will have an opportunity to make a statement if he or she so desires and is expected to be available to respond to appropriate questions from our stockholders.

Audit and Non-Audit Fees

The following table sets forth fees for services KPMG LLP provided during fiscal years 2008 and 2007:

	2008	2007
Audit fees (1)	\$ 1,189,000	\$ 914,000
Audit-related fees	\$	\$
Tax fees	\$	\$
All other fees (2)	\$	\$ 45,814
Total	\$ 1,189,000	\$ 959,814

(1) Represents fees for professional services provided in connection with the audit of our annual financial statements and review of our quarterly financial statements, advice on accounting matters that arose during the audit and audit services provided in connection with other statutory or regulatory filings. The audit fees for 2008 represent the amount billed to our company as of the date of this Proxy Statement.

(2) Represents fees for consultation and due diligence assistance regarding acquisitions that we did not pursue.

Our Audit Committee has considered whether the non-audit services provided by KPMG LLP are compatible with maintaining the independence of KPMG LLP and has concluded that the independence of KPMG LLP is maintained and is not compromised by the services provided. In accordance with its charter, the Audit Committee approves in advance all audit and non-audit services to be provided by KPMG LLP. During fiscal year 2008, 100% of the services were pre-approved by the Audit Committee in accordance with this policy.

Stockholder ratification of the selection of KPMG LLP as our independent registered public accounting firm is not required by our Bylaws or other applicable legal requirement. However, our Board of Directors is submitting the selection of KPMG LLP to our stockholders for ratification as a matter of good corporate practice. If our stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee at its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in our best interests and the best interests of our stockholders.

Board Recommendation

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL THREE.

EXECUTIVE COMPENSATION AND RELATED MATTERS

Compensation Discussion and Analysis

Overview of Compensation Program and Philosophy

Our executive compensation programs are designed to meet the following objectives:

Attract and retain motivated and talented executives with a view to the competitive nature of the marketplace in the Silicon Valley and other areas in which we may seek executive talent;

Provide an executive compensation structure that is not only competitive in our geographic and industry areas, but is internally equitable and consistent based on the level of responsibilities for each executive position;

Motivate our executives to perform to the best of their abilities through a compensation strategy that includes pay for performance ; and

Align the interests of our executives with those of our stockholders by linking our financial and operating results to compensation paid to executive officers.

These objectives fit within our overall compensation philosophy by endeavoring to continuously improve our company's performance, while recognizing the need to secure the future potential of our business. Our compensation philosophy is also intended to enhance stockholder value, provide proper compliance with regulatory and related requirements, and create a cohesive executive team.

To meet these objectives, we have implemented an executive compensation program based on the following policies:

Pay cash compensation in the form of executive base pay that is competitive with the practices of other leading high technology companies in our area; and

Pay for performance:

by providing long-term, significant incentives in the form of equity compensation awards, which include stock options, performance shares (also referred to as restricted stock units), and/or stock appreciation rights (also referred to as SARs), in order to retain those individuals with the leadership abilities necessary to increase long-term stockholder value; and

through an annual management bonus plan that is based upon our company's strategic business or operating objectives, as well as the need to motivate executives to realize the full potential of our business.

The Compensation Committee is responsible for ensuring compliance with these objectives and policies. Accordingly, the Compensation Committee reviews and approves our company's annual compensation arrangements with our executive officers, including annual base salary, annual incentive bonus, equity compensation, and other benefits or compensation. In performing these duties, the Compensation Committee obtains the assistance of compensation consultants from time to time, is supported by our Human Resources Department, and receives input from our executive management.

Our executive team is currently comprised of the following individuals:

Title	Name
Chief Executive Officer	M. Kenneth Oshman
Executive Vice President and Chief Financial Officer	Oliver R. Stanfield
Senior Vice President and General Counsel	Kathleen B. Bloch
Senior Vice President - General Manager/Service Provider Group	Frederik H. Bruggink

Until May 2008, our executive team also included Beatrice Yormark, who served as our President and Chief Operating Officer until her sudden passing due to a cerebral hemorrhage.

Throughout this proxy statement, our executive team is referred to as the executive officers and includes our Named Executive Officers.

Role of our Compensation Committee

Our Compensation Committee approves, administers and interprets our executive compensation and benefits plans and policies, including our stockholder-approved Amended and Restated 1997 Stock Plan. Our Compensation Committee is appointed by our Board of Directors, and consists entirely of directors who are independent for purposes of the listing standards of the Nasdaq Stock Market, outside directors for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended, and non-employee directors for purposes of Rule 16b-3 under the Securities Exchange Act of 1934, as amended. The members of our Compensation Committee currently are Armas Clifford Markkula, Jr., Richard M. Moley and Betsy Rafael, and the Committee is chaired by Mr. Moley. Robert R. Maxfield was a member of the Compensation Committee and served as its chair until May 2008, when he accepted a temporary position with our company. To preserve the independence of the Compensation Committee, Mr. Maxfield was replaced by Ms. Rafael and Mr. Moley was made Committee Chairman. Our Compensation Committee operates under a written charter adopted by our Board of Directors which is available at the Investor Relations section of our website at www.echelon.com. The Compensation Committee held five meetings during 2008.

Role of Executive Officers in Compensation Decisions

Our Chief Executive Officer, with input from our Vice President of Human Resources, reviews the performance of our Named Executive Officers and presents his findings to our Compensation Committee, together with recommendations for compensation structures to be applied to the subject year. In

Table of Contents

setting the 2008 compensation for our Named Executive Officers, our company’s former President and Chief Operating Officer, Ms. Yormark, also participated with our Chief Executive Officer in reviewing the officers’ performance. The Compensation Committee alone or in consultation with the full Board of Directors reviews our Chief Executive Officer’s performance. The Compensation Committee considers these findings and recommendations, but makes its own final determinations. This review process is generally conducted twice each year: first, in advance of annual salary adjustments and the adoption of the annual management bonus program described below, and second, in connection with the annual equity compensation award.

Role of Compensation Consultants and Benchmarking

The Compensation Committee has the authority to engage its own independent advisors to assist in carrying out its responsibilities. For example, in 2006, the Compensation Committee engaged Compensia, a management compensation consulting firm, regarding key trends and observations for executive equity compensation practices by peer companies. This independent compensation consultant did not provide any other services to our company and received compensation only with respect to the services provided to the Compensation Committee. The Compensation Committee did not engage an independent consultant in 2008.

Each year, our company and the Compensation Committee use benchmarking to assess the competitiveness of the compensation of our officers in light of the compensation offered to executives at other companies. These peer companies are not limited to competitors, given the complex nature of our company’s business and the various geographic locations in which we compete for talent. For 2008, the Compensation Committee relied on data from AON Radford Surveys + Consulting and salary.com. Generally, this data considered companies in Northern California, generally, and the San Jose geographic area, specifically; in peer groups defined as the software and networking industry and the electronics, electronic equipment and semiconductor industry; with revenue of between \$200 million and \$500 million and between \$500 million and \$1.0 billion. While these revenue ranges are greater than our company’s revenue historically, the Compensation Committee considered that we compete for talent with larger companies such as these. The Compensation Committee also reviewed international data provided by the Radford survey, where appropriate.

The following companies were included in the relevant peer groups:

Ariba	Extreme Networks	Synopsys
BEA Systems	Foundry Networks	Tivo
Business Objects	Informatica	Ubisoft
Cadence Design Systems	Interwoven	Wind River Systems
Dolby Laboratories	Openwave	
Eclipsys	Salesforce.com	

The overall competitive data presented included base salary and formal incentive compensation in the 25th, 50th and 75th percentile and average compensation information. We generally target

Table of Contents

salaries to be in approximately the 75th percentile of peer group companies, although other important factors are considered, including individual performance, experience and responsibilities; maintaining internal consistency of compensation for similarly situated officers; and company performance.

Elements of Compensation

Our executive officers' compensation, as is the case with all of our officers, has three primary components:

Base salary;

Participation in the management bonus plan; and

Participation in the annual equity compensation award.

In addition, we provide our executive officers with employee benefits that are generally available to all salaried employees in the geographical location in which they are based. We do not provide pension arrangements, post-termination payments, deferred compensation or other similar benefits to our executive officers, except that in the case of our Senior Vice President - General Manager/Service Provider Group, who is employed by our Netherlands subsidiary, we provide termination and pension payments as mandated by Dutch law.

We believe that this combination of elements provides an appropriate mix of fixed and variable pay, balances short-term operational performance with long-term stockholder value, and is conducive to executive recruitment and retention.

Base Salaries

Base salaries are designed to compensate our Named Executive Officers for services rendered during the year, and to meet competitive norms and reward performance on an annual basis. As outlined above under "Role of Compensation Consultants and Benchmarking," we rely on data from the Radford survey and salary.com, as well as general market sources, to keep our base salaries competitive when compared to the noted peer companies.

Salaries are reviewed each year in light of individual performance. The Compensation Committee and management also give significant weight to each officer's salary as it compares to that of other officers on our executive team, as well as to our company's overall financial and operating results. For 2008, after considering the projected financial performance of our company at the time, and taking into account the recommendations of our Chief Executive Officer and Chief Operating Officer, the Compensation Committee determined generally to limit salary increases for our officers, including our executive officers, to base salary increases of between 2.98% and 6.00%, with most increases in the 3.0% range. For 2009, given the uncertain economic environment, as well as projected compensation trends in the relevant peer groups, the Compensation Committee, upon the recommendation of management, elected to give no increases and, instead, to hold salaries unchanged.

Table of Contents

Management Bonus Plan

Each year we adopt a management bonus plan that is intended to motivate key members of management, including our executive officers, to perform well and achieve important company objectives. The amount of the management bonus is determined based on each manager's expected contribution to the overall outcome of our company's performance objectives, and also reflects market conditions. The management bonus may be paid in cash or other forms of compensation, including performance shares, and specific performance vesting requirements may be imposed, as determined by our Compensation Committee in its discretion.

In May 2004, our stockholders approved a Management Bonus Plan, and we are requesting that our stockholders re-approve the Management Bonus Plan at our 2009 Annual Meeting of Stockholders. The Management Bonus Plan was implemented, and stockholder approval was originally obtained and will be re-solicited at our 2009 Annual Meeting of Stockholders, to comply with Section 162(m) of the Internal Revenue Code. Section 162(m) limits the tax deductibility by a corporation of compensation paid in cash in excess of \$1.0 million paid to its chief executive officer and its four other most highly compensated executive officers. However, such compensation that qualifies as performance based is excluded from the \$1.0 million limit if, among other requirements, such compensation is payable only upon attainment of pre-established, objective performance goals under a plan approved by the corporation's stockholders. To the extent the management bonus in any year is payable in cash, we intend to maintain the eligibility of our Management Bonus Plan as providing performance based compensation under Section 162(m). Our Board of Directors may amend or terminate the Management Bonus Plan at any time and for any reason. Any such amendment will be submitted for stockholder approval to maintain the bonus plan's compliance with Section 162(m).

After reviewing the recommendations of our Chief Executive Officer and Chief Operating Officer, the Compensation Committee selects which of our employees (and employees of our subsidiaries) will be eligible to receive awards under the management bonus plan. The actual number of employees who will be eligible to receive an award under the bonus plan in any year cannot be determined in advance because the Compensation Committee has the discretion to select the participants. However, it is expected that approximately 20 employees would participate in the bonus plan in any year, for each performance period. For 2008, 18 employees were eligible to participate in the management bonus plan. For 2009, 19 employees will be eligible to participate in the management bonus plan. The Compensation Committee generally will assign a target award and one or more goals that must be achieved before an award will actually be paid to a participant. The award may be expressed as a percentage of the participant's salary, or may be designated as a dollar amount or based on some other metric as determined by the Compensation Committee. Performance metrics might include cash position, earnings per share, individual objectives, net income, operating cash flow, operating income, return on assets, return on equity, revenue, total stockholder return, or other metrics. Service-based vesting may also be required before the award vests.

For the 2008 and 2009 management bonus plans, as in past years, management recommended and the Compensation Committee determined that it would be in the best interests of our company and our stockholders to continue to conserve our cash by providing for the management bonus to be allocated in performance shares rather than paid in cash. For the 2008 management bonus plan, the Compensation Committee established individual management bonus amounts for each officer, including each executive officer. Each officer was contingently granted a right to receive performance shares in an amount equal to 75% of his or her individual bonus amount, divided by the \$13.32 per share closing price of Echelon's

Table of Contents

common stock on February 11, 2008. For 2008, a return of our company's financial performance to long-term profitability was the key performance criteria on which the Compensation Committee focused. Thus, the issuance of the shares of our common stock underlying the performance shares was subject to the requirement that our company achieve a set level of operating income for the fiscal year ended December 31, 2008. In the case of our Senior Vice President of Sales and Marketing and Senior Vice President - General Manager/Service Provider Group, 50% of the potential bonus was tied to achieving a set level of reported revenue for our LonWorks Infrastructure or Networked Energy Services product lines for the fiscal year ended December 31, 2008. However, the operating income and revenue performance criteria were not met for the fiscal year ended December 31, 2008, so the performance shares under the 2008 management bonus plan did not vest and were automatically returned to our 1997 Stock Plan.

For 2009, the Compensation Committee implemented a management bonus plan under which each manager may receive performance shares under our 1997 Stock Plan, calculated as a dollar amount approved by the Compensation Committee, divided by the \$5.99 per share closing price of Echelon's common stock on March 10, 2009. No cash bonus will be given under this management bonus plan. The Compensation Committee felt this would both conserve cash and tie the compensation of the management to the performance of the stock of the Company over the next 12 months. The company believes that the amount of each bonus generally was set at 75% or less of comparable market levels. The Compensation Committee considered that given the current uncertain economic environment, a service vesting requirement should be implemented for the 2009 management bonus plan. Thus, the issuance to each manager of the shares of Echelon common stock underlying the performance shares is subject to the requirement that the manager continue to be employed by Echelon as of March 1, 2010. If the manager is not so employed as of that date, then the performance shares will not vest and will automatically be returned to our 1997 Stock Plan.

We expect that in future years, the Compensation Committee will continue to consider imposing specific financial performance metrics under the management bonus plan.

Amended and Restated 1997 Stock Plan

Our 1997 Stock Plan was approved by our stockholders at our 2004 annual meeting. Our 1997 Stock Plan provides for the grant of the following types of incentive awards:

Stock options,

Stock purchase rights,

Stock appreciation rights, and

Performance units and performance shares.

Our 1997 Stock Plan allows for awards to be made to employees, directors and consultants who provide services to Echelon and its subsidiaries. Options may be granted as either nonqualified stock options or incentive stock options under our 1997 Stock Plan and generally must be exercised within one month following a service provider's termination other than for death or disability. Stock appreciation rights may be granted alone or in tandem with stock options. A stock appreciation right is the right to receive the appreciation in fair market value of our common stock between the exercise date and the date of grant, and the appreciation may be paid by our company in the form of either cash or shares of our common stock. Following a participant's termination from our company, he or she will only be able to exercise the vested

Table of Contents

portion of the stock appreciation right for the period of time stated in the award agreement, which is generally one month following termination other than for death or disability. Stock purchase rights are awarded pursuant to agreements that grant our company the right to repurchase shares granted to a participant that remain subject to a restriction upon termination of the participant's service with our company for any reason. The restrictions on vesting may be whatever our company determines to be appropriate, including specific performance goals. Performance units and performance shares are awards that will result in payment to a participant only if specified performance goals or other vesting criteria are met or the awards otherwise vest. Performance units have a dollar value established by our company on the date of grant and performance shares have an initial value equal to the fair market value of a share of our common stock on the date of grant.

As of March 23, 2009, a total of 17,681,264 shares of our common stock were reserved for issuance under our 1997 Stock Plan, with 6,353,026 of such shares subject to outstanding awards granted under our 1997 Stock Plan and 11,328,238 of such shares remaining available for new awards to be granted in the future.

Equity Compensation Exchange Programs

In December 2008, our company completed an equity compensation Exchange Program under which eligible employees were given an opportunity to exchange some or all of their outstanding stock options and SARs for a predetermined number of new SARs, if the existing awards were underwater on the December 17, 2008 exchange grant date for the Exchange Program. An option or SAR was underwater if its exercise price is more than the market value of our common stock on the exchange grant date. Our Board of Directors and Compensation Committee approved the Exchange Program to restore the retention and incentive benefits of our company's equity awards. Non-employee members of our Board of Directors were not eligible to participate in the Exchange Program.

Under the Exchange Program, participating eligible employees received one new SAR for each exchanged option with an exercise price less than \$12.00 per share. For exchanged options with an exercise price equal to or greater than \$12.00 per share, participants received between 0.33 and 0.67 new SAR for each option exchanged, depending on the exercise price of the exchanged option. The exercise price of each new SAR is \$7.69, which was the fair market value of our common stock on the December 17, 2008 grant date. The fair market value was determined as the closing price of our common stock reported by the Nasdaq Global Market on that date. As a result of the Exchange Program, our company accepted for cancellation options and SARs for 4,659,926 shares of our common stock. In exchange for these cancelled awards, we granted new SARs to purchase an aggregate of 3,240,890 shares of our common stock (2,017,495 shares in respect of former options and 1,223,395 shares in respect of former SARs), resulting in a net decrease of 1,419,036 shares of common stock issuable upon exercise.

Long-Term Equity Incentive Compensation, including Grant Guidelines

Our Compensation Committee regularly monitors the environment in which we operate and makes changes to our equity compensation program to help us meet our goals, including achieving long-term stockholder value. We use various forms of equity compensation to motivate and reward long-term performance and encourage our employees to participate in the ownership of our company. We have granted awards based on options, SARs and performance shares, each of which carries a vesting requirement.

Table of Contents

Our Compensation Committee is empowered by our Board of Directors and the provisions of our 1997 Stock Plan to grant awards under the Plan. In addition, our Board of Directors has delegated to a stock option committee, comprised solely of our Chief Executive Officer, a limited power to make equity compensation awards. In his stock option committee capacity, our Chief Executive Officer is empowered to grant stock options, performance shares and/or SARs under our 1997 Stock Plan, only to non-executive officer employees of our company, up to a maximum of 25,000 shares per employee per year and an aggregate limit of 250,000 shares per year. Any equity compensation awards to any executive officer or to any employee in excess of 25,000 shares in any year or in excess of the 250,000 share aggregate limit must be approved by the Compensation Committee or the Board of Directors.

In August 2007, our Board of Directors and Compensation Committee adopted general equity compensation grant guidelines regarding the timing of granting equity compensation awards to company employees, including executive officers. The guidelines provide that while we intend to follow the timing guidelines to the extent possible, our Board of Directors, the Compensation Committee or the stock option committee may issue equity compensation grants at a different time if doing so would be in the best interests of our company, our stockholders and our employees.

The equity compensation grant guidelines provide that awards will generally be granted on the 10th day of the calendar month (or the next business day, if the 10th day is not a business day). The grant date of the award will be the date that the exercise price (determined as the closing price for our company's common stock on the Nasdaq Stock Market) and vesting date are set. Awards may be approved in advance of the grant date for that month. Award approvals by the Compensation Committee generally will be made at an in-person or telephonic committee meeting. If an award is approved by unanimous written consent, the effective date of such written consent will be the date the last signature is obtained.

The guidelines apply to awards for both new and existing employees, including executive officers. The grant date for new employees will generally be the 10th day of the month following the date the award is approved, provided that the grant date cannot be prior to the employee's first day of employment. The guidelines provide that, in the case of the annual equity compensation award to all or any subset of existing employees, the grant date will be the date of our company's annual meeting of stockholders for such year. In the case of awards to executive officers (including the annual award), if our company's insider trading window is not then open, then the grant date shall be the day the insider trading window next opens. In 2008, the annual equity compensation grant was made on our company's annual meeting date, which was May 27, 2008. Our company's insider trading window was open on that date.

The Compensation Committee has not granted, nor does it intend to grant in the future, equity compensation awards in anticipation of the release of material nonpublic information that is likely to result in changes to the price of our common stock, such as a significant positive or negative earnings announcement. Similarly, our Compensation Committee has not timed, nor does it intend to time in the future, the release of material nonpublic information based on equity award grant dates.

Form of Equity Compensation Awards

On an annual basis, our Compensation Committee approves an annual equity compensation award to our employees, including our executive officers, under our 1997 Stock Plan. We intend that equity awards granted under our 1997 Stock Plan will offer long-term incentives to our employees to remain with our company and continue to perform well, and will reward each of our employees, including our executive officers, by participating in our company's success. We regard our equity award program as an important tool for retaining and motivating our employees.

Table of Contents

Historically, we granted equity awards to our employees in the form of stock options. However, because of the evolution of the accounting treatment of certain types of awards, particularly as a result of SFAS 123R, *Share Based Payment*, which requires a company to recognize as an expense the fair value of stock options and other stock-based compensation granted to employees, the Compensation Committee has determined that it is in the best interests of our stockholders to consider issuing forms of equity compensation other than stock options in order to limit to the extent possible the amount of compensation expense our company must record and the resulting negative impact on our earnings and earnings per share.

From time to time, the Compensation Committee has reviewed recommendations presented by management, and also consulted with Compensia, the independent management compensation consulting firm that it had retained, regarding key trends and observations for equity compensation practices by peer companies. For example, after reviewing these recommendations and trends in 2006, the Compensation Committee elected to grant equity compensation awards in an overall amount that was reduced from the prior year's stock option grant. In addition, the 2006 award did not consist of stock options, but rather consisted of two components: (i) stock appreciation rights, or SARs, and (ii) performance shares. Since that time, the Compensation Committee continued this practice and has granted SARs and performance shares in lieu of stock options as part of the annual equity compensation award to our employees.

Each SAR entitles the employee to exercise the SAR in exchange for shares of our common stock, less applicable withholding tax obligations, determined by (1) multiplying (A) the difference between the fair market value of a share of our common stock on the date of exercise over the stated exercise price of the SAR, times (B) the number of shares with respect to which the SAR is exercised; and (2) dividing the product of (A) and (B) by the fair market value of a share of our common stock on the date of exercise. Thus, as with stock options, employees are able to profit from SARs only if our stock price increases in value over the SAR's stated exercise price. We believe that the use of these stock-settled SARs will provide our company with an appropriate employee retention and motivation tool, but will result in considerably less dilution to our stockholders than if we issued stock options or did not mandate a net exercise.

We also believe that the use of performance shares provides a more predictable value to employees than stock options, and therefore they are an efficient tool to retain and motivate employees, while also serving as an incentive to increase the value of our common stock. Performance shares also may be efficient with respect to the use of our 1997 Stock Plan share reserves because, as explained below, we believe that fewer performance shares are needed to provide a retention and incentive value similar to stock options.

In 2008, the amount of the equity compensation award to each employee, including each executive officer, was determined based on information obtained from management (and in the case of our Chief Executive Officer, the Compensation Committee and our Board of Directors), with a view to motivating the employee to perform well, while meeting internal and external competitive norms. In 2008, the Compensation Committee allocated to each executive officer a total number of shares, of which two thirds were allocated to SARs and one third was allocated to performance shares. This results in the employee being eligible to receive only one third of the number of performance shares when compared to SARs. While both SARs and performance shares are subject to vesting over a four-year period, the

Table of Contents

Compensation Committee realized that performance shares retain value even if the market price of our common stock at the time the shares are issued is less than the market price at the time of grant. Thus, as with grants made in the prior two years, the Compensation Committee determined that, for 2008, it would be appropriate to grant performance shares on a pro rated basis when compared with SARs.

Stock Ownership Guidelines

In 2007, our Board of Directors determined that our directors and executive officers should own and hold common stock of our company to further align their interests and actions with the interests of our stockholders. Accordingly, our Board of Directors has adopted stock ownership guidelines applicable to our directors and executive officers. The guidelines provide that directors who are not also officers of our company are expected to own and hold common stock of our company with a minimum of value of \$100,000. In addition, the following guidelines apply to our executive officers:

Position	Minimum Ownership Guideline
CEO:	Shares with a value equal to 5 times base salary
President, COO, CFO:	Shares with a value equal to 3 times base salary
Senior Vice President:	Lesser of 20,000 shares or shares with a value equal to one times base salary

Company common stock that will count towards satisfying the guidelines includes:

Shares owned outright by the director or executive officer and his or her immediate family members who share the same household, whether held individually or jointly, and shares held in trust where the director or executive officer is the beneficial owner;

Shares owned outright and resulting from the exercise of stock options or SARs; and

Shares purchased in the open market.

Directors and executive officers are expected to achieve the specified stock ownership level within five years after the August 2007 adoption date of the guidelines, in the case of persons who were directors or officers as of that date, or five years after the date of their appointment as a director or executive officer, in the case of new appointments. Currently, four of seven non-employee directors, four of seven executive officers and four of five Named Executive Officers exceed these ownership guidelines.

Generally Available Benefits and Other Programs

We also offer a number of other benefits to our employees, including our executive officers, including medical, dental and vision insurance, long-term and short-term disability insurance, life and accidental death and dismemberment insurance, health and dependent care flexible spending accounts, wellness programs, educational assistance, and employee assistance programs. We also maintain a tax-qualified 401(k) Plan, which provides for broad-based employee participation. Our company does not offer matching for 401(k) Plan contributions, nor does our company offer a pension program, except as mandated by local laws.

Table of Contents

We believe that the availability of these benefits programs generally enhances employee productivity and loyalty to our company. The main objectives of our benefits programs are to give our employees access to quality healthcare, financial protection from unforeseen events, assistance in achieving retirement financial goals, and enhanced health and productivity. These generally available benefits typically do not specifically factor into decisions regarding an individual executive's total compensation or equity award package.

Chief Executive Officer Compensation for 2008

The Compensation Committee, in consultation with our Board of Directors, sets our Chief Executive Officer's compensation in accordance with the foregoing principles. As in past years, for 2008 and continuing in 2009, our Chief Executive Officer received a low salary when compared to other officers of our company and chief executive officers of our peer companies. However, the Compensation Committee has determined that in the case of Mr. Oshman, weighing our Chief Executive Officer's compensation very heavily towards equity compensation is an appropriate method to continue to align his interests with our company's long-term goals and the interests of our stockholders.

Employment Arrangements

Generally, none of our executive officers is subject to an employment or comparable agreement. However, our Senior Vice President - General Manager/Service Provider Group, Fredrick H. Bruggink, is the subject of an employment agreement in accordance with Dutch law with our Netherlands subsidiary, Echelon BV. Under Dutch law, if Mr. Bruggink's employment is terminated unilaterally by our company prior to the Dutch statutory retirement age, a severance payment, which is typically paid in a lump sum, will be calculated as the product of (A) the number of the employee's years of employment (provided that when the employee is between 40 and 50 years of age, each year is considered as 1.5 employment years, and when the employee is above 50 years of age, each year is considered as two employment years,) multiplied by (B) the employee's average gross monthly earnings (fixed salary including holiday allowance) over a certain immediately preceding period (typically one year), and multiplied by (C) a factor between 0 and 2 (which is normally 1) based on the employee's perceived culpability for the termination. Under Dutch law, the period in clause (B) and the factor in clause (C) are to be mutually agreed by the employer and the employee, provided that if agreement is not reached, then the issues will be submitted to the Director of the Centre of Labor & Income or the Cantonal Court (Kantongerecht) in the Netherlands.

In June 2008, our Board of Directors approved modifications to the forms of equity award agreements under our 1997 Stock Plan. Under these modifications, if within twelve months following a change in control of our company, an employee of our Company or our subsidiaries at the level of Vice President and above is subject to an involuntary (not for cause) termination within the meaning of our 1997 Stock Plan, then certain equity compensation awards of that employee would become fully vested. We believe this feature is consistent with the practice at peer companies.

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis for fiscal 2008. Compensation Committee Interlocks and Insider Participation

During fiscal 2008, the following directors were members of Echelon's Compensation Committee: Armas Clifford Markkula, Jr., Robert R. Maxfield, Richard M. Moley and Betsy Rafael. Other than Robert R. Maxfield, who resigned from the Compensation Committee on April 28, 2008 and served as Senior Vice President of Products of our company from April 28, 2008 until October 3, 2008, none of these directors has at any time been an officer or employee of Echelon. None of Echelon's executive officers serves, or in the past fiscal year has served, as a member of the board of directors or compensation committee of any entity that has one or more of its executive officers serving on Echelon's Board of Directors or Compensation Committee.

Policies and Procedures with Respect to Related Party Transactions

Our Corporate Governance Guidelines require our directors to take a proactive, focused approach to their position and to set standards that ensure that our company is committed to business success through the maintenance of the highest standards of responsibility and ethics. Thus, our Board of Directors is committed to upholding the highest legal and ethical conduct in fulfilling its responsibilities and recognizes that related party transactions can present heightened risk of potential or actual conflicts of interest. Accordingly, as a general matter, it is Echelon's preference to avoid related party transactions.

The charter of our Audit Committee requires that the members of the Audit Committee, all of whom are independent directors, review and approve in advance all related party transactions for which approval is required under applicable law. Current SEC rules define a related party transaction to include any transaction, arrangement or relationship in which our company is a participant and in which any of the following persons has or will have a direct or indirect interest:

an executive officer, director or director nominee of Echelon;

Table of Contents

any person who is known to be the beneficial owners of more than 5% of our common stock;

any person who is an immediate family member (as defined in Item 404 of Regulation S-K) of an executive officer, director or director nominee or beneficial owner of more than 5% of our common stock; and

any firm, corporation or other entity in which any of the foregoing persons is employed or is a partner or principal or in a similar position or in which such person, together with any other of the foregoing persons, has a 5% or greater beneficial ownership interest.

Certain Relationships

Loans to Employees

On October 29, 2001, we loaned Russell Harris, our Senior Vice President of Operations, \$1,000,000 in connection with his principal residence. Mr. Harris issued to us a promissory note secured by residential real estate. The note bears interest at the rate of 4.5% per annum, compounded monthly. The interest accruing under the note is due and payable in monthly installments over the nine year term of the note, and the principal is due and payable on October 29, 2010, subject to earlier repayment upon the occurrence of certain events. The terms of this loan have never been amended.

Agreements with ENEL

In June 2000, we began working with the Italian utility Enel to incorporate our technology into Enel's Contatore Elettronico project. Under this project, Enel replaced its existing stand-alone electricity meters with advanced, networked electricity meters at over 27 million of its customers locations in Italy. We completed our scheduled deliveries under this project in 2005. In October 2006, we entered into a new development and supply agreement and a software enhancement agreement with Enel. Under the development and supply agreement, Enel and its contract manufacturers purchase additional electronic components and finished goods from us. Under the software enhancement agreement, we provide software enhancements to Enel for use in the Contatore Elettronico system. The development and supply agreement expires in December 2011, and the software enhancement agreement expires in December 2009, although delivery of products and services can extend beyond those dates and the agreements may be extended under certain circumstances.

In June 2000, we entered into a stock purchase agreement with Enel pursuant to which Enel purchased 3.0 million newly issued shares of our common stock for \$130.7 million. The closing of this stock purchase occurred on September 11, 2000. At the closing, Enel had agreed that it would not, except under limited circumstances, sell or otherwise transfer any of those shares for a specified time period. That time period expired September 11, 2003. To our knowledge, Enel has not disposed of any of its 3.0 million shares. The stock purchase agreement also gives Enel the right to nominate a member of our Board of Directors as long as Enel owns at least two million shares of our common stock. As a condition to the closing of the stock purchase agreement, our directors and our Chief Financial Officer agreed to enter into a voting agreement with Enel in which each of them agreed to vote the shares of our company's common stock that they beneficially own or control in favor of Enel's nominee to our Board of Directors. M. Francesco Tatò served as Enel's representative on our Board of Directors from September 2000 until June 2002. Enel has not

Table of Contents

nominated a replacement for Mr. Tatò on our Board of Directors. In December 2005, Enel transferred to a related entity, Enel Investment Holding BV, its three million shares of our common stock. To our knowledge, Enel, through Enel Investment Holding BV, currently holds 3,000,000 shares of our common stock, representing 7.4% of our outstanding common stock as of March 23, 2009.

Pursuant to a registration rights agreement, dated September 11, 2000, between our company and Enel, Enel may, subject to certain conditions and limitations, request that we register the shares purchased under the common stock purchase agreement. In the event we elect to register any of our securities, Enel may, subject to certain limitations, include the shares purchased under the common stock purchase agreement in such registration.

Reimbursement of Travel Expenses

Mr. Oshman, our Chief Executive Officer, from time to time uses his private plane or private air travel services for company business for himself and any employees that accompany him. In August 2008, our Board of Directors approved a reimbursement arrangement whereby our company will reimburse Mr. Oshman for 50% of the costs incurred by Mr. Oshman for his private plane or charter aircraft travel on company business. These costs include flight charges (subject to any discounted rate that may apply), fuel, fuel surcharges, landing fees, crew costs and related expenses. Our Audit Committee regularly reviews these expenses. During 2008, we recognized a total of approximately \$258,000 in expenses pursuant to this reimbursement arrangement. Historically, our company had reimbursed Mr. Oshman for the cost of first class commercial air travel services for himself and company employees who accompanied him on private aircraft travel.

Legal Services

During fiscal year 2008, the law firm of Wilson Sonsini Goodrich & Rosati, P.C. acted as principal outside counsel to our company. Mr. Sonsini, a director of our company, is a member of Wilson Sonsini Goodrich & Rosati, P.C. We incur bills for legal services that vary from year to year depending upon our legal needs. In determining the independence of Mr. Sonsini, our Board of Directors reviews our relationship with Wilson Sonsini Goodrich & Rosati, P.C. in conjunction with the applicable independence guidelines under the applicable listing standards of the Nasdaq Stock Market and SEC rules.

OTHER INFORMATION

Section 16(a) Beneficial Ownership Reporting Information

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our executive officers, directors and persons who own more than 10% of a registered class of our equity securities to file certain reports with the SEC regarding ownership of, and transactions in, our securities. Such officers, directors and 10% stockholders are also required by the SEC to furnish us with copies of all Section 16(a) forms that they file.

Based solely on our review of such forms furnished to us and written representations from certain reporting persons, we believe that all filing requirements applicable to our executive officers, directors and more than 10% stockholders were complied with during the fiscal year ended December 31, 2008, except that a late Form 4 was filed on behalf of Robert R. Maxfield on June 2, 2008 with respect to the release of performance shares on May 28, 2008.

3.6 Determination of Actual Awards. After the end of each Performance Period, the Committee shall certify in writing the extent to which the Performance Goals applicable to each Participant for the Performance Period were achieved or exceeded. The Actual Award for each Participant shall be determined by applying the Payout Formula to the level of actual performance that has been certified by the Committee.

Notwithstanding any contrary provision of the Plan, the Committee, in its sole discretion, may (a) eliminate or reduce the Actual Award payable to any Participant below that which otherwise would be payable under the Payout Formula, and (b) determine what Actual Award, if any, will be paid in the event of a Termination of Employment prior to the end of the Performance Period.

SECTION 4

PAYMENT OF AWARDS

4.1 Right to Receive Payment. Each Actual Award that may become payable under the Plan shall be paid solely from the general assets of the Company. Nothing in this Plan shall be construed to create a trust or to establish or evidence any Participant's claim of any right to payment of an Actual Award other than as an unsecured general creditor with respect to any payment to which he or she may be entitled.

4.2 Timing of Payment. Payment of each Actual Award shall be made as soon as administratively practicable, but in no event later than 90 days after the end of the Performance Period during which the Award was earned.

4.3 Form of Payment. Each Actual Award normally shall be paid in cash (or its equivalent) in a single lump sum.

4.4 Payment in the Event of Death. If a Participant dies prior to the payment of an Actual Award earned by him or her prior to death for a prior Performance Period, the Award shall be paid to his or her estate.

SECTION 5

ADMINISTRATION

5.1 Committee is the Administrator. The Plan shall be administered by the Committee. The Committee shall consist of not less than two (2) members of the Board. The members of the Committee shall be appointed from time to time by, and serve at the pleasure of, the Board. Each member of the Committee shall qualify as an outside director under section 162(m) of the Code. If it is later determined that one or more members of the Committee do not so qualify, actions taken by the Committee prior to such determination shall be valid despite such failure to qualify.

5.2 Committee Authority. It shall be the duty of the Committee to administer the Plan in accordance with the Plan's provisions. The Committee shall have all powers and discretion necessary or appropriate to administer the Plan and to control its operation, including, but not limited to, the power to (a) determine which Employees shall be granted awards, (b) prescribe the terms and conditions of awards, (c) interpret the Plan and the awards, (d) adopt such procedures and subplans as are necessary or appropriate to permit participation in the Plan by Employees who are foreign nationals or employed outside of the United States, (e) adopt rules for the administration, interpretation and application of the Plan as are consistent therewith, and (f) interpret, amend or revoke any such rules.

5.3 **Decisions Binding.** All determinations and decisions made by the Committee, the Board, and any delegate of the Committee pursuant to the provisions of the Plan shall be final, conclusive, and binding on all persons, and shall be given the maximum deference permitted by law.

5.4 **Delegation by the Committee.** The Committee, in its sole discretion and on such terms and conditions as it may provide, may delegate all or part of its authority and powers under the Plan to one or more directors and/or officers of the Company; provided, however, that the Committee may delegate its authority and powers only with respect to awards that are not intended to qualify as performance-based compensation under section 162(m) of the Code.

SECTION 6

GENERAL PROVISIONS

6.1 **Tax Withholding.** The Company shall withhold all applicable taxes from any Actual Award, including any federal, state, local, foreign or other taxes (including, but not limited to, the Participant's FICA and SDI obligations).

6.2 **No Effect on Employment.** Nothing in the Plan shall interfere with or limit in any way the right of the Company to terminate any Participant's employment or service at any time, with or without cause. For purposes of the Plan, transfer of employment of a Participant between the Company and any one of its Affiliates (or between Affiliates) shall not be deemed a Termination of Employment. Employment with the Company and its Affiliates is on an at-will basis only. The Company expressly reserves the right, which may be exercised at any time and without regard to when during a Performance Period such exercise occurs, to terminate any individual's employment with or without cause, and to treat him or her without regard to the effect which such treatment might have upon him or her as a Participant.

6.3 **Participation.** No Employee shall have the right to be selected to receive an award under this Plan, or, having been so selected, to be selected to receive a future award.

6.4 **Indemnification.** Each person who is or shall have been a member of the Committee, or of the Board, shall be indemnified and held harmless by the Company against and from (a) any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan or any award, and (b) from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such claim, action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or Bylaws, by contract, as a matter of law, or otherwise, or under any power that the Company may have to indemnify them or hold them harmless.

6.5 **Successors**. All obligations of the Company under the Plan, with respect to awards granted hereunder, shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business or assets of the Company.

6.6 **Beneficiary Designations**. If permitted by the Committee, a Participant under the Plan may name a beneficiary or beneficiaries to whom any vested but unpaid award shall be paid in the event of the Participant's death. Each such designation shall revoke all prior designations by the Participant and shall be effective only if given in a form and manner acceptable to the Committee. In the absence of any such designation, any vested benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate.

6.7 **Nontransferability of Awards**. No award granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will, by the laws of descent and distribution, or to the limited extent provided in Section 6.6. All rights with respect to an award granted to a Participant shall be available during his or her lifetime only to the Participant.

6.8 **Deferrals**. The Committee, in its sole discretion, may permit a Participant to defer receipt of the payment of cash that would otherwise be delivered to a Participant under the Plan. Any such deferral elections shall be subject to such rules and procedures as shall be determined by the Committee in its sole discretion.

SECTION 7

AMENDMENT, TERMINATION AND DURATION

7.1 **Amendment, Suspension or Termination**. The Board, in its sole discretion, may amend or terminate the Plan, or any part thereof, at any time and for any reason. The amendment, suspension or termination of the Plan shall not, without the consent of the Participant, alter or impair any rights or obligations under any Target Award theretofore granted to such Participant. No award may be granted during any period of suspension or after termination of the Plan.

7.2 **Duration of the Plan**. The Plan shall commence on the date specified herein, and subject to Section 7.1 (regarding the Board's right to amend or terminate the Plan), shall remain in effect thereafter.
