Global Ship Lease Provides Update on Credit Facility and First

Quarter 2009 Dividend

LONDON, April 29, 2009 Global Ship Lease, Inc (NYSE: GSL, GSL.U GSL.WS), a containership charter owner, announced today that due to current challenges in the ship valuation environment and as a pre-emptive measure against potential issues under loan-to-value covenants in its US\$ 800 million credit facility, the Company has signed an agreement to waive for two months the requirement under the credit facility to submit vessel valuations, which were next due on April 30, 2009 and undertake the consequent loan-to-value test. Accordingly, the Company has entered negotiations with its lenders until June 30, 2009, during which time it expects to finalize an amendment to the credit facility. In connection with the agreement for a two month waiver, Global Ship Lease will not pay dividends to common shareholders during this period and intends to review its dividend policy at the end of this period. The facility will bear an interest margin of 2.75% for the two month period.

Ian Webber, Chief Executive Officer of Global Ship Lease, commented, "This agreement was secured in response to the current disruption in the containership sale and purchase market and resulting difficulty in receiving meaningful vessel valuations when many ship brokers have suspended issuing such valuations. We will work closely with our bank group over the next two months to further amend our credit facility. Importantly, all of our contracts continue to perform as expected and our charter hire remains current. We anticipate that operating income for First Quarter 2009 will be in excess of \$13 million compared to \$10 million for Fourth Quarter 2008, reflecting a full quarter's contribution from the four vessels we purchased in December. Further, our entire operating fleet is secured to time charters with an average remaining term of approximately 10 years, positioning the Company to continue to generate predictable and stable cash flows going forward. Global Ship Lease's total contracted revenue is currently \$1.6 billion."

About Global Ship Lease

Global Ship Lease is a containership charter owner. Incorporated in the Marshall Islands, Global Ship Lease commenced operations in December 2007 with a business of owning and chartering out containerships under long-term, fixed rate charters to world class container liner companies.

Global Ship Lease currently owns 16 vessels and has contracted to purchase an additional three vessels. The Company has a contract in place to purchase an additional vessel for \$82 million from CMA CGM, which is expected to be delivered in July of 2009 and also has contracts in place to purchase two newbuildings from German interests for approximately \$77 million each which are scheduled to be delivered in the fourth quarter of 2010.

Once all of the contracted vessels have been delivered by the end of 2010, Global Ship Lease will have a 19 vessel fleet with total capacity of 74,797 TEU and a weighted average age at that time of 7.4 years and an average remaining charter term of approximately eight years. All of the vessels including those contracted for future delivery are fixed on long-term charters.

1. Introduction

1.1 We refer to:

- (b) the waiver request dated 23 April 2009 submitted by the Representative Borrower to the Facility Agent in terms of which the Representative Borrower requested a standstill period during which the obligation in respect of the provision of Valuations pursuant to clause 18.2(d) of the Credit Agreement and the testing of the Leverage Ratio pursuant to clause 16.15(c) of the Credit Agreement will be suspended (the **Waiver Request**).

1.2 Each of the Lenders comprising the Majority Lenders have consented to the Waiver Request subject to the conditions set out in this letter.

1.3 Save as otherwise defined in this letter, capitalised terms defined in the Credit Agreement have the same meaning when used in this letter.

2. Waiver and amendment

Edgar Filing: Global Ship Lease, Inc. - Form 6-K

- 2.1 In consideration of the Borrowers, through the countersignature of the Representative Borrower upon this letter, agreeing to the conditions set out in paragraph 2.2 below, the Lenders agree as follows:
- (a) the obligation of the Representative Borrower to procure and deliver to the Facility Agent a Valuation in respect of each Vessel, dated with a date in April 2009, in accordance with clause 18.2(d) (Delivery of Valuations) of the Credit Agreement is hereby waived from (and including) 30 April 2009 to (and including) 30 June 2009, or such later date as may be agreed between the Lenders and the Borrowers as a result of the consultations referred to in paragraph 2.2(a) below (the **Waiver Period**) so that the obligation becomes one to provide a Valuation in respect of each Vessel dated with a date on or before the end of the Waiver Period.

- (b) the right of the Facility Agent under clause 16.15(c) (Partial prepayment or additional security) to test the Leverage Ratio on 30 April 2009 and 31 May 2009 is hereby waived until the final day of the Waiver Period.
- 2.2 The waivers contained in Clauses 2.1(a) and 2.1(b) above are given by the Lenders on the terms and subject to the following conditions, namely that during the Waiver Period:
- (a) each party to this letter shall consult in good faith with a view to finding an arrangement acceptable to the Borrowers and the Lenders to deal with the requests set out in the letter of 14 April 2009 from the Representative Borrower to the Facility Agent;
 - (b) notwithstanding the provisions of clause 16.9 (Payment of dividends) of the Credit Agreement, the Representative Borrower does not declare or pay any dividend or declare or make any other distribution (whether by loan or otherwise) to any shareholder of the Representative Borrower. This paragraph (b) shall not apply to any payment made by the Representative Borrower to CMA CGM in its capacity as charterer or ship manager of any of the Vessels nor to any payment by the Representative Borrower to CMA CGM of interest in respect of the preference shares held by CMA CGM in the Representative Borrower; and
 - (c) notwithstanding the definition of Margin in the Credit Agreement, the Margin shall be 2.75 per cent per annum.
- 2.3 Clause 2.2(a) does not in any way limit the rights of any Finance Party or the obligations (as varied by the terms of this letter) of the Borrowers under the Finance Documents.
- 2.4 The obligation of the Facility Agent under paragraph 2.2(a) is simply one to consult with the Representative Borrower in good faith. The Facility Agent, acting alone, is not obliged to take any step or agree to any waiver of, or amendment to, any Finance Document or agree to any other matter. The Representative Borrower acknowledges that the Facility Agent will not, in any event, agree to take any such step or reach any other agreement without the instructions of the Majority Lenders or, as the case may be, depending on the nature of the step or arrangement, all of the Lenders.

3. Reservation of rights

This letter does not constitute a waiver of any right or remedy other than in relation to the specific waivers expressly given under this letter.

4. Credit Agreement

Except as expressly waived or amended by this letter, the Credit Agreement remains unamended and in full force and effect.

5. Finance Document

This letter shall be deemed to be a Finance Document (as defined under the Credit Agreement).
