**PROXY STATEMENT**

**FOR THE ANNUAL MEETING OF STOCKHOLDERS**

China Holdings Acquisition Corp. ( "CHAC" or the "Company" ) is furnishing you this Proxy Statement on behalf of its Board of Directors to solicit proxies for its Annual Meeting of Stockholders (the "Annual Meeting" ), and any adjournments or postponements of the Annual Meeting. We plan to hold the Annual Meeting on Thursday, July 23, 2009 at 12:00 p.m. Eastern Time at 50 Main Street, Suite 1000, White Plains, New York 10606. The approximate date that this Proxy Statement, the accompanying Notice of Annual Meeting, and the enclosed Form of Proxy are first being sent to stockholders is on or about June 23, 2009. The Company's Annual Report on Form 10-K (the "Annual Report" ) for the year ended December 31, 2008, will be mailed or delivered concurrently with this Proxy Statement. The Annual Report is not to be regarded as proxy soliciting materials. The Company's principal executive offices are located at 1000 N. West Street, Suite 1200, Wilmington, Delaware 19801.

**Matters To Be Considered at the Annual Meeting**

At the Annual Meeting, holders of our common stock will consider and vote upon proposals to:

elect six members to our Board of Directors to hold office until our next Annual Meeting of Stockholders and until their successors are duly elected and qualified;

to ratify the appointment of McGladrey & Pullen, LLP, as our independent registered public accountants for the fiscal year ending December 31, 2009; and

to transact such other business as may properly come before the Annual Meeting and any adjournments or postponements thereof.

**Outstanding Shares; Voting Rights**

The Board of Directors has set the close of business on June 19, 2009, as the record date for determining stockholders entitled to notice of and to vote at the Annual Meeting. The common stock is the only outstanding class of securities of the Company entitled to vote. Each share of common stock has one vote. Only stockholders of record as of the close of business as of the record date will be entitled to vote. A list of stockholders entitled to vote at the Annual Meeting will be available at our offices, 1000 N. West Street, Suite 1200, Wilmington, Delaware 19801, for a period of ten days prior to the Annual Meeting for examination by any stockholder. As of the record date, there were 16,000,000 shares of common stock issued and outstanding.

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of all of the shares of common stock outstanding on the record date will constitute a quorum, permitting us to conduct business at the Annual Meeting. If you hold your shares in street name through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters. Shares represented by such broker non-votes will, however, be counted in determining whether there is a quorum. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the Annual Meeting for purposes of a quorum, but will not be counted as votes cast for or against any given matter. If less than a majority of outstanding shares of common stock entitled to vote are represented at the Annual Meeting, a majority of the shares present at the Annual Meeting may adjourn the Annual Meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the Annual Meeting before an adjournment is taken.

The affirmative vote, either in person or by proxy, of a plurality of the votes cast at the Annual Meeting is required for the election of the directors. This means that nominees who receive the highest number of votes are elected. Abstentions and broker non-votes are not votes cast and are not counted in determining whether a nominee is elected. A properly executed proxy marked to "Withhold Authority" with respect to the election of one or more nominees for director will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Stockholders do not have the right to cumulate their votes for directors.

The affirmative vote (either in person or by proxy) of a majority of the shares of our common stock present at the Annual Meeting will be required for the ratification of our independent public accountants. Abstentions and broker non-votes are treated as shares present or represented and entitled to vote on such matter, and thus will have the same effect as negative votes. A properly executed proxy marked **Abstain** with respect to this matter will not be voted for the ratification, although it will be counted for purposes of determining whether there is a quorum.

As of the record date, our directors and executive officers beneficially owned 3,084,920 shares of common stock, representing approximately 19% of the outstanding shares of common stock entitled to vote at the Annual Meeting. Accordingly, even if all of such shares are voted in favor of the proposals described above, no assurance can be given that all of such proposals would be approved.

Shares of common stock represented by a properly executed proxy received in time to permit its use at the Annual Meeting and any adjournments or postponements thereof will be voted in accordance with the instructions indicated therein. If no instructions are indicated, the shares of common stock represented by the proxy will be voted (a) FOR the election of all six nominees for director, and (b) FOR the ratification of our independent registered public accountants. We do not anticipate that any of our nominees will be unavailable for election and we do not know of any matters that may be brought before the Annual Meeting. In the event that any other matter should come before the Annual Meeting or any nominee is not available for election, the persons named in the enclosed proxy will have discretionary authority to vote all proxies not marked to the contrary with respect to such matter in accordance with their best judgment.

You are requested, regardless of the number of shares you hold, to sign the proxy and return it promptly in the enclosed envelope.

#### **Revocability of Proxies**

If you grant a proxy, you may revoke your proxy at any time until it is voted by:

delivering a notice of revocation to the attention of Chief Executive Officer, China Holdings Acquisition Corp., 1000 N. West Street, Suite 1200, Wilmington, Delaware 19801;

submitting a proxy with a later date prior to the Annual Meeting; or

appearing at the Annual Meeting, revoking the proxy and voting in person.

Attendance at the Annual Meeting will not in and of itself revoke a proxy that you submitted prior to the Annual Meeting.

#### **Solicitation of Proxies**

The enclosed proxy is solicited on behalf of our Board of Directors. We will bear the cost of the solicitation of proxies and will solicit proxies by mail. In addition, our directors, officers and employees may solicit proxies from stockholders by telephone, in person or any other lawful means. We will make arrangements with brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy solicitation material to the beneficial owners of common stock held of record by those persons, and we will reimburse them for reasonable out-of-pocket expenses.

## Director Independence

The NYSE Amex Equities (f/k/a the American Stock Exchange) (the "NYSE Amex") requires that a majority of our Board must be composed of independent directors, which is defined generally as a person other than an officer or employee of the Company or its subsidiaries or any other individual having a relationship, which, in the opinion of the Company's Board of Directors would interfere with the director's exercise of independent judgment in carrying out the responsibilities of a director. In order to be considered to be independent for purposes of Rule 10A-3 of the Exchange Act, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee: (1) accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the listed company or any of its subsidiaries; or (2) be an affiliated person of the listed company or any of its subsidiaries.

Our Board of Directors has determined that each of Alan G. Hassenfeld, Gregory E. Smith, Xiao Feng and Cheng Yan Davis are independent directors as such term is defined in Rule 10A-3 of the Exchange Act and the rules of the NYSE Amex.

In making this determination, our Board of Directors considered the relationships that each non-employee director has with our Company and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director. In particular, our Board of Directors has determined that, Messrs. Hassenfeld, Smith, Feng and Ms. Davis fall within the safe harbor provisions of Rule 10A-3(e)(1)(ii) under the Exchange Act. The safe harbor provisions of Rule 10A-3(e)(1)(ii) exempts holders of 10% or less of any class of voting securities of an issuer from being deemed to be in control of, or an affiliate of, that issuer. Currently, Messrs. Hassenfeld, Smith, Feng and Davis each beneficially owns less than 10% of our outstanding common stock.

Our Board of Directors held four meetings during our fiscal year ended December 31, 2008, including action taken by unanimous written consent. During our fiscal year ended December 31, 2008, no director attended less than 75% of the aggregate number of Board of Directors meetings held or meetings of committees on which they served. We encourage all of our directors to attend our Annual Meeting of Stockholders. We plan to hold a Board of Directors meeting immediately following our Annual Meeting of Stockholders.

#### *Audit Committee*

Our Audit Committee consists of Gregory E. Smith, Alan G. Hassenfeld and Cheng Yan Davis, each of whom have been determined to be independent as defined in Rule 10A-3 of the Exchange Act and the rules of the NYSE Amex. The responsibilities of our Audit Committee includes:

meeting with our management periodically to consider the adequacy of our internal control over financial reporting and the objectivity of our financial reporting;

appointing the independent registered public accounting firm, determining the compensation of the independent registered public accounting firm and pre-approving the engagement of the independent registered public accounting firm for audit and non-audit services;

overseeing the independent registered public accounting firm, including reviewing independence and quality control procedures and experience and qualifications of audit personnel that are providing us audit services;

meeting with the independent registered public accounting firm and reviewing the scope and significant findings of the audits performed by them, and meeting with management and internal financial personnel regarding these matters;

reviewing our financing plans, the adequacy and sufficiency of our financial and accounting controls, practices and procedures, the activities and recommendations of the auditors and our reporting policies and practices, and reporting recommendations to our full Board of Directors for approval;

establishing procedures for the receipt, retention and treatment of complaints regarding internal accounting controls or auditing matters and, if applicable, the confidential, anonymous submissions by employees of concerns regarding questionable accounting or auditing matters;

preparing the report required by the rules of the Securities and Exchange Commission ( SEC ) to be included in our annual proxy statement; and

monitoring compliance on a quarterly basis with the terms of our public offering and, if any noncompliance is identified, the Audit Committee is charged with the immediate responsibility to take all action necessary to rectify such noncompliance or otherwise cause compliance with the terms of our public offering.

The Audit Committee met four times in fiscal 2008. The report of the audit committee is included below. Immediately after the Annual Meeting, it is anticipated that Gregory E. Smith, Alan G. Hassenfeld and Cheng Yan Davis will be reappointed to the Audit Committee by the Board. A copy of the Audit Committee's Charter is attached hereto as Exhibit A.

The Audit Committee is composed exclusively of independent directors who are financially literate as defined under the NYSE Amex rules. The NYSE Amex rules define financially literate as being able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement.

## Edgar Filing: China Holdings Acquisition Corp. - Form DEF 14A

In addition, we must certify to the NYSE Amex that the committee has, and will continue to have, at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background that results in the individual's financial sophistication. The Board of Directors has determined that Gregory E. Smith satisfies the NYSE Amex's definition of financial sophistication and also qualifies as an audit committee financial expert, as defined under rules and regulations of the SEC.

### *Compensation Committee*

Our Compensation Committee consists of each of Gregory E. Smith, Alan G. Hassenfeld and Cheng Yan Davis, all of whom have been determined to be independent as defined in Rule 10A-3 of the Exchange Act and the rules of the NYSE Amex. The functions of our Compensation Committee include:

establishing overall compensation policies and recommending to our Board of Directors major compensation programs;

subsequent to our consummation of a business combination, reviewing and approving the compensation of our directors, including salary and bonus awards;

administering any employee benefit, pension and equity incentive programs; and

reviewing officer and director indemnification and insurance matters.

The compensation committee did not meet during fiscal 2008. Immediately after the Annual Meeting, it is anticipated that Gregory E. Smith, Alan G. Hassenfeld and Cheng Yan Davis will be reappointed to the compensation committee by our Board.

#### ***Governance and Nominating Committee***

Our Governance and Nominating Committee consists of each of Gregory E. Smith, Alan G. Hassenfeld and Cheng Yan Davis, all of whom have been determined to be independent as defined in Rule 10A-3 of the Exchange Act and the rules of the NYSE Amex. The functions of our Governance and Nominating Committee include:

recommending qualified candidates for election to our Board of Directors;

evaluating and reviewing the performance of existing directors;

making recommendations to our Board of Directors regarding governance matters, including our amended and restated certificate of incorporation and charters of our committees; and

developing and recommending to our Board of Directors governance and nominating guidelines and principles applicable to us.

In accordance with the Governance and Nominating Committee Charter, our Governance and Nominating Committee may establish procedures for the nomination process and review with the Board from time to time the appropriate skills and characteristics of Board members. To date, formal procedures have not been established pending any business combination by the Company. We currently believe, however, that it is desirable to be flexible and open as to whom the Board might consider for Board membership. Generally, we believe that our Board member selection criteria would include integrity; high level of education and/or business experience; broad-based business acumen; understanding of the business and industry of any business combination we may effectuate; strategic thinking and willingness to share ideas; ability to work as a constructive member of a team for the benefit of stockholders; network of contacts; and diversity of experiences, expertise and background. If a stockholder wishes to suggest a proposed name for consideration as a nominee for Board membership at an Annual Meeting, the name of that nominee and related personal and other information, as indicated in our bylaws, should be forwarded to us, in care of the Company's Chairman of the Board of Directors, generally at least 60 days before the Annual Meeting to assure time for meaningful consideration by the Board. Our Governance and Nominating Committee did not meet during fiscal 2008. Immediately after the Annual Meeting, it is anticipated that Gregory E. Smith, Alan G. Hassenfeld and Cheng Yan Davis will be reappointed to the Governance and Nominating Committee by our Board.

#### **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Exchange Act requires that our directors, executive officers and persons who beneficially own 10% or more of our common stock file with the SEC initial reports of ownership and reports of changes in ownership of our stock and our other equity securities. To our knowledge, based solely on a review of the copies of such reports furnished to us, during the year ended December 31, 2008, all such filing requirements applicable to our directors, executive officers and greater than 10% beneficial owners were complied with.

### **Stockholder Communications to the Board**

The Board of Directors does not have a formal process for stockholders to send communications to the Board. Due to the infrequency of stockholder communications to the Board, the Board does not believe that a formal process is necessary. Written communications to the Board, or any member of the Board, may be sent to the Board, or the individual Board member, at the Company's executive offices at 1000 N. West Street, Suite 1200, Wilmington, Delaware 19801, and the Company will promptly circulate such communications to all members of the Board (or to those particular directors to whom such communication is specifically addressed). Such communications will be screened to the extent necessary in order to ascertain the intended recipients or appropriate recipients among the members of the Board.

### **Executive Compensation**

None of our officers, directors or stockholders have received any compensation for services rendered to us and no compensation of any kind, including finder's and consulting fees, will be paid to any such individuals, or any of their respective affiliates, for services rendered to us prior to or in connection with a business combination.

### **Report of the Audit Committee**

*The following report of the Audit Committee, covering our fiscal year ended December 31, 2008, shall not be deemed to be soliciting material or to be filed with the SEC or subject to Regulations 14A or 14C of the Commission, or the liabilities of Section 18 of the Exchange Act. Such Report shall not be deemed incorporated by reference into any filing under the Exchange Act or the Securities Act of 1933, as amended, notwithstanding any general incorporation by reference of this Proxy Statement into any other document.*

The primary purpose of the Audit Committee is to assist the Board of Directors in its oversight of the Company's internal controls and financial statements and the audit process. The Company does have an Audit Committee Charter. The Audit Committee members are of Gregory E. Smith, Alan G. Hassenfeld and Cheng Yan Davis.

Management is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors, McGladrey & Pullen, LLP, are responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards.

In performing its oversight role, the Audit Committee has considered and discussed the audited financial statements with management. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as modified or supplemented. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions With Audit Committees, as modified or supplemented, and has discussed with the auditors the auditors' independence.

Based on the review and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee with regard to its oversight functions referred to below, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2008 for filing with the Securities and Exchange Commission.

Respectfully submitted,

### **THE AUDIT COMMITTEE**

Gregory E. Smith

Alan G. Hassenfeld

Cheng Yan Davis

### **Certain Relationships and Related Transactions**

On July 16, 2007, our Chief Executive Officer, Paul K. Kelly and our President, James D. Dunning, Jr. purchased 3,450,000 of our shares for an aggregate purchase price of \$28,750. Effective November 15, 2007, our Board of Directors authorized a stock dividend of 0.2 shares of common stock for each outstanding share of common stock, effectively lowering the purchase price to approximately \$0.008 per share and increasing each stockholder's holdings by 20% and the number of common shares issued to 3,450,000 (including up to 250,000 shares that were forfeited upon exercise of the underwriter's over-allotment option). As a result of an increase in the size of our public offering, the November 15, 2007 stock dividend was effectuated in order to maintain our founders' and special advisors' ownership at a percentage of the number of shares to be outstanding after our public offering.

Subsequent to the issuance date, the foregoing persons transferred a portion of their shares to our other than current stockholders at a price per share equal to \$0.01 per share.

On November 5, 2007, Paul K. Kelly, James D. Dunning, Jr., Alan G. Hassenfeld, Gregory E. Smith, Xiao Feng, Cheng Yan Davis, Soopakij (Chris) Chearavanont and Ruey Bin Kao agreed to purchase, for an aggregate purchase price of \$2.75 million private placement warrants to purchase 2,750,000 share of common stock at a price of \$1.00 per warrant. Paul K. Kelly and James D. Dunning, Jr. each purchased 941,875 warrants, Alan G. Hassenfeld purchased 495,000 warrants, Gregory E. Smith purchased 123,750 warrants, Cheng Yan Davis purchased 99,000 warrants and Xiao Feng, Soopakij (Chris) Chearavanont and Ruey Bin Kao each purchased 49,500 warrants.

Pursuant to a registration rights agreement between us and our founders and special advisors, our founders and special advisors will be entitled to certain registration rights. Specifically, (i) the private placement warrants and the underlying shares of common stock, will be entitled to certain registration rights commencing 90 days after the consummation of a business combination; and (ii) the existing stockholders' common stock will be entitled to certain registration rights six months after the consummation of a business combination. We are only required to use our best efforts to cause a registration statement relating to the resale of such securities to be declared effective and, once effective, only to use our best efforts to maintain the effectiveness of the registration statement. The holders of warrants do not have the rights or privileges of holders of our common stock or any voting rights until such holders exercise their respective warrants and receive shares of common stock. Permitted transferees that receive any of the above described securities from our founders will, under certain circumstances, be entitled to the registration rights described herein. We will bear the expenses incurred in connection with the filing of any such registration statements.

We agreed to pay Stuart Management Co., an affiliate of Paul K. Kelly, a total of \$10,000 per month for office space, administrative services and secretarial support for a period commencing on November 16, 2007, and ending on the earlier of our consummation of a business combination or our liquidation. This arrangement was agreed to by Stuart Management Co. for our benefit and is not intended to provide Stuart Management Co. compensation in lieu of a management fee. We believe that such fees are at least as favorable as we could have obtained from an unaffiliated third party. Effective June 1, 2009, the Company deferred its monthly payment of \$10,000.

Paul K. Kelly and James D. Dunning, Jr. have each provided us with loans in the amount of \$122,366. Alan G. Hassenfeld has provided us with a loan in the amount of \$71,827, Gregory E. Smith has provided us with a loan in the amount of \$16,702, Cheng Yan Davis has provided us with a loan in the amount of \$13,360, and Xiao Feng, Soopakij (Chris) Chearavanont and Ruey Bin Kao have each provided us with loans in the amount of \$7,183 or \$368,169 in total. These loans were provided to pay the expenses of our public offering, and certain accounting and legal fees and expenses. The loans were repaid out of the proceeds of our public offering.

We will reimburse our officers and directors for any reasonable out-of-pocket business expenses incurred by them in connection with certain activities on our behalf such as identifying and investigating possible target businesses and business combinations. Subject to availability of proceeds not placed in the trust account and up to an aggregate of \$3.2 million of the interest income, net of taxes, on the balance in the trust account to be released to us, there is no limit on the amount of out-of-pocket expenses that could be incurred. This formula was a result of a negotiation between us and the underwriters and was meant to help maximize the amount of money in the trust account that would be returned to the investors if we do not consummate a business combination within the permitted time. Our Audit Committee will review and approve all expense reimbursements made to our directors and any expense reimbursements payable to members of our Audit Committee will be reviewed and approved by our Board of Directors, with the interested director or directors abstaining from such review and approval. To the extent such out-of-pocket expenses exceed the available proceeds not deposited in the trust account, such out-of-pocket expenses would not be reimbursed by us unless we consummate a business combination.

Other than the \$10,000 per month administrative fees, described above, and reimbursable out-of-pocket expenses payable to Stuart Management Co., no compensation or fees of any kind, including finders and consulting fees, will be paid to any of our directors, or to any of their respective affiliates for services rendered to us prior to or with respect to the business combination.

After a business combination, any of our directors who remain with us may be paid consulting, management or other fees from the combined company with any and all amounts being fully disclosed to stockholders, to the extent then known, in the proxy solicitation materials furnished to our stockholders. It is unlikely that the amount of such compensation will be known at the time of a stockholder meeting held to consider a business combination, as it will be up to the directors of the post-combination business to determine executive and director compensation. In this event, such compensation will be publicly disclosed at the time of its determination in a Current Report on Form 8-K, as required by the SEC.

Our Board of Directors has approved the procedure whereby all ongoing and future transactions between us and any of our directors or their respective affiliates, including loans by our directors, will be on terms believed by us at that time, based upon other similar arrangements known to us, to be no less favorable than are available from unaffiliated third parties. Such transactions or loans, including any forgiveness of loans, will require prior approval in each instance by a majority of our uninterested independent directors, to the extent we have independent directors, or the members of our board who do not have an interest in the transaction, in either case who had access, at our expense, to our attorneys or independent legal counsel. It is our intention to obtain estimates from unaffiliated third parties for similar goods or services to ascertain whether such transactions with affiliates are on terms that are no less favorable to us than are otherwise available from such unaffiliated third parties. If a transaction with an affiliated third party were found to be on terms less favorable to us than with an unaffiliated third party, we would not engage in such transaction.

## **PROPOSAL 2 RATIFICATION OF THE COMPANY'S INDEPENDENT REGISTERED PUBLIC**

### **ACCOUNTING FIRM**

The Board of Directors will submit to the stockholders for their vote at the Annual Meeting a proposal to ratify the appointment of McGladrey & Pullen, LLP (M&P), as the Company's independent registered public accountants. As previously disclosed in our public filings, a majority of the partners of Goldstein Golub Kessler LLP (GGK) became partners of M&P. As a result, GGK resigned as auditors of the Company effective January 9, 2008 and M&P was appointed as our independent registered public accounting firm for the year ended December 31, 2007. From June 22, 2007 (inception) through January 8, 2008, 2007, the firm of Goldstein Golub Kessler LLP (GGK) was our principal accountant. GGK had a continuing relationship with RSM McGladrey, Inc. (RSM), from which it leased auditing staff who were full time, permanent employees of RSM and through which its partners provided non-audit services. GGK had no full time employees and therefore, none of the audit services performed were provided by permanent full-time employees of GGK. GGK managed and supervised the audit and audit staff, and was exclusively responsible for the opinion rendered in connection with its examination.

The Audit Committee of the Company's Board of Directors, under authority granted by the Company's Board of Directors, has appointed M&P as the Company's independent registered public accountants to examine the Company's financial statements for the fiscal year ending December 31, 2009, and to render other professional services as required.

The Company's bylaws do not require that the stockholders ratify the appointment of M&P as the Company's independent registered public accounting firm. The Company is asking its stockholders to ratify this appointment because it believes such a proposal is a matter of good corporate practice. If the stockholders do not ratify the appointment of such accounting firm, the Audit Committee will reconsider whether or not to retain M&P, as the Company's independent registered public accounting firm, but may determine to do so. Even if the appointment of M&P is ratified by the stockholders, the Audit Committee may change the appointment at any time during the year if it determines that a change would be in the best interest of the Company and its stockholders.

A representative of M&P is expected to be present at the Annual Meeting. Such representative will have an opportunity to make a statement if he or she desires, and will be available to answer appropriate questions.

M&P and GSK, have billed the Company as follows for the years ended December 31, 2008 and 2007:

Fee Category		2008	2007
Audit fees	McGladrey & Pullen, LLP	\$ 58,500	\$ 31,000
Audit fees	Goldstein Golub Kessler LLP	\$	\$ 10,000
Tax Fees	RSM McGladrey, Inc.	\$ 7,000	\$ 4,000

#### Audit Fees

Audit fees consist of fees for professional services rendered for the audit of the Company's financial statements and review of the interim financial statements included in our quarterly report on Form 10-Q and services rendered in connection with our registration statement on Form S-1.

#### Audit-Related Fees

We did not incur any audit-related fees with M&P or GSK for the year ended December 31, 2008.

#### Tax fees

We incurred tax fees with RSM McGladrey, Inc., an entity associated with McGladrey & Pullen, LLP and GSK in connection with the preparation of our 2008 and 2007 tax returns.

#### All Other Fees

We did not incur fees with M&P or GSK for other professional services rendered for the year ended December 31, 2008.

#### Pre-Approval of Services

In accordance with Section 10A(i) of the Securities Exchange Act of 1934, before we engage our independent accountant to render audit and non-audit services, the engagement has been and will be approved by our Audit Committee. Prior to such time, our Board of Directors, as a whole, functioned as our audit committee. Any and all fees and services described above under audit related fees, tax fees, and all other fees during fiscal years 2008 and 2007 were pursuant to an engagement approved by the Audit Committee, as described above.

The affirmative vote (either in person or by proxy) of a majority of the shares of the Company's common stock present at the Annual Meeting will be required to approve the proposal to ratify the Company's independent registered public accounting firm, and proxies will be voted for this proposal, absent contrary instructions.

**THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE PROPOSAL TO RATIFY THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.**

**STOCKHOLDER PROPOSALS**

Stockholders who, in accordance with Rule 14a-8 under the Exchange Act, wish to present proposals for inclusion in the Company's proxy statement in connection with next year's annual meeting must submit their proposals so that they are received by the Company at its principal executive offices no later than the close of business on February 23, 2010. As the rules of the SEC make clear, simply submitting a proposal does not guarantee that it will be included.

For any proposal that is not submitted for inclusion in next year's proxy statement (as described in the preceding paragraph) but is instead sought to be presented directly at the next year's annual meeting (including director nominations or other proposals), the proposal must be submitted to the Company at its principal executive offices no earlier than April 23, 2010 and no later than the close of business on May 24, 2010. Even if a stockholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances consistent with the SEC's proxy rules.

In submitting proposals, stockholders must comply with the Company's advance notice provisions contained in its bylaws (including without limitation, the timing and information requirements contained in the bylaws), as well as and the rules promulgated by the SEC relating to stockholder proposals. The Company will provide a copy of the advance notice provisions from its bylaws without charge upon written request. Stockholder proposals and requests for copies of the advance notice provisions should be addressed to China Holdings Acquisition Corp., 1000 N. West Street, Suite 1200, Wilmington, Delaware 19801.

**ANNUAL REPORT**

WE WILL PROVIDE TO THE RECIPIENTS OF THIS DOCUMENT, UPON WRITTEN REQUEST AND WITHOUT CHARGE, ADDITIONAL COPIES OF OUR ANNUAL REPORT ON FORM 10-K FOR THE FISCAL YEAR ENDED DECEMBER 31, 2008. Written requests for the Annual Report should be addressed to China Holdings Acquisition Corp., 1000 N. West Street, Suite 1200, Wilmington, Delaware 19801.

**OTHER MATTERS**

The Board of Directors is not aware of any other matters to be presented at the Annual Meeting. If any other matter properly comes before the Annual Meeting, or postponement or adjournment thereof, requiring a vote of the stockholders, it is the intention of the persons named in the accompanying proxy to vote the shares represented thereby on such matters in accordance with the recommendations of management, unless such authority has been withheld.

Kindly date, sign and return the enclosed proxy card.

By Order of the Board of Directors

Each member must be able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement or, if and so long as permitted under applicable stock exchange rules, become able to do so within a reasonable period of time after his or her appointment to the Audit Committee. Audit Committee members shall have such other qualifications as the Board may from time to time deem appropriate in light of the mission of the Audit Committee.

At least one member of the Audit Committee shall qualify as a "audit committee financial expert" in compliance with the requirements established under applicable SEC and stock exchange laws and regulations as they currently exist and as they may be amended from time to time.

Notwithstanding anything to the contrary in this charter, if permitted by applicable SEC and stock exchange laws and regulations in effect from time to time, one director who (i) is not independent as defined under applicable stock exchange rules, and (ii) is not a current employee or an immediate family member (as defined under applicable stock exchange rules) of such employee, may be appointed to the Audit Committee if the Board, under exceptional and limited circumstances, determines that membership on the Audit Committee by the individual is required in the best interests of the Company and its stockholders. In such event, the Board will disclose in the Company's next annual proxy statement the nature of that director's relationship with the Company and the reasons for that determination.

If the Company fails to comply with the Audit Committee composition requirements under applicable SEC and stock exchange rules and regulations, the Company shall have an opportunity to cure such defect as provided under such rules.

**Term: Meetings**

The Committee shall meet at least quarterly, or more frequently as it deems appropriate and as circumstances dictate. Any member of the Committee may call a special meeting of the Committee. Meetings of the Committee may be held telephonically.

The Committee shall periodically meet with each of management (including the Chief Financial Officer) and the independent auditors (including the audit engagement partner) in separate executive sessions to discuss any matters that the Committee or each of these groups believe would be appropriate to discuss privately. In addition, the Committee expects to meet with the independent auditors and management quarterly to review the Company's financial statements.

The Committee may invite to its meetings any director, member of management of the company and such other persons as it deems appropriate in order to carry out its responsibilities. The Committee may also exclude from its meetings any persons it deems appropriate in order to carry out its responsibilities.

**ROLE AND RESPONSIBILITIES**

The Committee's primary responsibility is one of oversight and it recognizes that the Company's management is responsible for preparing the Company's financial statements and that the independent auditors are responsible for auditing those financial statements. The Committee also recognizes that financial management, as well as the independent auditors, have more time, knowledge and more detailed information on the Company than do Committee members; consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the independent auditor's work. The Committee shall also perform any other activities consistent with this Charter as the Audit Committee or the Board deems necessary or appropriate or as may be required under applicable SEC and stock exchange rules and regulations in effect from time to time.

The Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services provided that the decisions of such subcommittee to grant pre-approvals shall be presented to the full Committee at its next scheduled meeting.
