NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

(Dollar amounts in thousands except per share amounts)

1. Overview

Description of business

Cooper-Standard Holdings Inc. (the Company), through its wholly-owned subsidiary Cooper-Standard Automotive Inc., is a leading global manufacturer of fluid handling, body sealing, and noise, vibration and harshness control (NVH) components, systems, subsystems, and modules primarily for use in passenger vehicles and light trucks for global original equipment manufacturers (OEMs) and replacement markets. The Company conducts substantially all of its activities through its subsidiaries.

Bankruptcy filings

On August 3, 2009, the Company, and each of its direct and indirect wholly-owned U.S. subsidiaries (collectively with the Company, the Debtors) filed voluntary petitions for relief under Chapter 11 of Title 11 of the United States Code (the Bankruptcy Code) in the United States Bankruptcy Court for the District of Delaware (the Bankruptcy Court). The Debtors Chapter 11 Cases (the Chapter 11 Cases) are being jointly administered under Case No. 09-12743(PJW). The Debtors continue to operate their businesses and manage their properties as debtors in possession under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Bankruptcy Court.

On August 4, 2009, the Company's Canadian subsidiary, Cooper-Standard Automotive Canada Limited, a corporation incorporated under the laws of Ontario (the Canadian Debtor), commenced proceedings (the Canadian Proceedings) seeking relief from its creditors under Canada's Companies Creditors Arrangement Act in the Ontario Superior Court of Justice in Toronto, Canada (Commercial List) (the Canadian Court), court file no. 09-8307-00CL. The Company's subsidiaries and operations outside the United States are not included in the Chapter 11 Cases or the Canadian Proceedings (other than the Canadian Debtor) and continue to operate in the ordinary course of business. See Note 2, Reorganization Under Chapter 11 of the Bankruptcy Code, for additional information on the Chapter 11 Cases, the Canadian Proceedings and related matters.

American Institute of Certified Public Accountants Statement of Position 90-7, Financial Reporting by Entities in Reorganization under the Bankruptcy Code (Accounting Standards Codification (ASC) Topic 852-10), which is applicable to companies in Chapter 11, generally does not change the manner in which financial statements are prepared. However, it does require that the financial statements for periods subsequent to the filing of the Chapter 11 Cases distinguish transactions and events that are directly associated with the reorganization from the ongoing operations of the business. Amounts that can be directly associated with the reorganization and restructuring of the business must be reported separately as reorganization items in the statements of operations beginning in the quarter ending September 30, 2009. The balance sheet must distinguish pre-petition liabilities subject to compromise from both those pre-petition liabilities that are not subject to compromise and from post-petition liabilities. Liabilities that may be affected by a chapter 11 plan of reorganization must be reported at the amounts expected to be allowed, even if they may be settled for lesser amounts. In addition, cash provided by reorganization items must be disclosed separately in the statement of cash flows. The Company applied ASC Topic 852-10 effective on August 3, 2009 and will segregate those items as outlined above for all reporting periods subsequent to such date.

Change in operating structure and reporting segments

On March 26, 2009, the Company announced the implementation of a comprehensive plan involving the discontinuation of its global product line operating divisions, formerly called the Body & Chassis Systems division (which included the body sealing and NVH product lines) and the Fluid Systems division, and the establishment of a new operating structure organized on the basis of geographic regions. The Company now operates from two divisions, North America and International (covering Europe, South America and Asia Pacific). The Company's reporting segments have changed, as of April 1, 2009, to reflect the new operating structure of the Company. Certain prior period amounts have been restated to conform to the current period financial statement presentation.

Basis of presentation

The accompanying unaudited condensed consolidated financial statements have been prepared pursuant to the rules and regulations of the Securities and Exchange Commission (SEC) for interim financial information and should be read in conjunction with the consolidated financial statements and notes thereto included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2008, as filed with the SEC. Accordingly, they do not include all of the information and footnotes required by accounting principles generally accepted in the United States for complete financial statements. These financial statements include all adjustments (consisting of normal, recurring adjustments) considered necessary for a fair presentation of the financial position and results of operations of the Company. The operating results for the interim period ended September 30, 2009 are not necessarily indicative of results for the full year.

Effective January 1, 2009 the Company implemented the Statement of Financial Accounting Standards (SFAS) No. 160, Noncontrolling Interests in Consolidated Financial Statements—an amendment of ARB No. 51. ASC Topic 810-10-65 establishes accounting and reporting standards for noncontrolling interests in subsidiaries. This statement requires the reporting of all noncontrolling interests as a separate component of equity, the reporting of consolidated net income (loss) as the amount attributable to both the parent and the noncontrolling interests and the separate disclosure of net income (loss) attributable to the parent and to the noncontrolling interests. In addition, this statement provides accounting and reporting guidance related to changes in noncontrolling ownership interests. Upon adoption, certain prior period amounts have been reclassified to conform to the current period financial statement presentation. These reclassifications have no effect on our previously reported results of operations. Refer to Note 10, Comprehensive Income (Loss) and Equity (Deficit) and Note 11, Other Income (Expense) for additional information on the adoption of ASC Topic 810-10-65.

Recent accounting pronouncements

In June 2009, the Financial Accounting Standards Board (FASB) approved the FASB Accounting Standards Codification (the Codification or ASC) as the single source of authoritative nongovernmental U.S. GAAP. The Codification does not change current U.S. GAAP, but is intended to simplify user access to all authoritative U.S. GAAP by providing all authoritative literature related to a particular topic in one place. All existing accounting standard documents will be superseded and all other accounting literature not included in the Codification will be considered nonauthoritative. The Codification is effective for interim and annual periods ending after September 15, 2009. The adoption of the Codification changed the Company's references to U.S. GAAP accounting standards but did not impact the Company's results of operating financial position or liquidity.

In May 2009, FASB issued SFAS No. 165, Subsequent Events (ASC Topic 855), which provides guidance to establish general standards of accounting for and disclosures of events that occur after the balance sheet date but before financial statements are issued or available to be issued. ASC Topic 855 also requires entities to disclose the date through which subsequent events were evaluated as well as the rationale for why that date was selected. ASC Topic 855 is effective for interim and annual periods ending after June 15, 2009. The Company adopted this statement effective June 30, 2009. See Note 18, Subsequent Events for additional information.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (Continued)

(Dollar amounts in thousands except per share amounts)

In April, 2009, FASB issued FASB Staff Position (FSP) No. 157-4, Determining Fair Value When the Volume and Level of Activity for the Asset or Liability Have Significantly Decreased and Identifying Transactions That Are Not Orderly (ASC Topic 820-10-65). This FSP amends SFAS No. 157 (ASC Topic 820) to provide additional guidance on disclosure requirements and estimating fair value when the volume and level of activity for the asset or liability have significantly decreased in relation to normal market activity. This FSP requires interim disclosure of the inputs and valuation techniques used to measure fair value. The provisions of this FSP are effective for interim and annual reporting periods ending after June 15, 2009. The effects of adoption were not significant.

In April 2009, FASB issued FSP No. 107-1 and APB 28-1, Interim Disclosures about Fair Value of Financial Instruments (ASC Topic 320-10-65). This FSP extends the disclosure requirements of SFAS No. 107, Disclosures about Fair Value of Financial Instruments, (ASC Topic 320) to interim reporting periods. The provisions of this FSP are effective for interim and annual reporting periods ending after June 15, 2009. The effects of adoption were not significant. See Note 15, Financial Instruments, for additional disclosures related to the fair value of the Company's pre-petition primary credit facility and senior notes.

In August 2009, FASB issued ASU No. 2009-05 which amends Fair Value Measurements and Disclosures Overall (ASC Topic 820-10) to provide guidance on the fair value measurement of liabilities. This update requires clarification for circumstances in which a quoted price in an active market for the identical liability is not available, a reporting entity is required to measure fair value using one or more of the following techniques: 1) a valuation technique that uses either the quoted price of the identical liability when traded as an asset or quoted prices for similar liabilities or similar liabilities when traded as an asset; or 2) another valuation technique that is consistent with the principles in ASC Topic 820 such as the income and market approach to valuation. The amendments in this update also clarify that when estimating the fair value of a liability, a reporting entity is not required to include a separate input or adjustment to other inputs relating to the existence of a restriction that prevents the transfer of the liability. This update further clarifies that if the fair value of a liability is determined by reference to a quoted price in an active market for an identical liability, that price would be considered a Level 1 measurement in the fair value hierarchy. Similarly, if the identical liability has a quoted price when traded as an asset in an active market, it is also a Level 1 fair value measurement if no adjustments to the quoted price of the asset are required. This update is effective for the fourth quarter 2009.

In December 2008, FASB issued FSP No. 132(R)-1, Employers' Disclosures about Postretirement Benefit Plan Assets (ASC Topic 715-20-65). This guidance will expand disclosure by requiring the following new disclosures: 1) how investment allocation decisions are made by management; 2) major categories of plan assets; and 3) significant concentrations of risk. Additionally, ASC 715-20-65 will require an employer to disclose information about the valuation of plan assets similar to that required in ASC Topic 820 Fair Value Measurements and Disclosures. This guidance is effective for fiscal year ending December 31, 2009. The principal impact will be expanded disclosure regarding the Company's benefit plan assets.

In March 2008, the FASB issued SFAS No. 161, Disclosures About Derivative Instruments and Hedging Activities-an Amendment of FASB Statement No. 133 (ASC Topic 815). ASC Topic 815 requires entities that utilize derivative instruments to provide qualitative disclosures about their objectives and strategies for using such instruments, as well as any details of credit risk related contingent features contained within derivatives. ASC Topic 815 also requires entities to disclose additional information about the amounts and locations of derivatives located within the financial statements, how the provisions of SFAS No. 133 have been applied and the impact that hedges have on an entity's financial position, financial performance, and cash flows. ASC Topic 815 is effective for fiscal years and interim periods beginning after November 15, 2008, with early application encouraged. The Company adopted this statement as of January 1, 2009.

COOPER-STANDARD HOLDINGS INC.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (Continued)

(Dollar amounts in thousands except per share amounts)

In December 2007, FASB issued SFAS No. 141 (revised 2007), *Business Combinations* (ASC Topic 805). This statement significantly changes the financial accounting and reporting of business combination transactions. The provisions of this statement are to be applied prospectively to business combination transactions entered into by the Company on or after January 1, 2009.

In September 2006, the FASB issued SFAS No. 157, *Fair Value Measurements* (ASC Topic 820). ASC Topic 820 defines fair value, establishes a framework for measuring fair value in generally accepted accounting principles, and expands disclosures about fair value measurement. This statement applies under other accounting pronouncements that require or permit fair value measurements and does not require any new fair value measurements. The Company adopted ASC Topic 820 as of January 1, 2008 except for non-financial assets and liabilities recognized or disclosed at fair value on a non-recurring basis, for which the effective date was fiscal years beginning after November 15, 2008. See Note 15, *Financial Instruments*, for additional discussion of ASC Topic 820.

Goodwill

Goodwill is not amortized but is tested annually for impairment or when events or circumstances indicate that impairment may exist by reporting unit which are determined in accordance with ASC Topic 350 *Goodwill and Other Intangible Assets*. The Company utilizes an income approach to estimate the fair value of each of its reporting units. The income approach is based on projected debt-free cash flow which is discounted to the present value using discount factors that consider the timing and risk of cash flows. The Company believes that this approach is appropriate because it provides a fair value estimate based upon the reporting unit's expected long-term operating cash flow performance. This approach also mitigates the impact of cyclical trends that occur in the industry. Fair value is estimated using recent automotive industry and specific platform production volume projections, which are based on both third-party and internally-developed forecasts, as well as commercial, wage and benefit, inflation and discount rate assumptions. Other significant assumptions include the weighted average cost of capital, terminal value growth rate, terminal value margin rates, future capital expenditures and changes in future working capital requirements. While there are inherent uncertainties related to the assumptions used and to management's application of these assumptions to this analysis, the Company believes that the income approach provides a reasonable estimate of the fair value of its reporting units. The Company conducts its annual goodwill impairment analysis as of October 1st of each fiscal year. Refer to Note 4, *Goodwill and Intangibles*, for details on goodwill.

Long-lived assets

The Company evaluates the recoverability of long-lived assets when events and circumstances indicate that the assets may be impaired and the undiscounted net cash flows estimated to be generated by those assets are less than their carrying value. If the net carrying value exceeds the fair value, an impairment loss exists and is calculated based on a discounted cash flow analysis or estimated salvage value. Discounted cash flows are estimated using internal budgets and assumptions regarding discount rates and other factors. During the second quarter of 2009, the Company determined that impairment indicators existed at certain operating locations and that it was necessary to evaluate the recoverability of its long-lived assets. It was determined that fixed assets of three of these operating locations were impaired. As a result, impairment charges and a reduction to Property, Plant & Equipment of \$488 was recorded in our North America segment and \$2,540 was recorded in our International segment. Refer to Note 4, *Goodwill and Intangibles* for details on the intangible assets.

2. Reorganization Under Chapter 11 of the Bankruptcy Code

On August 3, 2009, the Debtors filed voluntary petitions for relief under Chapter 11 of Title 11 of the Bankruptcy Code in the Bankruptcy Court. The Debtors' Chapter 11 Cases are being jointly administered under Case No. 09-12743(PJW). On August 14, 2009, the Official Committee of Unsecured Creditors was appointed in the Chapter 11 Cases. The Debtors continue to operate their businesses and manage their properties as debtors in possession under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Bankruptcy Court.

On August 4, 2009, the Canadian Debtor, commenced the Canadian Proceedings seeking relief from its creditors under Canada's Companies Creditors Arrangement Act in the Canadian Court, court file no. 09-8307-00CL. The Canadian court granted the Canadian debtors a stay of any Canadian proceedings up to and including January 15, 2010, to allow the Debtors to pursue confirmation of a plan of reorganization in the U.S. proceedings. The Company (and its legal counsel) believe the Canadian court will continue to issue this stay through completion of the Chapter 11 proceedings. The Company's subsidiaries and operations outside the United States and Canada are not included in the Chapter 11 Cases or the Canadian Proceedings (other than the Canadian Debtor) and continue to operate in the ordinary course of business.

The accompanying condensed consolidated financial statements have been prepared assuming that the Company will continue as a going concern and contemplate the realization of assets and the satisfaction of liabilities in the normal course of business. The Company's ability to continue as a going concern is contingent upon its ability to comply with the financial and other covenants contained in the DIP Credit Agreement (as defined in Note 7, Debt) and the Bankruptcy Court's approval of the Company's chapter 11 plan of reorganization, among other things. As a result of the Chapter 11 Cases, the realization of assets and the satisfaction of liabilities are subject to uncertainty. While operating as debtors-in-possession under Chapter 11, the Debtors may sell or otherwise dispose of or liquidate assets or settle liabilities, subject to the approval of the Bankruptcy Court or as otherwise permitted in the ordinary course of business (and subject to restrictions contained in the DIP Credit Agreement), in amounts other than those reflected in the accompanying condensed consolidated financial statements. Further, a chapter 11 plan of reorganization could materially change the amounts and classifications in the historical condensed consolidated financial statements. The accompanying condensed consolidated financial statements do not include any direct adjustments related to the recoverability and classification of assets or the amounts and classification of liabilities or any other adjustments that might be necessary should the Company be unable to continue as a going concern or as a consequence of the Chapter 11 Cases.

On October 2, 2009, the Debtors filed their schedules of assets and liabilities (the Schedules) and statements of financial affairs with the Bankruptcy Court. On October 27, 2009, the Bankruptcy Court entered an order establishing December 4, 2009 as the deadline (the General Bar Date) for all entities, other than governmental agencies, to file proofs of claim against the Debtors stating the amounts to which the claimants contend that they are entitled, subject to the rights of the Debtors to contest both the validity and amount of the claims. The Bankruptcy Court also set February 1, 2010 as the deadline for governmental entities to file their proofs of claim (the Governmental Bar Date and, together with the General Bar Date, the Bar Dates). The Debtors will continue to evaluate all claims asserted in the Chapter 11 Cases and may file periodic motions seeking to modify, reject, liquidate or allow such claims.

In addition, under the priority scheme established by the Bankruptcy Code, generally, post-petition liabilities and secured claims must be satisfied before pre-petition unsecured creditors and interest holders can receive any distribution or retain any property under a chapter 11 plan of reorganization. The ultimate recovery, if any, to the holders of the Notes and other interest holders will not be determined until confirmation of a chapter 11 plan or plans of reorganization. No assurance can be given as to what values, if any,

will be ascribed in the Chapter 11 Cases to each of these constituencies or what types or amounts of distributions, if any, they would receive. A chapter 11 plan of reorganization could result in holders of the Company's Notes receiving no distribution on account of their claims and cancellation of their existing Notes. If certain requirements of the Bankruptcy Code are met, a chapter 11 plan of reorganization can be confirmed notwithstanding its rejection by such holders and notwithstanding the fact that such holders do not receive or retain any property on account of their interests under the chapter 11 plan. Accordingly, the Company urges that the appropriate caution be exercised with respect to existing and future investments in the Company's securities as the value and prospects are highly speculative.

Under the Bankruptcy Code, the exclusive period in which the Debtors may file a chapter 11 plan or plans of reorganization is 120-days from the date of the filing of the petition. The exclusive period in which the Debtors may solicit acceptances for any chapter 11 plan or plans of reorganization is 180-days from the date of the filing of the petition. The Bankruptcy Code also provides that the Bankruptcy Court may extend the 120-day plan exclusivity period up to 18 months after the petition date and the 180-day solicitation exclusivity period up to 20 months after the petition date. The Debtors' 120-day exclusive period to file a chapter 11 plan or plans of reorganization expires on December 1, 2009. The Debtors' 180-day exclusive period to solicit any plan or plans expires on February 1, 2010. If the Debtors' exclusivity periods expire, other parties in interest will be allowed to file their own plans and solicit acceptances in connection therewith. The Debtors have filed a motion seeking to extend both the plan exclusivity period and the solicitation exclusivity period by an additional 120 days, which is currently pending before the Bankruptcy Court.

Under the supervision of the Bankruptcy Court, the Company may decide to pursue various strategic alternatives as deemed appropriate by our Board of Directors to serve the best interests of the Company and its stakeholders, including asset sales or strategic partnerships.

DIP Credit Agreement

In August 2009, the Bankruptcy Court approved the Company's debtor-in-possession financing. This facility provides funding to continue the Company's operations without disruption and meet their obligations to suppliers, customers and employees during the Chapter 11 reorganization process. See Note 7, Debt, for additional information.

Liabilities Subject to Compromise

The majority of the Debtors' pre-petition debt is in default and is classified as Liabilities Subject to Compromise in the accompanying condensed consolidated balance sheet at September 30, 2009.

In addition to the Debtors pre-petition debt which is in default, liabilities subject to compromise reflects the Debtors other liabilities incurred prior to the commencement of the bankruptcy proceedings. These amounts represent the Company's estimate of known or potential pre-petition claims to be resolved in connection with the bankruptcy proceedings. Such claims remain subject to future adjustments. Future adjustments may result from: (i) negotiations; (ii) actions of the Bankruptcy Court; (iii) further developments with respect to disputed claims; (iv) rejection of executory contracts and leases; (v) the determination of value of any collateral securing claims; (vi) proofs of claims; or (vii) other events. Payment terms for these claims will be established in connection with a plan of reorganization. The Debtors liabilities subject to compromise consist of the following:

	September 30, 2009
Pre-petition debt (including accrued interest of \$27,092)	\$ 1,138,562
Accounts payable	15,756
Pension and deferred compensation	16,872
Derivatives	18,089
Other	73,017
Debtor liabilities subject to compromise	\$ 1,262,296

Effective August 3, 2009, the Company ceased recording interest expense on outstanding pre-petition debt instruments classified as liabilities subject to compromise. An additional \$11,973 of interest expense would have been recorded from August 3, 2009 to September 30, 2009 if the Company had continued to accrue interest on these instruments.

Reorganization Items

ASC Topic 852-10 requires reorganization items such as revenues, expenses such as professional fees directly related to the process of reorganizing the Debtors under chapter 11, realized gains and losses, provisions for losses, and interest income resulting from the reorganization and restructuring of the business to be separately disclosed. The Debtors' reorganization items consist of the following:

	(Income)/Expense Three Months Ended September 30, 2009

4. Goodwill and Intangibles

The changes in the carrying amount of goodwill, by reportable operating segment for the nine months ended September 30, 2009 are summarized as follows:

	North America	International	Total
Balance at January 1, 2009	\$ 181,308	\$ 63,653	\$ 244,961
Impairment charge	(93,580)	(63,653)	(157,233)
Balance at September 30, 2009	\$ 87,728	\$	\$ 87,728

Edgar Filing: Cooper-Standard Automotive Inc. - Form 424B3

Goodwill is not amortized but is tested annually for impairment, or when events or circumstances indicate that impairment may exist, by reporting units, which are determined in accordance with ASC Topic 350, "Goodwill and Other Intangible Assets". During the second quarter of 2009, several events occurred that indicated potential impairment of the Company's goodwill. Such events included: (a) the chapter 11 bankruptcy of both Chrysler LLC and General Motors and unplanned plant shut-downs; (b) continued product volume risk and negative product mix changes; (c) the Company's commencement of negotiations with its sponsors, senior secured lenders, and bondholders to recapitalize its long term debt and equity; (d) the Company's recognition as the second quarter progressed that there was an increasing likelihood that it would breach its financial covenants under its Pre-Petition Credit Agreement; (e) the Company's decision to defer its June 15, 2009 interest payment on its Notes pending the outcome of its quarterly financial results; (f) an analysis of whether the Company would meet its financial covenants for the past quarter; and (g) negotiations with its various constituencies. As a result of the combination of the above factors in the second quarter, the Company significantly reduced its projections for the remainder of the year. This significant decrease in projections resulted in the carrying value of assets at all of the Company's reporting units being greater than the related reporting units' fair value. As a result, the Company recorded goodwill impairment charges of \$93,580 in its North America reporting unit, \$39,604 in its Europe reporting unit, \$22,628 in its South America reporting unit and \$1,421 in its Asia Pacific reporting unit during the second quarter of 2009.

Balance at September 30, 2009	\$ 12,094	\$ (1,597)	\$ 10,497	

During the second quarter of 2009, the Company assessed the realization of its intangible assets in connection with revisions to the Company's projections as a result of the several events discussed above. The Company's undiscounted cash flows (as adjusted to reflect the current outlook) were not sufficient to support the realization of certain intangible assets. As a result, the Company performed a discounted cash flow analysis for each intangible asset and determined that the fair value of certain intangible assets exceeded the assets' respective fair value. During the second quarter of 2009, the Company recorded intangible impairment charges of \$148,143 in its North America segment and \$54,295 of intangible impairment charges in its International segment. The following table shows the impairment by intangible asset type:

Customer contracts	\$ 68,177
Customer relationships	131,364
Developed technology	1,558
Trademarks and tradenames	1,339
Total intangible impairment	\$ 202,438

Estimated amortization expense will total approximately \$15,000 for the year ending December 31, 2009.

The Company had \$28,067 of standby letters of credit outstanding under the Revolving Credit Facility as of September 30, 2009.

Default under the Notes and Forbearance Agreements

On June 15, 2009, the Company did not make required interest payments in an aggregate amount of approximately \$20,121 due and payable under the Senior Notes and the Senior Subordinated Notes issued by Cooper-Standard Automotive Inc. The Company announced that it would utilize the applicable 30-day grace period on these scheduled interest payments to allow the Company to continue discussions with its lenders and other parties in an effort to increase liquidity and improve the Company's capital structure. The failure to make the scheduled interest payments did not constitute an event of default at such time under the indentures governing the Notes. However, the failure to make the scheduled interest payments prior to the expiration of the 30-day grace period did constitute an event of default under the indentures. On July 15, 2009, the Company entered into (i) Senior Notes Forbearance Agreements (the "Senior Notes Forbearance Agreements") with holders of more than 75% the aggregate principal amount of the outstanding Senior Notes and (ii) a Senior Subordinated Notes Forbearance Agreement (the "Senior Subordinated Notes Forbearance Agreement") and together with the Senior Notes Forbearance Agreements, the "Forbearance Agreements") with holders of a majority of the aggregate principal amount of the outstanding Senior Subordinated Notes. The Forbearance Agreements provided that the noteholders party to the Forbearance Agreements would not exercise, and would not direct the applicable trustee to exercise, any remedies under the indenture agreements for a defined period of time not to exceed August 14, 2009 with respect to certain defaults resulting from the failure to make the interest payments under the Notes.

Default under the Pre-petition Credit Agreement and Limited Waiver

As the event of default under the indentures governing the Notes resulted in a cross-default under the Company's Pre-petition Credit Agreement, the Company obtained a limited waiver from a majority of the lenders party thereto on July 15, 2009. Under the limited waiver, as amended and restated, certain defaults resulting from the failure to make the interest payments on the Notes as described above were waived for a defined period of time not to exceed August 14, 2009.

Bankruptcy Cases

On August 3, 2009, the Debtors filed voluntary petitions for relief under Chapter 11 of Title 11 of the Bankruptcy Code in the Bankruptcy Court. The Debtors' Chapter 11 Cases are being jointly administered under Case No. 09-12743(PJW). On August 14, 2009, the Official Committee of Unsecured Creditors was appointed in the Chapter 11 Cases. The Debtors continue to operate their businesses and manage their properties as debtors in possession under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Bankruptcy Court.

On August 4, 2009, the Canadian Debtor commenced the Canadian Proceedings seeking relief from its creditors under Canada's Companies Creditors Arrangement Act in the Canadian Court, court file no. 09-8307-00CL. The Company's subsidiaries and operations outside the United States are not included in the Chapter 11 Cases or the Canadian Proceedings (other than the Canadian Debtor) and continue to operate in the ordinary course of business.

The filing of the Chapter 11 Cases by the Debtors on August 3, 2009 constituted a default or otherwise triggered repayment obligations under substantially all pre-petition debt obligations of the Debtors, and as a result, the loan commitments of the lenders under the Pre-petition Credit Agreement were terminated (including the availability under the revolving credit facility, including with respect to standby letters of credit) and all principal and accrued and unpaid interest outstanding under the Pre-petition Credit Agreement, the Senior Notes and the Senior Subordinated Notes accelerated and became due and payable (subject to the automatic stay under Chapter 11). Under Chapter 11, the filing of a bankruptcy petition automatically stays most actions against a debtor, including actions with respect to pre-petition claims and litigation. Absent an order of the Bankruptcy Court, substantially all pre-petition liabilities are subject to compromise under a chapter 11 plan of reorganization. As of the date of the filing of the Chapter 11 Cases, approximately \$608,000 of principal and accrued and unpaid interest was outstanding under the Pre-petition Credit Agreement, approximately \$208,800 of principal and accrued and unpaid interest was outstanding under the Senior Notes and approximately \$329,900 of principal and accrued and unpaid interest was outstanding under the Senior Subordinated Notes.

DIP Credit Agreement

On August 5, 2009, the Bankruptcy Court entered an interim order (the Interim Order) approving debtor-in-possession financing on an interim basis. Pursuant to the Interim Order, the Company entered into a Debtor-In-Possession Credit Agreement, dated as of August 5, 2009 (the DIP Credit Agreement), among the Company, Cooper-Standard Automotive Inc., an Ohio corporation (the U.S. Borrower), and the Canadian Debtor (the U.S. Borrower and the Canadian Debtor are referred to herein as the DIP Borrowers), various lenders party thereto, Deutsche Bank Trust Company Americas, as the administrative agent (in such capacity, the DIP Agent), Banc of America Securities LLC, General Electric Corporation and UBS Securities LLC, as co-syndication agents, Deutsche Bank Trust Company Americas, as documentation agent, Deutsche Bank Securities Inc. and General Electric Capital Corporation, as joint lead arrangers and book runners, and Banc of America Securities LLC and UBS Securities LLC, as co-arrangers. The Company received interim and final approval of the DIP Credit Agreement from the Bankruptcy Court on August 5, 2009 and September 1, 2009, respectively. The Company received approval of the DIP Credit Agreement from the Canadian Court on August 6, 2009.

The lenders under the DIP Credit Agreement have committed to provide superpriority senior secured term loans to the DIP Borrowers and an additional non-U.S. subsidiary to be designated (the Additional Foreign Borrower) in an aggregate principal amount of up to \$175,000 (the DIP Facility) in connection with the Chapter 11 Cases and the Canadian Proceedings. The U.S. Borrower has drawn \$75,000 of the DIP Facility, and the Canadian Debtor has drawn \$50,000 of the DIP facility as of September 30, 2009. An additional \$50,000 has been funded into escrow as of September 30, 2009, and is expected to be released to the Additional Foreign Borrower when local-law credit documentation is finalized. The DIP Credit Agreement also provides for an additional uncommitted \$25,000 incremental facility, for a total DIP Facility of up to \$200,000 (if the incremental facility is requested and committed to by the requisite lenders).

The obligations of the DIP Borrowers and the Additional Foreign Borrower under the DIP Credit Agreement will be guaranteed by the Company and certain of its U.S. and foreign subsidiaries, subject to limitations on guarantees by foreign entities of the obligations of the DIP Borrowers and the Additional Foreign Borrower. The obligations under the DIP Credit Agreement and related guarantees will be secured by liens on the assets of the DIP Borrowers and certain of the Company's U.S. and foreign subsidiaries, subject to limitations on liens granted by foreign entities supporting certain of the obligations of the DIP Borrowers, the Additional Foreign Borrower and guarantors. Liens under the DIP Credit Agreement will have first priority priming status with respect to substantially all of the assets of the DIP Borrowers and their subsidiaries in U.S. and Canada and will be entitled to superpriority administrative expense claim status in the Chapter 11 Cases.

Loans under the DIP Credit Agreement will bear interest at a rate per annum equal to (i) LIBOR (with a LIBOR floor of 3%) plus 9.5% or (ii) a base rate based on the higher of the federal funds overnight rate plus 0.5% and the prime lending rate (with a floor of 4%) plus 8.5%. Overdue principal and interest will bear interest at a default rate of 2% over the applicable rate as determined under the terms of the DIP Credit Agreement. In addition, the DIP Credit Agreement will obligate the DIP Borrowers to pay agency, up-front and exit fees to the DIP Agent and the lenders, as applicable.

Loans under DIP Credit Agreement will amortize at a rate of 1% per annum, paid quarterly. The outstanding principal amount of the loans under the DIP Credit Agreement, plus accrued and unpaid interest thereon, will be due and payable in full at maturity, which is the earliest of: (i) the date that is 364 days after the date of the entry of the interim order by the Bankruptcy Court (the Interim Order Entry Date), (ii) the first date that both a plan of reorganization for each of the Company and its U.S. subsidiaries, which is confirmed by the Bankruptcy Court, and a plan of compromise or arrangement of the Canadian Debtor, which is confirmed by the Canadian Court, in each case providing for the repayment of the obligations under the DIP Credit Agreement, become effective, (iii) the date that is 30 days after the Interim Order Entry Date if the Bankruptcy Court has not entered a final order by such date and (iv) the acceleration of the DIP Facility or termination of the commitments thereunder, including, without limitation, as a result of the occurrence of an event of default. With the consent of the Required Lenders, and payment of an extension fee equal to 1% of the outstanding loans and commitments, the DIP Borrowers may at their option extend the maturity date by 90 days.

The DIP Credit Agreement includes affirmative and negative covenants that will impose substantial restrictions on the financial and business operations of the Company and its subsidiaries, including their ability to incur and secure debt, make investments, sell assets, pay dividends or make acquisitions. The DIP Credit Agreement also contains certain financial covenants including (i) the achievement of a minimum amount of consolidated EBITDA, (ii) the maintenance of a minimum amount of liquidity and (iii) limitations on the amount of capital expenditures. The DIP Credit Agreement also contains various events of default that are customary for debtor-in-possession financings of this type.

The DIP Credit Agreement was amended on August 31, 2009 and September 11, 2009. Both amendments primarily updated some post-closing non-U.S. collateral delivery requirements.

Amendment to the Pre-petition Credit Agreement

The Company, the U.S. Borrower, the Canadian Debtor and Cooper-Standard Automotive International Holdings B.V. (f/k/a Steffens Beheer BV), a corporation organized under the laws of the Netherlands (the Dutch Borrower and together with the U.S. Borrower and the Canadian Debtor, the Pre-petition Borrowers), entered into the Fifth Amendment and Consent to Credit Agreement, dated July 14, 2009, with the lenders party thereto and the Pre-petition Agent (as defined below), providing for the amendment of the Company's existing Credit Agreement, dated as of December 23, 2004 (as amended from time to time, the Pre-petition Credit

9. Income Taxes

Under Accounting Principles Board Opinion No. 28, Interim Financial Reporting, the Company is required to determine its effective tax rate each quarter based upon its estimated annual effective tax rate. The Company is also required to record the tax impact of certain unusual or infrequently occurring items, including changes in judgment about valuation allowances and effects of changes in tax laws or rates, in the interim period in which they occur. In addition, jurisdictions with a projected loss for the year where no tax benefit can be recognized are excluded from the estimated annual effective tax rate.

The effective tax rate for the three months and nine months ended September 30, 2008, was 3% and 181%, respectively, as compared to 26% and 7%, respectively, for the three and nine months ended September 30, 2009. The income tax rate for the three and nine months ended September 30, 2009 varies from statutory rates due to income taxes on foreign earnings, the inability to record a tax benefit for pre-tax losses in the U.S. and certain foreign jurisdictions to the extent not offset by other categories of income, tax credits, income tax incentives, withholding taxes, and other permanent items. Additionally, a discrete income tax benefit was recorded in the three months ended June 30, 2009 related to the settlement of a bi-lateral advanced pricing agreement. Further, the Company's current and future provision for income taxes will be significantly impacted by the recognition of valuation allowances in certain countries, particularly the United States. The Company intends to maintain these allowances until it is more likely than not that the deferred tax assets will be realized. Accordingly, income taxes are impacted by the U.S. valuation allowance and the mix of earnings among jurisdictions.

During March 2008 the Company became aware of a potentially favorable settlement of the pending bi-lateral Advance Pricing Arrangement (APA) negotiations between the United States (US) and Canada relating to the periods 2000 – 2007. Agreement between the two governments will impact transfer pricing matters between the Company and its wholly owned Canadian subsidiary. In March 2009, the US and Canadian governments signed Mutual Agreement Letters agreeing to the terms of the bi-lateral APA. On June 23, 2009, the final Canadian bi-lateral Advance Pricing Agreement with the Company was completed and signed. The settlement of the bi-lateral APA results in income tax refunds to Cooper-Standard Automotive Canada for the years 2000 – 2007 of up to \$88,000 Canadian dollars. Under the terms of the Stock Purchase Agreement with Cooper Tire and Rubber Company (CTR) dated September 16, 2004, CTR has a claim against the Company for the amount of tax refunds received by Cooper-Standard Automotive Canada relating to the years 2000 – 2004. Refunds received from the Canadian government will be based on the preparation of amended tax returns for the years 2000 – 2007. The settlement of the APA should also result in a corresponding increase to the US taxable income of CSA for the years 2005 – 2007, but is not expected to result in any significant cash payment as the increased U.S. tax liability will be largely offset by existing tax credit carryforwards. On July 27, 2009, Cooper Standard Automotive Canada received approximately CAD \$80,000 which represented the federal portion of the expected refunds plus interest as a result of settlement of the Canadian APA.

On August 3, 2009, the Company and each of its direct and indirect wholly-owned subsidiaries filed voluntary petitions for relief under Chapter 11 of the U.S. Bankruptcy Code (the Chapter 11 Cases). On August 4, 2009, Cooper Standard Automotive Canada commenced proceedings (the Canadian Proceedings) seeking relief from its creditors under Canada's Companies Creditors Arrangement Act. On August 19, 2009, CTR initiated an adversary proceeding in the Chapter 11 Cases, Case No. 09-52014 (PJW), by filing a complaint against the Company and Cooper-Standard Automotive Inc. seeking a declaratory judgment that CTR is entitled to a portion of the \$80,000 Canadian dollars tax refund received by the Canadian Debtor from the Canadian government on July 27, 2009 and a portion of all future refunds received by the Canadian Debtor, in each case relating to the pre-acquisition period. CTR is also seeking imposition of a resulting trust or, in the alternative, a constructive trust in favor of CTR and turnover of the portion of the Canadian income tax refunds attributable to the years 2000-2004. On September 29, 2009, the Canadian Court issued an order lifting the stay in the Canadian Proceedings to allow CTR to commence proceedings against the Canadian Debtor in the Chapter 11 Cases and ordering all income tax refunds received by the Canadian Debtor after September 29, 2009 be segregated immediately upon receipt and not disbursed, encumbered or otherwise dealt with in any way until further order of the Canadian Court. On October 5, 2009, CTR filed an amended complaint in the adversary proceeding against the Company, Cooper-Standard Automotive Inc. and the Canadian Debtor. It is the Company's belief that CTR's right to tax refunds for pre-acquisition periods is that of a general unsecured creditor and is subject to the general rules and processes of the Chapter 11 Cases.

The adoption of ASC Topic 810 resulted in the reclassification of amounts previously attributable to minority interest (now referred to as noncontrolling interest) to a separate component of stockholders' equity on the accompanying condensed consolidated balance sheets. Additionally, net income attributable to noncontrolling interests is shown separately from net income in the condensed consolidated statement of operations. This reclassification has no effect on our previously reported results of operations.

The following table summarizes the Company's equity activity for the nine months ended September 30, 2009:

	Cooper-Standard Holdings	Noncontrolling Interest	Total Equity (Deficit)
Equity at January 1, 2009	\$ 15,177	\$ 4,485	\$ 19,662

The components of other income (expense) are as follows:

Other income (expense)	\$ (409)	\$ 5,930	\$ 2,553	\$ 13,679

Prior year amounts related to noncontrolling interest (minority interest) historically reflected as a component of other income (expense) have been reclassified to conform to current year presentation as required by ASC Topic 810. The adoption of ASC Topic 810 resulted in the reclassification of amounts being reported as minority interest, totaling \$213 and \$365, for the three and nine months ended September 30, 2008, respectively, being shown separately from net income (loss) in the accompanying condensed consolidated statement of operations.

12. Related Party Transactions

13. Business Segments

In 2008 and through March 31, 2009, the Company reported its operating results in three business segments: Body & Chassis Systems, Fluid Systems, and Asia Pacific. The Body & Chassis segment consisted mainly of body sealing products and components that protect vehicle interiors from weather, dust, and noise intrusion as well as systems and components that control and isolate noise vibration in a vehicle to improve ride and handling. The Fluid segment consisted primarily of subsystems and components that direct, control, measure, and transport fluids and vapors throughout a vehicle. The Asia Pacific segment consisted of both Body & Chassis and Fluid operations in that region with the exception of the Company's interest in a joint venture in China which was acquired as part of the MAPS acquisition, and the MAP India joint venture. These joint ventures were included in the Body & Chassis segment which was in line with the internal management structure.

On March 26, 2009, the Company announced the implementation of a plan involving the discontinuation of its global Body & Chassis and Fluid Systems operating divisions and the establishment of a new operating structure organized on the basis of geographic regions. Under the plan, the Company's operating structure as well as reporting segments, has changed, and the Company revised its segment disclosures beginning with the second quarter of 2009 from the three reportable segments to two reportable segments, North America and International (comprising all of the Company's operations outside of North America). Prior periods have been revised to conform to the current period presentation. Due to this segment revision, the Company has also revised the previously reported amounts in Note 4 Goodwill and Intangibles to conform to the new segment presentation.

The Company evaluates segment performance based on segment profit before tax. The following table details information on the Company's business segments:

14. Guarantor and Non-Guarantor Subsidiaries

In connection with the December 2004 acquisition by the Company of the automotive segment of Cooper Tire & Rubber Company, Cooper-Standard Automotive Inc. (the Issuer), a wholly-owned subsidiary, issued the Senior Notes and Senior Subordinated Notes with a total principal amount of \$550,000. Cooper-Standard Holdings Inc. and all wholly-owned domestic subsidiaries of Cooper-Standard Automotive Inc. (the Guarantors) unconditionally guarantee the notes. The following condensed consolidated financial data provides information regarding the financial position, results of operations, and cash flows of the Guarantors. Separate financial statements of the Guarantors are not presented because management has determined that those would not be material to the holders of the notes. The Guarantors account for their investments in the non-guarantor subsidiaries on the equity method. The principal elimination entries are to eliminate the investments in subsidiaries and intercompany balances and transactions (dollars in millions).

15. Financial Instruments

Fair values of the Senior Notes and the Senior Subordinated Notes approximated \$146,900 and \$157,800 at December 31, 2008 and September 30, 2009 based on quoted market prices, compared to the recorded values totaling \$523,350 and \$505,300, respectively. Fair values of the Term Loans approximated \$247,600 and \$463,400 at December 31, 2008 and September 30, 2009, based on quoted market prices, compared to the recorded values totaling \$530,000 and \$520,637, respectively. The fair value of the DIP financing approximated \$128,400 at September 30, 2009, based on quoted market prices, compared to the recorded value totaling \$124,687 at September 30, 2009.

The Company uses derivative financial instruments, including forwards and swap contracts to manage its exposures to fluctuations in foreign exchange, interest rates and commodity prices. For a fair value hedge both the effective and ineffective, if significant, portions are recorded in earnings and reflected in the condensed consolidated statement of operations. For a cash flow hedge, the effective portion of the change in the fair value of the derivative is recorded in accumulated other comprehensive income (loss) in the condensed consolidated balance sheet. The ineffective portion, if significant, is recorded in other income or expense. When the underlying hedged transaction is realized or the hedged transaction is no longer probable, the gain or loss included in accumulated other comprehensive income (loss) is recorded in earnings and reflected in the condensed consolidated statement of operations on the same line as the gain or loss on the hedged item attributable to the hedged risk.

The Company formally documents its hedge relationships, including the identification of the hedging instruments and the hedged items, as well as its risk management objectives and strategies for undertaking the cash flow hedges. The Company also formally assesses whether a cash flow hedge is highly effective in offsetting changes in the cash flows of the hedged item. Derivatives are recorded at fair value in other current assets and other current liabilities.

Derivative Instruments and Hedging Activities

The failure to make the scheduled interest payments on the Senior Notes and Senior Subordinated Notes and the expiration of the applicable 30-day period on July 16, 2009 constituted a cross-default under the Company's ISDA Agreements in the names of Cooper-Standard Automotive, Inc., Cooper-Standard Automotive Canada, Limited and Cooper-Standard Automotive International Holdings B.V., with its various senior lenders as counterparties. As a result, the counterparties to certain outstanding derivative contracts under these ISDA Agreements elected to exercise their option of early termination under such contracts. Certain interest rate, foreign exchange and commodity swap derivatives that were designated under FAS 133 as cash flow hedges were de-designated for the purposes of FAS 133 as a result of the failure to make the interest payment and in anticipation of the termination events. The value of these derivatives, totaling \$18,089, is classified as liabilities subject to compromise. The amounts in accumulated other comprehensive income at de-designation will be frozen and will be amortized and moved to the statement of operations over the remaining life of the underlying exposures.

Cash Flow Hedges

Forward foreign exchange contracts The Company enters into forward contracts to hedge currency risk of the U.S. Dollar against the Euro. The forward contracts are used to mitigate the potential volatility to earnings and cash flow arising from changes in currency exchange rates that impact the Company's foreign currency transactions. The forward contracts with a USD notional amounts of \$1,510 are accounted for as cash flow hedges and are recorded in the Company's condensed consolidated balance sheet in accrued liabilities at a fair value of \$(84), with the offset reflected in accumulated other comprehensive income (loss) (AOCI), net of deferred taxes. The gain or loss on the forward contracts is reported as a component of other comprehensive income (loss) (OCI) and

reclassified into earnings in the same period or periods during which the hedged transaction affects earnings. For the three and nine months ended September 30, 2009, \$79 and \$(141), respectively, were reclassified from AOCI into cost of products sold. The amount to be reclassified in the next twelve months is expected to be approximately \$(84).

For the forward contracts de-designated as cash flow hedges, \$(1,159) is recognized in OCI as of September 30, 2009. For the three and nine months ended September 30, 2009, \$1,212 and \$3,686, respectively, were reclassified from AOCI into cost of products sold. The amount to be reclassified in the next quarter is \$(1,159).

Interest rate swaps The Company has an interest rate swap contract to manage cash flow fluctuations of variable rate debt due to changes in market interest rates. This contract which fixes the interest payment of a certain variable rate debt instrument is accounted for as a cash flow hedge. As of September 30, 2009, the USD notional amount of this contract was \$9,733. At September 30, 2009, the fair value before taxes of the Company's interest rate swap contract was \$(474) and is recorded in accrued liabilities and other long-term liabilities in the Company's condensed consolidated balance sheet with the offset reflected in accumulated other comprehensive income (loss) (AOCI), net of deferred taxes. For the three and nine months ended September 30, 2009, \$61 and \$70, respectively, were reclassified from AOCI into interest expense. The amount to be reclassified in the next twelve months is expected to be approximately \$(117).

For interest rate swaps de-designated as cash flow hedges, \$(22,410) is recognized in OCI as of September 30, 2009. For the three and nine months ended September 30, 2009, \$1,103 and \$6,807, respectively, were reclassified from AOCI into interest expense and for the three and nine months ended September 30, 2009, \$324 and \$2,414, respectively, were reclassified from AOCI to other expense (income).

Commodity price hedges The Company has exposure to the prices of commodities in the procurement of certain raw materials. The primary purpose of the Company's commodity price hedging activities is to manage the volatility associated with these forecasted purchases. The Company primarily utilized forward contracts with maturities of less than 24 months, which were accounted for as cash flow hedges. These instruments were intended to offset the effect of changes in commodity prices on forecasted inventory purchases. As of September 30, 2009, these forward contracts have been de-designated as cash flow hedges. As of September 30, 2009, \$(550) is recognized in OCI. For the three and nine months ended September 30, 2009, \$478 and \$3,220, respectively were reclassified from AOCI to cost of products sold. The amount to be reclassified in the next quarter is \$(550).

Fair Value Measurements

SFAS No. 157 clarifies that fair value is an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. As such, fair value is a market-based measurement that should be determined based upon assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, SFAS No. 157 establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

Level 1: Observable inputs such as quoted prices in active markets;

Level 2: Inputs, other than quoted prices in active markets, that are observable either directly or indirectly; and

Level 3: Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

Estimates of the fair value of foreign currency and commodity derivative instruments are determined using exchange traded prices and rates. The Company also considers the risk of non-performance in the estimation of fair value, and includes an adjustment for non-performance risk in the measure of fair value of derivative instruments. In certain instances where market data is not available, the Company uses management judgment to develop assumptions that are used to determine fair value.

Fair value measurements and the fair value hierarchy level for the Company's assets and liabilities measured or disclosed at fair value on a recurring basis as of September 30, 2009, are shown below:

Contract	Asset (Liability)	Level 1	Level 2	Level 3

16. Accounts Receivable Factoring

As part of its working capital management, the Company sells certain receivables through third party financial institutions without recourse. The amount varies each month based on the amount of underlying receivables and cash flow needs of the Company.

At September 30, 2009, the Company had \$33,428 of receivables outstanding under receivable transfer agreements entered into by various locations. The Company incurred a loss on the sale of receivables for the three and nine months ended September 30, 2009 of \$23 and \$573, respectively; this amount is recorded in other income (expense) in the condensed consolidated statements of operations. The Company continues to service the receivables for one of the locations. These were permitted transactions under the Company's Pre-petition Credit Agreement. The Company is also pursuing similar arrangements in various locations.

In addition, during the second quarter of 2009, the Company elected to participate in the Auto Supplier Support Program sponsored by the U.S. Treasury Department (Auto Supplier Support Program). The Auto Supplier Support Program is designed to provide eligible suppliers with access to government-backed protection on those Chrysler LLC (Chrysler) and General Motors Corporation (GM) U.S. dollar receivables that are accepted into the program. In applying for the program, the Company selected the program option that provides government-backed protection on collection of the receivables and expedited payment terms, for which a charge of 3% of the accepted receivables is applicable. The Company has been designated by both Chrysler and GM as an eligible supplier. During the nine months ended September 30, 2009, the Company received payments of \$8,936 and incurred charges of \$268 which is recorded in other income (expense) in the condensed consolidated statements of operations.

In addition, the Company has been advised that Export Development Canada (EDC) has made available to the Company's Canadian subsidiary insurance coverage on certain GM and Chrysler receivables. EDC's program is designed to guarantee a substantial portion of a Canadian supplier's eligible receivables under the program. The Canadian subsidiary will be charged 6% per annum of the amount made available to it under the program.

17. Sale Leaseback Transaction

During the quarter ended September 30, 2008 the Company sold a manufacturing facility to an independent third party and simultaneously agreed to lease the facility from that party for a period of 15 years. Gross proceeds from this sale were \$8,556. The transaction is structured as an operating lease.

18. Subsequent Events

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through November 13, 2009, the date the financial statements were issued.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations.

This Management's Discussion and Analysis of Financial Condition and Results of Operations (MD&A) presents information related to the condensed consolidated results of operations of the Company, including the impact of restructuring costs on the Company's results, a discussion of the past results and future outlook of each of the Company's segments, and information concerning both the liquidity and capital resources of the Company. The following discussion and analysis, which should be read in conjunction with our condensed consolidated financial statements and the notes included elsewhere in this report, contains certain forward-looking statements relating to anticipated future financial conditions and operating results of the Company and its current business plans. In the future, the financial condition and operating results of the Company could differ materially from those discussed herein and its current business plans could be altered in response to market conditions and other factors beyond the Company's control. Important factors that could cause or contribute to such differences or changes include those discussed elsewhere in this report (see Forward-Looking Statements) and in our most recently filed annual report on Form 10-K (see Item 1A. Risk Factors).

Business Environment and Outlook

During 2009, our revenues have been adversely affected by a substantial decline in worldwide automotive production levels. Overall negative macroeconomic conditions, including disruptions in the financial markets and high unemployment levels continue to impact consumer confidence which has kept demand for new vehicles low resulting in continued production cutbacks.

A number of key industry developments and trends have coincided with, or resulted in whole or in part from, these negative macroeconomic conditions. These developments and trends include:

A deterioration in the financial condition of certain of our customers which has caused them to implement restructuring initiatives, including, in some cases, significant capacity reductions and/or reorganization under bankruptcy laws:

In particular, on April 30, 2009, Chrysler LLC and a number of its subsidiaries filed a petition in the U.S. Bankruptcy Court commencing reorganization proceedings under Chapter 11 of the U.S. Bankruptcy Code and emerging from the bankruptcy 40 days later.

General Motors Corporation filed a petition in U.S. Bankruptcy Court on June 1, 2009 and emerged from bankruptcy on July 10, 2009. The filing is one of the largest bankruptcies in U.S. history. Both General Motors and Chrysler have received financial assistance from government sources with the government taking 61 percent stake in General Motors and 8 percent in Chrysler. The ability for the companies to repay the loans and return to profitability is still unknown and creates additional uncertainty.

Both companies extended shutdown periods of production at North American manufacturing facilities, until they emerged from the bankruptcy proceedings, and also extended seasonal shutdown time causing further stress in the supplier sector as they attempt to balance revenue, production and profitability.

A decline in our customers' production volumes and weak sales. According to CSM Worldwide, actual North America and Europe light vehicle production volume through September 30, 2009 were 5.8 million units and 11.8 million units, as compared to 9.9 million units and 16.5 million units through September 30, 2008.

A decline in the market share of some of our largest customers, including General Motors and Chrysler.

Continuing pricing pressures from customers.

A shift in consumer preference and vehicle production mix, particularly in North America, from sport utility vehicles and light trucks to more fuel efficient vehicles, cross-over utility vehicles and passenger cars; and a shift in consumer preference and vehicle production mix, particularly in Europe, from large and mid-size passenger cars to smaller cars.

Bankruptcy Cases

As a result of these negative trends and the Company's substantial debt service requirements, on August 3, 2009, Cooper-Standard Holdings Inc., a Delaware corporation (the Company), and each of its direct and indirect wholly-owned U.S. subsidiaries (collectively with the Company, the

Edgar Filing: Cooper-Standard Automotive Inc. - Form 424B3

Debtors) filed voluntary petitions for relief under Chapter 11 of Title 11 of the United States Code (the Bankruptcy Code) in the United States Bankruptcy Court for the District of Delaware (the Bankruptcy Court). The Debtors chapter 11 cases (the Chapter 11 Cases) are being jointly administered under Case No. 09-12743(PJW). The Debtors continue to operate their businesses and manage their properties as debtors in possession under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Bankruptcy Court. On August 14, 2009, the Official Committee of Unsecured Creditors was appointed in the Chapter 11 Cases.

On August 4, 2009, the Company's Canadian subsidiary, Cooper-Standard Automotive Canada Limited, a corporation incorporated under the laws of Ontario (the Canadian Debtor), commenced proceedings seeking relief from its creditors under Canada's Companies Creditors Arrangement Act in the Ontario Superior Court of Justice in Toronto, Canada (Commercial List) (the Canadian Court), court file no. 09-8307-00CL. The Company's subsidiaries and operations outside the United States and Canada are not included in the Chapter 11 Cases or the Canadian Proceedings (other than the Canadian Debtor) and continue to operate in the ordinary course of business.

As a result of the Chapter 11 Cases, realization of assets and liquidation of liabilities are subject to uncertainty. While operating as debtors-in-possession under the protection of Chapter 11 of the Bankruptcy Code, and subject to Bankruptcy Court approval or otherwise as permitted in the normal course of business, the Debtors may sell or otherwise dispose of assets and liquidate or settle liabilities for amounts other than those reflected in the condensed consolidated financial statements.

On October 2, 2009, the Debtors filed their schedules of assets and liabilities (the Schedules) and statements of financial affairs with the Bankruptcy Court. On October 27, 2009, the Bankruptcy Court entered an order establishing December 4, 2009 as the deadline (the General Bar Date) for all entities, other than governmental agencies, to file proofs of claim against the Debtors stating the amounts to which the claimants contend that they are entitled, subject to the rights of the Debtors to contest both the validity and amount of the claims. The Bankruptcy Court also set February 1, 2010 as the deadline for governmental entities to file their proofs of claim (the Governmental Bar Date and, together with the General Bar Date, the Bar Dates). The Debtors will continue to evaluate all claims asserted in the Chapter 11 Cases and may file periodic motions seeking to modify, reject, liquidate or allow such claims.

In addition, under the priority scheme established by the Bankruptcy Code, generally, post-petition liabilities and secured claims must be satisfied before pre-petition unsecured creditors and interest holders can receive any distribution or retain any property under a chapter 11 plan of reorganization. The ultimate recovery, if any, to the holders of the Notes and other interest holders will not be determined until confirmation of a chapter 11 plan or plans of reorganization. No assurance can be given as to what values, if any, will be ascribed in the Chapter 11 Cases to each of these constituencies or what types or amounts of distributions, if any, they would receive. A chapter 11 plan of reorganization could result in holders of the Company's Notes receiving no distribution on account of their claims and cancellation of their existing Notes. If certain requirements of the Bankruptcy Code are met, a chapter 11 plan of reorganization can be confirmed notwithstanding its rejection by such holders and notwithstanding the fact that such holders do not receive or retain any property on account of their interests under the chapter 11 plan. Accordingly, the Company urges that the appropriate caution be exercised with respect to existing and future investments in the Company's securities as the value and prospects are highly speculative.

Under the Bankruptcy Code, the exclusive period in which the Debtors may file a chapter 11 plan or plans of reorganization is 120-days from the date of the filing of the petition. The exclusive period in which the Debtors may solicit acceptances for any chapter 11 plan or plans of reorganization is 180-days from the date of the filing of the petition. The Bankruptcy Code also provides that the Bankruptcy Court may extend the 120-day plan exclusivity period up to 18 months after the petition date and the 180-day solicitation exclusivity period up to 20 months after the petition date. The Debtors' 120-day exclusive period to file a chapter 11 plan or plans of reorganization expires on December 1, 2009. The Debtors' 180-day exclusive period to solicit any plan or plans expires on

February 1, 2010. If the Debtors' exclusivity periods expire, other parties in interest will be allowed to file their own plans and solicit acceptances in connection therewith. The Debtors have filed a motion seeking to extend both the plan exclusivity period and the solicitation exclusivity period by an additional 120 days, which is currently pending before the Bankruptcy Court.

Under the supervision of the Bankruptcy Court, the Company may decide to pursue various strategic alternatives as deemed appropriate by our Board of Directors to serve the best interests of the Company and its stakeholders, including asset sales or strategic partnerships.

Debtor-in-Possession Financing

The Company has entered into a Debtor-In-Possession Credit Agreement, dated as of August 5, 2009 (the "DIP Credit Agreement"), among the Company, Cooper-Standard Automotive Inc., an Ohio corporation (the "U.S. Borrower"), and the Canadian Debtor (the U.S. Borrower and the Canadian Debtor are referred to herein as the "DIP Borrowers"), various lenders party thereto, Deutsche Bank Trust Company Americas, as the administrative agent (in such capacity, the "DIP Agent"), Banc of America Securities LLC, General Electric Corporation and UBS Securities LLC, as co-syndication agents, Deutsche Bank Trust Company Americas, as documentation agent, Deutsche Bank Securities Inc. and General Electric Capital Corporation, as joint lead arrangers and book runners, and Banc of America Securities LLC and UBS Securities LLC, as co-arrangers. The Company received interim and final approval of the DIP Credit Agreement from the Bankruptcy Court on August 5, 2009 and September 1, 2009, respectively. The Company received approval of the DIP Credit Agreement from the Canadian Court on August 6, 2009.

The lenders under the DIP Credit Agreement have committed to provide superpriority senior secured term loans to the DIP Borrowers and an additional non-U.S. subsidiary to be designated (the "Additional Foreign Borrower") in an aggregate principal amount of up to \$175 million (the "DIP Facility") in connection with the Chapter 11 Cases and the Canadian Proceedings. The U.S. Borrower has drawn \$75 million of the DIP Facility and the Canadian Debtor drew \$50 million of the DIP facility as of September 30, 2009. An additional \$50 million has been funded into escrow as of September 30, 2009, and is expected to be released to the Additional Foreign Borrower when local-law credit documentation is finalized. The DIP Credit Agreement also provides for an additional uncommitted \$25 million incremental facility, for a total DIP Facility of up to \$200 million (if the incremental facility is requested and committed to by the requisite lenders).

Three Months Ended September 30, 2009 Compared with Three Months Ended September 30, 2008

Sales: Consolidated sales decreased \$81.8 million, or 13.6%, in the third quarter of 2009. This decrease resulted primarily from lower unit sales volume in both North America and Europe and unfavorable foreign exchange (\$27.9 million).

Gross Profit: Gross profit increased \$19.6 million to \$82.1 million (approximately 15.8% of sales) in the third quarter of 2009 as compared to \$62.5 million (approximately 10.4% of sales) in the third quarter of 2008. This increase resulted primarily from the favorable impact of management actions and various cost saving initiatives, partially offset by lower sales volume in both North America and Europe and unfavorable foreign exchange.

Restructuring: Restructuring charges decreased \$9.1 million to \$4.4 million in the third quarter of 2009 compared to \$13.5 million in the third quarter of 2008. This decrease is due primarily to the initial phase of a reorganization ultimately involving the discontinuation of the Company's global product line operating divisions that was initiated in the third quarter of 2008.

Interest Expense, Net: The decrease in interest expense of \$11.8 million in the third quarter of 2009 resulted primarily from the cessation of recording interest expense on the debt that is in default.

Other Income (Expense): Other income increased \$6.3 million in the third quarter of 2009 compared to the third quarter of 2008 due primarily to an increase in foreign currency gains of \$6.7 million, partially offset by losses on interest rate swaps of \$0.3 million.

Provision for Income Tax Expense (Benefit): For the three months ended September 30, 2009, the Company recorded income tax expense of \$3.8 million on earnings before income taxes of \$14.4 million. This compares to an income tax benefit of (\$1.0) million on losses before income taxes of (\$33.8) million for the same period of 2008. Income tax expense for the three month period ended September 30, 2009 differs from statutory rates due to income taxes on foreign earnings, the inability to record a tax benefit for

pre-tax losses in the U.S. and certain foreign jurisdictions to the extent not offset by other categories of income, tax credits, income tax incentives, withholding taxes, and other permanent items. Further, the Company's current and future provision for income taxes will be significantly impacted by the recognition of valuation allowances in certain countries, particularly the United States. The Company intends to maintain these allowances until it is more likely than not that the deferred tax assets will be realized. Accordingly, income taxes are impacted by the U.S. valuation allowance and the mix of earnings among jurisdictions.

Nine Months Ended September 30, 2009 Compared with Nine Months Ended September 30, 2008

Sales: Consolidated sales decreased \$753.7 million, or 35.5%, in the nine months ended September 30, 2009. This decrease resulted primarily from lower sales volume in both North America and Europe and unfavorable foreign exchange (\$150.8 million).

Gross Profit: Gross profit decreased \$124.4 million to \$175.2 million (approximately 12.8% of sales) in the nine months ended September 30, 2009 as compared to \$299.6 million (approximately 14.1% of sales) in the nine months ended September 30, 2008. This decrease resulted primarily from lower sales volume in both North America and Europe and unfavorable foreign exchange, partially offset by the favorable impact of management actions and various cost saving initiatives.

Selling, Administration, and Engineering: Selling, administration, and engineering expenses decreased \$41.5 million to \$146.2 million in the nine months ended September 30, 2009 compared to \$187.8 million in the nine months ended September 30, 2008, primarily due to the favorable impact of various cost saving initiatives and management actions.

Impairment Charges: In the second quarter of 2009 we recorded a goodwill impairment charge of \$157.2 million, impairment charges of \$202.5 million related to certain intangible assets and impairment charges of \$3.0 million related to certain fixed assets within the North America and International segments. During the second quarter of 2009, several events occurred that indicated potential impairment of the Company's goodwill. Such events included: (a) the chapter 11 bankruptcy of both Chrysler LLC and General Motors and unplanned plant shut-downs; (b) continued product volume risk and negative product mix changes; (c) the Company's commencement of negotiations with its sponsors, senior secured lenders, and bondholders to recapitalize its long term debt and equity; (d) the Company's recognition as the second quarter progressed that there was an increasing likelihood that it would breach its financial covenants under its Pre-Petition Credit Agreement; (e) the Company's decision to defer its June 15, 2009 interest payment on its Notes pending the outcome of its quarterly financial results; (f) an analysis of whether the Company would meet its financial covenants for the past quarter; and (g) negotiations with its various constituencies. As a result of the combination of the above factors, the Company significantly reduced its second quarter projections.

Restructuring: The increase in restructuring expense of \$15.8 million in the nine months ended September 30, 2009 resulted primarily from the final phase of the reorganization of the Company's operating structure, which was initiated during the fourth quarter of 2008.

Interest Expense, Net: The decrease in interest expense of \$17.6 million in the nine months ended September 30, 2009 resulted primarily from decreased interest rates, decreased term loan balances and the cessation of recording interest expense on the debt that is in default.

Other Income (Expense): Other income increased \$11.1 million in the nine months ended September 30, 2009 due primarily to an increase in gain on debt repurchase of \$7.4 million and an increase in foreign currency gains of \$7.0 million, partially offset by losses on sale of receivables of \$0.8 million and losses on interest rate swaps of \$2.4 million.

Provision for Income Tax Expense (Benefit): For the nine months ended September 30, 2009, the Company recorded income tax benefit of (\$31.3) million on losses before income taxes of (\$425.3) million. This compares to an income tax expense of \$12.7 million on earnings before income taxes of \$7.0 million for the same period of 2008. Income tax expense for the nine month period ended September 30, 2009 differs from statutory rates due to income taxes on foreign earnings, the inability to record a tax benefit for pre-tax losses in the U.S. and certain foreign jurisdictions to the extent not offset by other categories of income, tax credits, income tax incentives, withholding taxes, and other permanent items. Additionally, a discrete income tax benefit was recorded in the three months ended June 30, 2009 related to the settlement of a bi-lateral advanced pricing agreement. See Note 9, Income Taxes of the Condensed Consolidated Financial statements for additional details on the settlement. Further, the Company's current and future provision for income taxes will be significantly impacted by the recognition of valuation allowances in certain countries, particularly the United States. The Company intends to maintain these allowances until it is more likely than not that the deferred tax assets will be realized. Accordingly, income taxes are impacted by the U.S. valuation allowance and the mix of earnings among jurisdictions.

In 2008 and through March 31, 2009, the Company reported its operating results in three business segments: Body & Chassis Systems, Fluid Systems, and Asia Pacific. The Body & Chassis segment consisted mainly of body sealing products and components that protect vehicle interiors from weather, dust, and noise intrusion as well as systems and components that control and isolate noise vibration in a vehicle to improve ride and handling. The Fluid segment consisted primarily of subsystems and components that direct, control, measure, and transport fluids and vapors throughout a vehicle. The Asia Pacific segment consisted of both Body & Chassis and Fluid operations in that region with the exception of the Company's interest in a joint venture in China which was acquired as part of the MAPS acquisition, and the MAP India joint venture. These joint ventures were included in the Body & Chassis segment which was in line with the internal management structure.

On March 26, 2009, the Company announced the implementation of a plan involving the discontinuation of its global Body & Chassis and Fluid Systems operating divisions and the establishment of a new operating structure organized on the basis of geographic regions. Under the plan, the Company's operating structure as well as reporting segments, has changed, and the Company revised its segment disclosures beginning with the second quarter of 2009 from the three reportable segments to two reportable segments, North America and International (comprising all of the Company's operations outside of North America). Prior periods have been revised to conform to the current period presentation.

Three Months Ended September 30, 2009 Compared with Three Months Ended September 30, 2008

North America: Sales decreased \$14.9 million, or 5.6%, primarily due to lower sales volume and unfavorable foreign exchange (\$7.0 million). Segment profit increased by \$40.4 million, primarily due to the favorable impact of management actions and various cost saving initiatives.

International: Sales decreased \$66.9 million, or 20.1%, primarily due to lower sales volume in Europe and unfavorable foreign exchange (\$20.9 million). Segment loss improved by \$7.8 million, primarily in Europe due to the favorable impact of management actions and various cost saving initiatives, partially offset by lower sales volume in Europe and unfavorable foreign exchange.

Nine Months Ended September 30, 2009 Compared with Nine Months Ended September 30, 2008

North America: Sales decreased \$359.0 million, or 36.2%, primarily due to lower sales volume and unfavorable foreign exchange (\$30.2 million). Segment loss increased by \$258.1 million, primarily due to the impairment of goodwill, intangibles and fixed assets of \$242.2 million, lower sales volumes and unfavorable foreign exchange partially offset by the favorable impact of management actions and various cost saving initiatives.

International: Sales decreased \$394.7 million, or 34.9%, primarily due to lower sales volume in Europe and unfavorable foreign exchange (\$120.6 million). Segment profit decreased by \$174.2 million, primarily due to the impairment of goodwill, intangibles and fixed assets of \$120.5 million, lower sales volume in Europe and unfavorable foreign exchange, partially offset by the favorable impact of management actions and various cost saving initiatives.

Restructuring

We continually evaluate alternatives in an effort to align our business with the changing needs of our customers and lower the operating cost of our Company. This may include the realignment of our existing manufacturing capacity, facility closures, or similar actions. See the Notes to Condensed Consolidated Financial Statements for discussion of restructuring activities during the nine months ended September 30, 2009.

Liquidity and Capital Resources

Operating Activities: Cash provided by operations in the nine months ended September 30, 2009 was \$30.2 million, which included \$28.8 million of cash used for changes in operating assets and liabilities. Cash provided by operations in the nine months ended September 30, 2008 was \$83.5 million, which included \$22.7 million of cash used for changes in operating assets and liabilities. The \$53.2 million change in cash from activities was due primarily to an increase in consolidated net loss.

Investing Activities: Cash used in investing activities in the nine months ended September 30, 2009 was \$25.2 million, which primarily consisted of capital spending as compared to cash used in investing activities of \$49.0 million in the nine months ended September 30, 2008, which primarily consisted of \$66.8 million of capital spending partially offset by gross proceeds of \$8.6 million from a sale-leaseback transaction. We anticipate that we will spend approximately \$55 to \$60 million on capital expenditures in the year ending December 31, 2009.

Financing Activities: Cash provided by financing activities in the nine months ended September 30, 2009 was \$118.9 million, which consisted primarily of \$108.0 million of debtor-in-possession financing, net of debt issuance cost and increased short term debt partially offset by normal debt payments and repurchase of bonds, as compared to cash used in financing activities of \$38.4 million in the nine months ended September 30, 2008, which consisted primarily of normal debt payments, repurchase of bonds and decreased short-term debt.

Pre-Petition Credit Agreement and Notes: For a discussion of the Company's Pre-Petition Credit Agreement and Notes, see Note 7, Debt.

DIP Financing: The DIP Facility under the DIP Credit Agreement entered into by the Company as of August 5, 2009 in connection with the Chapter 11 Cases and the Canadian Proceedings provides for superpriority senior secured term loans to the DIP Borrowers (and the Additional Foreign Borrower) to be designated in an aggregate principal amount of up to \$175 million. The U.S. Borrower has drawn \$75 million of the DIP Facility and the Canadian Debtor drew \$50 million of the DIP Facility as of September 30, 2009. An additional \$50 million has been funded into escrow as of September 30, 2009, and is expected to be released to the Additional Foreign Borrower when local-law credit documentation is finalized. The DIP Credit Agreement also provides for an additional uncommitted \$25 million incremental facility, for a total DIP Facility of up to \$200 million (if the incremental facility is requested and committed to by the requisite lenders).

As a result of the Chapter 11 Cases and the Canadian Proceedings and the circumstances leading to the Chapter 11 Cases and the Canadian Proceedings, described elsewhere in this report, the Company faces uncertainty regarding the adequacy of its liquidity and capital resources and has limited access to financing. During the pendency of the Chapter 11 Cases and the Canadian Proceedings, the Company expects that its primary sources of liquidity will be cash flows from operations and borrowings under its DIP Credit Agreement as it may be able to obtain. In addition to the cash requirements necessary to fund ongoing operations, the Company has incurred significant professional fees and other costs in connection with the Chapter 11 Cases and the Canadian Proceedings and expects that it will continue to incur significant professional fees and costs. There can be no assurances that the amounts of cash available from operations, together with the DIP Credit Agreement, will be sufficient to fund the Company's operations, including operations during the period until such time as the Company is able to propose a chapter 11 plan of reorganization that will receive the requisite acceptance by creditors and be confirmed by the Bankruptcy Court. The Company's long-term liquidity requirements and the adequacy of its capital resources are difficult to predict at this time and ultimately cannot be determined until a chapter 11 plan of reorganization has been developed and is confirmed by the Bankruptcy Court.

Critical Accounting Policies and Estimates

Goodwill. Goodwill is not amortized but is tested annually for impairment. The Company evaluates each reporting unit's fair value versus its carrying value annually or more frequently if events or changes in circumstances indicate that the carrying value may exceed the fair value of the reporting unit. Estimated fair values are based on the cash flows projected in the reporting units' strategic plans and long-range planning forecasts discounted at a risk-adjusted rate of return. If the carrying value exceeds the fair value, an impairment loss is measured and recognized.

During the second quarter of 2009, several events occurred that indicated potential impairment of the Company's goodwill. Such events included: (a) the chapter 11 bankruptcy of both Chrysler LLC and General Motors and unplanned plant shut-downs; (b) continued product volume risk and negative product mix changes; (c) the Company's commencement of negotiations with its sponsors, senior secured lenders, and bondholders to recapitalize its long term debt and equity; (d) the Company's recognition as the second quarter progressed that there was an increasing likelihood that it would breach its financial covenants under its Pre-Petition

Credit Agreement; and (e) the Company's decision to defer its June 15, 2009 interest payment on its Notes pending the outcome of its quarterly financial results, an analysis of whether the Company would meet its financial covenants for the past quarter and negotiations with its various constituencies. As a result of the combination of the above factors, the Company significantly reduced its second quarter projections.

Other significant assumptions used in the discounted cash flow model include discount rate, terminal value growth rate, future capital expenditures, and changes in future working capital requirements. These assumptions were not modified significantly as part of the interim goodwill impairment assessment. The significant decrease in the financial projections resulted in an enterprise value significantly lower than the amount computed in connection with the prior year annual impairment assessment. This significant decrease in enterprise value results in the carrying value of assets at all of our reporting units being greater than the related reporting units' fair value. As a result, the Company recorded goodwill impairment charges of \$93,580 in its North America reporting unit, \$39,604 in its Europe reporting unit, \$22,628 in its South America reporting unit and \$1,421 in its Asia Pacific reporting unit during the second quarter of 2009.

While we believe our estimates of fair value are reasonable based upon current information and assumptions about future results, changes in our businesses, the markets for our products, the economic environment and numerous other factors could significantly alter our fair value estimates and result in future impairment of recorded goodwill in the North American reporting unit. An adjustment to the financial projections or other assumptions used to value the North American reporting unit would have had a direct impact on the amount of goodwill impairment recognized during the second quarter and the amount of goodwill remaining on the September 30, 2009 balance sheet.

Forward-Looking Statements

This report includes what the Company believes are forward-looking statements as that term is defined under the Private Securities Litigation Reform Act of 1995. These forward-looking statements include statements concerning our plans, objectives, goals, strategies, future events, future revenue or performance, capital expenditures, financing needs, plans or intentions relating to acquisitions, business trends, and other information that is not historical information. When used in this report, the words estimates, expects, anticipates, projects, plans, intends, believes, forecasts, or future or conditional verbs, such as will, should, could, or may, and variations of such words or similar expressions are intended to identify forward-looking statements. All forward-looking statements, including, without limitation, management's examination of historical operating trends and data are based upon our current expectations and various assumptions. Our expectations, beliefs, and projections are expressed in good faith and we believe there is a reasonable basis for them. However, we cannot assure you that these expectations, beliefs, and projections will be achieved.

Such risks, uncertainties, and other important factors include, among others: the impact of our Chapter 11 Cases and Canadian Proceedings; limitations on flexibility in operating our business contained in our debt agreements; our dependence on the automotive industry; availability and cost of raw materials; our dependence on certain major customers; competition in our industry; sovereign and other risks related to our conducting operations outside the United States; the uncertainty of our ability to achieve expected cost reduction savings; our exposure to product liability and warranty claims; labor conditions; our vulnerability to rising interest rates; our ability to meet our customers' needs for new and improved products in a timely manner; our ability to attract and retain key personnel; the possibility that our owners' interests will conflict with yours; our recent status as a stand-alone company; our legal

rights to our intellectual property portfolio; our underfunded pension plans; environmental and other regulation; and the possibility that our acquisition strategy will not be successful. See Item 1A. Risk Factors, in our Form 10-K for our fiscal year ended December 31, 2008 and Item 1A. Risk Factors in Part II of this form 10-Q for additional information regarding these and other risks and uncertainties. There may be other factors that may cause our actual results to differ materially from the forward-looking statements.

All forward-looking statements attributable to us or persons acting on our behalf apply only as of the date of this report and are expressly qualified in their entirety by the cautionary statements included in this report. We undertake no obligation to update or revise forward-looking statements to reflect events or circumstances that arise after the date made or to reflect the occurrence of unanticipated events.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

We are exposed to fluctuations in interest rates, currency exchange rates and commodity prices. We actively monitor our exposure to risk from changes in interest rates, foreign currency exchange rates and commodity prices through the use of derivative financial instruments in accordance with management's guidelines. We do not enter into derivative instruments for trading purposes.

Interest Rate Risk- We are subject to interest rate risk in connection with certain variable rate debt. As of September 30, 2009, we had \$130.6 million of variable rate debt. A 1% increase in the average interest rate would increase future interest expense by approximately \$1.3 million per year.

Foreign Currency Exchange Risk- We use forward foreign exchange contracts to hedge the U.S. dollar to reduce the effect of fluctuations in foreign exchange rates on a portion of the forecasted material purchases of our European facilities. As of September 30, 2009, the fair market value of these contracts was approximately \$(0.1) million. A 10% strengthening of the U.S. dollar relative to the Euro would result in an increase of \$0.2 million in the fair market value of these contracts. A 10% weakening of the U.S. dollar relative to the Euro would result in a decrease of \$0.1 million in the fair market value of these contracts.

For additional discussion of the Company's derivative instruments see Note 15, Financial Instruments.

In addition, the counterparties to certain of our derivatives contracts have exercised their option of early termination.

Item 4. Controls and Procedures.

The Company has evaluated, under the supervision and with the participation of the Company's management, including the Company's Chief Executive Officer and Chief Financial Officer, the effectiveness of the Company's disclosure controls and procedures (as defined in Rules 15d-15(e) under the Securities Exchange Act of 1934, as amended (the "Exchange Act")) as of the end of the period covered by this Report. Because of the inherent limitations in all control systems, no evaluation of controls can provide absolute assurance that all control issues and instances of fraud, if any, within the Company have been detected. However, based on that evaluation, the Company's Chief Executive Officer along with the Chief Financial Officer have concluded that the Company's disclosure controls and procedures were effective as of the end of the period covered by this Report.

There have been no changes in the Company's internal control over financial reporting during the quarter ended September 30, 2009 that have materially affected, or are reasonably likely to materially affect, the Company's internal control over financial reporting.

PART II OTHER INFORMATION

Item 1. Legal Proceedings.

The Company is periodically involved in claims, litigation and various legal matters that arise in the ordinary course of business. In addition, the Company conducts and monitors environmental investigations and remedial actions at certain locations. Each of these matters is subject to various uncertainties, and some of these matters may be resolved unfavorably with respect to the Company. A reserve estimate is established for each matter and updated as additional information becomes available. We do not believe that the ultimate resolution of any of these matters will have a material adverse effect on our financial condition, results of operations, or cash flows.

On August 3, 2009, the Debtors filed the Chapter 11 Cases and on August 4, 2009 the Canadian Debtor commenced the Canadian Proceedings. For a further discussion of these matters, see Note 2, Reorganization Under Chapter 11 of the Bankruptcy Code, to the condensed consolidated financial statements, which is incorporated herein by reference. At this time, it is not possible to predict the outcome of the Chapter 11 Cases or the Canadian Proceedings or their effect on our business.

In general, all pending litigation involving the Debtors and the Canadian Debtor was stayed upon the filing of the Chapter 11 Cases and the Canadian Proceeding, respectively.

On August 19, 2009, Cooper Tire and Rubber Company (CTR) initiated an adversary proceeding in the Chapter 11 Cases, Case No. 09-52014 (PJW), by filing a complaint against the Company and Cooper-Standard Automotive Inc. seeking a declaratory judgment that CTR is entitled to a portion of the \$80,000 Canadian dollars tax refund received by the Canadian Debtor from the Canadian government on July 27, 2009 and a portion of all future refunds received by the Canadian Debtor, in each case relating to the pre-acquisition period. CTR is also seeking imposition of a resulting trust or, in the alternative, a constructive trust in favor of CTR and turnover of the portion of the Canadian income tax refunds attributable to the years 2000-2004. On September 29, 2009, the Canadian Court issued an order lifting the stay in the Canadian Proceedings to allow CTR to commence proceedings against the Canadian Debtor in the Chapter 11 Cases and ordering all income tax refunds received by the Canadian Debtor after September 29, 2009 be segregated immediately upon receipt and not disbursed, encumbered or otherwise dealt with in any way until further order of the Canadian Court. On October 5, 2009, CTR filed an amended complaint in the adversary proceeding against the Company, Cooper-Standard Automotive Inc. and the Canadian Debtor. It is the Company's belief that CTR's right to tax refunds for pre-acquisition periods is that of a general unsecured creditor and is subject to the general rules and processes of the Chapter 11 Cases.

Item 1A. Risk Factors.

In addition to other information set forth in this report, you should carefully consider the factors discussed in Part I, Item 1A. Risk Factors in our Annual Report on Form 10-K for the year ended December 31, 2008 which could materially impact our business, financial condition or future results. Risks disclosed in our Annual Report on Form 10-K are not the only risks facing the Company. Additional risks and uncertainties not currently known to us or that we currently deem immaterial may materially adversely impact our business, financial condition or operating results.

The information presented below updates, and should be read in conjunction with, the risk factors disclosed in our Annual Report on Form 10-K for the year ended December 31, 2008.

Risks Related to our Bankruptcy Filings

The Debtors filed for protection under Chapter 11 of the Bankruptcy Code on August 3, 2009 and the Canadian Debtor commenced bankruptcy proceedings on August 4, 2009.

During the Chapter 11 Cases and the Canadian Proceedings, our operations, including our ability to execute our business plan, are subject to the risks and uncertainties associated with our bankruptcy. Risks and uncertainties associated with these proceedings include the following:

Actions and decisions of our creditors and other third parties with interests in the proceedings, which may be inconsistent with our plans;

Our ability to obtain court approval with respect to motions in the proceedings made from time to time;

Our ability to develop, prosecute, confirm, and consummate a chapter 11 plan of reorganization with respect to the proceedings;

Our ability to obtain and maintain commercially reasonable terms with vendors and service providers;

Our ability to maintain contracts that are critical to our operations;

Our ability to retain management and other key individuals;

Our ability to retain the tax refunds relating to the pre-acquisition period; and

Risks associated with third parties seeking and obtaining court approval to terminate or shorten the exclusivity period for us to propose and confirm a chapter 11 plan of reorganization, to appoint a trustee under Chapter 11, or to convert the Chapter 11 Cases into liquidations under Chapter 7 of the Bankruptcy Code.

These risks and uncertainties could affect our business and operations in various ways. For example, negative events or publicity associated with the proceedings could adversely affect our sales and relationships with our customers, as well as with vendors and employees, which in turn could adversely affect our operations and financial condition, particularly if the proceedings are protracted. Also, transactions outside the ordinary course of business are subject to the prior approval of the Bankruptcy Court and the Canadian Court, which may limit our ability to respond timely to certain events or take advantage of certain opportunities. In addition, in order to successfully emerge from the proceedings, senior management will be required to spend significant amounts of time developing a comprehensive chapter 11 plan of reorganization, instead of concentrating exclusively on business operations. Further, the Company has made, and will continue to make, judgments as to whether the Company should limit investment in, exit, or dispose of certain businesses. These proceedings and the development of a chapter 11 plan of reorganization may result in the sale or divestiture of assets or businesses, but there can be no assurance that the Company will be able to complete any sale or divestiture on acceptable terms or at all. Any decision by management to further limit investment in, exit, or dispose of businesses may result in the recording of additional charges.

Because of the risks and uncertainties associated with the proceedings, the ultimate impact that events that occur during these proceedings will have on the Company's business, financial condition and results of operations cannot be accurately predicted or quantified. There can be no assurance as to what values, if any, will be ascribed in the proceedings to the Company's various pre-petition liabilities, common stock, and other securities.

The Company's liquidity position imposes significant challenges to its ability to continue operations.

As global economic conditions have deteriorated, we have experienced significant pressure on our business, including our liquidity position. The Chapter 11 Cases and the Canadian Proceedings may increase this pressure. Because of the public disclosure of our liquidity constraints, our ability to maintain normal credit terms with suppliers has become impaired. The terms of the trade credit received from suppliers has been reduced. If liquidity problems persist, suppliers could refuse to provide key products and services in the future. The financial condition and results of operations of the Company, in particular with regard to our potential failure to meet debt obligations, may lead some customers to become reluctant to enter into long-term agreements with the Company. In addition to the cash requirements necessary to fund continuing operations, it is anticipated that the Company will incur significant professional fees and other restructuring costs in connection with the Chapter 11 Cases and the Canadian Proceedings and the restructuring of the Company's business operations.

The Company is currently conducting operations using borrowings from the DIP Credit Agreement. There can be no assurance that the amounts of cash from operations and amounts made available under the DIP Credit Agreement will be sufficient to fund the Company's operations. In the event that cash flows and available borrowings under the DIP Credit Agreement are not sufficient to meet the Company's liquidity requirements, the Company's operations would be adversely affected and the Company may not be able to continue as a going concern. For additional information on the DIP Credit Agreement, see Note 7, Debt, DIP Credit Agreement, to the notes to the condensed consolidated financial statements, and also see Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations' Debtor-in-Possession Financing.

During the pendency of the Chapter 11 Cases and the Canadian Proceedings, the financial results of the Company may be unstable and may not reflect historical trends.

During the pendency of the Chapter 11 Cases and the Canadian Proceedings, the Company's financial results may fluctuate as they reflect asset impairments, asset dispositions, restructuring activities, contract terminations and rejections, and claims assessments. As a result, the historical financial performance of the Company may not be indicative of the financial performance following the commencement of the Chapter 11 Cases and the Canadian Proceedings. Further, the Company may sell or otherwise dispose of assets or businesses and liquidate or settle liabilities, with court approval, for amounts other than those reflected in the Company's historical financial statements. Any such sale or disposition and any comprehensive restructuring plan could materially change the amounts and classifications reported in the Company's historical consolidated financial statements, which do not give effect to any adjustments to the carrying value of assets or amounts of liabilities that might be necessary as a consequence of a comprehensive restructuring plan.

The Company may not be able to obtain confirmation of a Chapter 11 plan of reorganization submitted for Bankruptcy Court approval.

In order to successfully emerge from Chapter 11 as a viable entity, the Company believes that it must develop, and obtain requisite court and creditor approval of a feasible Chapter 11 plan of reorganization. This process requires the Company and the other Debtors to meet certain statutory requirements with respect to adequacy of disclosure with respect to the plan of reorganization, soliciting and obtaining creditor acceptances of the plan, and fulfilling other statutory conditions for confirmation. The Company and the other Debtors may not receive the requisite acceptances to confirm the plan. Even if the requisite acceptances of the plan of reorganization are received, the Bankruptcy Court may not confirm the plan. A dissenting holder of a claim against the Debtors may challenge the balloting procedures and results as not being in compliance with the Bankruptcy Code. Even if the Bankruptcy Court determined that the balloting procedures and results were appropriate, the Bankruptcy Court could still decline to confirm the plan of reorganization if

it found that any of the statutory requirements for confirmation had not been met, including that the terms of the plan are fair and equitable to non-accepting classes. Section 1129 of the Bankruptcy Code sets forth the requirements for confirmation and requires, among other things, a finding by the Bankruptcy Court that (i) the plan of reorganization does not unfairly discriminate and is fair and equitable with respect to any non-accepting classes, (ii) confirmation of the plan is not likely to be followed by a liquidation or a need for further financial reorganization and (iii) the value of distributions to non-accepting holders of claims within a particular class under the plan will not be less than the value of distributions such holders would receive if the Debtors were to be liquidated under Chapter 7 of the Bankruptcy Code.

The Bankruptcy Court may determine that the chapter 11 plan of reorganization does not satisfy one or more of these requirements, in which case it would not be confirmable by the Bankruptcy Court. If the plan of reorganization is not confirmed by the Bankruptcy Court, it is unclear whether the Debtors would be able to reorganize its businesses and what, if any, distributions holders of claims against it would ultimately receive with respect to their claims. If an alternative reorganization could not be agreed upon, it is possible that the Debtors would have to liquidate its assets, in which case it is likely that holders of claims would receive substantially less favorable treatment than they would receive if the Debtors were to emerge as a viable, reorganized entity.

A Chapter 11 plan of reorganization may result in the holders of the Company's Notes receiving no distribution on account of their interests and cancellation of their Notes.

Under the priority scheme established by the Bankruptcy Code, generally, post-petition liabilities and secured claims must be satisfied before pre-petition unsecured creditors and interest holders can receive any distribution or retain any property under a chapter 11 plan of reorganization. The ultimate recovery, if any, to the holders of the Notes and other interest holders will not be determined until confirmation of a chapter 11 plan or plans of reorganization. No assurance can be given as to what values, if any, will be ascribed in the Chapter 11 Cases to each of these constituencies or what types or amounts of distributions, if any, they would receive. A chapter 11 plan of reorganization could result in holders of the Company's Notes receiving no distribution on account of their claims and cancellation of their existing Notes. If certain requirements of the Bankruptcy Code are met, a chapter 11 plan of reorganization can be confirmed notwithstanding its rejection by such holders and notwithstanding the fact that such holders do not receive or retain any property on account of their interests under the plan. Accordingly, the Company urges that the appropriate caution be exercised with respect to existing and future investments in the Company's securities as the value and prospects are highly speculative.

The Canadian Court may not extend the stay under the Canadian Proceedings and our Canadian subsidiary may be subject to involuntary liquidation.

There can be no assurance that the Canadian Court will extend the stay applicable to the Canadian Debtor, Cooper-Standard Automotive Canada Limited, in connection with the Canadian Proceedings filed under Canada's Companies' Creditors Arrangement Act. The creditors of the Canadian Debtor or others may cause the stay to be lifted in which case the Canadian Debtor could be petitioned into bankruptcy under the Bankruptcy and Insolvency Act (Canada) and liquidated on an involuntary basis.

A long period of operating under Chapter 11 may harm our business.

A long period of operating under Chapter 11 could adversely affect the Company's business and operations. So long as the Chapter 11 cases continue, the Company's senior management will be required to spend a significant amount of time and effort dealing with the Bankruptcy reorganization instead of focusing exclusively on business operations. A prolonged period of operating under Chapter 11 will also make it more difficult to attract and retain management and other key personnel necessary to the success

and growth of the Company's business. In addition, the longer the Chapter 11 cases continue, the more likely it is that the Company's customers and suppliers will lose confidence in the Company's ability to successfully reorganize the Company's businesses and seek to establish alternative commercial relationships. Furthermore, so long as the Chapter 11 cases continue, the Company will be required to incur substantial costs for professional fees and other expenses associated with the proceedings. A prolonged continuation of the Chapter 11 cases may also require the Company to seek additional financing. If the Company requires additional financing during the Chapter 11 cases and it is unable to obtain the financing on favorable terms or at all, the Company's chances of successfully reorganizing its businesses may be seriously jeopardized.

Our DIP Credit Agreement will impose significant operating and financial restrictions on us, compliance or non-compliance with which could have a material adverse effect on our liquidity and operations.

Restrictions imposed by the terms of the Company's DIP Credit Agreement could adversely affect the Company by limiting its ability to plan for or react to market conditions or to meet its capital needs and could result in an event of default under the DIP Credit Agreement. These restrictions might limit our ability, subject to certain exceptions, to, among other things:

incur additional indebtedness and issue stock;

make prepayments on or purchase indebtedness in whole or in part;

pay dividends and other distributions with respect to our capital stock or repurchase our capital stock or make other restricted payments;

make investments;

enter into transactions with affiliates on other than arm's-length terms;

create or incur liens to secure debt;

consolidate or merge with another entity, or allow one of our subsidiaries to do so;

lease, transfer or sell assets and use proceeds of permitted asset leases, transfers or sales;

incur dividend or other payment restrictions affecting subsidiaries;

make capital expenditures beyond specified limits;

engage in specified business activities; and

acquire facilities or other businesses.

These limitations could have a material adverse effect on our liquidity and operations. If we fail to comply with the restrictions under the DIP Credit Agreement and are unable to obtain a waiver or amendment or a default exists and is continuing under the DIP Credit Agreement, the lenders could declare outstanding borrowings and other obligations under the DIP Credit Agreement immediately due and payable. The Company's ability to comply with these restrictions may be affected by events beyond the Company's control, and any material deviations from

Edgar Filing: Cooper-Standard Automotive Inc. - Form 424B3

the Company's forecasts could require us to seek waivers or amendments of covenants or alternative sources of financing or to reduce expenditures. There can be no assurances that such waivers, amendments or alternative financing could be obtained, or if obtained, would be on acceptable terms to the Company. If the Company is unable to comply with the terms of the DIP Credit Agreement, or if the Company fails to generate sufficient cash flow from operations, or, if it became necessary, to obtain such waivers, amendments or alternative financing, it could adversely impact the timing of, and the Company's ultimate ability to successfully implement, a chapter 11 plan of reorganization.

Once repaid, Incremental Term Loans may not be reborrowed.

(e) Escrow Arrangement. If on or prior to the Final Borrowing Date, (x) an Additional Foreign Borrower Designation Agreement is not executed and delivered by the U.S. Borrower, the Additional Foreign Borrower and the Administrative Agent as directed by the Required Lenders or (y) all conditions set forth therein shall not have been satisfied as determined by the Required Lenders in their sole discretion, an amount equal to U.S.\$50,000,000 (the Escrowed Amount) shall be funded on the Final Borrowing Date into an interest-bearing escrow account pursuant to an escrow agreement executed by the U.S. Borrower, the Administrative Agent and an escrow agent (which escrow agreement and escrow agent shall be satisfactory to the Required Lenders; such approval not to be unreasonably withheld or delayed) (the Escrow Agreement) and (i) until the release of the Escrowed Amount from escrow, the U.S. Borrower or, if specified by the U.S. Borrower and the Canadian Borrower on or prior to the Final Borrowing Date and approved by the Canadian Court pursuant to an amendment, restatement, supplement or modification to the Initial Order (or, if applicable, an Other CCAA Order), the Canadian Borrower, shall pay an amount equal to the interest that would be payable on the Escrowed Amount if it were a Eurodollar Loan hereunder (which amount may be reimbursed by the Additional Foreign Borrower to the U.S. Borrower or Canadian Borrower, as applicable, upon their request) and (ii) the Escrowed Amount shall be released from escrow in accordance with the terms and conditions of the Escrow Agreement (A) to the Additional Foreign Borrower as a Tranche C Term Loan, upon satisfaction of the conditions therefor specified in the Additional Foreign Borrower Designation Agreement, (B) if agreed to by the Required Lenders, to the U.S. Borrower as a Tranche A Term Loan or, if specified by the U.S. Borrower and the Canadian Borrower on or prior to the date of such release and approved by the Canadian Court pursuant to an amendment, restatement, supplement or modification to the Initial Order (or, if applicable, an Other CCAA Order), to the Canadian Borrower as a Tranche B Term Loan or (C) to the Administrative Agent for repayment to the Lenders at any time if so requested by the U.S. Borrower, or automatically on the 120th day following the Final Borrowing Date if either of the foregoing releases specified in clauses (A) and (B) have not occurred by such date, it being understood for the avoidance of doubt that the U.S. Borrower shall pay to the Administrative Agent for the account of each Lender a fee on such repaid amounts equal to 1.00% multiplied by such repaid amounts, which fee shall constitute an Exit Fee for purposes of Section 4.01(c) and for all other purposes of the Credit Documents.

2.02 Minimum Borrowing Amounts, etc. The aggregate principal amount of each Borrowing of Loans shall not be less than the Minimum Borrowing Amount applicable to Borrowings of the respective Type and Tranche of Loans to be made or maintained pursuant to the respective Borrowing. More than one Borrowing may be incurred on any day, but at no time shall there be outstanding more than ten (10) Borrowings of Eurodollar Loans.

2.03 Notice of Borrowing. (a) Whenever a Borrower desires to make a Borrowing of Loans hereunder, an Authorized Officer of such Borrower shall give the Administrative Agent at its Notice Office at least one Business Day's prior written notice (or telephonic notice promptly confirmed in writing) of each Base Rate Loan and at least three Business Days' prior written notice (or telephonic notice promptly confirmed in writing) of each Eurodollar Loan, provided that any such notice shall be deemed to have been given on a certain day only if given before 12:00 Noon (New York time) on such day. Each such written notice or written confirmation of telephonic notice (each, a Notice of Borrowing), except as otherwise expressly provided in Section 2.10, shall be irrevocable and shall be given by or on behalf of the respective Borrower in the form of Exhibit A-1, appropriately completed to specify: (i) the aggregate principal amount of the Loans to be made pursuant to such Borrowing, (ii) the date of such Borrowing (which shall be a Business Day), (iii) whether the respective Borrowing shall consist of Tranche A Term Loans, Tranche B Term Loans, Tranche C Term Loans or Incremental Term Loans, (iv) in the case of Incremental Term Loans, the Borrower thereof, and (v) whether the Loans being made pursuant to such Borrowing are to be initially maintained as Base Rate Loans or Eurodollar Loans and, if Eurodollar Loans, the Interest Period to be initially applicable thereto, which shall be three months. The Administrative Agent shall promptly give each Lender which is required to make Loans of the Tranche specified in the respective Notice of Borrowing notice of such proposed Borrowing, of such Lender's proportionate share thereof (determined in accordance with Section 2.07) and of the other matters required by the immediately preceding sentence to be specified in the Notice of Borrowing.

(b) Without in any way limiting the obligation of each Borrower to confirm in writing any telephonic notice permitted to be given hereunder, the Administrative Agent may, prior to receipt of written confirmation, act without liability upon the basis of any such telephonic notice reasonably believed by the Administrative Agent in good faith to be from an Authorized Officer of such Borrower. In each such case, the Administrative Agent's record of the terms of such telephonic notice shall be conclusive evidence of the contents of such notice, absent manifest error.

2.04 Disbursement of Funds. Not later than 12:00 Noon (New York time) on the date specified in each Notice of Borrowing, each Lender with a Commitment under the respective Tranche will make available its pro rata portion (determined in accordance with Section 2.07) of each such Borrowing requested to be made on such date. All such amounts shall be made available in U.S. Dollars and in immediately available funds at the Payment Office of the Administrative Agent, and the Administrative Agent will make available to the respective Borrower at the Payment Office or such other location as may be reasonably satisfactory to the Administrative Agent and specified in the relevant Notice of Borrowing the aggregate of the amounts so made available by the Lenders prior to 1:00 P.M. (New York time) on such day to the extent of funds actually received by the Administrative Agent prior to such time on such day. Unless the Administrative Agent shall have been notified by any Lender prior to the date of Borrowing that such Lender does not intend to make available to the Administrative Agent such Lender's portion of any Borrowing to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing and the Administrative Agent may, in reliance upon such assumption, make available to the relevant Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the relevant Borrower to pay immediately such corresponding amount to the Administrative Agent and such Borrower shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent shall also be entitled to recover on demand from such Lender or the relevant Borrower, as the case may be, interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the

respective Borrower until the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if recovered from such Lender, the overnight Federal Funds Rate and (ii) if recovered from the respective Borrower, the rate of interest applicable to the respective Borrowing, as determined pursuant to Section 2.08. Nothing in this Section 2.04 shall be deemed to relieve any Lender from its obligation to make Loans hereunder or to prejudice any rights which the relevant Borrower may have against any Lender as a result of any failure by such Lender to make Loans hereunder.

2.05 Notes. (a) Subject to the provisions of Section 2.05(g), the Borrowers' obligation to pay the principal of, and interest on, the Loans made by each Lender shall be evidenced (i) if Tranche A Term Loans, by a promissory note duly executed and delivered by the U.S. Borrower substantially in the form of Exhibit B-1 with blanks appropriately completed in conformity herewith (each, a Tranche A Term Note and, collectively, the Tranche A Term Notes), (ii) if Tranche B Term Loans, by a promissory note duly executed and delivered by the Canadian Borrower substantially in the form of Exhibit B-2 with blanks appropriately completed in conformity herewith (each, a Tranche B Term Note and, collectively, the Tranche B Term Notes), (iii) if Tranche C Term Loans, by a promissory note duly executed and delivered by the Additional Foreign Borrower substantially in the form of Exhibit B-3 with blanks appropriately completed in conformity herewith (each, a Tranche C Term Note and, collectively, the Tranche C Term Notes) and (iv) if Incremental Term Loans, by a promissory note duly executed and delivered by the Incremental Term Loan Borrower for such Tranche substantially in the form of Exhibit B-4, with blanks appropriately completed in conformity herewith (each, an Incremental Term Note and, collectively, the Incremental Term Notes).

(f) Each Lender will note on its internal records the amount of each Loan made by it and each payment in respect thereof and will prior to any transfer of any of its Notes endorse on the reverse side thereof the outstanding principal amount of Loans evidenced thereby. Failure to make any such notation or any error in any such notation or endorsement shall not affect each Borrower's obligations in respect of any Loans.

(g) Notwithstanding anything to the contrary contained above or elsewhere in this Agreement, Notes shall only be delivered to Lenders that at any time specifically request the delivery of such Notes. No failure of any Lender to request or obtain a Note evidencing its Loans to each Borrower shall affect or in any manner impair the obligations of the respective Borrower to pay the

Loans (and all related Obligations) which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guaranties therefor provided pursuant to the various Credit Documents. Any Lender that does not have a Note evidencing its outstanding Loans shall in no event be required to make the notations otherwise described in preceding clause (f). At any time when any Lender requests the delivery of a Note to evidence any of its Loans, the relevant Borrower shall promptly execute and deliver to the respective Lender the requested Note or Notes in the appropriate amount or amounts to evidence such Loans.

2.06 Conversions and Continuations. Each Borrower shall have the option to convert, on any Business Day occurring after the Initial Borrowing Date, all or a portion equal to at least the applicable Minimum Borrowing Amount (and, if greater, in an integral multiple of U.S.\$500,000) of the outstanding principal amount of Loans made pursuant to one or more Borrowings of one or more Types under a single Tranche into a Borrowing or Borrowings of another Type under such Tranche, provided that (i) except as otherwise provided in Section 2.10(b) or unless the respective Borrower pays all amounts owing pursuant to Section 2.11 concurrently with any such conversion, Eurodollar Loans may be converted into Base Rate Loans only on the last day of an Interest Period applicable to the Eurodollar Loans being converted, (ii) no such partial conversion of Eurodollar Loans shall reduce the outstanding principal amount of such Eurodollar Loans made pursuant to a single Borrowing to less than the applicable Minimum Borrowing Amount applicable thereto, and (iii) Base Rate Loans may not be converted into Eurodollar Loans if an Event of Default is in existence on the date of conversion and the Administrative Agent (on behalf of the Required Lenders) has given notice to the U.S. Borrower that no such conversion shall be permitted while such Event of Default is continuing. Each such conversion shall be effected by a Borrower by giving the Administrative Agent at its Notice Office prior to 12:00 Noon (New York time) at least three Business Days prior notice (each, a Notice of Conversion/Continuation) in the form of Exhibit A-2, appropriately completed to specify the Loans to be so converted, the Borrowing or Borrowings pursuant to which such Loans were made and, if to be converted into Eurodollar Loans, the Interest Period to be initially applicable thereto, which shall be three months. The Administrative Agent shall give each Lender prompt notice of any such proposed conversion affecting any of its Loans.

2.07 Pro Rata Borrowings. All Borrowings of Tranche A Term Loans, Tranche B Term Loans, Tranche C Term Loans and Incremental Term Loans under this Agreement shall be incurred from the Lenders pro rata on the basis of such Lenders Tranche A Term Loan Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments and Incremental Term Loan Commitments, as the case may be. The funding of the Escrowed Amount pursuant to Section 2.01(e) shall be funded by the Lenders pro rata on the basis of such Lenders aggregate Tranche A Term Loan Commitments and Tranche B Term Loan Commitments. It is understood that no Lender shall be responsible for any default by any other Lender of its obligation to make Loans hereunder and that each Lender shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Loans hereunder.

2.08 Interest. (a) The U.S. Borrower hereby agrees to pay (in the case of Tranche A Term Loans and U.S. Borrower Incremental Term Loans, in each case maintained as Base Rate Loans), the Canadian Borrower hereby agrees to pay (in the case of Tranche B Term Loans and Canadian Borrower Incremental Term Loans, in each case maintained as Base Rate Loans) and the Additional Foreign Borrower hereby agrees to pay (in the case of Tranche C Term Loans and Additional Foreign Borrower Incremental Term Loans, in each case maintained as Base Rate Loans), interest in respect of the unpaid principal amount of each Base Rate Loan made to it from the date the proceeds thereof are made available to it until the earlier of (i) the maturity (whether by acceleration or otherwise) of such Base Rate Loan and (ii) the conversion of such Base Rate Loan to a Eurodollar Loan pursuant to Section 2.06, at a rate per annum which shall be equal to the sum of the Base Rate in effect from time to time during the period such Base Rate Loan is outstanding plus the relevant Applicable Margin as in effect from time to time.

(b) The U.S. Borrower hereby agrees to pay (in the case of Tranche A Term Loans and U.S. Borrower Incremental Term Loans maintained as Eurodollar Loans), the Canadian Borrower hereby agrees to pay (in the case of Tranche B Term Loans and Canadian Borrower Incremental Term Loans, in each case maintained as Eurodollar Loans) and the Additional Foreign Borrower hereby agrees to pay (in the case of Tranche C Term Loans and Additional Foreign Borrower Incremental Term Loans, in each case maintained as Eurodollar Loans), interest in respect of the unpaid principal amount of each Eurodollar Loan made to it from the date the proceeds thereof are made available to it until the earlier of (i) the maturity (whether by acceleration or otherwise) of such Eurodollar Loan and (ii) the conversion of such Eurodollar Loan to a Base Rate Loan pursuant to Section 2.06, 2.09 or 2.10, as applicable, at a rate per annum which shall, during each Interest Period applicable thereto, be equal to the sum of the Eurodollar Rate for such Interest Period plus the relevant Applicable Margin as in effect from time to time.

(c) [Intentionally Omitted].

(d) To the fullest extent permitted by applicable law, overdue principal and, to the extent permitted by law, overdue interest in respect of each Loan and any other overdue amount payable hereunder shall, in each case, bear interest at a rate per annum (1) in the case of overdue principal of, and interest or other overdue amounts owing with respect to, Eurodollar Loans, equal to 2.00% per annum in excess of the Applicable Margin for Eurodollar Loans as in effect from time to time plus the Eurodollar Rate for such successive periods not exceeding one month as the Administrative Agent may determine from time to time in respect of amounts comparable to the amount not paid, and (2) in all other cases, equal to the greater of (x) 2.00% per annum in excess of the rate otherwise applicable to Base Rate Loans from time to time and (y) the rate which is 2.00% in excess of the rate then borne by such Loans, in each case with such interest to be payable on demand.

(e) Accrued (and theretofore unpaid) interest shall be calculated daily and payable (i) in respect of each Base Rate Loan, quarterly in arrears on each Quarterly Payment Date, (ii) in respect of each Eurodollar Loan, on (x) the date of any conversion into a Base Rate Loan pursuant to Section 2.06, 2.09 or 2.10(b), as applicable (on the amount converted) ,and (y) the last day of each Interest Period applicable thereto and (iii) in respect of each Loan, on (x) the date of any prepayment or repayment thereof (on the amount prepaid or repaid), (y) at maturity (whether by acceleration or otherwise) and (z) after such maturity, on demand.

(f) All computations of interest hereunder shall be made in accordance with Section 13.07(b) and (c).

(g) Upon each Interest Determination Date, the Administrative Agent shall determine the relevant Eurodollar Rate for the respective Interest Period or Interest Periods and shall promptly notify the respective Borrower and the respective Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

2.09 Interest Periods. At the time a Borrower gives any Notice of Borrowing or Notice of Conversion/Continuation in respect of the making of, or the continuation as or conversion into, any Eurodollar Loans (in the case of the initial Interest Period applicable thereto) or on the third Business Day prior to the expiration of an Interest Period applicable to such Eurodollar Loans (in the case of any subsequent Interest Period), the interest period (each, an Interest Period) shall be a three-month period; provided that:

(i) all Eurodollar Loans comprising the same Borrowing shall at all times have the same Interest Period;

(ii) the initial Interest Period for any Eurodollar Loan shall commence on the date of Borrowing of such Eurodollar Loan (or the date of any conversion thereto from a Borrowing of Base Rate Loans) and each Interest Period occurring thereafter in respect of such Eurodollar Loan shall commence on the day on which the next preceding Interest Period applicable thereto expires;

(iii) if any Interest Period relating to a Eurodollar Loan begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of such calendar month;

(iv) if any Interest Period for a Eurodollar Loan would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; provided, however, that if any Interest Period for a Eurodollar Loan would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(v) no Interest Period in respect of any Borrowing under a given Tranche of Loans shall be selected which extends beyond the respective Maturity Date for such Tranche of Loans;

(vi) no Interest Period may be elected at any time an Event of Default is then in existence if the Administrative Agent (on the behalf of the Required Lenders) has given notice to the U.S. Borrower that no Interest Period may be elected while such Event of Default is continuing; and

(vii) no Interest Period in respect of any Borrowing of any Tranche of Term Loans shall be elected which extends beyond any date upon which a Scheduled Repayment for the respective Tranche of Term Loans will be required to be made under Section 5.02(b), if, after giving effect to the election of such Interest Period, the aggregate principal amount under such Tranche of Term Loans which have Interest Periods which will expire after such date will be in excess of the aggregate principal amount under such Tranche of Term Loans then outstanding less the aggregate amount of such required Scheduled Repayment.

2.10 Increased Costs; Illegality; etc. (a) In the event that any Lender shall have determined in good faith (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto but, with respect to clauses (i) and (iv) below, may be made only by the Administrative Agent):

(i) on any Interest Determination Date that, by reason of any changes arising after the Effective Date affecting the applicable interbank market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of the Eurodollar Rate; or

(ii) at any time, that such Lender shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any Eurodollar Loans because of (x) any change since the Effective Date in any applicable law or governmental rule, regulation, order, guideline or request (whether or not having the force of law) or in the interpretation or administration thereof and including the introduction of any new law or governmental rule, regulation, order, guideline or request, such as, for example, but not limited to (A) a change in the basis of taxation of payments to a Lender of the principal of or interest on the Loans or any other amounts payable hereunder (except for changes in the rate of tax on, or determined by reference to, the net income or net profits of such Lender imposed by the jurisdiction in which its principal office or applicable lending office is located), or (B) a change in official reserve requirements, but, in all events, excluding reserves required under Regulation D to the extent included in the computation of the Eurodollar Rate and/or (y) other circumstances affecting such Lender, the applicable interbank market or the position of such Lender in such market (whether or not such Lender was a Lender at the time of such occurrence); or

(iii) at any time after the Effective Date, that the making or continuance of any Eurodollar Loan has been made unlawful by any law or governmental rule, regulation or order (or would conflict with any governmental rule, regulation, guideline, request or order not having the force of law but with which such Lender customarily complies even though the failure to comply therewith would not be unlawful), or impracticable as a result of a contingency occurring after the Effective Date which materially and adversely affects the applicable interbank market;

then, and in any such event, such Lender (or the Administrative Agent, in the case of clause (i) above) shall promptly give notice (by telephone confirmed in writing) to the affected Borrower, and, except in the case of clause (i) above, to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (w) in the case of clause (i) above, in the event Eurodollar Loans are so affected, Eurodollar Loans shall no longer be available until such time as the Administrative Agent notifies Holdings, any affected Borrower and the Lenders that the circumstances giving rise to such notice by the Administrative Agent no longer exist, and any Notice of Borrowing or Notice of Conversion/Continuation given by each Borrower with respect to Eurodollar Loans which have not yet been incurred (including by way of conversion) shall be deemed rescinded by such Borrower, (x) in the case of clause (ii) above, the respective Borrower or Borrowers agrees, subject to the provisions of Section 13.24 (to the extent applicable), to pay to such Lender, upon written demand therefor, such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts received or receivable hereunder (with the written notice as to the additional amounts owed to such Lender, submitted to the respective Borrower or Borrowers by such Lender in accordance with the foregoing to be, absent manifest error, final and conclusive and binding on all the parties hereto, although the failure to give any such notice shall not release or diminish any of the respective Borrower's or Borrowers' obligations to pay additional amounts pursuant to this Section 2.10(a) upon the subsequent receipt of such notice), and (y) in the case of clause (iii) above, the respective Borrower or Borrowers shall take one of the actions specified in Section 2.10(b) as promptly as possible and, in any event, within the time period required by law.

(b) At any time that any Eurodollar Loan is affected by the circumstances described in Section 2.10(a)(ii) or (iii), the affected Borrower may (and in the case of a Eurodollar Loan affected by the circumstances described in Section 2.10(a)(iii) shall) either (x) if the affected Eurodollar Loan is then being made initially (or pursuant to a conversion), cancel the respective Borrowing by giving the Administrative Agent telephonic notice (confirmed in writing) on the same date that such Borrower was notified by the affected Lender or the Administrative Agent pursuant to Section 2.10(a)(ii) or (iii) or (y) if the affected Eurodollar Loan is then outstanding, upon at least three Business Days' written notice to the Administrative Agent, in the case of a Eurodollar Loan, require the affected Lender to convert such Eurodollar Loan into a Base Rate Loan (which conversion, in the case of the circumstance described in Section 2.10(a)(iii), shall occur no later than the last day of the Interest Period then applicable to such Eurodollar Loan or such earlier day as shall be required by applicable law); provided that, if more than one Lender is affected at any time, then all affected Lenders must be treated the same pursuant to this Section 2.10(b).

(c) If any Lender shall have determined after the Effective Date that the adoption or effectiveness after the Effective Date of any applicable law, rule or regulation regarding capital adequacy, or any change therein, or any change after the Effective Date in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on such Lender's or such other corporation's capital or assets as a consequence of such Lender's Commitment or Commitments hereunder or its obligations hereunder to each Borrower to a level below that which such Lender or such other corporation could have achieved but for such adoption, effectiveness, change or compliance (taking into consideration such Lender's or such other corporation's policies with respect to capital adequacy), then from time to time, upon written demand by such Lender (with a copy to the Administrative Agent), accompanied by the notice referred to in the next succeeding sentence of this clause (c), such Borrower agrees, subject to the provisions of Section 13.24 (to the extent applicable), to pay to such Lender such additional amount or amounts as will compensate such Lender or such other corporation for such reduction in the rate of return to such Lender or such other corporation. Each Lender, upon determining in good faith that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the relevant Borrower (a copy of which shall be sent by such Lender to the Administrative Agent), which notice shall set forth such Lender's basis for asserting its rights under this Section 2.10(c) and the calculation, in reasonable detail, of such additional amounts claimed hereunder, although (subject to the provisions of Section 13.24 (to the extent applicable)) the failure to give any such notice shall not release or diminish such Borrower's obligations to pay additional amounts pursuant to this Section 2.10(c) upon the subsequent receipt of such notice. A Lender's good faith determination of compensation owing under this Section 2.10(c) shall, absent manifest error, be final and conclusive and binding on all the parties hereto.

2.11 Compensation. Each Borrower severally agrees, subject to the provisions of Section 13.24 (to the extent applicable), to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for requesting such compensation), for all losses, expenses and liabilities (including, without limitation, any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its Eurodollar Loans but excluding

any loss of anticipated profit) which such Lender may sustain: (i) if for any reason (other than a default by such Lender or any Agent) a Borrowing of, or a conversion from or into, Eurodollar Loans does not occur on a date specified therefor in a Notice of Borrowing or Notice of Conversion/Continuation (whether or not withdrawn by such Borrower or deemed withdrawn pursuant to Section 2.10(a)); (ii) if any repayment (including any repayment made pursuant to Sections 5.01 or 5.02 or as a result of an acceleration of the Loans pursuant to Section 11 or as a result of the replacement of a Lender pursuant to Sections 2.13 or 5.01) or conversion or realignment of any of its Eurodollar Loans occurs on a date which is not the last day of an Interest Period applicable thereto; (iii) if any prepayment of any Eurodollar Loans is not made on any date specified in a notice of prepayment given by the respective Borrower or Borrowers; or (iv) as a consequence of (x) any other default by such Borrower to repay its Loans when required by the terms of this Agreement or any Note held by such Lender or (y) any election made pursuant to Section 2.10(b). Each Lender's calculation of the amount of compensation owing pursuant to this Section 2.11 shall be made in good faith. A Lender's basis for requesting compensation pursuant to this Section 2.11 and a Lender's calculation of the amount thereof, shall, absent manifest error, be final and conclusive and binding on all parties hereto.

2.12 Change of Lending Office. (a) Each Lender may at any time or from time to time designate, by written notice to the Administrative Agent to the extent not already reflected on Schedule 2.12(a), one or more lending offices (which, for this purpose, may include Affiliates of the respective Lender) for the various Loans made by such Lender; provided that, for designations made after the Effective Date, to the extent such designation shall result in increased costs under Sections 2.10 or 5.04 in excess of those which would be charged in the absence of the designation of a different lending office (including a different Affiliate of the respective Lender), then the Borrowers shall not be obligated to pay such excess increased costs (although if such designation results in increased costs, the Borrowers shall be obligated to pay the costs which would have applied in the absence of such designation and any subsequent increased costs of the type described above resulting from changes after the date of the respective designation). Except as provided in the immediately preceding sentence, each lending office and Affiliate of any Lender designated as provided above shall, for all purposes of this Agreement, be treated in the same manner as the respective Lender (and shall be entitled to all indemnities and similar provisions in respect of its acting as such hereunder).

(b) Each Lender agrees that upon the occurrence of any event giving rise to the operation of Sections 2.10(a)(ii) or (iii), Section 2.10(c) or Section 5.04 with respect to such Lender, it will, if requested by the applicable Borrower by notice to such Lender, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event, provided that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of each Borrower or the rights of any Lender provided in Sections 2.10 and 5.04.

2.13 Replacement of Lenders. (x) If any Lender becomes a Defaulting Lender or (y) upon the occurrence of any event giving rise to the operation of Sections 2.10(a)(ii) or (iii), Section 2.10(c) or Section 5.04 with respect to any Lender which results in such Lender charging to each Borrower increased costs materially in excess of the average costs being charged by the other Lenders in respect of such contingency, the U.S. Borrower shall have the right, in accordance with the requirements of Section 13.04(b), to replace such Lender (the Replaced Lender) with one or more Eligible Transferees (collectively, the Replacement Lender), none of whom shall constitute a Defaulting Lender at the time of such replacement and each of whom shall be reasonably acceptable to the Administrative Agent; provided that:

(i) at the time of any replacement pursuant to this Section 2.13, the Replacement Lender shall enter into one or more Assignment and Assumption Agreements pursuant to Section 13.04(b) (and with all fees payable pursuant to said Section 13.04(b) to be paid by the Replacement Lender) pursuant to which the Replacement Lender shall acquire all of the Commitments and all then outstanding Loans of the Replaced Lender and, in connection therewith, shall pay to the Replaced Lender in respect thereof an amount equal to the sum (in the relevant currency or currencies) of (A) an amount equal to the principal of, and all accrued interest on, all then outstanding Loans of the respective Replaced Lender and (B) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender pursuant to Section 4.01; and

(ii) all obligations of the Borrowers owing to the Replaced Lender (other than those specifically described in clause (i) above in respect of which the assignment purchase price has been, or is concurrently being, paid but including all amounts, if any, owing under Section 2.11 shall be paid in full to such Replaced Lender concurrently with such replacement.

Upon the execution of the respective Assignment and Assumption Agreement, the payment of amounts referred to in clauses (i) and (ii) above, the recordation of the assignment on the Register by the Administrative Agent pursuant to Section 13.17 and, if so requested by the Replacement Lender (when applicable), delivery to the Replacement Lender of the appropriate Note or Notes executed by the respective Borrower, the Replacement Lender shall become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 2.10, 2.11, 5.04, 13.01 and 13.06), which shall survive as to such Replaced Lender. In connection with any replacement of Lenders pursuant to, and as contemplated by, this Section 2.13, each Borrower hereby irrevocably authorizes Holdings to take all necessary action, in the name of such Borrower as described above in this Section 2.13 in order to effect the replacement of the respective Lender or Lenders in accordance with the preceding provisions of this Section 2.13.

2.14 [Intentionally Omitted].

2.15 Incremental Term Loan Commitments. (a) So long as no Default or Event of Default is then in existence, each Borrower shall have the right, in consultation and coordination with the Administrative Agent as to all of the matters set forth below in this Section 2.15, and with the consent of the Required Lenders, to request at one time after the Initial Borrowing Date, that one or more Lenders (and/or one or more other Persons which are Eligible Transferees and which will become Lenders) provide Incremental Term Loan Commitments to such Borrower and, subject to the terms and conditions contained in this Agreement and in the Incremental Term Loan Commitment Agreement, make Incremental Term Loans pursuant thereto; it being understood and agreed, however, that (i) no Lender shall be obligated to provide an Incremental Term Loan Commitment as a result of any such request by such Borrower, and until such time, if any, as such Lender has agreed in its sole discretion to provide an Incremental Term Loan Commitment and executed and delivered to the Administrative Agent an Incremental Term Loan Commitment Agreement as provided in clause (b) of this Section 2.15, such Lender shall not be obligated to fund any Incremental Term Loans, (ii) each Tranche of Incremental Term Loan Commitments shall be made available to a single Borrower and shall be denominated in U.S. Dollars,

(iii) the amount of Incremental Term Loan Commitments made available pursuant to a given Incremental Term Loan Commitment Agreement shall be in a minimum aggregate amount for all Lenders which provide an Incremental Term Loan Commitment thereunder (including Eligible Transferees who will become Lenders) of U.S.\$10,000,000, (iv) the aggregate amount of all Incremental Term Loan Commitments provided pursuant to this Section 2.15 on and after the Effective Date shall not exceed U.S.\$25,000,000, (v) each Incremental Term Loan Commitment Agreement shall specifically designate, with the approval of the Administrative Agent, the Tranche of the Incremental Term Loan Commitments being provided thereunder (which Tranche shall be a new Tranche (i.e., not the same as any existing Tranche of Incremental Term Loans, Incremental Term Loan Commitments or other Term Loans), unless the requirements of Section 2.15(c) are satisfied), (vi) if to be incurred as a new Tranche of Incremental Term Loans, such Incremental Term Loans shall have the same terms as each other Tranche of Term Loans as in effect immediately prior to the effectiveness of the applicable Incremental Term Loan Agreement, except as to purpose and mandatory repayment application provisions (which are governed by Section 5.02); provided, however, that (I) the maturity and amortization of such Tranche of Incremental Term Loans may differ, so long as such Tranche of Incremental Term Loans shall have (a) an Incremental Term Loan Maturity Date of no earlier than the Maturity Date and (b) a Weighted Average Life to Maturity of no less than the Weighted Average Life to Maturity as then in effect for the Tranche A Term Loans and (II) the interest rate for such Tranche of Incremental Term Loans as of the Incremental Term Loan Borrowing Date therefor (which, for such purposes only, shall be determined by the Administrative Agent and deemed to include all upfront or similar fees or original issue discount (amortized over the life of such Incremental Term Loans) payable to all Lenders providing such Incremental Term Loans, but exclusive of any arrangement, structuring or other fees payable in connection therewith that are not shared with all Lenders providing such Tranche of Incremental Term Loans) may exceed the interest rate then applicable to the Tranche A Term Loans, Tranche B Term Loans and the Tranche C Term Loans, in the case of a new Tranche of Incremental Term Loans (as such interest rate shall have been determined by the Administrative Agent on the same basis provided in the immediately preceding parenthetical) if the Applicable Margin for the Tranche A Term Loans, Tranche B Term Loans and the Tranche C Term Loans is increased to the Applicable Increased Term Loan Rate for such Tranche of Incremental Term Loans, (vii) all Incremental Term Loans (and all interest, fees and other amounts payable thereon) incurred by a given Incremental Term Loan Borrower shall be Obligations of such Incremental Term Loan Borrower under this Agreement and the other applicable Credit Documents and shall be secured by the relevant Security Agreements, and guaranteed under each relevant Guaranty, on a pari passu basis with all other Loans secured by each such Security Agreement and guaranteed under each such Guaranty and (viii) each Lender (including any Eligible Transferee who will become a Lender) agreeing to provide an Incremental Term Loan Commitment pursuant to an Incremental Term Loan Commitment Agreement shall, subject to the satisfaction of the relevant conditions set forth in this Agreement, make Incremental Term Loans under the Tranche specified in such Incremental Term Loan Commitment Agreement as provided in Section 2.01(d) and such Loans shall thereafter be deemed to be Incremental Term Loans under such Tranche for all purposes of this Agreement and the other applicable Credit Documents.

(b) At the time of the provision of Incremental Term Loan Commitments pursuant to this Section 2.15, the respective Incremental Term Loan Borrower, the Administrative Agent and each such Lender or other Eligible Transferee which agrees to provide an Incremental Term Loan Commitment (each, an Incremental Term Loan Lender) shall execute and deliver to the Administrative Agent an Incremental Term Loan Commitment Agreement substantially in the form of Exhibit O (appropriately completed), with the effectiveness of the Incremental Term Loan Commitment provided therein to occur on the date on which (w) a

fully executed copy of the respective Incremental Term Loan Commitment Agreement shall have been delivered to the Administrative Agent, (x) all fees required to be paid in connection therewith at the time of such effectiveness shall have been paid (including, without limitation, any agreed upon up-front or arrangement fees owing to the Administrative Agent), (y) all Incremental Term Loan Commitment Requirements are satisfied, and (z) all other conditions set forth in this Section 2.15 shall have been satisfied. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Term Loan Commitment Agreement, and at such time, (i) Schedule 1 shall be deemed modified to reflect the revised Incremental Term Loan Commitments of the affected Lenders and (ii) to the extent requested by any Incremental Term Loan Lender, Incremental Term Notes will be issued at the respective Incremental Term Loan Borrower's expense, to such Incremental Term Loan Lender, to be in conformity with the requirements of Section 2.05 (with appropriate modification) to the extent needed to reflect the new Incremental Term Loans made by such Incremental Term Loan Lender.

(c) Notwithstanding anything to the contrary contained above in this Section 2.15, the Incremental Term Loan Commitments provided by an Incremental Term Loan Lender or Incremental Term Loan Lenders, as the case may be, pursuant to each Incremental Term Loan Commitment Agreement shall constitute a new Tranche, which shall be separate and distinct from the existing Tranches pursuant to this Agreement (with a designation which may be made in letters (i.e., A, B, C, etc.), numbers (1, 2, 3, etc.) or a combination thereof (i.e., A-1, A-2, B-1, B-2, C-1, C-2, etc.), provided that, with the consent of the Administrative Agent, the parties to a given Incremental Term Loan Commitment Agreement may specify therein that the respective Incremental Term Loans made pursuant thereto shall constitute part of, and be added to, an existing Tranche of Term Loans, in any case so long as the following requirements are satisfied:

(i) the Incremental Term Loans to be made pursuant to such Incremental Term Loan Commitment Agreement shall have the same Borrower, the same Maturity Date, the same Applicable Margins and the same currency denomination as the Tranche of Term Loans to which the new Incremental Term Loans are being added;

(ii) the new Incremental Term Loans shall have the same Scheduled Repayment dates as then remain with respect to the Tranche to which such new Incremental Term Loans are being added with the amount of each Scheduled Repayment applicable to such new Incremental Term Loans to be the same on a proportionate basis as is theretofore applicable to the Tranche to which such new Incremental Term Loans are being added, thereby increasing the amount of each then remaining Scheduled Repayment of the respective Tranche proportionately; and

(iii) on the date of the making of such new Incremental Term Loans, and notwithstanding anything to the contrary set forth in Section 2.09, such new Incremental Term Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans of the respective Tranche on a pro rata basis (based on the relative sizes of the various outstanding Borrowings), so that each Lender under the respective holding Tranche of Term Loans participates in each outstanding Borrowing of Term Loans of the respective Tranche (after giving effect to the incurrence of such new Incremental Term Loans pursuant to Section 2.01(d)) on a pro rata basis.

To the extent the provisions of preceding clause (iii) require that Lenders making new Incremental Term Loans add such Incremental Term Loans to the then outstanding Borrowings of Eurodollar Loans of such Tranche, it is acknowledged that the effect thereof may result in such new Incremental Term Loans having short Interest Periods (i.e., an Interest Period that began during an Interest Period, then applicable to outstanding Eurodollar Loans of such Tranche and which will end on the last day of such Interest Period). In connection therewith, it is hereby agreed that, to the extent the Incremental Term Loans are to be so added to the then outstanding Borrowings of Term Loans of such Tranche which are maintained as Eurodollar Loans, the Lenders that have made such Incremental Term Loans shall be entitled to receive from the U.S. Borrower such amounts, as reasonably determined by the respective Lenders, to compensate them for funding the new Incremental Term Loans of the respective Tranche during an existing Interest Period (rather than at the beginning of the respective Interest Period based upon rates then applicable thereto). All determinations by any Lender pursuant to the immediately preceding sentence shall, absent manifest error, be final and conclusive and binding on all parties hereto.

SECTION 3. [Intentionally Omitted].

SECTION 4. Fees; Commitments.

4.01 Fees. Each Borrower agrees to pay to the Administrative Agent and the Lenders, as applicable, the following fees:

- (a) an agency fee, payable to the Administrative Agent for its own account in such amounts and at such times as have been agreed to in writing by the Borrowers and the Administrative Agent;
- (b) an upfront fee, payable to the Administrative Agent for the account of each Lender on the Interim Order Entry Date in an amount equal to 3.00% multiplied by the aggregate amount of the Tranche A Term Loan Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments and, if applicable, Incremental Term Loan Commitments, in each case of such Lender as of the Interim Order Entry Date; and
- (c) an exit fee, payable to the Administrative Agent for the account of each Lender on the date of termination of the undrawn Tranche A Term Loan Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments and, if applicable, Incremental Term Loan Commitments, in each case of such Lender (other than pursuant to Section 4.03(b) by reason of a Borrowing) or upon each repayment or prepayment of the Loans, in an amount equal to 1.00% multiplied by (i) the amount of such Commitments so terminated and (ii) the amount of principal of such Loans repaid or prepaid (such fee, together with the fee payable pursuant to Section 2.01(e)(C), an Exit Fee);
- (d) an extension fee, payable by the Borrowers to the Administrative Agent for the account of each Lender on the date of the extension of the Maturity Date as described in the definition of Maturity Date , in an amount equal to 1.00% multiplied by the sum of the aggregate outstanding principal amount of the Loans of such Lender plus the aggregate amount of the Tranche A Term Loan Commitments, Tranche B Term Loan Commitments, Tranche C Term Loan Commitments and, if applicable, Incremental Term Loan Commitments, in each case of such Lender immediately after to giving effect to such extension; and
- (e) such other fees, to each Agent, for its own account, as have been agreed to in writing by the Borrowers and such Agent.

All computations of Fees shall be made in accordance with Section 13.07(b) and (c) and all fees shall be payable in U.S. Dollars and shall be non-refundable under all circumstances.

4.02 Voluntary Termination of Commitments. Upon at least three (3) Business Days prior written notice to the Administrative Agent at the Notice Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders), the Borrowers shall have the right, at any time or from time to time, without premium or penalty (other than Exit Fees on the amount of the Total Commitment), to terminate the Total Commitment in whole but not in part.

4.03 Mandatory Reduction of Commitments.

(a) The Total Commitment (other than the Total Incremental Term Loan Commitment under a given Tranche) and the Tranche A Term Loan Commitment and Tranche B Term Loan Commitments shall terminate at 5:00 P.M. (New York time) on (i) August 14, 2009 unless the Initial Borrowing Date has occurred on or before such time or (ii) the Final Borrowing Date.

(b) In addition, upon each Borrowing of Loans of any Tranche under Section 2.01 hereof, the aggregate Commitments of such Tranche shall be reduced by the principal amount of Loans of such Tranche included in such Borrowing.

(c) Upon the execution and delivery of the Additional Foreign Borrower Designation Agreement, (i) the Total Tranche A Term Loan Commitment shall be reduced on a dollar-for-dollar basis by the amount of the Total Tranche C Term Loan Commitment specified therein to reduce the Total Tranche A Term Loan Commitment and (ii) the Total Tranche B Term Loan Commitment shall be reduced on a dollar-for-dollar basis by the amount of the Total Tranche C Term Loan Commitment specified therein to reduce the Total Tranche B Term Loan Commitment.

(d) Each reduction to the Total Tranche A Term Loan Commitment, the Total Tranche B Term Loan Commitment, the Total Tranche C Term Loan Commitment and the Total Incremental Term Loan Commitment under a given Tranche pursuant to this Section 4.03 as provided above shall be applied proportionately to reduce the Tranche A Term Loan Commitment, the Tranche B Term Loan Commitment, the Tranche C Term Loan Commitment and the Incremental Term Loan Commitment under such Tranche, as the case may be, of each Lender with such a Commitment.

(e) Each termination or reduction of the Total Tranche A Term Loan Commitment, the Total Tranche B Term Loan Commitment, the Total Tranche C Term Loan Commitment and the Total Incremental Term Loan Commitment under a given Tranche and the Total Commitment shall be permanent.

SECTION 5. Prepayments; Repayments; Taxes.

5.01 Voluntary Prepayments. Each Borrower shall have the right to prepay the Loans made to such Borrower, with the payment of Exit Fees but without premium or penalty except as otherwise provided in this Agreement, in whole but not in part, at any time and from time to time on the following terms and conditions:

(i) an Authorized Officer of such Borrower shall give the Administrative Agent at its Notice Office written notice (or telephonic notice promptly confirmed in writing) of its intent to prepay the Loans, whether such Loans are Tranche A Term Loans, Tranche B Term Loans, Tranche C Term Loans, U.S. Borrower Incremental Term Loans, Canadian Borrower Incremental Term Loans or Additional Foreign Borrower Incremental Term Loans, the amount of the Loans to be prepaid and the Types of Loans to be repaid, which notice shall be given by an Authorized Officer of such Borrower (x) prior to 1:00 P.M. (b) (i) In addition to any other mandatory repayments pursuant to this Section 5.02, on each date set forth below, the U.S. Borrower shall be required to repay that principal amount of Tranche A Term Loans, to the extent then outstanding, (A) in an amount equal to 0.25% of the original principal amount of the Tranche A Term Loans on the last day of each Fiscal Quarter (each such repayment, as the same may be reduced as provided in Section 5.02(g) and as the same may be increased as provided in clause (ii) of Section 2.15(c), a Tranche A Term Loan Scheduled Repayment) and (B) in an amount equal to the balance of the outstanding Tranche A Term Loans payable on the Maturity Date.

(ii) In addition to any other mandatory repayments or commitment reductions pursuant to this Section 5.02, on each date set forth below, the Canadian Borrower shall be required to repay that principal amount of Tranche B Term Loans, to the extent then outstanding, (A) in an amount equal to 0.25% of the original principal amount of the Tranche B Term Loans on the last day of each Fiscal Quarter (each such repayment, as the same may be reduced as provided in Section 5.02(g) and as the same may be increased as provided in clause (ii) of Section 2.15(c), a Tranche B Term Loan Scheduled Repayment) and (B) in an amount equal to the balance of the outstanding Tranche B Term Loans payable on the Maturity Date.

(iii) In addition to any other mandatory repayments or commitment reductions pursuant to this Section 5.02, on each date set forth below, the Additional Foreign Borrower shall be required to repay that principal amount of Tranche C Term Loans, to the extent then outstanding, (A) in an amount equal to 0.25% of the original principal amount of the Tranche C Term Loans on the last day of each Fiscal Quarter (each such repayment, as the same may be reduced as provided in Section 5.02(g) and as the same may be increased as provided in clause (ii) of Section 2.15(c), a Tranche C Term Loan Scheduled Repayment) and (B) in an amount equal to the balance of the outstanding Tranche C Term Loans payable on the Maturity Date.

(c) In addition to any other mandatory repayments pursuant to this Section 5.02, on each date on or after the Effective Date upon which Holdings or any of its Subsidiaries receives Net Proceeds from any Asset Sale, unless a Reinvestment Notice shall have been timely delivered in respect thereof, an amount equal to 100% of the Net Proceeds from such Asset Sale shall be applied as a mandatory prepayment in accordance with the requirements of Sections 5.02(g) and (h); provided that, notwithstanding the foregoing, (i) the aggregate Net Proceeds of Asset Sales that may be excluded from the foregoing prepayment requirement under this Section 5.02(c) pursuant to Reinvestment Notices, together with the aggregate Net Proceeds of Recovery Events that may be excluded from the prepayment requirement under Section 5.02(e) pursuant to Reinvestment Notices, shall not exceed U.S.\$25,000,000 and (ii) on each Reinvestment Prepayment Date, an amount equal to the Reinvestment Prepayment Amount with respect to the relevant Reinvestment Event shall be applied toward the prepayment of the Loans as set forth in Sections 5.02(g) and (h).

(d) In addition to any other mandatory repayments pursuant to this Section 5.02, on each date on or after the Effective Date upon which Holdings or any of its Subsidiaries receives any cash proceeds from any incurrence of Indebtedness (other than Indebtedness permitted pursuant to Section 10.01(a)) or from any issuance of Equity Interests, an amount equal to 100% of the Net Proceeds from such incurrence or issuance shall be applied as a mandatory prepayment in accordance with the requirements of Sections 5.02(g) and (h).

(e) In addition to any other mandatory repayments pursuant to this Section 5.02, within five Business Days following each date on or after the Effective Date upon which Holdings or any of its Subsidiaries receives any proceeds from any Recovery Event, unless a Reinvestment Notice shall have been timely delivered in respect thereof, an amount equal to 100% of the Net Proceeds of such Recovery Event shall be applied as a mandatory prepayment in accordance with the requirements of Sections 5.02(g) and (h); provided that, notwithstanding the foregoing, (i) the aggregate Net Proceeds of Recovery Events that may be excluded from the foregoing prepayment requirement under this Section 5.02(e) pursuant to Reinvestment Notices, together with the aggregate Net Proceeds of Asset Sales that may be excluded from the prepayment requirement under Section 5.02(c) pursuant to Reinvestment Notices, shall not exceed U.S.\$25,000,000 and (ii) on each Reinvestment Prepayment Date, an amount equal to the Reinvestment Prepayment Amount with respect to the relevant Reinvestment Event shall be applied toward the prepayment of the Loans as set forth in Sections 5.02(g) and (h).

(f) [Intentionally Omitted].

(g) (I) Each amount required to be applied pursuant to Sections 5.02(c), (d) and (e) in accordance with this Section 5.02(g) shall be applied to repay the outstanding principal amount of Term Loans.

(II) Each amount required to be applied to repay outstanding Term Loans pursuant to this Section 5.02(g) shall be applied pro rata to each Tranche of Term Loans (based upon the then outstanding principal amounts of the respective Tranches of Term Loans).

(III) All repayments of outstanding Term Loans required by Sections 5.02(c), (d) and (e) shall be applied to reduce the then remaining Scheduled Repayments of the respective Tranche of Term Loans on a pro rata basis (based upon the then remaining principal amounts of the Scheduled Repayments of such Tranche of Term Loans after giving effect to all prior reductions thereto).

(h) With respect to each repayment of Loans required by this Section 5.02, the respective Borrower may (subject to the requirements of preceding clause (g)) designate the Types of Loans of the respective Tranche which are to be repaid and, in the case of Eurodollar Loans, the specific Borrowing or Borrowings of the respective Tranche pursuant to which made, provided that: (i) in the case of repayments of Eurodollar Loans, repayments of such Loans pursuant to this Section 5.02 on any day other than the last day of an Interest Period applicable thereto shall be accompanied by payment by the respective Borrower of all amounts owing in connection therewith pursuant to Section 2.11; (ii) if any repayment of Eurodollar Loans made pursuant to a single Borrowing shall reduce the outstanding Eurodollar Loans made pursuant to such Borrowing to an amount less than the Minimum Borrowing Amount applicable to the respective Eurodollar Loans, such Borrowing shall be converted at the end of the then current Interest Period into a Borrowing of Base Rate Loans; and (iii) each repayment of any Tranche of Loans made pursuant to a Borrowing shall be applied pro rata among such Tranche of Loans. In the absence of a designation by the respective Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its sole discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.11.

(i) Notwithstanding anything to the contrary contained elsewhere in this Agreement, all then outstanding Loans shall be repaid in full on the respective Maturity Date for such Loans.

5.03 Method and Place of Payment. Except as otherwise specifically provided herein, all payments under this Agreement or any Note shall be made to the Administrative Agent for the account of the Lender or Lenders entitled thereto not later than 12:00 Noon (New York time) on the date when due and shall be made in U.S. Dollars in immediately available funds at the Payment Office of the Administrative Agent in respect of any obligation of the Borrowers under this Agreement. The Administrative Agent will thereafter cause to be distributed on the same day (if payment was actually received by the Administrative Agent prior to 12:00 Noon (New York time) like funds relating to the payment of principal, interest or Fees ratably to the Lenders entitled thereto. Any payments under this Agreement which are made later than 1:00 P.M. (New York time) shall be deemed to have been made on the next succeeding Business Day. Whenever any payment to be made hereunder or under any Note shall be stated to be due on a day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable at the applicable rate during such extension.

5.04 Net Payments. (a) All payments made by any Credit Party under any Credit Document (including, in the case of Holdings or the U.S. Borrower, in its capacity as a guarantor pursuant to Section 14 or 15, as the case may be) or under any Note will be made without setoff, counterclaim or other defense. Except as provided in Section 5.04(b), all such payments will be made free and clear of, and without deduction or withholding for, any present or future taxes, levies, imposts, duties, fees, assessments or other charges of whatever nature now or hereafter imposed by any jurisdiction or by any political subdivision or taxing authority thereof or therein with respect to such payments (but excluding (i) any tax imposed on or measured by the net income, capital, or net profits of a Lender pursuant to the laws of the jurisdiction in which it is organized or the jurisdiction in which the principal office or applicable lending office of such Lender is located or any subdivision thereof or therein and (ii) any U.S. withholding tax that is imposed on amounts payable to such Lender with respect to any such payments of the U.S. Borrower at the time such Lender becomes party to this Agreement, except to the extent that such Lender's assignor (if any) was entitled, at the time of assignment, to receive additional amounts from the U.S. Borrower with respect to such withholding taxes pursuant to this paragraph 5.04(a)) and all interest, penalties or similar liabilities with respect thereto (all such non-excluded taxes, levies, imposts, duties, fees, assessments or other charges being referred to collectively as Taxes). If any Taxes are so levied or imposed, the respective Borrower (or other Credit Party making the payment) shall, subject to the limitations with respect to the application of this Section 5.04 set forth in the first sentence of Section 2.12(a) and in the penultimate sentence of Section 13.04(b), pay the full amount of such Taxes to the appropriate Governmental Authority, and shall pay such additional amounts as may be necessary so that every payment of all amounts due under this Agreement or under any Note, after withholding or deduction for or on account of any Taxes, will not be less than the amount provided for herein or in such Note. The respective Borrower (or Credit Party) will furnish to the Administrative Agent within 45 days after the date of the payment of any Taxes due pursuant to applicable law certified copies of tax receipts or, to the extent such tax receipts are not customarily provided by the relevant Governmental Authority, other evidence of payment of such Tax reasonably acceptable to the Lender, evidencing such payment by such Borrower (or the respective other Credit Party). The Credit Agreement Parties jointly and severally agree (and each Subsidiary Guarantor pursuant to its respective Subsidiary Guaranty, and the incorporation by reference therein of the provisions of this Section 5.04, shall agree) to indemnify and hold harmless each Lender, and reimburse such Lender upon its written request, for the amount of any Taxes levied or imposed on and paid by such Lender.

Notwithstanding anything to the contrary contained in the preceding sentence or elsewhere in this Section 5.04 and except as set forth in Section 13.04(b), the Borrower agrees to pay additional amounts and to indemnify each Lender in the manner set forth in Section 5.04(a) (without regard to the identity of the jurisdiction requiring the deduction or withholding) in respect of any amounts deducted or withheld by it as described in the immediately preceding sentence (x) from amounts payable to or for the account of such Lender under Section 2.01(e), but only if and to the extent the amounts deducted or withheld exceed the amounts that would have been deducted or withheld if the amounts payable to such Lender under Section 2.01(e) were instead payable to or for the account of such Lender with respect to interest payments on a Tranche A Term Loan or a Tranche B Term Loan, as applicable, or (y) as a result of any changes after the Effective Date (or, if later, after the date such Lender became party to this Agreement) in any applicable law, treaty, governmental rule, regulation, guideline or order, or in the interpretation thereof, relating to the deducting or withholding of income or similar taxes.

(c) If any Borrower pays any additional amount under this Section 5.04 to a Lender and such Lender determines in its sole good faith discretion that it has actually received or realized in connection therewith any refund or any reduction of, or credit against, its Tax liabilities in or with respect to the taxable year in which the additional amount is paid (a Tax Benefit), such Lender shall pay to such Borrower an amount that the Lender shall, in its sole good faith discretion, determine is equal to the net benefit, after tax, which was obtained by the Lender in such year as a consequence of such Tax Benefit; provided, however, that (i) any Lender may determine, in its sole good faith discretion consistent with the policies of such Lender, whether to seek a Tax Benefit; (ii) any Taxes that are imposed on a Lender as a result of a disallowance or reduction (including through the expiration of any tax credit carryover or carryback of such Lender that otherwise would not have expired) of any Tax Benefit with respect to which such Lender has made a payment to such Borrower pursuant to this Section 5.04(c) shall be treated as a Tax for which such Borrower is obligated to indemnify such Lender pursuant to this Section 5.04 without any exclusions or defenses; (iii) nothing in this Section 5.04(c) shall require the Lender to disclose any confidential information to such Borrower (including, without limitation, its tax returns); and (iv) no Lender shall be required to pay any amounts pursuant to this Section 5.04(c) at any time which a Default or Event of Default exists.

- (bb) (i) Any of the Cases shall be dismissed or converted to a Chapter 7 Case or a Chapter 11 plan of liquidation shall have been filed for any of the U.S. Cases or the Canadian Case shall be terminated or proceedings thereunder shall be stayed, or the Canadian Case shall be converted into proceeding under the Bankruptcy & Insolvency Act (Canada); (ii) a trustee, receiver, interim receiver or receiver and manager shall be appointed in any of the Cases or a responsible officer or an examiner with enlarged powers shall be appointed in any of the Cases (having powers beyond those set forth in Bankruptcy Code sections 1106(a)(3) and (4)); or (iii) the Bankruptcy Court shall abstain from asserting jurisdiction over any of the U.S. Debtors or the Canadian Court shall abstain from asserting jurisdiction over the Canadian Debtor;

(cc) An application shall be made by any U.S. Debtor, any Guarantor or any Subsidiary of Holdings seeking an order by the Bankruptcy Court, or an order shall be entered by the Bankruptcy Court, approving a Disclosure Statement in any of the U.S. Cases with respect to a plan not that does not propose to pay all Obligations in full in cash on the effective date of such plan or an application shall have been made by the Canadian Debtor or any other Person seeking an order of the Canadian Court, or an order of the Canadian Court shall be entered, approving a CCAA plan of compromise or arrangement in respect of the Canadian Cases with respect to a plan that does not propose to pay all Obligations in full in cash on the effective date of such plan;

(ff) Any order shall be issued by the Canadian Court in the Canadian Case that is adverse to the Lenders in any material respect.

(A) During the continuance of any Event of Default pursuant to this Section 11, the Administrative Agent (i) may, and at the request of the Required Lenders shall, by advance written notice to the Borrowers that is also filed with the Bankruptcy Court and with the Canadian Court and the Monitor in accordance with the Initial Order declare that all or any portion of the Commitments be terminated, whereupon the obligation of each Lender to make any Term Loan shall immediately terminate and (ii) may, and at the request of the Required Lenders shall, by advance written notice to the Borrowers that is also filed with the Bankruptcy Court and with the Canadian Court and the Monitor in accordance with the Initial Order, declare the Loans, all interest thereon and all other amounts and Obligations payable under this Agreement to be forthwith due and payable, whereupon the Loans, all such interest and all such amounts and Obligations shall become and be forthwith due and payable, without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived by the Borrowers. In addition, subject solely to any requirement of the giving of notice, if any, by the terms of the Interim Order or the Final Order or the Initial Order, as the case may be, the automatic stay provided in section 362 of the Bankruptcy Code and under the Initial Order in respect of the DIP Lenders Charge and the Credit Documents as the case may be, shall be deemed automatically vacated without further action or order of the Bankruptcy Court or the Canadian Court, as the case may be, the Administrative Agent and the Lenders shall be entitled to exercise all of their respective rights and remedies under the Loan Documents, including, without limitation, all rights and remedies with respect to the Collateral and the Guarantors. In addition to the remedies set forth above, the Administrative Agent may, and at the request of the Required Lenders shall, direct the Administrative Agent to exercise any remedies provided for by the Security Documents in accordance with the terms thereof or any other remedies provided by applicable law or in equity.

consequences may be rescinded and annulled and (b) in the case of such remedies exercised under Section 11(A)(i), upon the written consent of the Required Lenders and written notice to the Borrowers, the termination of the Commitments or the acceleration and their consequences applicable to the Lenders may be rescinded and annulled; provided, however, that such action shall not affect any subsequent Event of Default or Default or impair any right or remedy consequent thereon. The provisions of the preceding sentence are intended merely to bind the Lenders to a decision that may be made at the election of the Required Lenders, and such provisions are not intended to benefit the Borrowers and do not give the Borrowers the right to require the Lenders to rescind or annul any acceleration hereunder, even if the conditions set forth herein are met.

SECTION 12. The Agents.

12.01 Appointment. (a) Each Lender hereby irrevocably designates and appoints DBTCA as Administrative Agent for such Lender (as used hereinafter for purposes of this Section 12, the term Administrative Agent shall mean DBTCA in its capacities as Administrative Agent and as Collateral Agent hereunder and pursuant to the Security Documents and the term Agent shall include the term Administrative Agent as so defined), (b) Banc of America Securities LLC, General Electric Capital Corporation and UBS Securities LLC as Co-Syndication Agents for such Lender, (c) Banc of America Securities LLC and UBS Securities LLC as Co-Arrangers for such Lender, and (d) DBTCA as Documentation Agent for such Lender, each to act as specified herein and in the other Credit Documents, and each such Lender hereby irrevocably authorizes, and each holder of any Note by the acceptance of such Note shall be deemed irrevocably to authorize, the Administrative Agent, each Co-Syndication Agent, each Co-Arranger and the Documentation Agent to take such action on its behalf under the provisions of this Agreement, the other Credit Documents and any other instruments and agreements referred to herein or therein and to exercise such powers and to perform such duties hereunder or thereunder as are specifically delegated to or required of the Administrative Agent, such Co-Syndication Agent, each Co-Arranger or the Documentation Agent, as the case may be, by the terms hereof or thereof, together with such other powers as are reasonably incidental thereto. Each of the Agents may perform any of their respective duties under this Agreement, the other Credit Documents and any other instruments and agreements referred to herein or therein by or through its respective officers, directors, agents, employees or affiliates (it being understood and agreed, for avoidance of doubt and without limiting the generality of the foregoing, that the Administrative Agent and/or Collateral Agent may perform any of its duties under the Security Documents by or through one or more of its affiliates).

(b) The provisions of this Section 12 are solely for the benefit of the Administrative Agent, the Co-Syndication Agents, the Co-Arrangers, the Documentation Agent and the Lenders, and neither Holdings nor any of its Subsidiaries shall have any rights as a third party beneficiary of any of the provisions hereof. In performing its functions and duties under this Agreement, each of the Administrative Agent, the Co-Syndication Agents, the Co-Arrangers and the Documentation Agent shall act solely as agent for the Lenders, and none of the Administrative Agent, the Co-Syndication Agents, the Co-Arrangers or the Documentation Agent assumes (and shall not be deemed to have assumed) any obligation or relationship of agency or trust with or for Holdings or any of its Subsidiaries.

12.02 Nature of Duties. (a) No Agent shall have any duties or responsibilities except those expressly set forth in this Agreement and in the other Credit Documents. Neither any Agent nor any of its officers, directors, agents, employees, representatives or affiliates shall be liable for any action taken or omitted by it or them hereunder or under any other Credit Document or in

connection herewith or therewith, unless caused by its or their gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). The duties of the Agents shall be mechanical and administrative in nature; no Agent shall have by reason of this Agreement or any other Credit Document a fiduciary relationship in respect of any Lender or the holder of any Note and nothing in this Agreement or in any other Credit Document, expressed or implied, is intended to or shall be so construed as to impose upon any Agent any obligations in respect of this Agreement or any other Credit Document except as expressly set forth herein or therein.

(b) Notwithstanding any other provision of this Agreement or any provision of any other Credit Document, each of the Joint Lead Arrangers, Co-Syndication Agents and Co-Arrangers is named as such for recognition purposes only, and in their respective capacities as such shall have no powers, duties, responsibilities or liabilities with respect to this Agreement or the other Credit Documents or the transactions contemplated hereby and thereby; it being understood and agreed that the Joint Lead Arrangers, Co-Syndication Agents and Co-Arrangers shall be entitled to all indemnification and reimbursement rights in favor of Agents as, and to the extent, provided for under Sections 12.07 and 13.01. Without limitation of the foregoing, none of the Joint Lead Arrangers, Co-Syndication Agents and Co-Arrangers shall, solely by reason of this Agreement or any other Credit Documents, have any fiduciary relationship in respect of any Lender or any other Person.

12.03 Certain Rights of the Agents. The Agents shall have the right to request instructions from the Required Lenders at any time. If any Agent shall request instructions from the Required Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any other Credit Document, such Agent shall be entitled to refrain from such act or taking such action unless and until such Agent shall have received instructions from the Required Lenders; and such Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, neither any Lender nor the holder of any Note shall have any right of action whatsoever against any Agent or any of its employees, directors, officers, agents, representatives or affiliates as a result of such Agent or such other person acting or refraining from acting hereunder or under any other Credit Document in accordance with the instructions of the Required Lenders.

12.04 Reliance by Agents. Each Agent shall be entitled to rely, and shall be fully protected (and shall have no liability to any Person) in relying, upon any note, writing, resolution, notice, statement, certificate, telex, facsimile, teletype or telecopier message, cablegram, radiogram, order, telephone message or other document or conversation that such Agent believed, in the absence of gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision), to be the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Credit Document and its duties hereunder and thereunder, upon advice of counsel selected by such Agent (which may be counsel for the Credit Parties) and, with respect to other matters, upon advice of independent public accountants or other experts, consultants or specialists selected by it.

12.05 Notice of Default, etc. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Administrative Agent has actually received written notice from a Lender or a Credit Agreement Party referring to this Agreement, describing such Default or Event of Default and stating that such notice is a notice of default. In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be

reasonably directed by the Required Lenders; provided that, unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders (as determined by the Administrative Agent in its sole discretion).

12.06 Nonreliance on Agents and Other Lenders. Independently and without reliance upon any Agent, each Lender and the holder of each Note, to the extent it deems appropriate, has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of Holdings and its Subsidiaries in connection with the making and the continuance of the Loans and the taking or not taking of any action in connection herewith and (ii) its own appraisal of the creditworthiness of Holdings and its Subsidiaries and, except as expressly provided in this Agreement, no Agent shall have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Note with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. No Agent or their respective affiliates nor any of their respective officers, directors, agents or employees shall be responsible to any Lender or the holder of any Note for, or be required or have any duty to ascertain, inquire or verify the accuracy of, (i) any recitals, statements, information, representations or warranties herein or in any document, certificate or other writing delivered in connection herewith, (ii) the execution, effectiveness, genuineness, validity, enforceability, perfection, collectibility, priority or sufficiency of this Agreement or any other Credit Document, (iii) the financial condition of Holdings and any of its Subsidiaries, (iv) the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Credit Document, (v) the satisfaction of any of the conditions precedent set forth in Sections 6 or 7, or (vi) the existence or possible existence of any Default or Event of Default.

12.07 Indemnification. (a) To the extent any Agent (or any affiliate thereof) is not reimbursed and indemnified by the Credit Agreement Parties, the Lenders will reimburse and indemnify such Agent (and any affiliate thereof) in proportion to their respective percentage as used in determining the Required Lenders (determined as if there were no Defaulting Lenders), for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by such Agent (or any affiliate thereof) in performing its respective duties hereunder or under any other Credit Document or in any way relating to or arising out of this Agreement or any other Credit Document, provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, claims, judgments, suits, costs, expenses or disbursements resulting from such Agent's (or such affiliate's) gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

(b) Any Agent shall be fully justified in failing or refusing to take any action hereunder and under any other Credit Document (except actions expressly required to be taken by it hereunder or under the Credit Documents) unless it shall first be indemnified to its satisfaction by the Lenders pro rata against any and all liability, cost and expense that it may incur by reason of taking or continuing to take any such action.

(c) The agreements in this Section 12.07 shall survive the payment of all Obligations.

12.08 Agents in their Individual Capacities. With respect to its obligation to make Loans under this Agreement, each Agent shall have the rights and powers specified herein for a Lender and may exercise the same rights and powers as though it were not performing the duties specified herein; and the term Lender, Required Lenders, Supermajority Lenders, Majority Lenders, holders of Notes or any similar terms shall, unless context clearly indicates otherwise, include each Agent in its individual capacity. Each Agent and its affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, investment banking, trust or other business with, or provide debt financing, equity capital or other services (including financial advisory services) to, any Credit Party or any Affiliate of any Credit Party (or any Person engaged in a similar business with any Credit Party or any Affiliate thereof) as if they were not performing the duties specified herein, and may accept fees and other consideration from any Credit Party or any Affiliate of any Credit Party for services in connection with this Agreement and otherwise without having to account for the same to the Lenders.

12.09 Holders. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes hereof unless and until a written notice of the assignment, transfer or endorsement thereof, as the case may be, shall have been filed with the Administrative Agent. Any request, authority or consent of any Person or entity who, at the time of making such request or giving such authority or consent, is the holder of any Note shall be conclusive and binding on any subsequent holder, transferee, assignee or endorsee, as the case may be, of such Note or of any Note or Notes issued in exchange therefor.

12.10 Resignation of the Agents. (a) The Administrative Agent may resign from the performance of all its functions and duties hereunder and/or under the other Credit Documents (including, without limitation, its functions and duties as Collateral Agent) at any time by giving 15 Business Days prior written notice to the Lenders. Such resignation shall take effect upon the appointment of a successor Administrative Agent pursuant to clauses (b) and (c) below or as otherwise provided below.

(b) Upon any such notice of resignation by the Administrative Agent, the Required Lenders shall appoint a successor Administrative Agent hereunder and/or under the other Credit Documents who shall be a commercial bank or trust company acceptable to Holdings, which acceptance shall not be unreasonably withheld or delayed (provided that Holdings approval shall not be required if an Event of Default then exists).

(c) If a successor Administrative Agent shall not have been so appointed within such 15 Business Day period, the Administrative Agent, with the consent of Holdings (which consent shall not be unreasonably withheld or delayed, provided that Holdings consent shall not be required if an Event of Default then exists), shall then appoint a successor Administrative Agent who shall serve as Administrative Agent hereunder and/or under the other Credit Documents until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

(d) If no successor Administrative Agent has been appointed pursuant to clause (b) or (c) above by the 20th Business Day after the date such notice of resignation was given by the Administrative Agent, the Administrative Agent's resignation shall become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent hereunder and/or under any other Credit Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

(e) Each Co-Syndication Agent may resign from the performance of all its functions and duties hereunder and/or under the other Credit Documents at any time by giving five Business Days prior written notice to the Lenders. Such resignation shall take effect at the end of such five Business Day period.

(f) Each Co-Arranger may resign from the performance of all its functions and duties hereunder and/or under the other Credit Documents at any time by giving five Business Days prior written notice to the Lenders. Such resignation shall take effect at the end of such five Business Day period.

(g) The Documentation Agent may resign from the performance of all its functions and duties hereunder and/or under the other Credit Documents at any time by giving five Business Days prior written notice to the Lenders. Such resignation shall take effect at the end of such five Business Day period.

(h) Upon a resignation of any Agent pursuant to this Section 12.10, such Agent shall remain indemnified to the extent provided in this Agreement and the other Credit Documents and the provisions of this Section 12 shall continue in effect for the benefit of such Agent for all of its actions and inactions while serving as such Agent.

12.11 Collateral Matters. (a) Each Lender authorizes and directs the Collateral Agent to enter into the Security Documents for the benefit of the Lenders and the other Secured Creditors. Each Lender hereby agrees, and each holder of any Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders in accordance with the provisions of this Agreement or the Security Documents, and the exercise by the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time prior to an Event of Default, to take any action with respect to any Collateral or Security Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Security Documents.

(b) The Lenders hereby authorize the Collateral Agent, at its option and in its discretion, to release any Lien granted to or held by the Collateral Agent upon any Collateral (i) upon termination of the Commitments and payment and satisfaction of all of the Obligations at any time arising under or in respect of this Agreement or the Credit Documents or the transactions contemplated hereby or thereby, (ii) constituting property being sold or otherwise disposed of (to Persons other than the Credit Parties) upon the sale or other disposition thereof in compliance with Sections 10.05 or 10.06, (iii) if approved, authorized or ratified in writing by the Required Lenders (or all of the Lenders hereunder, to the extent required by Section 13.12) or (iv) as otherwise may be expressly provided in the relevant Security Documents. The Lenders hereby authorize (i) the Collateral Agent to release (or subordinate) any Lien granted to or held by the Collateral Agent upon any Collateral consisting of Receivables or Related Assets sold pursuant to any Auto Supplier Support Transaction and (ii) the Administrative Agent and the Collateral Agent to consent to any Auto Supplier Support Transaction and enter into any related documentation required in connection with the Credit Parties' participation in the Auto Supplier Support Program. Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release (or subordinate) particular types or items of Collateral pursuant to this Section 12.11.

(c) The Collateral Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by any Credit Agreement Party or any of its Subsidiaries or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 12.11 or in any of the Security Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

(d) The Lenders hereby authorize the Collateral Agent, at its option and in its discretion, to appoint a collateral agent, security trustee, trustee or Person serving in a similar capacity, including an Affiliate of the Collateral Agent, in such foreign jurisdiction and authorize such collateral agent, security trustee, trustee or Person serving in a similar capacity to enter into any Foreign Security Documents governed by the laws of such jurisdiction for the benefit of the Lenders and the other Secured Creditors. Each such collateral agent, security trustee, trustee or Person serving in a similar capacity shall be entitled to all of the benefits afforded the Collateral Agent hereunder (including, but not limited to the benefits under Section 12.07 and Section 13.01) and the powers of the Collateral Agent under the Section 12, as if such collateral agent, security trustee, trustee or Person serving in a similar capacity were the Collateral Agent hereunder.

(e) The Lenders hereby authorize the Collateral Agent and each such collateral agent, security trustee, trustee or Person serving in a similar capacity referred to in the Section 12.11(d) to enter into any intercreditor arrangements to reflect the relative Lien priority of, or right to receive proceeds from Collateral securing, the DIP Facility relative to the Prepetition Facility and such other matters as may be incidental thereto.

12.12 Delivery of Information. The Administrative Agent shall not be required to deliver to any Lender originals or copies of any documents, instruments, notices, communications or other information received by the Administrative Agent from any Credit Agreement Party, any Subsidiary, the Required Lenders, any Lender or any other Person under or in connection with this Agreement or any other Credit Document except (i) as specifically provided in this Agreement or any other Credit Document and (ii) as specifically requested from time to time in writing by any Lender with respect to a specific document, instrument, notice or other written communication received by and in the possession of the Administrative Agent at the time of receipt of such request and then only in accordance with such specific request.

12.13 Special Appointment of Collateral Agent (German Security Documents). (a) Without prejudice to the generality of Section 12.11:

(i) Each Lender hereby appoints, on the terms hereof, and each Hedging Creditor (as defined in the U.S. Security Agreement) by their acceptance of the benefits of the German Security (as defined below) and by notice in writing to the Collateral Agent to that effect hereby appoints, on the terms hereof, the Collateral Agent as trustee (*Treuhänder*), agent and administrator for the purpose of holding on trust (*Treuhand*) accepting, administering and enforcing the German Security for and on behalf of the Lenders and the other Secured Creditors.

(ii) The Collateral Agent accepts its appointment as a trustee (*Treuhaender*), agent and administrator of the German Security on the terms and subject to the conditions set out in this Agreement.

(iii) The Secured Creditors agree that, in relation to the German Security, no Secured Creditor shall exercise any independent power to enforce any German Security or take any other action in relation to the enforcement of the German Security, or make or receive any declarations in relation thereto; and

(b) The Collateral Agent shall:

(i) hold and administer any German Security which is security assigned or otherwise transferred (*Sicherungsübereignung/Sicherungsabtretung*) under German law under a non-accessory security right (*nicht akzessorische Sicherheit*) to it as a trustee (*Treuhaender*) for the benefit of the Secured Creditors; and

(ii) administer any German Security which is pledged under German law (*Verpfandung*) or otherwise transferred in accordance with German law to any of the Secured Creditors under an accessory security right (*akzessorische Sicherheit*),

where German Security means the assets the subject of a security document which is governed by German Law. Each Secured Creditor hereby authorizes the Collateral Agent to accept, as its representative (*Stellvertreter*), any German Security created in favor of such Secured Creditor.

(c) Furthermore, each Secured Creditor hereby authorizes (*bevollmaechtigt*) the Collateral Agent (with the right of sub-delegation) to enter into any documents evidencing German Security and to make and accept all declarations and take all actions as it considers necessary or useful in connection with any German Security on behalf of such Secured Creditor. The Collateral Agent shall further be entitled to rescind, amend and/or execute new and different documents securing the German Security. The Collateral Agent is released from the restrictions arising under Clause 181 of the German Civil Code (*Buergerliches Gesetzbuch*) (restrictions on self-dealing).

12.14 Special Appointment of Collateral Agent (French Security Documents). (a) Each of Secured Creditors (as such defined below) as *mandants* under French law:

(i) hereby irrevocably appoints the Collateral Agent to act as its agent (*mandataire* under French law) under and in connection with the French Security Documents (as such term is defined below); and

(ii) irrevocably authorizes the Collateral Agent to execute for and on its behalf the French Security Documents (as such term is defined below) and to perform the duties and to exercise the rights, powers and discretions that are specifically delegated to it under or in connection with the French Security Documents (as such term is defined below), together with any other rights, powers and discretions which are incidental thereto and to give a good discharge for any moneys payable under the French Security Documents (as such term is defined below).

For purposes of this Section 12.14, French Security Documents means those Security Documents stated to be governed by the laws of France and reference to Secured Creditors shall be construed as a reference to such Secured Creditors as defined in the French Security Documents.

(b) The Collateral Agent will act solely for itself and as agent for the other Secured Creditors in carrying out its functions as agent under the French Security Documents.

(c) The relationship between the Secured Creditors (other than the Collateral Agent) on the one hand and the Collateral Agent on the other is that of principal (*mandant* under French law) and agent (*mandataire* under French law) only. The Collateral Agent shall not have, nor be deemed to have, assumed any obligations to, or trust or fiduciary relationship with, any party to this Agreement other than those for which specific provision is made by the French Security Documents and, to the extent permissible under French law, the other provisions of this Agreement, which shall be deemed to be incorporated in this Section 12.14, where reference is made to any French Security Documents.

(d) Notwithstanding Section 13.08 (*Governing Law; Submission to Jurisdiction; Venue*) of this Agreement, the provision of this Section 12.14 and the other provisions of this Agreement which are deemed to be incorporated in this Section 12.14 as stated in paragraph (c) above, shall be governed by, and construed in accordance with, French law and any dispute arising out of this Section 12.14 shall be submitted to the Commercial Court of Paris (*Tribunal de Commerce de Paris*).

(e) The Secured Creditors, the Collateral Agent and the other parties hereto which are also party to any French Security Document irrevocably acknowledge that the existence and extent of the Collateral Agent's authority resulting from this Section 12.14 and the effects of the Collateral Agent's exercise of this authority shall be governed by French law.

12.15 Special Appointment of Collateral Agent (Dutch Security Documents).

(a) Each Credit Agreement Party irrevocably and unconditionally undertakes (and to the extent necessary undertakes in advance (*bij voorbaat*)) to pay to the Collateral Agent amounts equal to any amounts owing from time to time by that Credit Agreement Party to any Secured Creditor under any Credit Document as and when those amounts are due.

(b) Each Credit Agreement Party, the Collateral Agent and the other Secured Creditors acknowledge that the obligations of each Credit Agreement Party under Section 12.15(a) are several and are separate and independent (*eigen zelfstandige verplichtingen*) from, and shall not in any way limit or affect, the corresponding obligations of that Credit Agreement Party to any Secured Creditor under any Credit Document (its Corresponding Debt) nor shall the amounts for which each Credit Agreement Party is liable under Section 12.15(a) (its Parallel Debt) be limited or affected in any way by its Corresponding Debt provided that:

(i) the Parallel Debt of each Credit Agreement Party shall be decreased to the extent that its Corresponding Debt has been irrevocably paid or (in the case of guarantee obligations) discharged; and

(ii) the Corresponding Debt of each Credit Agreement Party shall be decreased to the extent that its Parallel Debt has been irrevocably paid or (in the case of guarantee obligations) discharged; and

(iii) the amount of the Parallel Debt of each Credit Agreement Party shall at all times be equal to the amount of its Corresponding Debt.

(c) For the purpose of this Section 12.15, the Collateral Agent acts in its own name and on behalf of itself and not as agent, representative or trustee of any other Secured Creditor, and its claims in respect of each Parallel Debt shall not be held on trust.

(d) The security granted under the Security Documents to the Collateral Agent to secure each Parallel Debt is granted to the Collateral Agent in its capacity as sole creditor of each Parallel Debt.

(e) All monies received or recovered by the Collateral Agent pursuant to this Section 12.15, and all amounts received or recovered by the Collateral Agent from or by the enforcement of any security granted to secure each Parallel Debt, shall be applied in accordance with Section 7.14 of the U.S. Security Agreement.

(f) Without limiting or affecting the Collateral Agent's rights against the Credit Agreement Parties (whether under this Section 12.15 or under any other provision of the Credit Documents), each Credit Agreement Party acknowledges that:

(i) nothing in this Section 12.15 shall impose any obligation on the Collateral Agent to advance any sum to any Credit Agreement Party or otherwise under any Credit Document, except in its capacity as Lender; and

(ii) for the purpose of any vote taken under any Credit Document, the Collateral Agent shall not be regarded as having any participation or commitment other than those which it has in its capacity as a Lender.

(g) For the avoidance of doubt (i) the Parallel Debt of each Credit Agreement Party will become due and payable (*opeisbaar*) at the same time its Corresponding Debt becomes due and payable and (ii) without prejudice to Section 12.15, a Credit Agreement Party may not repay or prepay its Parallel Debt unless directed to do so by the Collateral Agent or the Collateral is enforced by the Collateral Agent.

SECTION 13. Miscellaneous.

13.01 Payment of Expenses, etc. (a) The Credit Agreement Parties jointly and severally agree, whether or not the transactions herein contemplated are consummated, to:

(i) pay all documented (pursuant to summary form invoices which may be redacted for privileged information) fees, out-of-pocket audit, legal, appraisal, valuation, filing, document duplication and reproduction and investigation expenses and for all other documented costs and expenses of every type and nature of each Agent (including internal costs of such Agent incurred on a *per diem* basis, the fees and disbursements of Milbank, Tweed, Hadley & McCloy LLP and local and foreign counsel and

consultants, the fees, expenses and disbursements of the Lender Advisors, auditors, accountants, appraisers, printers, insurance and environmental advisors, and other consultants and agents) in connection with (A) the negotiation, preparation, execution and delivery of this Agreement, other Credit Documents, the documents and instruments referred to herein and therein or any proposal letter or commitment letter issued in connection therewith; (B) the Administrative Agent's periodic audits of the Borrowers or any of their Subsidiaries, as the case may be; (C) the funding of all loans; (D) the creation, perfection or protection of the Liens under any applicable Credit Document (including any reasonable fees, disbursements and expenses for local counsel in various jurisdictions), (E) the ongoing administration of this Agreement, including consultation with attorneys in connection therewith and with respect to each Agent's and each Lender's rights and responsibilities hereunder and under the other Credit Documents; (F) any amendment, waiver, consent, assignment, restatement or supplement relating to this Agreement, other Credit Documents and the documents and instruments referred to herein and therein; and (G) syndication efforts with respect to this Agreement;

13.02 **Right of Setoff.** (a) In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, each Agent, each Lender and the Collateral Agent is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Credit Agreement Party or any of its Subsidiaries or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other Indebtedness at any time held or owing by such Agent, such Lender or the Collateral Agent (including, without limitation, by branches and agencies of such Agent, such Lender or the Collateral Agent wherever located) to or for the credit or the account of any Credit Agreement Party or any of its Subsidiaries against and on account of the Obligations and liabilities of such Credit Agreement Party or such Subsidiary, as the case may be, to such Agent, such Lender or the Collateral Agent under this Agreement or under any of the other Credit Documents, including, without limitation, all interests in Obligations purchased by such Lender pursuant to Section 13.06(b) and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not such Agent, such Lender or the Collateral Agent shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured. Each Borrower agrees that any Lender purchasing participations as required by Section 13.06(b), may, to the fullest extent permitted by law, exercise all rights (including without limitation the right of setoff) with respect to such participations as fully as if such Lender is a direct creditor of such Borrower with respect to such participations in the amount thereof.

(b) NOTWITHSTANDING THE FOREGOING SUBSECTION (a), AT ANY TIME THAT THE LOANS OR ANY OTHER OBLIGATION SHALL BE SECURED BY REAL PROPERTY LOCATED IN CALIFORNIA, NO LENDER OR THE ADMINISTRATIVE AGENT SHALL EXERCISE A RIGHT OF SETOFF, LIEN OR COUNTERCLAIM OR TAKE ANY COURT OR ADMINISTRATIVE ACTION OR INSTITUTE ANY PROCEEDING TO ENFORCE ANY PROVISION OF THIS AGREEMENT OR ANY NOTE UNLESS IT IS TAKEN WITH THE CONSENT OF THE REQUIRED LENDERS OR APPROVED IN WRITING BY THE ADMINISTRATIVE AGENT, IF SUCH SETOFF OR ACTION OR PROCEEDING WOULD OR MIGHT (PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE SECTIONS 580a, 580b, 580d AND 726 OF THE CALIFORNIA CODE OF CIVIL PROCEDURE OR SECTION 2924 OF THE CALIFORNIA CIVIL CODE, IF APPLICABLE, OR OTHERWISE) AFFECT OR IMPAIR THE VALIDITY, PRIORITY OR ENFORCEABILITY OF THE LIENS GRANTED TO THE COLLATERAL AGENT PURSUANT TO THE SECURITY DOCUMENTS OR THE ENFORCEABILITY OF THE NOTES AND OTHER OBLIGATIONS HEREUNDER, AND ANY ATTEMPTED EXERCISE BY ANY LENDER OR THE ADMINISTRATIVE AGENT OF ANY SUCH RIGHT WITHOUT OBTAINING SUCH CONSENT OF THE REQUIRED LENDERS OR THE ADMINISTRATIVE AGENT SHALL BE NULL AND VOID. THIS SUBSECTION (b) SHALL BE SOLELY FOR THE BENEFIT OF EACH OF THE LENDERS AND THE ADMINISTRATIVE AGENT HEREUNDER.

13.03 **Notices.** (a) Except as otherwise expressly provided herein, all notices and other communications provided for hereunder shall be in writing (including telecopier or facsimile communication) and mailed, telecopied or delivered: if to any Credit Agreement Party, at the address specified opposite its signature below; if to any Lender, at its address specified on Schedule 2.12(a); and if to the Administrative Agent, at its Notice Office; or, as to any Credit Agreement Party or any of the Agents, at such other address as shall be designated by such party in a written notice to the other parties hereto and, as to each Lender, at such other address as shall be designated by such Lender in a written notice to Holdings and the Administrative Agent. All such notices and communications shall be mailed, telecopied or faxed, or sent by overnight courier, and shall be effective when deposited in the mails, delivered overnight courier, or sent by facsimile, or telecopier, as the case may be, except that notices and communications to the Administrative Agent and/or any Credit Agreement Party shall not be effective until received by the Administrative Agent or the applicable Credit Agreement Party, as the case may be.

(b) Without in any way limiting the obligation of Holdings and its Subsidiaries to confirm in writing any telephonic notice permitted to be given hereunder, any Agent may prior to receipt of written confirmation act without liability upon the basis of such telephonic notice, believed by such Agent in good faith to be from an Authorized Officer. In each such case, each Credit Agreement Party hereby waives the right to dispute such Agent's record of the terms of such telephonic notice.

13.04 **Benefit of Agreement.** (a) This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; provided, however, no Credit Agreement Party may assign or transfer any of its rights, obligations or interest hereunder or under any other Credit Document without the prior written consent of each of the Lenders and, provided further, that, although any Lender may (without the consent of any Credit Party) transfer, assign or grant participations in its rights hereunder, such Lender shall remain a Lender for all purposes hereunder (and may not transfer or assign all or any portion of its Commitments or Loans hereunder except as provided in Section 13.04(b)) and the transferee, assignee or participant, as the case may be, shall not constitute a Lender hereunder and, provided further, that no Lender shall transfer or grant any participation under which the participant shall have rights to approve any amendment to or waiver of this Agreement or any other Credit Document except to the extent such amendment or waiver would (i) extend the final scheduled maturity of any Loan or Note in which such participant is participating, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof or increase the amount of the participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory reduction in the Total Commitment or of a mandatory repayment of Loans shall not constitute a change in the terms of such participation, and that an increase in any Commitment (or the available portion thereof) or Loan shall be permitted without the consent of any participant if the participant's participation is not increased as a result thereof and that any amendment or modification to the financial definitions in this Agreement or to Section 13.07 shall not constitute a reduction in any rate of interest or Fees for purposes of this clause (i), notwithstanding the fact that such amendment or modification actually results in such a reduction), (ii) consent to the assignment or transfer by any Credit Agreement Party of any of its rights and obligations under this Agreement, or (iii) release all or substantially all of the Collateral under all of the Security Documents (except as expressly provided in the Credit Documents) supporting the Obligations in which such participant is participating. In the case of any such participation, the participant shall not have any rights under this Agreement or any of the other Credit Documents (the participant's rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the participant relating thereto) and all amounts payable by the Borrowers hereunder shall be determined as if such Lender had not sold such participation.

(b) Notwithstanding the foregoing, any Lender (or any Lender together with one or more other Lenders) may:

(x) assign all or a portion of its Commitments and related outstanding Obligations (or, if the Commitments with respect to the relevant Tranche have terminated, outstanding Obligations) hereunder to (i) its parent company and/or any affiliate of such Lender which is at least 50% owned by such Lender or its parent company, (ii) one or more Lenders or any affiliate of any such other Lender which is at least 50% owned by such other Lender or its parent company (provided that any fund that invests in loans and is managed or advised by the same investment advisor of another fund which is a Lender (or by an Affiliate of such investment advisor) shall be treated as an affiliate of such other Lender for the purposes of this sub-clause (x)(ii)), or (iii) in the case of any Lender that is a fund that invests in bank loans, any other fund that invests in bank loans and is managed by the same investment advisor of a Lender or by an Affiliate of such investment advisor; or

(y) assign all, or if less than all, a portion equal to at least U.S.\$1,000,000 in the aggregate for the assigning Lender or assigning Lenders, of such Commitments and related outstanding Obligations (or, if the Commitments with respect to the relevant Tranche have terminated, outstanding Obligations) hereunder to one or more Eligible Transferees (treating (I) any fund that invests in loans and (II) any other fund that invests in loans and is managed or advised by the same investment advisor of such fund or by an Affiliate of such investment advisor, as a single Eligible Transferee), each of which assignees shall become a party to this Agreement as a Lender by execution of an Assignment and Assumption Agreement;

provided that (i) each assignment of Tranche A Term Loans, Tranche B Term Loans, Tranche C Term Loans, Tranche A Term Loan Commitments, Tranche B Term Loan Commitments, or Tranche C Term Loan Commitments (and the Obligations associated with all such Loans and Commitments) may only be made as part of an assignment by such assigning Lender of a pro rata portion of (x) all such Loans and Commitments then held by it and (y) all of its rights and obligations under Section 2.01(e), (ii) at the time of such assignment Schedule 1 shall be deemed modified to reflect the Commitments and/or outstanding Loans, as the case may be, of such new Lender and of the existing Lenders, (iii) new Notes will be issued, at the respective Borrower's expense, to such new Lender and to the assigning Lender upon the request of such new Lender or assigning Lender, as the case may be, such new Notes to be in conformity with the requirements of Section 2.05 (with appropriate modifications) to the extent needed to reflect the revised Commitments and/or outstanding Loans, as the case may be, of the affected Tranche, (iv) except in the case of assignments by the Agents in connection with their syndication of this Agreement, the consent of the Administrative Agent and, so long as no Default or Event of Default then exists and is continuing, the U.S. Borrower shall be required in connection with any such assignment pursuant to clause (y) of this Section 13.04(b) (which consent shall not be unreasonably withheld or delayed), (v) the Administrative Agent shall receive at the time of each such assignment, from the assigning or assignee Lender, the payment of a non-refundable assignment fee of U.S.\$3,500 (other than with respect to such assignments from an assigning Lender to its Affiliate) and (vi) such transfer or assignment will not be effective until recorded by the Administrative Agent on the Register pursuant to Section 13.17. To the extent of any assignment pursuant to this Section 13.04(b), the assigning Lender shall be relieved of its obligations hereunder with respect to its assigned Commitments and/or outstanding Term Loans, as the case may be. At the time of each assignment pursuant to this

Section 13.04(b) to a Person which is not already a Lender hereunder and which is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) for Federal income tax purposes, the respective assignee Lender shall, to the extent legally entitled to do so, provide to the U.S. Borrower and the Administrative Agent the appropriate Internal Revenue Service Forms (and, if applicable, a Section 5.04(b)(ii) Certificate) described in Section 5.04(b)(ii) to the extent such forms would provide a complete exemption from or reduction in United States withholding tax. At the time of each assignment pursuant to this Section 13.04(b) to a Person which is not already a Lender hereunder, for the purpose of perfecting and enforcing certain security interests purported and intended to be created by the Brazilian Security Documents, the respective assignee Lender shall provide to the Administrative Agent an executed power of attorney in favor of the Brazilian Collateral Agent. To the extent that an assignment of all or any portion of a Lender's Commitments and related outstanding Obligations pursuant to Section 2.13 or this Section 13.04(b) would, at the time of such assignment, result in increased costs under Sections 2.10, 2.11 or 5.04 from those being charged by the respective assigning Lender prior to such assignment, then the Borrowers shall not be obligated to pay such increased costs (although the Borrowers, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment).

(c) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Loans and Notes hereunder to a Federal Reserve Bank or other foreign Governmental Authority in support of borrowings made by such Lender from such Federal Reserve Bank or other foreign Governmental Authority and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or any Credit Agreement Party), any Lender which is a fund may pledge all or any portion of its Loans or Notes to its trustee or to a collateral agent or to another creditor providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of, or any other representative of a holder of, such obligations, or such other creditor, as the case may be. No pledge pursuant to this clause (c) shall release the transferor Lender from any of its obligations hereunder.

13.05 No Waiver: Remedies Cumulative. No failure or delay on the part of any Agent, the Collateral Agent, or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between any Credit Party and any Agent, the Collateral Agent, or any Lender shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which any Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of any Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

13.06 Payments Pro Rata. (a) Except as otherwise provided in this Agreement, the Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of any Credit Party in respect of any Obligations of such Credit Party, it shall, except as otherwise provided in this Agreement, distribute such payment to the Lenders entitled thereto (other than any Lender that has consented in writing to waive its pro rata share of any such payment) pro rata based upon their respective shares, if any, of the Obligations with respect to which such payment was received.

(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker's lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise) which is applicable to the payment of the principal of, or interest on, the Loans of any Tranche or other Fees, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the principal of, or interest on, the Loans of such Tranche or other Fees then owed and due to such Lender bears to the total of such Obligations then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all of the Lenders in such amount; provided that if all or any portion of such excess amount is thereafter recovered from such Lender, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

(c) Notwithstanding anything to the contrary contained herein, the provisions of the preceding Sections 13.06(a) and (b) shall be subject to the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting Lenders as opposed to Defaulting Lenders.

13.07 Calculations; Computations. (a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with U.S. GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto), provided that (i) if the U.S. Borrower notifies the Administrative Agent that the U.S. Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the date hereof in U.S. GAAP or in the application thereof on the operation of such provision (or if the Administrative Agent notifies the U.S. Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in U.S. GAAP or in the application thereof, then such provision shall be interpreted on the basis of U.S. GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith and (iii) for purposes of determining compliance with any incurrence or expenditure tests set forth in Sections 9 and/or 10, any amounts so incurred or expended (to the extent incurred or expended in a currency other than U.S. Dollars) shall be converted into U.S. Dollars on the basis of the exchange rates (as shown on Reuters ECB page 37 or, if same does not provide such exchange rates, on such other basis as is reasonably satisfactory to the Administrative Agent) as in effect on the date of such incurrence or expenditure under any provision of any such Section that has an aggregate U.S. Dollar limitation provided for therein (and to the extent the respective incurrence or expenditure test regulates the aggregate amount outstanding at any time and it is expressed in terms of U.S. Dollars, all outstanding amounts originally incurred or spent in currencies other than U.S. Dollars shall be converted into U.S. Dollars on the basis of the exchange rates (as shown on Reuters ECB page 37 or, if same does not provide such exchange rates, on such other basis as is reasonably satisfactory to the Administrative Agent) as in effect on the date of any new incurrence or expenditures made under any provision of any such Section that regulates the Dollar amount outstanding at any time).

(b) All computations of interest (other than interest based on the Base Rate at times when the Base Rate is based on the Prime Lending Rate), and other Fees hereunder shall be made on the basis of a year of 360 days for the actual number of days occurring in the period for which such interest or Fees are payable. All computations of interest based on the Prime Lending Rate and clause (x) of the definition of Base Rate shall be based on a year of 365 days.

(c) For purposes of the *Interest Act* (Canada), (i) whenever any interest or fee under this Agreement is calculated using a rate based on a year of 360 days or 365 days, as the case may be, the rate determined pursuant to such calculation, when expressed as an annual rate, is equivalent to (x) the applicable rate based on a year of 360 days or 365 days, as the case may be, (y) multiplied by the actual number of days in the calendar year in which such annual rate is to be ascertained, and (z) divided by 360 or 365, as the case may be; (ii) the principle of deemed reinvestment or interest does not apply to any interest calculation under this Agreement; and (iii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

(d) If any provision of this Agreement or of any of the other Credit Documents would obligate any Credit Party to make any payment of interest with respect to the Obligations or other amount payable to any Lender in an amount or calculated at a rate which would result in a receipt by that Lender of interest with respect to the Obligations at a criminal rate (as such terms are construed under the Criminal Code (Canada)) then, notwithstanding such provision, such amount or rates shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not so result in a receipt by that Lender of interest with respect to the Obligations at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (i) first, by reducing the amount or rates of interest required to be paid to the affected Lender under Section 2.08; and (ii) thereafter, by reducing any charges, fees, commissions, expenses, premiums and other amounts required to be paid to the affected Lender which would constitute interest with respect to the Obligations for purposes of Section 347 of the Criminal Code (Canada). Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if any Lender shall have received an amount in excess of the maximum permitted by that section of the Criminal Code (Canada), then the Canadian Borrower shall be entitled, by notice in writing to the affected Lender, to obtain reimbursement from that Lender in an amount equal to such excess, and pending such reimbursement, such amount shall be deemed to be an amount payable by that Lender to Canadian Borrower. Any amount or rate of interest on the Obligations referred to in this Section 13.07(d) shall be determined in accordance with generally accepted actuarial practices and principles as an effective annual rate of interest over the term that the applicable Loan or Loans remain outstanding on the assumption that any charges, fees, commissions, expenses, premiums and other amounts that fall within the meaning of interest (as defined in the Criminal Code (Canada)) shall, if they relate to a specific period of time, be pro-rated over that period of time and otherwise be pro-rated over the period from the Initial Borrowing Date to the applicable Maturity Date and, in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Administrative Agent shall be conclusive for the purposes of such determination.

13.08 Governing Law; Submission to Jurisdiction; Venue. (a) THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND THEREUNDER SHALL, EXCEPT AS OTHERWISE PROVIDED IN CERTAIN OF THE SECURITY DOCUMENTS AND EXCEPT TO THE EXTENT NEW YORK LAW IS SUPERSEDED BY THE BANKRUPTCY CODE, BE CONSTRUED IN ACCORDANCE WITH AND BE GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

(b) (i) Prior to the closing or dismissal of the U.S. Cases, the U.S. Credit Parties shall submit to the exclusive jurisdiction of the Bankruptcy Court over any legal action or proceeding with respect to this Agreement or any other Credit Document. Following the closing or dismissal of a U.S. Case of any U.S. Credit Party, such U.S. Credit Party shall submit to the exclusive jurisdiction of the courts of the State of New York or of the United States for the Southern District of New York, in each case located within the City of New York.

(ii) Prior to the termination or dismissal of the Canadian Case, the Canadian Borrower shall submit to the non-exclusive jurisdiction of the Canadian Court over any legal action or proceeding with respect to this Agreement or any other Credit Document. Following the termination or dismissal of the Canadian Case, the Canadian Borrower shall submit to the non-exclusive jurisdiction of the courts of the State of New York or of the United States for the Southern District of New York, in each case located within the City of New York.

(iii) If (A) a Credit Agreement Party is neither the U.S. Credit Parties nor the Canadian Borrower or (B) the Bankruptcy Court, in case of the U.S. Credit Parties, or the Canadian Court, in case of the Canadian Borrower, does not have or does not exercise jurisdiction over such Credit Agreement Party, as the case may be, then a legal action or proceeding may be brought in the courts of the State of New York or of the United States for the Southern District of New York, in each case located within the City of New York.

(iv) By execution and delivery of this Agreement, each Credit Agreement Party hereby irrevocably accepts for itself and in respect of its property, generally and unconditionally, the jurisdiction of the aforesaid courts.

(c) The Canadian Borrower hereby irrevocably designates, appoints and empowers Corporation Service Company, with offices on the date hereof at 80 State Street, Albany, NY 12207, as its designee, appointee and agent to receive, accept and acknowledge for and on its behalf, and in respect of its property, service of any and all legal process, summons, notices and documents which may be served in any such action or proceeding. If for any reason such designee, appointee and agent shall cease to be available to act as such, the Canadian Borrower agrees to designate a new designee, appointee and agent in New York City on the terms and for the purposes of this provision reasonably satisfactory to the Administrative Agent under this Agreement.

(d) Each Credit Agreement Party hereby further irrevocably waives any claim that any such courts lack jurisdiction over such Credit Agreement Party, and agrees not to plead or claim, in any legal action or proceeding with respect to this Agreement or any other Credit Document brought in any of the aforesaid courts, that any such court lacks jurisdiction over such Credit Agreement Party. Each Credit Agreement Party further irrevocably consents to the service of process in any such action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, to such Credit Agreement Party, as the case may be, at its address for notices pursuant to Section 13.03, such service to become effective 30 days after such mailing. Each Credit Agreement Party hereby irrevocably waives any objection to such service of process and further irrevocably waives and agrees not to plead or claim in any action or proceeding commenced hereunder or under any other Credit Document that service of process was in any way invalid or ineffective.

(e) Nothing herein shall affect the right of any Agent, the Collateral Agent, any Lender or the holder of any Note to serve process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against any Credit Agreement Party in any other jurisdiction.

(f) SUBJECT TO THE EXCLUSIVE JURISDICTION OF THE BANKRUPTCY COURT AND THE CANADIAN COURT AS PROVIDED IN CLAUSES (b)(i) AND (ii) ABOVE, EACH CREDIT AGREEMENT PARTY HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY OF THE AFORESAID ACTIONS OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT BROUGHT IN THE COURTS REFERRED TO IN CLAUSE (b) ABOVE AND HEREBY FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

(g) EACH OF THE PARTIES HERETO IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT.

13.09 Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with each Credit Agreement Party and the Administrative Agent.

13.10 Effectiveness. The Administrative Agent will give Holdings and each Lender prompt written notice of the occurrence of the Effective Date.

13.11 Headings Descriptive. The headings of the several sections and subsections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

13.12 Amendment or Waiver; etc. (a) Neither this Agreement nor any other Credit Document nor any terms hereof or thereof may be changed, waived, discharged or terminated unless such change, waiver, discharge or termination is in writing signed by the respective Credit Parties party hereto or thereto and the Required Lenders (although additional parties may be added to (and annexes may be modified to reflect such additions), and Subsidiaries of the U.S. Borrower may be released from, any Subsidiaries Guaranty and the Security Documents in accordance with the provisions hereof and thereof without the consent of the other Credit Parties party thereto or the Required Lenders), provided that no such change, waiver, discharge or termination shall, without the consent of each Lender (other than a Defaulting Lender) (with Obligations being directly affected thereby in the case of the following clause (i)), (i) extend the final scheduled maturity of any Loan or Note (other than by amending clause (c) of the definition of Maturity Date) or extend the duration of any Interest Period beyond six months, or reduce the rate or extend the time of payment of interest (other than as a result of any waiver of the applicability of any post-default increase in interest rates) or Fees thereon, or reduce the principal amount thereof (except to the extent paid in cash), (ii) release all or substantially all of the Collateral (except as

expressly provided in the Credit Documents) under any Security Document or alter the relative priority of the Liens, (iii) amend, modify or waive any provision of this Section 13.12 (except for technical amendments with respect to additional extensions of credit pursuant to this Agreement which afford the protections to such additional extensions of credit of the type provided to the Tranche A Term Loans, Tranche B Term Loans and Tranche C Term Loans on the Effective Date), (iv) reduce the percentage specified in the definition of Required Lenders (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the extensions of Term Loans are included on the Effective Date), (v) consent to the assignment or transfer by any Credit Agreement Party of any of its rights and obligations under this Agreement, or (vi) release the Holdings Guaranty, the U.S. Borrower's Guaranty or any Subsidiaries Guaranty; provided further, that no such change, waiver, discharge or termination shall (1) increase the Commitments of any Lender over the amount thereof then in effect without the consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the Total Commitment shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender shall not constitute an increase in the Commitment of such Lender), (2) without the consent of each Agent affected thereby, amend, modify or waive any provision of Section 12 as same applies to such Agent or any other provision as same relates to the rights or obligations of such Agent, (3) without the consent of the Collateral Agent, amend, modify or waive any provision relating to the rights or obligations of the Collateral Agent, (4) except in cases where additional extensions of term loans are being afforded substantially the same treatment afforded to the Term Loans pursuant to this Agreement as originally in effect, without the consent of the Majority Lenders of each Tranche which is being allocated a lesser prepayment, repayment or commitment reduction as a result of the actions described below, alter the required application of any prepayments or repayments (or commitment reduction), as between the various Tranches, pursuant to Sections 5.01 or 5.02 (excluding Section 5.02(b)) (although the Required Lenders may waive, in whole or in part, any such prepayment, repayment or commitment reduction, so long as the application, as amongst the various Tranches, of any such prepayment, repayment or commitment reduction which is still required to be made is not altered), (5) without the consent of the Majority Lenders of the respective Tranche affected thereby, amend the definition of Majority Lenders (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Majority Lenders on substantially the same basis as the extensions of Loans and Commitments are included on the Effective Date), or (6) without the consent of the Supermajority Lenders of the respective Tranche, reduce the amount of or extend the date of, any Tranche A Term Loan Scheduled Repayment, Tranche B Term Loan Scheduled Repayment, Tranche C Term Loan Scheduled Repayment or Incremental Term Loan Scheduled Repayment (except that, if additional Loans are made pursuant to a given Tranche, the Scheduled Repayments of such Tranche may be increased on a proportionate basis without the consent otherwise required by this clause (6)), or amend the definition of Supermajority Lenders (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Supermajority Lenders on substantially the same basis as the extensions of Loans and Commitments are included on the Effective Date). Notwithstanding anything to the contrary contained above in this Section 13.12(a), the Administrative Agent and/or the Collateral Agent shall be permitted to enter into such amendments and/or modifications (i) as specified in Section 6.26(c) and (ii) to the Foreign Security Documents which may be required in the discretion of the Administrative Agent and/or the Collateral Agent which are of a technical nature and/or are, in the judgment of the Collateral Agent, required by applicable law, in the interests of the Secured Creditors or necessary or, in the reasonable opinion of the Collateral Agent, advisable to preserve, maintain, perfect and/or protect the security interests purported to be granted by the respective Foreign Security Documents.

(b) Notwithstanding anything to the contrary contained in clause (a) above of this Section 13.12, the respective Borrower, the Administrative Agent and each Incremental Term Loan Lender may, in accordance with the provisions of Section 2.15, enter into an Incremental Term Loan Commitment Agreement, provided that after the execution and delivery by the respective Borrower, the Administrative Agent and each such Incremental Term Loan Lender of such Incremental Term Loan Commitment Agreement, such Incremental Term Loan Commitment Agreement may thereafter only be modified in accordance with the requirements of clause (a) above of this Section 13.12.

13.13 Survival. All indemnities set forth herein including, without limitation, in Sections 2.10, 2.11, 5.04, 12.07, 13.01 and 13.17, shall survive the execution and delivery of this Agreement and the making and repayment of the Loans and the other Obligations.

13.14 Domicile of Loans and Commitments. Each Lender may transfer and carry its Loans and/or Commitments at, to or for the account of any branch office, subsidiary or affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Loans pursuant to this Section 13.14 would, at the time of such transfer, result in increased costs under Sections 2.10, 2.11 or 5.04 from those being charged by the respective Lender prior to such transfer, then the Borrowers shall not be obligated to pay such increased costs (although the Borrowers shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective transfer).

13.15 Confidentiality. (a) Subject to the provisions of clause (b) of this Section 13.15, each of the Lenders agrees that it will use its reasonable efforts not to disclose without the prior consent of any Credit Agreement Party (other than to its affiliates and its and their respective directors, employees, auditors, counsel or other professional advisors, to affiliates or to another Lender if the Lender or such Lender's holding or parent company in its sole discretion determines that any such party should have access to such information) any information with respect to Holdings or any of its Subsidiaries which is now or in the future furnished pursuant to this Agreement; provided that any Lender may disclose any such information (a) as has become generally available to the public other than by virtue of a breach of this Section 13.15(a) by the respective Lender, (b) as may be required or appropriate (x) in any report, statement or testimony submitted to any municipal, state or Federal regulatory body having or claiming to have jurisdiction over such Lender or to the Federal Reserve Board or the Federal Deposit Insurance Corporation or similar organizations (whether in the United States or elsewhere) or their successors or (y) in connection with any request or requirement of any such regulatory body, (c) as may be required or appropriate in respect to any summons or subpoena or in connection with any litigation, (d) to comply with any law, order, regulation or ruling applicable to such Lender, (e) to the Administrative Agent, the Collateral Agent or any other Agent, (f) to any direct or indirect contractual counterparty in any swap, hedge or similar agreement (or to any such contractual counterparty's professional advisor), so long as such contractual counterparty (or such professional advisor) agrees to be bound by the provisions of this Section 13.15 and (g) to any creditor or any prospective transferee or participant in connection with any contemplated transfer or participation of any of the Obligations or any interest therein by such Lender; provided that such creditor or prospective transferee or participant agrees to be bound by the confidentiality provisions contained in this Section 13.15 to the same extent as such Lender.

(b) Each Credit Agreement Party hereby acknowledges and agrees that each Lender may share with any of its affiliates or its investment advisors, and such affiliates and investment advisors may share with such Lender, any information related to Holdings or any of its Subsidiaries (including, without limitation, any non-public customer information regarding the creditworthiness of such entities), provided that such Persons shall be subject to the provisions of this Section 13.15 to the same extent as such Lender and shall only use such information in connection with matters relating to this Agreement.

13.16 Waiver of Jury Trial. EACH OF THE PARTIES TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER CREDIT DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

13.17 Register. Each of the Borrowers hereby designates the Administrative Agent, and the Administrative Agent agrees, to serve as such Borrower's agent, solely for purposes of this Section 13.17, to maintain a register at one of its offices in New York, New York (the Register) on which it will record the Commitments from time to time of each of the Lenders, the Loans made by each of the Lenders and each repayment in respect of the principal amount of the Loans of each Lender. Failure to make any such recordation, or any error in such recordation shall not affect each Borrower's obligations in respect of such Loans. With respect to any Lender, the transfer of the Commitments of such Lender and the rights to the principal of, and interest on, any Loan made pursuant to such Commitments shall not be effective until such transfer is recorded on the Register maintained by the Administrative Agent with respect to ownership of such Commitments and/or Loans. Prior to such recordation, all amounts owing to the transferor with respect to such Commitments and/or Loans shall remain owing to the transferor. The registration of an assignment or transfer of all or part of any Commitments and/or Loans shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement pursuant to Section 13.04(b). Coincident with the delivery of such an Assignment and Assumption Agreement to the Administrative Agent for acceptance and the registration of assignment or transfer of all or part of a Commitment and/or Loan, or as soon thereafter as practicable, the assigning or transferor Lender shall surrender any Note evidencing such Commitment and/or Loan and such Note shall be marked "cancelled", and one or more new Notes in the same aggregate principal amount shall be issued to the assigning or transferor Lender and/or, if requested thereby, the new Lender. The registration of any provision of Incremental Term Loan Commitments pursuant to Section 2.15 shall be recorded by the Administrative Agent on the Register only upon the acceptance of the Administrative Agent of a properly executed and delivered Incremental Term Loan Commitment Agreement. Coincident with the delivery of such Incremental Term Loan Commitment Agreement for acceptance and registration of the provision of an Incremental Term Loan Commitment, or as soon thereafter as practicable, to the extent requested by such Incremental Term Loan Lenders and Incremental Term Notes shall be issued, at the respective Borrower's expense, to such Incremental Term Loan Lenders, to be in conformity with Section 2.05 (with appropriate modification) to the extent needed to reflect the Incremental Term Loan Commitments and outstanding Incremental Term Loans made by such Incremental Term Loan Lender. Each Borrower agrees to indemnify the Administrative Agent from and against any and all losses, claims, damages and liabilities of whatsoever nature that may be imposed on, asserted against or incurred by the Administrative Agent in performing its duties under this Section 13.17 in respect of the Loans and Commitments made to such Borrower.

13.18 English Language. This Agreement and all other Credit Documents shall be in the English language, except as required by applicable local law (in which event certified English translations thereof shall, upon the request of the Administrative Agent, be provided by Holdings to the Administrative Agent). All documents, certificates, reports or notices to be delivered or communications to be given or made by any party hereto pursuant to the terms of this Agreement or any other Credit Document shall be in the English language or, if originally written in another language, shall, upon request of the Administrative Agent, be accompanied by an accurate English translation upon which the other parties hereto shall have the right to rely for all purposes of this Agreement and the other Credit Documents.

13.19 Special Provisions Regarding Pledges of Equity Interests in Persons Not Organized in Qualified Jurisdictions. The parties hereto acknowledge and agree that the provisions of the various Security Documents executed and delivered by the Credit Parties require that, among other things, all Equity Interests in, various Persons owned by the respective Credit Party be pledged, and delivered for pledge, pursuant to the Security Documents. The parties hereto further acknowledge and agree that each Credit Party shall be required to take all actions under the laws of the jurisdiction in which such Credit Party is organized to create and perfect all security interests granted pursuant to the various Security Documents and to take all actions under the laws of the United States, Canada, Germany, France, Brazil, Mexico and The Netherlands to perfect the security interests in the Equity Interests of any Person organized under the laws of said jurisdictions (to the extent said Equity Interests are owned by any Credit Party). Except as provided in the immediately preceding sentence, to the extent any Security Document requires or provides for the pledge of Equity Interests in any Person organized under the laws of a jurisdiction other than those specified in the immediately preceding sentence, it is acknowledged that, as of the Initial Borrowing Date, no actions have been required to be taken to perfect, under local law of the jurisdiction of the Person who issued the respective promissory notes or whose Equity Interests are pledged, under the Security Documents. The Credit Agreement Parties hereby agree that, following any reasonable request by the Administrative Agent or Required Lenders to do so, each Credit Agreement Party shall, and shall cause its Subsidiaries to, take such actions (including, without limitation, the execution of Additional Security Documents, the making of any filings and the delivery of appropriate legal opinions) under the local law of any jurisdiction with respect to which such actions have not already been taken as are determined by the Administrative Agent or Required Lenders to be necessary or, in the reasonable opinion of the Administrative Agent, advisable in order to fully perfect, preserve or protect the security interests granted pursuant to the various Security Documents under the laws of such jurisdictions. If requested to do so pursuant to this Section 13.19, all such actions shall be taken in accordance with the provisions of this Section 13.19 and Sections 9.12 and 9.13 and within the time periods set forth therein. All conditions and representations contained in this Agreement and the other Credit Documents shall be deemed modified to the extent necessary to effect the foregoing and so that same are not violated by reason of the failure to take actions under local law (but only with respect to Equity Interests in Persons organized under laws of jurisdictions other than the United States, Canada, Germany, France, Brazil, Mexico or The Netherlands) not required to be taken in accordance with the provisions of this Section 13.19, provided that to the extent any representation or warranty would not be true because the foregoing actions were not taken, the respective representation of warranties shall be required to be true and correct in all material respects at such time as the respective action is required to be taken in accordance with the foregoing provisions of this Section 13.19 or pursuant to Sections 9.12 and 9.13.

13.20 Powers of Attorney; etc. Each of Holdings and the U.S. Borrower is hereby authorized by, and on behalf of, the Canadian Borrower to give Notices of Borrowing, Notices of Conversion/Continuation and other notices and directions in connection with the extensions of credit and repayments thereof to be made pursuant to this Agreement to the Canadian Borrower (including without limitation notices as to the application of proceeds of such extensions of credit). The Canadian Borrower hereby grants to each of Holdings and the U.S. Borrower an irrevocable power-of attorney, in the Canadian Borrower's name, to take the actions contemplated above in this Section 13.20 and in the last sentence of Section 2.13 hereof. Furthermore, the Canadian Borrower agrees that the Agents and the Lenders may at any time rely upon any notices, instructions or other information furnished by Holdings or the U.S. Borrower.

13.21 Waiver of Sovereign Immunity. Each of the Credit Agreement Parties, in respect of itself, its Subsidiaries, its process agents, and its properties and revenues, hereby irrevocably agrees that, to the extent that such Credit Agreement Party, its Subsidiaries or any of its properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, from any legal proceedings, whether in the United States, Canada or elsewhere, to enforce or collect upon the Loans or any Credit Document or any other liability or obligation of such Credit Agreement Party or any of its Subsidiaries related to or arising from the transactions contemplated by any of the Credit Documents, including, without limitation, immunity from service of process, immunity from jurisdiction or judgment of any court or tribunal, immunity from execution of a judgment, and immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, such Credit Agreement Party, for itself and on behalf of its Subsidiaries, hereby expressly waives, to the fullest extent permissible under applicable law, any such immunity, and agrees not to assert any such right or claim in any such proceeding, whether in the United States, Canada or elsewhere. Without limiting the generality of the foregoing, each Credit Agreement Party further agrees that the waivers set forth in this Section 13.21 shall have the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976 of the United States and are intended to be irrevocable for purposes of such Act.

13.22 Determinations of Satisfaction by the Lenders. Where a document or matter is required by this Agreement to be satisfactory to the Lenders (or a subset thereof) (whether reasonably, or in its or their sole discretion, or otherwise), such document or matter shall be deemed to be so satisfactory in the absence of notice from any Lender to the U.S. Borrower and the Administrative Agent that such document or matter is not satisfactory.

13.23 Judgment Currency.

(a) The Credit Parties' obligations hereunder and under the other Credit Documents to make payments in U.S. Dollars (the Obligation Currency) shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any currency other than the Obligation Currency, except to the extent that such tender or recovery results in the effective receipt by the Administrative Agent, the Collateral Agent or the respective Lender of the full amount of the Obligation Currency expressed to be payable to the Administrative Agent, the Collateral Agent or such Lender under this Agreement or the other Credit Documents. If for the purpose of obtaining or enforcing judgment against any Credit Party in any court or in any jurisdiction, it becomes necessary to convert into or from any currency other than the Obligation Currency (such other currency being hereinafter referred to as the Judgment Currency) an amount due in the Obligation Currency, the conversion shall be made, at the Canadian Dollar Equivalent or the U.S. Dollar Equivalent thereof, as the case may be, and, in the case of other currencies, the rate of exchange (as quoted by the Administrative Agent or if the Administrative Agent does not quote a rate of exchange on such currency, by a known dealer in such currency designated by the Administrative Agent) determined, in each case, as of the day on which the judgment is given (such day being hereinafter referred to as the Judgment Currency Conversion Date).

(b) If there is a change in the rate of exchange prevailing between the Judgment Currency Conversion Date and the date of actual payment of the amount due by any Borrower, such Borrower covenants and agrees to pay, or cause to be paid, such additional amounts, if any (but in any event not a lesser amount), as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial award at the rate or exchange prevailing on the Judgment Currency Conversion Date.

(c) For purposes of determining the U.S. Dollar Equivalent or the Canadian Dollar Equivalent or any other rate of exchange for this Section, such amounts shall include any premium and costs payable in connection with the purchase of the Obligation Currency. If the amount of the Judgment Currency so purchased exceeds the sum originally due to the Lenders in the Judgment Currency, the Lenders shall, except during the occurrence and continuation of an Event of Default under paragraph (a), (b), (h), (i) or (j) of Section 11 (in which case such excess shall be applied by such Lender to any outstanding Obligations owed to such Lender by any Credit Party), remit such excess to the relevant Borrower.

13.24 Limitation on Additional Amounts, etc. Notwithstanding anything to the contrary contained in Section 2.10 or 2.11 of this Agreement, unless a Lender gives notice to the respective Borrower that it is obligated to pay an amount under such Section within six months after the date the Lender incurs the respective increased costs, loss, expense or liability, reduction in amounts received or receivable or reduction in return on capital, then such Lender shall only be entitled to be compensated for such amount by the respective Borrower pursuant to said Section 2.10 or 2.11, as the case may be, to the extent of the costs, loss, expense or liability, reduction in amounts received or receivable or reduction in return on capital that are incurred or suffered on or after the date which occurs six months prior to such Lender giving notice to the respective Borrower that it is obligated to pay the respective amounts pursuant to said Section 2.10 or 2.11, as the case may be (provided further that, if any Requirement of Law giving rise, directly or indirectly, to such obligation to pay under Section 2.10 or 2.11, as the case may be, is retroactive, then the six month period referred to above shall be extended to include the period of retroactive effect thereof). This Section 13.24 shall have no applicability to any Section of this Agreement other than said Sections 2.10 or 2.11.

13.25 USA PATRIOT Act. Each Lender subject to the Act hereby notifies the Borrowers that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the Patriot Act), it is required to obtain, verify and record information that identifies the Borrowers, which information includes the name and address of each of the Borrowers and other information that will allow such Lender to identify each of the Borrowers in accordance with the Patriot Act.

13.26 Abstract Acknowledgment of Indebtedness and Joint Creditorship: Release of German Pledge Agreement.

(a) In connection with the Local Law Pledge Agreement pursuant to which the Canadian Borrower has pledged all of its Equity Interests in its wholly-owned Subsidiary CSA Holding (Deutschland) GmbH to the Collateral Agent (the German Law Pledge Agreement), the Canadian Borrower has granted an abstract acknowledgement of indebtedness (*abstraktes Schuldanerkenntnis*) to the Collateral Agent in a separate agreement governed by German law to pay to the Collateral Agent amounts equal to, and in the currency of, any amounts owed by the Canadian Borrower to a Secured Creditor (as defined in the Canadian Pledge Agreement) under any Credit Document, Post Petition Swap Agreement or Post Petition Cash Management Arrangement as and when such amounts falls due for payment under the relevant Credit Document, Post Petition Swap Agreement or Post Petition Cash Management Arrangement or would have fallen due but for any discharge resulting from failure of another Secured Creditor to take appropriate steps, in insolvency proceedings affecting the Canadian Borrower or any other Credit Party, to preserve its entitlement to be paid that amount (the Abstract Acknowledgement of Indebtedness). For purposes of the Abstract Acknowledgement of Indebtedness only, the Collateral Agent shall be the joint creditor (together with the relevant Secured Creditor) of all obligations of the Canadian Borrower towards each of the Secured Creditors under the Credit Documents, the Post Petition Swap Agreements and the Post Petition Cash Management Arrangements.

(b) Any amount due and payable by the Canadian Borrower to the Collateral Agent under the Abstract Acknowledgement of Indebtedness shall be decreased to the extent that the other Secured Creditors have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Credit Documents, the Post Petition Swap Agreements or the Post Petition Cash Management Arrangements and any amount due and payable by the Canadian Borrower to the other Secured Creditors under those provisions shall be decreased to the extent that the Collateral Agent has received (and is able to retain) payment in full in cash of the corresponding amount under the Abstract Acknowledgement of Indebtedness, provided that the Canadian Borrower may not consider its obligations towards a Secured Creditor to be so discharged by virtue of any set-off, counterclaim or similar defence that it may invoke vis-à-vis the Collateral Agent. For purposes of the Abstract Acknowledgement of Indebtedness and German Law Pledge Agreement only, for the avoidance of doubt and notwithstanding any provision in the Abstract Acknowledgement of Indebtedness, irrevocable and unconditional payment in full in cash of all of the Credit Document Obligations (as defined in the Canadian Pledge Agreement) shall satisfy in full all obligations owed by the Canadian Borrower under the Abstract Acknowledgement of Indebtedness.

(c) Subject to paragraph (b) above, the rights of the Secured Creditors (other than the Collateral Agent) to receive payment of amounts payable by the Canadian Borrower under the Credit Documents, the Post Petition Swap Agreements and the Post Petition Cash Management Arrangements are several and are separate and independent from, and without prejudice to, the rights of the Collateral Agent to receive payment under the Abstract Acknowledgement of Indebtedness.

(d) On the German Pledge Termination Date (as defined below), the German Law Pledge Agreement shall terminate and the security interests granted thereby shall be released automatically (provided that all indemnities set forth therein shall survive any such termination) and the Collateral Agent, at the request and expense of the Canadian Borrower, will execute and deliver to the Canadian Borrower a proper instrument or instruments (including local law termination statements) acknowledging the satisfaction and termination of the German Law Pledge Agreement (including, without limitation, local law termination statements and instruments of satisfaction, discharge and/or reconveyance), and will assign, transfer and deliver to the Canadian Borrower (without recourse and without any representation or warranty) such of the Equity Interests in CSA Holding (Deutschland) GmbH as may be in

the possession of the Collateral Agent or any of its sub-agents thereunder and as has not theretofore been sold or otherwise applied or released pursuant to the German Law Pledge Agreement, together with any moneys at the time held by the Collateral Agent or any of its sub-agents hereunder. As used in this Agreement, German Pledge Termination Date shall mean the date upon which the Commitments under the Credit Agreement have been terminated, no or Note is outstanding (and all Loans have been paid in full), and all other Credit Document Obligations (as defined in the Canadian Pledge Agreement) (other than indemnities described in the German Law Pledge Agreement and described in Section 13.01 hereof, and any other indemnities set forth in any other Security Documents, in each case which are not then due and payable) then due and payable have been paid in full.

(e) In the event that any Equity Interests in CSA Holding (Deutschland) GmbH are sold or otherwise disposed of (to a Person other than a Credit Party) at any time prior to the time at which all Credit Document Obligations (as defined in the Canadian Pledge Agreement) have been paid in full and all Commitments, in connection with a sale or disposition permitted by Section 10.05 hereof or is otherwise released at the direction of the Required Lenders (or all the Lenders if required by Section 13.12 hereof), the proceeds of such sale or disposition (or from such release) are applied in accordance with the terms of the Credit Agreement to the extent required to be so applied, such Equity Interests shall be automatically released from the security interest granted under the German Law Pledge Agreement and the Collateral Agent, at the request and expense of the Canadian Borrower, will execute and deliver such documentation (including termination or partial release statements and the like in connection therewith) and assign, transfer and deliver to the Canadian Borrower (without recourse and without any representation or warranty) such Equity Interests as are then being (or has been) so sold or released and as may be in the possession of the Collateral Agent (or, in the case of Equity Interests held by any sub-agent designated pursuant to the German Law Pledge Agreement, such sub-agent) and has not theretofore been released pursuant to this Agreement.

(f) At any time that the Canadian Borrower desires that the Collateral Agent execute and deliver any release documentation as provided in the foregoing in this Section 13.26, the Canadian Borrower shall deliver to the Collateral Agent (and the relevant sub-agent, if any, designated pursuant to the German Law Pledge Agreement) a certificate signed by an authorized officer of the Canadian Borrower stating that the release of the respective Collateral is permitted pursuant to this Section 13.26. The Collateral Agent shall have no liability whatsoever to any other Secured Creditor (as defined in the Canadian Pledge Agreement) as the result of any release of Collateral by it in accordance with (or which the Collateral Agent believes to be in accordance with) this Section 13.26.

(g) If at any time all of the Equity Interests of the Canadian Borrower owned by the U.S. Borrower or any of its Subsidiaries are sold (to a Person other than a Credit Party) in a transaction permitted pursuant to the Credit Agreement (and which does not violate the terms of any other Secured Debt Agreement (as defined in the Canadian Pledge Agreement) then in effect), then, at the request and expense of the U.S. Borrower, the Canadian Borrower shall be released as a pledgor under the German Law Pledge Agreement pursuant to this Section 13.26 automatically without any further action hereunder (it being understood that the sale of all of the Equity Interests in any Person that owns, directly or indirectly, all of the Equity Interests in the Canadian Borrower shall be deemed to be a sale of all of the Equity Interests in the Canadian Borrower for purposes of this Section), and the Collateral Agent is authorized and directed to execute and deliver such instruments of release as are reasonably satisfactory to it. At any time that the U.S. Borrower desires that the Canadian Borrower be released from the German Law Pledge Agreement as provided in this

Section 13.26, the U.S. Borrower shall deliver to the Collateral Agent a certificate signed by a principal executive officer of the U.S. Borrower stating that the release of the Canadian Borrower is permitted pursuant to this Section 13.26. The Collateral Agent shall have no liability whatsoever to any other Secured Creditor as a result of the release of the Canadian Borrower by it in accordance with, or which it believes to be in accordance with, this Section 13.26.

SECTION 14. Holdings Guaranty.

14.01 The Guaranty. In order to induce the each of the Agents, the Collateral Agent and the Lenders to enter into this Agreement and to extend credit hereunder, and to induce the other Guaranteed Creditors to enter into Post Petition Swap Agreements, and in recognition of the direct benefits to be received by Holdings from the proceeds of the Loans and the entering into of such Post Petition Swap Agreements, Holdings hereby agrees with the primary, absolute and unconditional, as follows: Holdings hereby unconditionally and irrevocably guarantees, as primary obligor and not merely as surety the full and prompt payment when due, whether upon maturity, acceleration or otherwise, of any and all of the Holdings Guaranteed Obligations to the Guaranteed Creditors. If any or all of the Holdings Guaranteed Obligations to the Guaranteed Creditors becomes due and payable hereunder, Holdings unconditionally and irrevocably promises to pay such indebtedness to the Guaranteed Creditors, or order, on demand, together with any and all expenses which may be incurred by the Guaranteed Creditors in collecting any of the Holdings Guaranteed Obligations. This Holdings Guaranty is a guaranty of payment and not of collection. This Holdings Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. If claim is ever made upon any Guaranteed Creditor for repayment or recovery of any amount or amounts received in payment or on account of any of the Holdings Guaranteed Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any settlement or compromise of any such claim effected by such payee with any such claimant (including the Borrowers and any other Holdings Guaranteed Party), then and in such event Holdings agrees that any such judgment, decree, order, settlement or compromise shall be binding upon Holdings, notwithstanding any revocation of this Holdings Guaranty or any other instrument evidencing any liability of each Borrower or any other Holdings Guaranteed Party, and Holdings shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

14.02 Bankruptcy. Additionally, Holdings unconditionally and irrevocably guarantees the payment of any and all of the Holdings Guaranteed Obligations to the Guaranteed Creditors whether or not due or payable by each Borrower or any other Holdings Guaranteed Party upon the occurrence of any of the events specified in clause (h), (i) or (j) of Section 11, and irrevocably and unconditionally promises to pay such indebtedness to the Guaranteed Creditors, or order, on demand.

14.03 Nature of Liability. The liability of Holdings hereunder is primary, absolute and unconditional, exclusive and independent of any security for or other guaranty of the Holdings Guaranteed Obligations whether executed by Holdings, any other guarantor or by any other party, and the liability of Holdings hereunder is not affected or impaired by (a) any direction as to application of payment by each Borrower, any other Holdings Guaranteed Party or any other party, or (b) any other continuing or other guaranty, undertaking or maximum liability of a guarantor or of any other party as to the Holdings Guaranteed Obligations, or (c) any payment on or in reduction of any such other guaranty or undertaking, or (d) any dissolution, termination or increase,

decrease or change in personnel by each Borrower or any other Holdings Guaranteed Party, or (e) any payment made to the Guaranteed Creditors on the Holdings Guaranteed Obligations which any such Guaranteed Creditor repays to each Borrower or any other Holdings Guaranteed Party pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and Holdings waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, or (f) any action or inaction of the type described in Section 14.05, or (g) the lack of validity or enforceability of any Credit Document or any other instrument relating thereto.

14.04 Independent Obligation. No invalidity, irregularity or unenforceability of all or any part of the Holdings Guaranteed Obligations or of any security therefor shall affect, impair or be a defense to this Holdings Guaranty, and this Holdings Guaranty shall be primary, absolute and unconditional notwithstanding the occurrence of any event or the existence of any other circumstances which might constitute a legal or equitable discharge of a surety or guarantor except payment in full in cash of the Holdings Guaranteed Obligations. The obligations of Holdings hereunder are independent of the obligations of each Borrower, any other Holdings Guaranteed Party, any other guarantor or any other party and a separate action or actions may be brought and prosecuted against Holdings whether or not action is brought against each Borrower, any other Holdings Guaranteed Party, any other guarantor or any other party and whether or not each Borrower, any other Holdings Guaranteed Party, any other guarantor or any other party be joined in any such action or actions. Holdings waives, to the fullest extent permitted by law, the benefit of any statute of limitations affecting its liability hereunder or the enforcement thereof. Any payment by a Borrower or any other Holdings Guaranteed Party or other circumstance that operates to toll any statute of limitations as to such Borrower or such other Holdings Guaranteed Party shall operate to toll the statute of limitations as to Holdings.

14.05 Authorization. Holdings authorizes the Guaranteed Creditors without notice or demand (except as shall be required by applicable statute and cannot be waived), and without affecting or impairing its liability hereunder, from time to time to:

(a) change the manner, place or terms of payment of, and/or change or extend the time of payment of, renew, increase, accelerate or alter, any of the Holdings Guaranteed Obligations (including any increase or decrease in the principal amount thereof or the rate of interest or fees thereon), any security therefor, or any liability incurred directly or indirectly in respect thereof, and this Holdings Guaranty made shall apply to the Holdings Guaranteed Obligations as so changed, extended, renewed, increased or altered;

(b) take and hold security for the payment of the Holdings Guaranteed Obligations and sell, exchange, release, impair, surrender, realize upon or otherwise deal with in any manner and in any order any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Holdings Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset thereagainst;

(c) exercise or refrain from exercising any rights against each Borrower, any other Holdings Guaranteed Party or others or otherwise act or refrain from acting;

- (d) release or substitute any one or more endorsers, guarantors, each Borrower, any other Holdings Guaranteed Party or other obligors;
- (e) settle or compromise any of the Holdings Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of each Borrower or any other Holdings Guaranteed Party to their respective creditors other than the Guaranteed Creditors;
- (f) apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of each Borrower or any other Holdings Guaranteed Party to the Guaranteed Creditors regardless of what liability or liabilities of such Borrower or such other Holdings Guaranteed Party remain unpaid;
- (g) consent to or waive any breach of, or any act, omission or default under, this Agreement, any other Credit Document or any Post Petition Swap Agreement or any of the instruments or agreements referred to herein or therein, or otherwise amend, modify or supplement this Agreement, any other Credit Document, any Post Petition Swap Agreement or any of such other instruments or agreements; and/or
- (h) take any other action that would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of Holdings from its liabilities under this Holdings Guaranty.

14.06 Reliance. It is not necessary for the Guaranteed Creditors to inquire into the capacity or powers of each Borrower or any other Holdings Guaranteed Party or the officers, directors, partners or agents acting or purporting to act on their behalf, and any Holdings Guaranteed Obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

14.07 Subordination. Any of the indebtedness of each Borrower or any other Holdings Guaranteed Party now or hereafter owing to Holdings is hereby subordinated to the Holdings Guaranteed Obligations of such Borrower or such other Holdings Guaranteed Party owing to the Guaranteed Creditors; and if the Administrative Agent so requests at a time when an Event of Default exists, all such indebtedness of such Borrower or such other Holdings Guaranteed Party to Holdings shall be collected, enforced and received by Holdings for the benefit of the Guaranteed Creditors and be paid over to the Administrative Agent on behalf of the Guaranteed Creditors on account of the Holdings Guaranteed Obligations of such Borrower or such Holdings Guaranteed Party to the Guaranteed Creditors, but without affecting or impairing in any manner the liability of Holdings under the other provisions of this Holdings Guaranty. Prior to the transfer by Holdings of any note or negotiable instrument evidencing any of the indebtedness of each Borrower or any other Holdings Guaranteed Party to Holdings, Holdings shall mark such note or negotiable instrument with a legend that the same is subject to this subordination.

14.08 Waiver. (a) Holdings waives any right (except as shall be required by applicable statute and cannot be waived) to require any Guaranteed Creditor to (i) proceed against each Borrower, any other Holdings Guaranteed Party, any other guarantor or any other party, (ii) proceed against or exhaust any security held from each Borrower, any other Holdings Guaranteed Party, any other guarantor or any other party or (iii) pursue any other remedy in any Guaranteed Creditor's power whatsoever. Holdings waives any

defense based on or arising out of any defense of each Borrower, any other Holdings Guaranteed Party, any other guarantor or any other party, other than payment in full in cash of the Holdings Guaranteed Obligations, based on or arising out of the disability of each Borrower, any other Holdings Guaranteed Party, any other guarantor or any other party, or the unenforceability of the Holdings Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of each Borrower or any other Holdings Guaranteed Party other than payment in full in cash of the Holdings Guaranteed Obligations. The Guaranteed Creditors may, at their election, foreclose on any security held by the Administrative Agent, the Collateral Agent or any other Guaranteed Creditor by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Guaranteed Creditors may have against each Borrower, any other Holdings Guaranteed Party or any other party, or any security, without affecting or impairing in any way the liability of Holdings hereunder except to the extent the Holdings Guaranteed Obligations have been paid in full in cash. Holdings waives any defense arising out of any such election by the Guaranteed Creditors, even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of Holdings against each Borrower, any other Holdings Guaranteed Party or any other party or any security.

(b) Holdings waives all presentments, demands for performance, protests and notices, including, without limitation, notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Holdings Guaranty, and notices of the existence, creation or incurring of new or additional Holdings Guaranteed Obligations. Holdings assumes all responsibility for being and keeping itself informed of each Borrower's and each other Holdings Guaranteed Party's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Holdings Guaranteed Obligations and the nature, scope and extent of the risks which Holdings assumes and incurs hereunder, and agrees that the Guaranteed Creditors shall have no duty to advise Holdings of information known to them regarding such circumstances or risks.

(c) Until such time as the Holdings Guaranteed Obligations have been paid in full in cash, Holdings hereby waives all rights of subrogation which it may at any time otherwise have as a result of this Holdings Guaranty (whether contractual, under Section 509 of the Bankruptcy Code, or otherwise) to the claims of the Guaranteed Creditors against each Borrower, any other Holdings Guaranteed Party or any other guarantor of the Holdings Guaranteed Obligations and all contractual, statutory or common law rights of reimbursement, contribution or indemnity from each Borrower, any other Holdings Guaranteed Party or any other guarantor which it may at any time otherwise have as a result of this Holdings Guaranty.

(d) Holdings hereby acknowledges and affirms that it understands that to the extent the Holdings Guaranteed Obligations are secured by Real Property located in California, Holdings shall be liable for the full amount of the liability hereunder notwithstanding the foreclosure on such Real Property by trustee sale or any other reason impairing Holdings' or any Guaranteed Creditor's right to proceed against each Borrower, any other Holdings Guaranteed Party or any other guarantor of the Holdings Guaranteed Obligations. In accordance with Section 2856 of the California Code of Civil Procedure, Holdings hereby waives until such time as the Holdings Guaranteed Obligations have been paid in full in cash:

(i) all rights of subrogation, reimbursement, indemnification, and contribution and any other rights and defenses that are or may become available to Holdings by reason of Sections 2787 to 2855, inclusive, 2899 and 3433 of the California Code of Civil Procedure;

(ii) all rights and defenses that Holdings may have because the Holdings Guaranteed Obligations are secured by Real Property located in California, meaning, among other things, that: (A) the Guaranteed Creditors may collect from Holdings without first foreclosing on any real or personal property collateral pledged by each Borrower or any other Credit Party, and (B) if the Guaranteed Creditors foreclose on any Real Property collateral pledged by each Borrower or any other Credit Party, (1) the amount of the Holdings Guaranteed Obligations may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price, and (2) the Guaranteed Creditors may collect from Holdings even if the Guaranteed Creditors, by foreclosing on the Real Property collateral, have destroyed any right Holdings may have to collect from each Borrower or any other Holdings Guaranteed Party, it being understood that this is an unconditional and irrevocable waiver of any rights and defenses Holdings may have because the Holdings Guaranteed Obligations are secured by Real Property (including, without limitation, any rights or defenses based upon Sections 580a, 580d or 726 of the California Code of Civil Procedure); and

(iii) all rights and defenses arising out of an election of remedies by the Guaranteed Creditors, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for the Holdings Guaranteed Obligations, has destroyed Holdings' rights of subrogation and reimbursement against each Borrower or any other Holdings Guaranteed Party by the operation of Section 580d of the California Code of Civil Procedure or otherwise.

(e) Holdings warrants and agrees that each of the waivers set forth above is made with full knowledge of its significance and consequences and that if any of such waivers are determined to be contrary to any applicable law of public policy, such waivers shall be effective only to the maximum extent permitted by law.

14.09 Payments. All payments made by Holdings pursuant to this Section 14 shall be made in U.S. Dollars. All payments made by Holdings pursuant to this Section 14 will be made without setoff, counterclaim or other defense, and shall be subject to the provisions of Sections 5.03 and 5.04.

14.10 Maximum Liability. It is the desire and intent of Holdings and the Guaranteed Creditors that this Holdings Guaranty shall be enforced against Holdings to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. If, however, and to the extent that, the obligations of Holdings under this Holdings Guaranty shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state or federal law relating to fraudulent conveyances or transfers), then the amount of Holdings' obligations under this Holdings Guaranty shall be deemed to be reduced and Holdings shall pay the maximum amount of the Holdings Guaranteed Obligations which would be permissible under applicable law.

SECTION 15. U.S. Borrower's Guaranty.

15.01 The U.S. Borrower's Guaranty. In order to induce each of the Agents, the Collateral Agent, and the Lenders to enter into this Agreement and to extend credit hereunder, and to induce the other Guaranteed Creditors to enter into Post Petition Swap Agreements, and in recognition of the direct benefits to be received by the U.S. Borrower from the proceeds of the Loans and the entering into of such Post Petition Swap Agreements, the U.S. Borrower hereby agrees with the Guaranteed Creditors as follows: the U.S. Borrower hereby unconditionally and irrevocably guarantees, as primary obligor and not merely as surety the full and prompt payment when due, whether upon maturity, acceleration or otherwise, of any and all of the U.S. Borrower Guaranteed Obligations to the Guaranteed Creditors. If any or all of the U.S. Borrower Guaranteed Obligations to the Guaranteed Creditors becomes due and payable hereunder, the U.S. Borrower unconditionally and irrevocably promises to pay such indebtedness to the Guaranteed Creditors, or order, on demand, together with any and all expenses which may be incurred by the Guaranteed Creditors in collecting any of the U.S. Borrower Guaranteed Obligations. This U.S. Borrower's Guaranty is a guaranty of payment and not of collection. This U.S. Borrower's Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. If claim is ever made upon any Guaranteed Creditor for repayment or recovery of any amount or amounts received in payment or on account of any of the U.S. Borrower Guaranteed Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any settlement or compromise of any such claim effected by such payee with any such claimant (including the Canadian Borrower or any other U.S. Borrower Guaranteed Party), then and in such event the U.S. Borrower agrees that any such judgment, decree, order, settlement or compromise shall be binding upon the U.S. Borrower, notwithstanding any revocation of this U.S. Borrower's Guaranty or any other instrument evidencing any liability of the Canadian Borrower or any U.S. Borrower Guaranteed Party, and the U.S. Borrower shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

15.02 Bankruptcy. Additionally, the U.S. Borrower unconditionally and irrevocably, guarantees the payment of any and all of the U.S. Borrower Guaranteed Obligations to the Guaranteed Creditors whether or not due or payable by the Canadian Borrower or any other U.S. Borrower Guaranteed Party upon the occurrence of any of the events specified in clause (h), (i) or (j) of Section 11, and irrevocably and unconditionally promises to pay such indebtedness to the Guaranteed Creditors, or order, on demand.

15.03 Nature of Liability. The liability of the U.S. Borrower hereunder is primary, absolute and unconditional, exclusive and independent of any security for or other guaranty of the U.S. Borrower Guaranteed Obligations whether executed by the U.S. Borrower, any other guarantor or any other party, and the liability of the U.S. Borrower Guarantors hereunder is not affected or impaired by (a) any direction as to application of payment by the Canadian Borrower, any other U.S. Borrower Guaranteed Party or any other party, or (b) any other continuing or other guaranty, undertaking or maximum liability of a guarantor or of any other party as to the U.S. Borrower Guaranteed Obligations, or (c) any payment on or in reduction of any such other guaranty or undertaking, or (d) any dissolution, termination or increase, decrease or change in personnel by the Canadian Borrower or any other U.S. Borrower Guaranteed Party or (e) any payment made to the Guaranteed Creditors on the U.S. Borrower Guaranteed Obligations which any such Guaranteed Creditor repays to the Canadian Borrower or any other U.S. Borrower Guaranteed Party pursuant to court order in any

bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and the U.S. Borrower waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, or (f) any action or inaction of the type described in Section 15.05, or (g) the lack of validity or enforceability of any Credit Document or any other instrument relating thereto.

15.04 Independent Obligation. No invalidity, irregularity or unenforceability of all or any part of the U.S. Borrower Guaranteed Obligations or of any security therefor shall affect, impair or be a defense to this U.S. Borrower's Guaranty, and this U.S. Borrower's Guaranty shall be primary, absolute and unconditional notwithstanding the occurrence of any event or the existence of any other circumstances which might constitute a legal or equitable discharge of a surety or guarantor except payment in full in cash of the U.S. Borrower Guaranteed Obligations. The obligations of the U.S. Borrower hereunder are independent of the obligations of the Canadian Borrower, any other U.S. Borrower Guaranteed Party, any other guarantor or any other party, and a separate action or actions may be brought and prosecuted against the U.S. Borrower whether or not action is brought against the Canadian Borrower, any other U.S. Borrower Guaranteed Party, any other guarantor or any other party and whether or not the Canadian Borrower, any other U.S. Borrower Guaranteed Party, any other guarantor or any other party be joined in any such action or actions. The U.S. Borrower waives, to the fullest extent permitted by law, the benefit of any statute of limitations affecting its liability hereunder or the enforcement thereof. Any payment by the Canadian Borrower or any other U.S. Borrower Guaranteed Party or other circumstance that operates to toll any statute of limitations as to the Canadian Borrower or such other U.S. Borrower Guaranteed Party shall operate to toll the statute of limitations as to the U.S. Borrower.

15.05 Authorization. The U.S. Borrower authorizes the Guaranteed Creditors without notice or demand (except as shall be required by applicable statute and cannot be waived), and without affecting or impairing its liability hereunder, from time to time to:

(a) change the manner, place or terms of payment of, and/or change or extend the time of payment of, renew, increase, accelerate or alter, any of the U.S. Borrower Guaranteed Obligations (including any increase or decrease in the principal amount thereof or the rate of interest or fees thereon), any security therefor, or any liability incurred directly or indirectly in respect thereof, and this U.S. Borrower's Guaranty made shall apply to the U.S. Borrower Guaranteed Obligations as so changed, extended, renewed, increased or altered;

(b) take and hold security for the payment of the U.S. Borrower Guaranteed Obligations and sell, exchange, release, impair, surrender, realize upon or otherwise deal with in any manner and in any order any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the U.S. Borrower Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset thereagainst;

(c) exercise or refrain from exercising any rights against the Canadian Borrower, any other U.S. Borrower Guaranteed Party or others or otherwise act or refrain from acting;

(d) release or substitute any one or more endorsers, guarantors, the Canadian Borrower, any other U.S. Borrower Guaranteed Party or other obligors;

(e) settle or compromise any of the U.S. Borrower Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of the Canadian Borrower or any other U.S. Borrower Guaranteed Party to their respective creditors other than the Guaranteed Creditors;

(f) apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of the Canadian Borrower or any other U.S. Borrower Guaranteed Party to the Guaranteed Creditors regardless of what liability or liabilities of the Canadian Borrower or such other U.S. Borrower Guaranteed Party remain unpaid;

(g) consent to or waive any breach of, or any act, omission or default under, this Agreement, any other Credit Document or any Post Petition Swap Agreement or any of the instruments or agreements referred to herein or therein, or otherwise amend, modify or supplement this Agreement, any other Credit Document or any Post Petition Swap Agreement or any of such other instruments or agreements; and/or

(h) take any other action that would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of the U.S. Borrower from its liabilities under this U.S. Borrower's Guaranty.

15.06 Reliance. It is not necessary for the Guaranteed Creditors to inquire into the capacity or powers of the Canadian Borrower or any other U.S. Borrower Guaranteed Party or the officers, directors, partners or agents acting or purporting to act on its or their behalf, and any U.S. Borrower Guaranteed Obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

15.07 Subordination. Any of the indebtedness of the Canadian Borrower or any other U.S. Borrower Guaranteed Party now or hereafter owing to the U.S. Borrower is hereby subordinated to the U.S. Borrower Guaranteed Obligations of the Canadian Borrower or such other U.S. Borrower Guaranteed Party owing to the Guaranteed Creditors; and if the Administrative Agent so requests at a time when an Event of Default exists, all such indebtedness of the Canadian Borrower or such other U.S. Borrower Guaranteed Party to the U.S. Borrower shall be collected, enforced and received by the U.S. Borrower for the benefit of the Guaranteed Creditors and be paid over to the Administrative Agent on behalf of the Guaranteed Creditors on account of the U.S. Borrower Guaranteed Obligations of the Canadian Borrower or such other U.S. Borrower Guaranteed Party to the Guaranteed Creditors, but without affecting or impairing in any manner the liability of the U.S. Borrower under the other provisions of this U.S. Borrower's Guaranty. Prior to the transfer by the U.S. Borrower of any note or negotiable instrument evidencing any of the indebtedness of the Canadian Borrower or any other U.S. Borrower Guaranteed Party to the U.S. Borrower, the U.S. Borrower shall mark such note or negotiable instrument with a legend that the same is subject to this subordination.

15.08 Waiver. (a) The U.S. Borrower waives any right (except as shall be required by applicable statute and cannot be waived) to require any Guaranteed Creditor to (i) proceed against the Canadian Borrower, any other U.S. Borrower Guaranteed Party, any other guarantor or any other party, (ii) proceed against or exhaust any security held from the Canadian Borrower, any other U.S. Borrower Guaranteed Party, any other guarantor or any other party or (iii) pursue any other remedy in any Guaranteed Creditor's power whatsoever. The U.S. Borrower waives any defense based on or arising out of any defense of the Canadian Borrower, any

other U.S. Borrower Guaranteed Party, any other guarantor or any other party, other than payment in full in cash of the U.S. Borrower Guaranteed Obligations, based on or arising out of the disability of the Canadian Borrower, any other Guaranteed Party, any other guarantor or any other party, or the unenforceability of the U.S. Borrower Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of the Canadian Borrower or any other U.S. Borrower Guaranteed Party other than payment in full in cash of the U.S. Borrower Guaranteed Obligations. The Guaranteed Creditors may, at their election, foreclose on any security held by the Administrative Agent, the Collateral Agent or any other Guaranteed Creditor by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Guaranteed Creditors may have against the Canadian Borrower, any other U.S. Borrower Guaranteed Party or any other party, or any security, without affecting or impairing in any way the liability of the U.S. Borrower hereunder except to the extent the U.S. Borrower Guaranteed Obligations have been paid in full in cash. The U.S. Borrower waives any defense arising out of any such election by the Guaranteed Creditors, even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of the U.S. Borrower against the Canadian Borrower, any other U.S. Borrower Guaranteed Party or any other party or any security.

(b) The U.S. Borrower waives all presentments, demands for performance, protests and notices, including, without limitation, notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this U.S. Borrower's Guaranty, and notices of the existence, creation or incurring of new or additional U.S. Borrower Guaranteed Obligations. The U.S. Borrower assumes all responsibility for being and keeping itself informed of the Canadian Borrower's and each other U.S. Borrower Guaranteed Party's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the U.S. Borrower Guaranteed Obligations and the nature, scope and extent of the risks which the U.S. Borrower assumes and incurs hereunder, and agrees that the Guaranteed Creditors shall have no duty to advise the U.S. Borrower of information known to them regarding such circumstances or risks.

(c) Until such time as the U.S. Borrower Guaranteed Obligations have been paid in full in cash, the U.S. Borrower hereby waives all rights of subrogation which it may at any time otherwise have as a result of this U.S. Borrower's Guaranty (whether contractual, under Section 509 of the Bankruptcy Code, or otherwise) to the claims of the Guaranteed Creditors against the Canadian Borrower, any other U.S. Borrower Guaranteed Party or any other guarantor of the U.S. Borrower Guaranteed Obligations and all contractual, statutory or common law rights of reimbursement, contribution or indemnity from the Canadian Borrower, any other U.S. Borrower Guaranteed Party or any other guarantor which it may at any time otherwise have as a result of this U.S. Borrower's Guaranty.

(d) The U.S. Borrower hereby acknowledges and affirms that it understands that to the extent the U.S. Borrower Guaranteed Obligations are secured by Real Property located in California, the U.S. Borrower shall be liable for the full amount of the liability hereunder notwithstanding the foreclosure on such Real Property by trustee sale or any other reason impairing the U.S. Borrower's or any Guaranteed Creditor's right to proceed against any U.S. Borrower Guaranteed Party or any other guarantor of the U.S. Borrower Guaranteed Obligations. In accordance with Section 2856 of the California Code of Civil Procedure, the U.S. Borrower hereby waives until such time as the U.S. Borrower Guaranteed Obligations have been paid in full in cash:

(i) all rights of subrogation, reimbursement, indemnification, and contribution and any other rights and defenses that are or may become available to the U.S. Borrower by reason of Sections 2787 to 2855, inclusive, 2899 and 3433 of the California Code of Civil Procedure;

(ii) all rights and defenses that the U.S. Borrower may have because the U.S. Borrower Guaranteed Obligations are secured by Real Property located in California, meaning, among other things, that: (A) the Guaranteed Creditors may collect from the U.S. Borrower without first foreclosing on any real or personal property collateral pledged by any Credit Party, and (B) if the Guaranteed Creditors foreclose on any Real Property collateral pledged by any Credit Party, (1) the amount of the U.S. Borrower Guaranteed Obligations may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price, and (2) the Guaranteed Creditors may collect from the U.S. Borrower even if the Guaranteed Creditors, by foreclosing on the Real Property collateral, have destroyed any right the U.S. Borrower may have to collect from any U.S. Borrower Guaranteed Party, it being understood that this is an unconditional and irrevocable waiver of any rights and defenses the U.S. Borrower may have because the U.S. Borrower Guaranteed Obligations are secured by Real Property (including, without limitation, any rights or defenses based upon Sections 580a, 580d or 726 of the California Code of Civil Procedure); and

(iii) all rights and defenses arising out of an election of remedies by the Guaranteed Creditors, even though that election of remedies, such as a non-judicial foreclosure with respect to security for the U.S. Borrower Guaranteed Obligations, has destroyed the U.S. Borrower's rights of subrogation and reimbursement against any U.S. Borrower Guaranteed Party by the operation of Section 680d of the California Code of Civil Procedure or otherwise.

(e) The U.S. Borrower warrants and agrees that each of the waivers set forth above is made with full knowledge of its significance and consequences and that if any of such waivers are determined to be contrary to any applicable law of public policy, such waivers shall be effective only to the maximum extent permitted by law.

15.09 Payments. All payments made by the U.S. Borrower pursuant to this Section 15 shall be made in U.S. Dollars. All payments made by the U.S. Borrower pursuant to this Section 15 will be made without setoff, counterclaim or other defense, and shall be subject to the provisions of Sections 5.03 and 5.04.

15.10 Maximum Liability. It is the desire and intent of the U.S. Borrower and the Guaranteed Creditors that this U.S. Borrower's Guaranty shall be enforced against the U.S. Borrower to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. If, however, and to the extent that, the obligations of the U.S. Borrower under this U.S. Borrower's Guaranty shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state or federal law relating to fraudulent conveyances or transfers), then the amount of the U.S. Borrower's obligations under this U.S. Borrower's Guaranty shall be deemed to be reduced and the U.S. Borrower shall pay the maximum amount of the U.S. Borrower Guaranteed Obligations which would be permissible under applicable law.
